Tibetans In Armed Revolt Against Reds

CALCUTTA, India, Sept. 18 —UP— Natives have rebelled against Communist occupation forces in the "Shangri-La" country of eastern Tibet, reports reaching India's border said Saturday.

Both sides have suffered fatalities in a series of clashes, the reports said.

The reports said the Communist troops were forced to declare a state of emergency and summon reinforcements into the eastern provinces, where natives protested Red rules last year by refusing to pay taxes.

The rebellion was reported while Tibet's rival religious leaders, the Dalai Lama and the Communist-sponsored Panchen Lama were in Peiping. A Communist New China News Service dispatch from the Red city said both had pledged "warm support" for Tibet's conquerors.

The Communists invaded the Himalayan theocracy in October, 1950 and have clamped strict controls on the remote land. The Reds hold the communication lines, and the forbidding mountains shielding Tibet cut off the normal communications.

However, a handful of travelers reaching Kalimpong, India, along the mountain trails brought reports that both Tibetans and the Red occupation troops had suffered fatalities in the recent clashes.

The travelers are usually traders who bring mule caravans to Kalimpong along the treacherous routes from Lhasa, the Tibetan capital.

Shangri-la, the setting of James Hilton's novel "Lost Horizons," is a mythical valley hidden in the snowy Tibetan mountains, Hilton described it as a virtual paradise, preserved amid the snows by some trick of nature, where people never grow old.

Reports of the rebellion clashed headon with Peiping Radio's glowing reports of statements by the two religious leaders.

Family Of Nine Killed By Gas; Suicide-Murder

QUEENSFERRY, Wales, Sept. 18— UP— Seven children and their parents were found dead Saturday in a gas-filled house in what police said apparently was a mass suicide-murder stemming from a family quarrel.

Only one of Mr. and Mrs. Leonard King's family survived, 15-year-old Sheila. She was reported in critical condition.

"It was not accidental," said Superintendent J. W. Edwards, deputy chief constable for Flintshire.

Police said someone apparently sawed through a gas pipe and two of the victims appeared to have suffered "other injuries."

Neighbors said King had just returned to Flintshire from London where he worked as a painter for six weeks. They said they heard the family quarreling Friday night but "attached no importance."

Police were called by neighbors to investigate when the King children failed to come out to play in the streets as they usually did.

Officers found the bodies of Pauline, 7; Lorraine, 6; Georginia, 5; Diana, 3; and six-months-old Terry in their bedrooms. Terry died in the perambulator his mother bought him Friday.

Keith, 13, died on the stair landing. Sheila was found in a back bedroom, still breathing.

Downstairs lay the bodies of King, his wife, Annie Eleanor, and her eldest daughter by a former marriage, 19-year-old Doris Smith. In the same room were the family's three pets, also asphyxiated, an Alsatian dog and two canaries.

Mrs. King and Miss Smith appeared to have suffered "other injuries," police said.

Woman Evades Court Order To Surrender Baby

PARIS, Sunday, Sept. 19 (AP) — Handsome young Jimmy Goldsmith asked French police early today to guard against any attempt to remove his ailing 4-months-old daughter from France in defiance of a court order he won yesterday.

The 21-year-old British hotel heir sounded the alarm after hearing unconfirmed rumors that efforts were being made by the wealthy Patino family to take Isabela Patino Goldsmith to Spain.

He said police were asked to check airports and all travel lines.

Mrs. Antenor Patino, estranged wife of the Bolivan tin magnate, lost in the custody suit yesterday but said she would not surrender the motherless baby until served with a court order.

Mrs. Patino has steadfastly refused to say where Isabela is being kept. Unconfirmed reports last week from French police sources suggested the baby may already be in Madrid. Mrs. Patino is related to the Spanish royal family.

A process server failed to reach Mrs. Patino before sundown yesterday and that meant she may not be served beforo Monday—if then. French law says service must be completed before the sun sets and never on a Sunday.

Goldsmith's mother, red - eyed from crying, remained in his nursery-fitted apartment in the swank Passy sector of Paris overnight with faint hope that the child would be handed over before morning. A nurse also stayed at the apartment.

After four days of contesting over the child, Judge Jean Ausset ruled yesterday that Isabela must be returned immediately to her father.

The process server had tried, but had not been able to find Mrs. Patino. After dark, he entered the Antenor Patino home and came out announcing he had delivered the papers to a valet, but not to Mrs. Patino. Nobody would say whether that would bring the case to a head.

Meanwhile, Mrs. Patino was observed in an automobile that circled around the house from time to time. She has not lived there

Adlai Slugs At Ike And GOP In Talk To Demos

Stresses Splits Among Republicans, 'Loss Of Prestige'

INDIANAPOLIS, Ind., Sept. 18 —UP— Adlai E. Stevenson charged Saturday night that America's leadership in the free world has deteriorated under Republican rule. He said President Eisenhower's administration is "a tangle of contradictions and impotence" because the GOP is split so badly it can close ranks only on "giveaways" to special interests.

The 1952 presidential nominee told 1,000 Democrats at a nationally-televised congressional campaign banquet they must guard the spirit of their campaign and not, like Republicans, sow "discord, mistrust and hate" in the United States.

"All around the world," he said, "American prestige — our good name and the respect of both friend and foe—has suffered, and the initiative, which the administration boasted it had seized, is in Communist hands.

Stevenson criticized Mr. Eisenhower's administration for what he said was trimming of our military programs while the Communists expanded theirs, for "slashing" assistance to underdeveloped nations, and for raising barriers to imports while Communists "dangled dazzling promises of trade before our hard-pressed allies."

"At Geneva and elsewhere they have succeeded in convincing many of our friends that we are rigid and inflexible, either unwilling or unable to negotiate or compromise, and that only the United States stands in the way of a peaceful world," he said.

Stevenson's speech was one of his strongest attacks on the administration since Mr. Eisenhower took office.

He said the administration was "evidently unprepared" for the defeat of the European Defense Community and its "tough, noisy talk" did not prevent EDC's fall.

In Asia, he said, "the Communist triumph in Indo-China and the ominous preparations across the Formosa Strait remind us that the president thought the armistice in Korea would be a fraud if it helped the Communists to advance elsewhere."

Republicans are "hopelessly divided" on foreign policy, Stevenson said, and agree only a "common faith in giveaway government."

Former Democratic National Chairman Frank E. McKinney dismissed as "far-fetched" speculation there is a party split brewing over Stevenson. Party leaders said reports that tickets to the $100-a-plate banquet went begging were incorrect because a cut-rate was planned months ago for many Indiana Democrats.

White Man, Negro Rob Bank; Caught

BLACKVILLE, S.C., Sept. 18 (AP) —Two gunmen, one white and the other Negro, robbed the Blackville State Bank of between $14,000 and $15,000 today.

Police said they were caught soon afterward and J. Farrell O'Gorman, president of the bank, reported a quick check-up showed all but between $1,500 and $2,500 was recovered.

Blackville is in the H-bomb plant area of South Carolina.

SLIGHT MISTAKE—Phil Nathan, a Chicago television repairman, displays check in amount of $100,005 he received for servicing a TV set. Money order, however, was a slight mistake made by machine that printed it. Nathan's bill was for $5.

Man Sought In Kidnap-Slaying Of 6-Year-old

SALT LAKE CITY, Utah, Sept. 18— UP— A short, stocky man clad in striped overalls and a red sweat shirt was sought here Saturday as the chief suspect in the kidnaping and perverted sex-slaying of a six-year-old boy.

The child, Gregory MaComb was stolen from his bed in a Salt Lake apartment house early Friday, sexually mistreated and murdered. His battered body was recovered from a rocky creek bed near little-used railroad bridge in Parleys Canyon, east of Salt Lake Country Club, late Friday afternoon.

Police speculated the kidnap-murderer may have been the same man who kidnaped a three-year-old Salt Lake City boy near his home last Sunday but later released him unharmed.

Dr. Richard A. Call, Provo, Utah, pathologist who performed an autopsy, said the MaComb child had been strangled and his skull was fractured by some "blunt instrument." It was still not determined whether the boy was alive when thrown into the water although police said he probably was dead because there was no sign of any movement or struggle. Call said the child was the victim of a sex pervert.

Police said the boy's throat bore definite choke marks. His knees were scratched and a bruise the size of a silver dollar was found on his forehead.

'Gloved Bandit' Taught Methods By Comic Books

The effect of "crime comics!"

With the arrest of an 18-year-old youth here Friday, identified as the "kid glove bandit," a story was unveiled on how the youth first got into trouble with the law when he was only 15 years old.

Chief of Detectives, Hugh Tolbert, said here Saturday, that Billy Joe McLaughlins first crime, which sent him to a boy's reformatory in Houston, was committed similar to one that he had read in "cops and robbers comic book."

Billy Joe's first offense was burglary and robbery. He classified the crime as "floating a safe," Chief Tolbert said. The particulars of the first offense, as admitted by the youth and told by Chief Tolbert, were as follows: "Billy Joe broke into an establishment and cut a hole in a safe housed in the building. He couldn't get the money out from the top so he took a hose and filled the safe full of water. The money floated to the top and Billy Joe took it from the safe."

Billy Joe got the idea of "floating a safe," as he expressed the crime, from a funny book, Chief Tolbert said.

The youth, who was on parole from the Texas reformatory to local parole officers, admitted to city and parish officials late Friday that he was the "kid glove bandit" who took $160 from the night clerk at Collie Courts on September 2, $60 and a pistol from the Old Glory Motel 10 nights later.

Chief Tolbert said Billy Joe wore gloves in the two hold-ups because of tattoes on his hands.

This is the effect of "crime comics."

Officers Elected By Firemen's Association

The 49th annual conference of the Louisiana Firemen's Association, in session here since Wednesday, concluded at noon Saturday with the election of officers and choosing of the convention site for next year.

Those elected are:

Stephen Naquin, Thibodaux, president; H. L. Hales, Monroe, first vice-president; Andrew Broussard, Lafayette, second vice-president; Dr. B. J. Barrodale, secretary; and George W. Varnado, Franklinton, treasurer.

Naquin was elevated from first vice-president and Hales from second vice-president, while Barrodale stayed in his position as secretary for the 15th consecutive term and Varnado for his fourth term.

Irby Gascon of Plaquemine, president during the past year, was named to the executive committee as was Howard Dey of New Orleans. Other members of the executive committee, both on previously, are J. W. Andrus of Crowley, and Harry Pitre of Westwego.

Rev. J. N. Blackburn of Houma will continue as chaplain and Tommy Barrodale was named mascot for the organization.

According to Dr. Barrodale, the convention site for next year will be in Hammond, at the invitation of Mayor James Stire. No dates for the meeting have as yet been set, but Barrodale said plans for a large convention are being made for the 50th anniversary of the association.

During the morning session, association delegates heard reports from the various association committees, including the auditing, resolutions, credentials, application, and inspection committees.

The host chief, H. L. Hales, and his wife were given a presentation by the association, as was outgoing President Gascon.

Roosevelt In Uphill Fight For Governor

State Convention Convenes Tuesday To Pick Nominee

NEW YORK, Sept. 18 (AP) — Franklin D. Roosevelt's son and namesake and Averell Harriman, one of the late President's closest advisors, will battle it out Tuesday for the Democratic nomination for governor.

Rep. Franklin D. Roosevelt Jr. has the odds against him in his bid for the Albany post that catapulted his father into the White House.

The state's most influential leaders, including the Tammany chieftain, have endorsed Harriman, holder of high posts in the New Deal and Truman administrations.

Roosevelt forces concede they have an uphill fight but intend to carry the contest to the state convention floor. They claim strong upstate strength and contend Roosevelt will get more votes of New York City delegates than the leaders expect.

The Democratic nominee will in all likelihood be opposed in the Nov. 2 election by Sen. Irving M. Ives, who has no rival for the Republican nomination for governor.

Whatever the outcome of the Democratic convention, the campaign to elect a successor to retiring Republican Gov. Thomas E. Dewey will have overtones of the New Deal against the Eisenhower administration record.

Both Harriman, 62, and Roosevelt, 40, staunchly follow the philosophy of the elder Roosevelt. Ives, 58, is a supporter of President Eisenhower.

Harriman attended the Casa Blanca and Yalta conferences with President Roosevelt and was present at Roosevelt's meeting with Winston Churchill when the Atlantic Charter was adopted.

He held such posts as lend-lease expediter, ambassador to the Soviet Union, ambassador to Great Britain and secretary of commerce during the regimes of Presidents Roosevelt and Truman.

The opposing Democratic camps give conflicting reasons why the Democratic state leaders gave their endorsement to Harriman.

State Democratic Chairman Richard Balch and National Committeeman Carmine G. de Sapio, who also heads Tammany Hall, the Manhattan Democratic organization, pointed to Harriman's experience in governmental affairs.

They said they have canvassed county chairmen and concluded Harriman had the better chance to win.

They were joined in their endorsement by Sen. Herbert H. Lehman and Mayor Robert F. Wagner of New York City.

'Old Monster' A Match For President

Ike Baffled By 5-Pound Trout

FRASER, Colo., Sept. 18—UP— President Eisenhower, a truly expert angler, has finally met his match—a five-pound trout that defies catching.

Since last Wednesday, the Chief Executive has tried everything in his fly box to land this one fish that lurks under a clump of small trees in St. Louis Creek. But no luck.

The big trout, put into the stream from a hatchery earlier this summer, is known on Byers Peak Ranch where the President is staying as "the old monster" and that "blankety-blank."

The President had high hopes of bringing in the big fellow late Saturday. A brisk breeze rippled the creek, making it difficult for the fish to see the angler. The Chief Executive thought the wind would increase his chances of landing the big one immeasurably.

Because of the intensely bright sun, the President did not fish Saturday morning, preferring to wait for the late afternoon shadows. Instead of fishing, he and his host, Aksel Nielsen, walked to a nearby pasture and batted old golf balls into the woods.

The President turned in early Friday night after working on speeches for next week with his secretary, James C. Hagerty. White House Administrative Assistant Bryce Harlow, one of the President's chief speech consultants, was scheduled to arrive here late Saturday to do additional work with the Chief Executive during the evening and Sunday morning.

The speeches on which the President was concentrating will be delivered next Wednesday at Missoula, Mont., Thursday at McNary Dam on the Columbia River in the Pacific northwest and in the Hollywood Bowl at Los Angeles Thursday night.

Mr. Eisenhower will speak briefly and informally Friday morning in Los Angeles to the national convention of the American Federation of Labor.

The Chief Executive will leave here Sunday at 4 p.m. (MST) by auto to return to the Denver home of his mother-in-law, Mrs. John S. Doud.

Police Evacuate Public From Big Park As Python 18 Feet Long Flees Cage

FORT WORTH, Sept. 18 —UP— An 18-foot python named "Pete" escaped from the Forest Park zoo Saturday and police chased 1,500 persons out of the park lest he pounce out of a tree on some lounger and crush him.

Six hours after Pete's escape from an iron cage was discovered he was still free and 75 police, park employes and snake experts couldn't find him. Pete is a foot in diameter.

They believed he was cornered at the bend of the Clear Fork of Trinity River, which runs through the park. Many persons reported seeing Pete, but when the official searching party arrived there was no sign of him.

Three - and - a - half hours after Pete's escape was discovered an auxiliary policeman spotted him along the banks of the Trinity River, which runs through the park.

The auxiliary policeman notified regular police who converged on the river with reptile experts, in the hope they can cajole Pete into being still long enough to be taken prisoner.

Pete, a 10-year-old snake, had been in the zoo about a year. He was locked up in an iron cage, which turned out to have a faulty door.

Park superintendent Hamilton Hittson said pythons are dangerous only: (1) When attacked; (2) while eating, and (3) while mating.

Hittson concluded that Pete was not likely to get involved in any of these situations at the bend of the river.

"I believe there is no danger of anybody being hurt now," he said.

Police, police auxiliaries and park employes searched all of the park except the area at the river's bend and reopened it. At the height of the scare over Pete's escape, they barricaded University Drive, which connects the west and south sides of Fort Worth.

More than 100 police rushed to the park when Pete was first discovered missing. Police squad cars with loud speakers sped about blaring: "A large reptile has escaped from the zoo. It is necessary to clear the park for your safety."

Police did not have to ask any person a second time to leave. Pete was well known, since he had had his teeth repaired recently and his picture, with six men holding him, was in the newspapers and on television.

Harry Jackson, who runs the reptile exhibit at the zoo and owns Pete, said he is strong enough to "easily crush a man." But he said he fed Pete Friday and doubts that he is hungry.

Pete, as it turned out, had a faulty door on his cage. He pushed open the door, slithered over a six-foot fence around the cage and made off. None saw him go and his escape was not discovered until 9:30 A. M.

Lights Will Be On Tonight For Cancer Campaign

Tonight is the Lights-On night for Cancer. The culmination of many weeks of hard work of preparation by the Ouachita Parish unit, American Cancer Society, in connection with the Pilot Club of Monroe and West Monroe will be held tonight from 9 to 10 p.m.

At 9 p.m. sharp, church bells will ring, sirens will blow and an army of 300 volunteers will proceed forth to collect the contributions in a giant effort to strike back against the dreaded disease, cancer. Turning on of porch lights at 9 p.m. will be an indication that the residents of the parish are willing to join in this fight against the nation's number 1 killer.

During the day, ministers in the Churches of Ouachita parish will deliver messages indicating the need for assistance by the people of this area as individuals. Today has been named Cancer Memorial Sundoy for those who wish to make contributions in memory of loved ones. As an added reminder to the Twin Cities residents, a sound truck will circulate in each neighborhood pleading the help of each person to do his part in conquering cancer — by giving when the volunteer calls on him.

Crews of workers will be stationed at the Virginia hotel o receive the collections of volunteer workers and to pick up donations of those who have not been reached by the Lights On drive. If anyone is missed, he is asked to contact the drive headquarters at the Virginia hotel.

Nautilus Mishap Injures One Man

WASHINGTON (AP) — The Navy disclosed today a steampipe on the atomic submarine Nautilus at Groton, Conn. burst Thursday night during routine test operations. One man was injured.

The announcement said the 1½-inch piping had nothing to do with the atomic propulsion plant and "no radioactivity was involved."

The trouble was caused by a "piping installation error," the Navy said, and "it was not due to sabotage."

Dulles Reveals Serious Rift In Big-3 Alliance

U. S. Now Giving Top Priority To German Problems

WASHINGTON, Sept. 18 (AP) — A week of crisis diplomacy by Foreign Secretary Eden of Britain and U. S. Secretary of State Dulles has failed to win French agreement with the United States and Britain on terms for rearming West Germany.

This means that the heart of the anti-Communist North Atlantic alliance is deeply, perhaps fatally split. It heightens the possibility of a shift in U. S. policy from reliance on France to reliance on Germany and Spain as the mainstays of European defense.

Secretary Dulles, returning from a flight to West Germany and London, today disclosed the dimensions of the crisis in a soberly worded statement issued at Watertown, N. Y. He left his Air Force plane there to seek a weekend's rest at his Duck Island retreat in Lake Ontario.

Dulles made these major points in his statement:

1. Despite a series of announcements from Europe in the last few days about agreements to hold various meetings on the German issue "it would be a mistake to assume that any acceptable solution has been fully developed."

2. Dulles informed German Chancellor Konrad Adenauer at Bonn that President Eisenhower, Congress and "the American people generally" share his view that West German sovereignty and "preliminary steps" toward rearmament can no longer be deferred "until European unity is achieved." This unity would have been achieved under a European Defense Community plan which the French Parliament killed two weeks ago.

Dulles' statement made it clear that even though he had hoped to salvage the principle of supra-

9-Power Meeting Called In London For September 28

LONDON, Sept. 18 (AP) — The United States and Britain today called a nine-power parley on West European defense for on or about Sept. 28. They showed determination to bring West Germany into the Atlantic alliance quickly despite French fears.

The conference will take up a new British-American proposal to put West German divisions on the defense line against Communist aggression within the framework of the North Atlantic Treaty Organization.

The Foreign Office said the showdown meeting on the German rearmament crisis was arranged Friday night during U. S. Secretary of State Dulles' flying visit to the British capital. It will take place in London at the foreign ministers' level.

The Churchill government is sending out formal invitations to the United States, Canada and the six members of the French-scuttled European Defense Community which originally was designed to

The 1952 presidential nominee told 1,000 Democrats at a nationally-televised congressional campaign banquet they must guard the spirit of their campaign and not, like Republicans, sow "discord, mistrust and hate" in the United States.

"All around the world," he said, "American prestige — our good name and the respect of both friend and foe—has suffered, and the initiative, which the administration boasted it had seized, is in Communist hands.

Stevenson criticized Mr. Eisenhower's administration for what he said was trimming of our military programs while the Communists expanded theirs, for "slashing" assistance to underdeveloped nations, and for raising barriers to imports while Communists "dangled dazzling promises of trade before our hard-pressed allies."

"At Geneva and elsewhere they have succeeded in convincing many of our friends that we are rigid and inflexible, either unwilling or unable to negotiate or compromise, and that only the United States stands in the way of a peaceful world," he said.

Stevenson's speech was one of his strongest attacks on the administration since Mr. Eisenhower took office.

He said the administration was "evidently unprepared" for the defeat of the European Defense Community and its "tough, noisy talk" did not prevent EDC's fall.

In Asia, he said, "the Communist triumph in Indo-China and the ominous preparations across the Formosa Strait remind us that the president thought the armistice in Korea would be a fraud if it helped the Communists to advance elsewhere."

Republicans are "hopelessly divided" on foreign policy, Stevenson said, and agree only a "common faith in giveaway government."

Former Democratic National Chairman Frank E. McKinney dismissed as "far-fetched" speculation there is a party split brewing over Stevenson. Party leaders said reports that tickets to the $100-a-plate banquet went begging were incorrect because a cut-rate was planned months ago for many Indiana Democrats.

White Man, Negro Rob Bank; Caught

BLACKVILLE, S.C., Sept. 18 (AP) —Two gunmen, one white and the other Negro, robbed the Blackville State Bank of between $14,000 and $15,000 today.

Police said they were caught soon afterward and J. Farrell O'Gorman, president of the bank, reported a quick check-up showed all but between $1,500 and $2,500 was recovered.

Blackville is in the H-bomb plant area of South Carolina.

Man Sought In Kidnap-Slaying Of 6-Year-old

SALT LAKE CITY, Utah, Sept. 18— UP— A short, stocky man clad in striped overalls and a red sweat shirt was sought here Saturday as the chief suspect in the kidnaping and perverted sex-slaying of a six-year-old boy.

The child, Gregory MaComb was stolen from his bed in a Salt Lake apartment house early Friday, sexually mistreated and murdered. His battered body was recovered from a rocky creek bed near little-used railroad bridge in Parleys Canyon, east of Salt Lake Country Club, late Friday afternoon.

Police speculated the kidnap-murderer may have been the same man who kidnaped a three-year-old Salt Lake City boy near his home last Sunday but later released him unharmed.

Dr. Richard A. Call, Provo, Utah, pathologist who performed an autopsy, said the MaComb child had been strangled and his skull was fractured by some "blunt instrument." It was still not determined whether the boy was alive when thrown into the water although police said he probably was dead because there was no sign of any movement or struggle. Call said the child was the victim of a sex pervert.

Police said the boy's throat bore definite choke marks. His knees were scratched and a bruise the size of a silver dollar was found on his forehead.

'Gloved Bandit' Taught Methods By Comic Books

The effect of "crime comics!"

With the arrest of an 18-year-old youth here Friday, identified as the "kid glove bandit," a story was unveiled on how the youth first got into trouble with the law when he was only 15 years old.

Chief of Detectives, Hugh Tolbert, said here Saturday, that Billy Joe McLaughlins first crime, which sent him to a boy's reformatory in Houston, was committed similar to one that he had read in "cops and robbers comic book."

Billy Joe's first offense was burglary and robbery. He classified the crime as "floating a safe," Chief Tolbert said. The particulars of the first offense, as admitted by the youth and told by Chief Tolbert, were as follows: "Billy Joe broke into an establishment and cut a hole in a safe housed in the building. He couldn't get the money out from the top so he took a hose and filled the safe full of water. The money floated to the top and Billy Joe took it from the safe."

Billy Joe got the idea of "floating a safe," as he expressed the crime, from a funny book, Chief Tolbert said.

The youth, who was on parole from the Texas reformatory to local parole officers, admitted to city and parish officials late Friday that he was the "kid glove bandit" who took $160 from the night clerk at Collie Courts on September 2, $60 and a pistol from the Old Glory Motel 10 nights later.

Chief Tolbert said Billy Joe wore gloves in the two hold-ups because of tattoes on his hands.

This is the effect of "crime comics."

Roosevelt In Uphill Fight For Governor

State Convention Convenes Tuesday To Pick Nominee

NEW YORK, Sept. 18 (AP) — Franklin D. Roosevelt's son and namesake and Averell Harriman, one of the late President's closest advisors, will battle it out Tuesday for the Democratic nomination for governor.

Rep. Franklin D. Roosevelt Jr. has the odds against him in his bid for the Albany post that catapulted his father into the White House.

The state's most influential leaders, including the Tammany chieftain, have endorsed Harriman, holder of high posts in the New Deal and Truman administrations.

Roosevelt forces concede they have an uphill fight but intend to carry the contest to the state convention floor. They claim strong upstate strength and contend Roosevelt will get more votes of New York City delegates than the leaders expect.

The Democratic nominee will in all likelihood be opposed in the Nov. 2 election by Sen. Irving M. Ives, who has no rival for the Republican nomination for governor.

Whatever the outcome of the Democratic convention, the campaign to elect a successor to retiring Republican Gov. Thomas E. Dewey will have overtones of the New Deal against the Eisenhower administration record.

Both Harriman, 62, and Roosevelt, 40, staunchly follow the philosophy of the elder Roosevelt. Ives, 58, is a supporter of President Eisenhower.

Harriman attended the Casa Blanca and Yalta conferences with President Roosevelt and was present at Roosevelt's meeting with Winston Churchill when the Atlantic Charter was adopted.

He held such posts as lend-lease expediter, ambassador to the Soviet Union, ambassador to Great Britain and secretary of commerce during the regimes of Presidents Roosevelt and Truman.

The opposing Democratic camps give conflicting reasons why the Democratic state leaders gave their endorsement to Harriman.

State Democratic Chairman Richard Balch and National Committeeman Carmine G. de Sapio, who also heads Tammany Hall, the Manhattan Democratic organization, pointed to Harriman's experience in governmental affairs.

They said they have canvassed county chairmen and concluded Harriman had the better chance to win.

They were joined in their endorsement by Sen. Herbert H. Lehman and Mayor Robert F. Wagner of New York City.

'Old Monster' A Match For President

Ike Baffled By 5-Pound Trout

FRASER, Colo., Sept. 18—UP— President Eisenhower, a truly expert angler, has finally met his match—a five-pound trout that defies catching.

Since last Wednesday, the Chief Executive has tried everything in his fly box to land this one fish that lurks under a clump of small trees in St. Louis Creek. But no luck.

The big trout, put into the stream from a hatchery earlier this summer, is known on Byers Peak Ranch where the President is staying as "the old monster" and that "blankety-blank."

The President had high hopes of bringing in the big fellow late Saturday. A brisk breeze rippled the creek, making it difficult for the fish to see the angler. The Chief Executive thought the wind would increase his chances of landing the big one immeasurably.

Because of the intensely bright sun, the President did not fish Saturday morning, preferring to wait for the late afternoon shadows. Instead of fishing, he and his host, Aksel Nielsen, walked to a nearby pasture and batted old golf balls into the woods.

The President turned in early Friday night after working on speeches for next week with his secretary, James C. Hagerty. White House Administrative Assistant Bryce Harlow, one of the President's chief speech consultants, was scheduled to arrive here late Saturday to do additional work with the Chief Executive during the evening and Sunday morning.

The speeches on which the President was concentrating will be delivered next Wednesday at Missoula, Mont., Thursday at McNary Dam on the Columbia River in the Pacific northwest and in the Hollywood Bowl at Los Angeles Thursday night.

Mr. Eisenhower will speak briefly and informally Friday morning in Los Angeles to the national convention of the American Federation of Labor.

The Chief Executive will leave here Sunday at 4 p.m. (MST) by auto to return to the Denver home of his mother-in-law, Mrs. John S. Doud.

Police Evacuate Public From Big Park As Python 18 Feet Long Flees Cage

FORT WORTH, Sept. 18 —UP— An 18-foot python named "Pete" escaped from the Forest Park zoo Saturday and police chased 1,500 persons out of the park lest he pounce out of a tree on some lounger and crush him.

Six hours after Pete's escape from an iron cage was discovered he was still free and 75 police, park employes and snake experts couldn't find him. Pete is a foot in diameter.

They believed he was cornered at the bend of the Clear Fork of Trinity River, which runs through the park. Many persons reported seeing Pete, but when the official searching party arrived there was no sign of him.

Three - and - a - half hours after Pete's escape was discovered an auxiliary policeman spotted him along the banks of the Trinity River, which runs through the park.

The auxiliary policeman notified regular police who converged on the river with reptile experts, in the hope they can cajole Pete into being still long enough to be taken prisoner.

Pete, a 10-year-old snake, had been in the zoo about a year. He was locked up in an iron cage, which turned out to have a faulty door.

Park superintendent Hamilton Hittson said pythons are dangerous only: (1) When attacked; (2) while eating, and (3) while mating.

Hittson concluded that Pete was not likely to get involved in any of these situations at the bend of the river.

"I believe there is no danger of anybody being hurt now," he said.

Police, police auxiliaries and park employes searched all of the park except the area at the river's bend and reopened it. At the height of the scare over Pete's escape, they barricaded University Drive, which connects the west and south sides of Fort Worth.

More than 100 police rushed to the park when Pete was first discovered missing. Police squad cars with loud speakers sped about blaring: "A large reptile has escaped from the zoo. It is necessary to clear the park for your safety."

Police did not have to ask any person a second time to leave. Pete was well known, since he had had his teeth repaired recently and his picture, with six men holding him, was in the newspapers and on television.

Harry Jackson, who runs the reptile exhibit at the zoo and owns Pete, said he is strong enough to "easily crush a man." But he said he fed Pete Friday and doubts that he is hungry.

Pete, as it turned out, had a faulty door on his cage. He pushed open the door, slithered over a six-foot fence around the cage and made off. None saw him go and his escape was not discovered until 9:30 A. M.

Lights Will Be On Tonight For Cancer Campaign

Tonight is the Lights-On night for Cancer. The culmination of many weeks of hard work of preparation by the Ouachita Parish unit, American Cancer Society, in connection with the Pilot Club of Monroe and West Monroe will be held tonight from 9 to 10 p.m.

At 9 p.m. sharp, church bells will ring, sirens will blow and an army of 300 volunteers will proceed forth to collect the contributions in a giant effort to strike back against the dreaded disease, cancer. Turning on of porch lights at 9 p.m. will be an indication that the residents of the parish are willing to join in this fight against the nation's number 1 killer.

During the day, ministers in the Churches of Ouachita parish will deliver messages indicating the need for assistance by the people of this area as individuals. Today has been named Cancer Memorial Sundoy for those who wish to make contributions in memory of loved ones. As an added reminder to the Twin Cities residents, a sound truck will circulate in each neighborhood pleading the help of each person to do his part in conquering cancer — by giving when the volunteer calls on him.

Crews of workers will be stationed at the Virginia hotel o receive the collections of volunteer workers and to pick up donations of those who have not been reached by the Lights On drive. If anyone is missed, he is asked to contact the drive headquarters at the Virginia hotel.

Nautilus Mishap Injures One Man

WASHINGTON (AP) — The Navy disclosed today a steampipe on the atomic submarine Nautilus at Groton, Conn. burst Thursday night during routine test operations. One man was injured.

The announcement said the 1½-inch piping had nothing to do with the atomic propulsion plant and "no radioactivity was involved."

The trouble was caused by a "piping installation error," the Navy said, and "it was not due to sabotage."

Dulles Reveals Serious Rift In Big-3 Alliance

U. S. Now Giving Top Priority To German Problems

WASHINGTON, Sept. 18 (AP) — A week of crisis diplomacy by Foreign Secretary Eden of Britain and U. S. Secretary of State Dulles has failed to win French agreement with the United States and Britain on terms for rearming West Germany.

This means that the heart of the anti-Communist North Atlantic alliance is deeply, perhaps fatally split. It heightens the possibility of a shift in U. S. policy from reliance on France to reliance on Germany and Spain as the mainstays of European defense.

Secretary Dulles, returning from a flight to West Germany and London, today disclosed the dimensions of the crisis in a soberly worded statement issued at Watertown, N. Y. He left his Air Force plane there to seek a weekend's rest at his Duck Island retreat in Lake Ontario.

Dulles made these major points in his statement:

1. Despite a series of announcements from Europe in the last few days about agreements to hold various meetings on the German issue "it would be a mistake to assume that any acceptable solution has been fully developed."

2. Dulles informed German Chancellor Konrad Adenauer at Bonn that President Eisenhower, Congress and "the American people generally" share his view that West German sovereignty and "preliminary steps" toward rearmament can no longer be deferred "until European unity is achieved." This unity would have been achieved under a European Defense Community plan which the French Parliament killed two weeks ago.

Dulles' statement made it clear that even though he had hoped to salvage the principle of supra-

9-Power Meeting Called In London For September 28

LONDON, Sept. 18 (AP) — The United States and Britain today called a nine-power parley on West European defense for on or about Sept. 28. They showed determination to bring West Germany into the Atlantic alliance quickly despite French fears.

The conference will take up a new British-American proposal to put West German divisions on the defense line against Communist aggression within the framework of the North Atlantic Treaty Organization.

The Foreign Office said the showdown meeting on the German rearmament crisis was arranged Friday night during U. S. Secretary of State Dulles' flying visit to the British capital. It will take place in London at the foreign ministers' level.

The Churchill government is sending out formal invitations to the United States, Canada and the six members of the French-scuttled European Defense Community which originally was designed to

N. E. Registration Will Continue For Another Week

Registration at Northeast State for regular class work and courses offered during the late afternoon or Saturday morning will continue throughout next week for the convenience of students who were unable to enroll according to the schedule previously announced.

Enrollment for the fall semester showed an increase of twenty per cent over last year's first semester figures, according to information released Saturday noon.

The list of special classes on the present agenda may be increased at the request of persons desiring additional offerings, Dean William M. Smith announced.

Interest is being shown in a course in pharmacology which could be of particular benefit to nurses, Northeast officials said. The college is in a position to offer this work by a member of the faculty who has a master's degree in pharmacology. Nurses in this area who would like to have this study added to the special classes are requested to call Dean Smith regarding the day and hours which would be most satisfactory to hold the class.

Chemistry 81, introductory organic chemistry, also has been recommended as a practical course for nurses. This study is listed in the Saturday classes which meet from 7:15 to 9:45 a.m.

The geology class, which is scheduled to organize Monday at 7:30 p.m. in room 210 of the Science Building, will determine the specific course which the group desires to be taught. The work is not limited to any particular group. It may be scheduled by persons in industry, the nursing profession, by those who plan to go into oil work, men who are interested in keeping the G. I. Bill alive for additional college credit and regular college students. The course may count as a science elective in numerous curricula.

Recently added to the special Tuesday classes is an advanced library science course. Organization of the group is scheduled at 4:30 p.m., at the request of several persons desiring advanced work in this area of study.

Students interested in the Sociology 125 class, an introduction to social welfare, may enroll at the first meeting on Tuesday at 4:30 p.m. This offering was included at the request of social workers in this section.

Also scheduled to meet Tuesday from 4:30 to 7 p.m. is the group registering for Education 157, which emphasizes methods in the teaching of elementary social studies.

rearm the Germans. The EDC nations are: France, Italy, Belgium, the Netherlands, Luxembourg, and West Germany.

British officials said the ministers of the United States, Britain and France will meet at the same time with West German Chancellor Konrad Adenauer to consider ways of ending the Western Big Three occupation and granting sovereignty to the German Federal Republic.

Sizing up chances of success at the parley, Dulles said upon his arrival today in the United States from Bonn and London:

"It is apparent . . . there is no adequate substitute for the European Defense Community. Nevertheless we must do the best we can."

Dulles warned that no solution has been "fully developed" for rearming Western Germany. But he added the West German Chancellor "feels that it is no longer possible to withhold sovereignty from Germany until European unity is achieved; also that there can no longer be deferred the preliminary steps which will permit Germany to exercise the inherent right of individual and collective defense. I informed the Chancellor that his views in these respects were fully shared by not only President Eisenhower, but by Congress, and, I believe by the American people generally."

An authoritative source in London said Dulles on his lightning trip to Bonn and London deliberately bypassed Paris not merely as a snub to France—but as a warning.

Dulles was warning the French, the source said, that France alone will not be allowed any longer to block progress toward European unity and the creation of German divisions. The informant added that Britain and the United States do not have any plans in the works right now for going ahead with West German rearmament if France vetoes it at the forthcoming meeting. But he said there was a definite possibility that the United States and Britain might act alone if France proved too balky.

All of France's Western allies appeared to be crowding her into a corner on the issue of German rearmament following Dulles' trip to Europe and British Foreign Secretary Anthony Eden's almost simultaneous swing through Brussels, Bonn, Rome and Paris.

18 Violators Of Traffic Laws Go To Jail 12 Hours

NEW ORLEANS —UP— Eighteen traffic violators spent 12 hours in the House of Detention for not showing up in court and an irate traffic judge has ordered the arrest of 150 additional violators.

Judge Howard J. Taylor sent the 18 to jail and fined them $10 each last night after they failed to show up in court Tuesday and Wednesday.

The judge also ordered the arrest of 150 persons who didn't appear in court Thursday and Friday.

Another 200 persons will be served with attachments if they don't make an appearance in court Monday, Judge Taylor said, emphasizing that his new policy against the absentees carries "teeth."

"If this doesn't stop the nonappearances, we still can go farther", Judge Taylor said. "I think it should."

CIO Asks Ouster Of Official In Commerce Dept.

WASHINGTON, Sept. 18 (AP)—The CIO's official newspaper today demanded that President Eisenhower fire a Commerce Department official for a recent complaint that Congress had not gone far enough in helping business.

The CIO News said in an ediorial that Eisenhower should discharge—"and quick"—Asst. Commerce Secretary Lothair Teetor for an "astounding speech" delivered Sept. 10 to the Council of State Chambers of Commerce at Kansas City.

Teetor said in the speech that the action of Congress in broadening coverage of the unemployment compensation laws was a loss for "the conservative state-righters" and the matter should have been left up to the states to decide. Actually Congress did not go as far in broadening unemployment compensation coverage as President Eisenhower recommended.

Tornado Kills Farm Couple

FORT PIERCE, Fla., Sept. 18 (AP)—A tornado spawned in an easterly wave lifted a farmhouse from its foundations here early today, carried it 200 feet and crushed it, killing the farmer and his wife.

The dead were Tillman Lamb Lott and his wife, Mary.

They were asleep in the home. A son, Arlond, 18, and a house guest, Bobby Jolly, 20, were in another room when the twister struck during a thunderstorm.

Both young men were admitted to Fort Pierce Memorial Hospital with severe chest injuries.

Mr. and Mrs. Lott were dead when police, firemen and volunteers dug them out of the debris of their one story frame dwelling.

Man Arrested Locally Admits Desertion

Chief of Detectives Hugh Tolbert said yesterday that Kenneth Mayfield, 28, of Monroe, who was arrested Thursday in connection with the recent crackdown on prostitution, is a deserter from the U. S. Army.

According to the detective chief, a check by state police shortly after the arrest revealed that Mayfield had deserted from the Army April 30, 1952, while en route from Fort Bliss, Tex., to Fort Custer, Mich.

Under questioning by detectives Mayfield admitted he had deserted, Tolbert said.

Mayfield is being held in lieu of $300 bond, and a detainer has been filed against him by the government, the detective chief added.

ROBERT C. DOWNING

Robert Downing Named President Of Palsy Group

Robert C. Downing, Monroe attorney, was elected president of the United Cerebral Palsy Association of Northeast Louisiana at a recent meeting of the association which encompasses the fifth congressional district.

Downing takes over the leadership from J. Y. Pipes, outgoing president.

Other new officers elected were as follows: Bernice McCoy, first vice-president; E. M. Finley, second vice-president; Ann Mickel, secretary; Ben Marshal, treasurer.

Downing, who has been practicing law here since February, 1952 with a local law firm, is a graduate of Louisiana State University law school. He was chairman of the advance gifts section of the last cerebral palsy drive and has also served on the board of directors.

He belongs to the local American Legion post and is a member of the First Methodist Church.

Downing said that the basic plan of the association this year is the annual drive and re-enactment of the telethon. The new president said that approximately 80 children would be enrolled in the cerebral palsy school this year. Two regular teachers are on the staff, a speech therapist specialist, supervisor and plans are underway to hire two physiotherapists. Downing invited any interested citizen to visit the school and examine the program.

The school is under the sponsorship of the Altrusa Club.

Dulles Reveals

(Continued From First Page)

nationalism from EDC to build future French-German cooperation, President Eisenhower and he are now giving top priority to German sovereignty and rearmament, regardless of France's final attitude.

3. Many Western leaders are trying to figure out what next steps to take and "we hope that sufficient preparatory work can be done during the coming week to justify a preliminary meeting" of foreign ministers in the week following.

The British government is inviting eight other countries, including the United States and France, to join in a nine-power conference at London about Sept. 28. The council of the North Atlantic Treaty Organization will meet about two weeks later to deal with the same problem.

Dulles flew to Europe Wednesday night. He went directly to see Adenauer at Bonn and then to see Eden at London. He bypassed Paris. Whether this was some kind of "snub," as has been much debated, was not as significant as the fact that it publicly dramatized Dulles' feeling that he had nothing profitable to say or to hear from French Premier Mendes-France, who Dulles considers in great degree responsible for the French Assembly vote shelving EDC. The symbolism of a break between Washington and Paris on the German issue was unmistakable.

Meanwhile, Eden was making the circuit of European capitals with a British plan to give West Germany sovereignty, take it into NATO as a member, and include it also in a 1948 Brussels treaty creating an alliance among Britain, France, Belgium, the Netherlands and Luxembourg. The idea was to convert this into a kind of substitute for EDC without the army pooling plan which was the supernational provision of EDC, and with British participation which EDC lacked.

Dulles' statement that no "acceptable solution" has been fully developed provided unmistakable evidence that the final attitude of Premier Mendes-France toward the Eden plan is still fatefully in the balance.

There is a division of opinion between U. S. officials here and abroad as to whether in the long run Mendes-France will agree to German rearmament on terms which the West German government can accept. Germany since the death of EDC has insisted on full sovereignty and on equality of treatment. France's official position has been that any revival of German rearmament would have to be so controlled as to prevent the future development of another German threat to France.

Monroe Woman, Small Daughter Hurt In Wreck

A 32-year-old Monroe mother and her three-year-old daughter were injured in a three car collision at the intersection of Ouachita Avenue and South Third Street about 7 p.m. yesterday.

Injured were Mrs. Doris White, 1509 North Third Street and her daughter, Barabra Lynn White.

According to the report of officers J. C. Kelly and J. C. Simpson, who investigated the accident, Van Frank White, 29, of 1509 North Third Street, was traveling south on South Third Street when his vehicle collided with a car driven by Herbert Coleman, 26, Negro, of 806 Powell Avenue, which was traveling east on Ouachita. White's car was turned completely around by the impact.

Womack H. Honeycutt, 31, Negro, of 1506 South Wood Street, was also driving east on Ouachita, directly behind Coleman's car. Unable to stop in time, Honeycutt swerved to avoid the wrecked cars, but in doing so struck the right front fender of the Coleman car.

Barbara Lynn White was thrown from the car during the accident, but at first was not believed injured. She was taken to her home, but later removed to St. Francis Sanitarium, where last night she was reported to have suffered head burises. Mrs. White was taken by Mulhearn ambulance to St. Francis Sanitarium, where she was found to have suffered chest injuries and possibly fractured ribs.

White, three other children riding in his car, Coleman and Honeycutt were uninjured.

Goldsmith declared in court that if the Patinos did not return the baby, named Isabela after her dead young mother, he would specifically charge the Patinos with kidnaping. He already has charges on file accusing "an unknown person or persons" of kidnaping the child.

The wrangling in a Paris civil court was another chapter in the bitter relations between Goldsmith, son of a wealthy British hotel owner, and the Patinos.

Goldsmith eloped to Scotland and married Isabela Patino, the beautiful, 18-year-old daughter of the wealthy Bolivians, on Jan. 7.

The young lovers successfully eluded the girl's father, who sought to stop the marriage, but later gave his blessing.

Tragedy struck the Goldsmiths May 14. Isabela died of a brain tumor shortly after the premature birth of her daughter. The baby has been suffering from anoxemia, a lack of oxygen in the blood.

The family quarrel broke into the open last Wednesday when young Goldsmith went to police and said his daughter had disappeared from an apartment in Versailles where she had been cared for by Mrs. Antenor Patino while he was in Africa on a business trip.

Negro Sought In Louisiana For Murder Is Held

MOBILE, Ala. (AP)—Mobile police today reported the arrest here of a 29-year-old Negro wanted for a Sept. 24, 1952 murder in Hammond, La.

They said Joe Brown, who had assumed the name of Jimmie White, was captured by officers who were investigating a reported theft yesterday. A check with Sheriff Thomas I. Sanders of Tangipahoa Parish disclosed that Brown was wanted for the shotgun slaying of Wallace Sanders, Negro.

Officers said Brown admitted killing Sanders, claiming it came during a tavern brawl. He signed extradition papers and will be returned to Louisiana.

N. E. Registration Will Continue For Another Week

Registration at Northeast State for regular class work and courses offered during the late afternoon or Saturday morning will continue throughout next week for the convenience of students who were unable to enroll according to the schedule previously announced.

Enrollment for the fall semester showed an increase of twenty per cent over last year's first semester figures, according to information released Saturday noon.

The list of special classes on the present agenda may be increased at the request of persons desiring additional offerings, Dean William M. Smith announced.

Interest is being shown in a course in pharmacology which could be of particular benefit to nurses, Northeast officials said. The college is in a position to offer this work by a member of the faculty who has a master's degree in pharmacology. Nurses in this area who would like to have this study added to the special classes are requested to call Dean Smith regarding the day and hours which would be most satisfactory to hold the class.

Chemistry 81, introductory organic chemistry, also has been recommended as a practical course for nurses. This study is listed in the Saturday classes which meet from 7:15 to 9:45 a.m.

The geology class, which is scheduled to organize Monday at 7:30 p.m. in room 210 of the Science Building, will determine the specific course which the group desires to be taught. The work is not limited to any particular group. It may be scheduled by persons in industry, the nursing profession, by those who plan to go into oil work, men who are interested in keeping the G. I. Bill alive for additional college credit and regular college students. The course may count as a science elective in numerous curricula.

Recently added to the special Tuesday classes is an advanced library science course. Organization of the group is scheduled at 4:30 p.m., at the request of several persons desiring advanced work in this area of study.

Students interested in the Sociology 125 class, an introduction to social welfare, may enroll at the first meeting on Tuesday at 4:30 p.m. This offering was included at the request of social workers in this section.

Also scheduled to meet Tuesday from 4:30 to 7 p.m. is the group registering for Education 157, which emphasizes methods in the teaching of elementary social studies.

rearm the Germans. The EDC nations are: France, Italy, Belgium, the Netherlands, Luxembourg, and West Germany.

British officials said the ministers of the United States, Britain and France will meet at the same time with West German Chancellor Konrad Adenauer to consider ways of ending the Western Big Three occupation and granting sovereignty to the German Federal Republic.

Sizing up chances of success at the parley, Dulles said upon his arrival today in the United States from Bonn and London:

"It is apparent . . . there is no adequate substitute for the European Defense Community. Nevertheless we must do the best we can."

Dulles warned that no solution has been "fully developed" for rearming Western Germany. But he added the West German Chancellor "feels that it is no longer possible to withhold sovereignty from Germany until European unity is achieved: also that there can no longer be deferred the preliminary steps which will permit Germany to exercise the inherent right of individual and collective defense. I informed the Chancellor that his views in these respects were fully shared by not only President Eisenhower, but by Congress, and, I believe by the American people generally."

An authoritative source in London said Dulles on his lightning trip to Bonn and London deliberately bypassed Paris not merely as a snub to France—but as a warning.

Dulles was warning the French, the source said, that France alone will not be allowed any longer to block progress toward European unity and the creation of German divisions. The informant added that Britain and the United States do not have any plans in the works right now for going ahead with West German rearmament if France vetoes it at the forthcoming meeting. But he said there was a definite possibility that the United States and Britain might act alone if France proved too balky.

All of France's Western allies appeared to be crowding her into a corner on the issue of German rearmament following Dulles' trip to Europe and British Foreign Secretary Anthony Eden's almost simultaneous swing through Brussels, Bonn, Rome and Paris.

CAN YOU "BEET" THIS?—Yes, that's President Eisenhower holding a huge sugar beet grown on Louis J. Ellen's farm near Boulder, Colo. Ike visited the farm shortly after dedicating a new Bureau of Standards laboratory.

18 Violators Of Traffic Laws Go To Jail 12 Hours

NEW ORLEANS —UP— Eighteen traffic violators spent 12 hours in the House of Detention for not showing up in court and an irate traffic judge has ordered the arrest of 150 additional violators.

Judge Howard J. Taylor sent the 18 to jail and fined them $10 each last night after they failed to show up in court Tuesday and Wednesday.

The judge also ordered the arrest of 150 persons who didn't appear in court Thursday and Friday.

Another 200 persons will be served with attachments if they don't make an appearance in court Monday, Judge Taylor said, emphasizing that his new policy against the absentees carries "teeth."

"If this doesn't stop the nonappearances, we still can go farther", Judge Taylor said. "I think it should."

CIO Asks Ouster Of Official In Commerce Dept.

WASHINGTON, Sept. 18 (AP)—The CIO's official newspaper today demanded that President Eisenhower fire a Commerce Department official for a recent complaint that Congress had not gone far enough in helping business.

The CIO News said in an edioial that Eisenhower should discharge—"and quick"—Asst. Commerce Secretary Lothair Teetor for an "astounding speech" delivered Sept. 10 to the Council of State Chambers of Commerce at Kansas City.

Teetor said in the speech that the action of Congress in broadening coverage of the unemployment compensation laws was a loss for "the conservative state-righters" and the matter should have been left up to the states to decide. Actually Congress did not go as far in broadening unemployment compensation coverage as President Eisenhower recommended.

contract probably will be awarded in Baton Rouge Wednesday. Also the West Monroe approach is to be widened.

Women seem to be progressing rapidly along all lines, for witness the Twin Cities are to have a woman president of the Little Theatre. She is Mrs. Myrtle Carter, wife of L. H. Carter, a highly capable and enthusiastic member of Little Theatre. It is fine that the destinies of the theatre are to be in such experienced hands.

Only once before was a woman at the head of the Monroe Little Theatre. That was Mrs. Elmer Richards, another prominent resident and one well suited to the post. Some years ago she moved with her family to Baltimore, Md. Monroe lost a first class resident when she left.

The annual bazaar of St. Matthews and Our Lady of Fatima Churches, set for October 9 and 10, has just been announced by Mongsignor John C. Marsh, who, with the Rev. George Martinez, will sponsor the joint affair. As in the past years, turkey dinners, gumbo, delectable home made pastries, candies, exquisite hand work, long famed as special offerings at these yearly affairs will again appeal to the general public.

The spacious St. Matthew's gym, located at 311 Grammont street, will again house this carnival of good eats, good Christmas shopping and good fellowship to which the public is cordially invited to call and enjoy.

Friends of Mrs. Laura Scott smith, will regret to hear of her continued illness. Mrs. Smith makes her home in New Orleans with her son-in-law and daughter, Mr. and Mrs. Milton Hager. She would enjoy hearing from her many friends, her address is 6379 Memphis street, New Orleans.

Ralph C. Brice who recently closed out his super market at Louisville and North Third street, has leased a new brick structure he built in the 300 block of Louisville avenue, to the Louisiana department of public welfare for 10 years with renewal privileges.

The lease was executed by Mr. Brice and signed by Edward P. Dameron, commissioner of the Louisiana department of public welfare.

Immediately after the morning service in Gordon Avenue Methodist Church today, the annual Sunday school picnic will be held at Camp Ki-Ro-Li, off the Arkansas road. Lunch is set for 1 p.m. and each is to bring a basket lunch.

There will be recreation and fellowship. There will be a vesper service at 5 p.m. when Bishop Paul Martin will speak. Rev. James Harris and Mrs. Harris will be special guests of the occasion.

Happy Birthday!

Tornado Kills Farm Couple

FORT PIERCE, Fla., Sept. 18 (AP)—A tornado spawned in an easterly wave lifted a farmhouse from its foundations here early today, carried it 200 feet and crushed it, killing the farmer and his wife.

The dead were Tillman Lamb Lott and his wife, Mary.

They were asleep in the home. A son, Arlond, 18, and a house guest, Bobby Jolly, 20, were in another room when the twister struck during a thunderstorm.

Both young men were admitted to Fort Pierce Memorial Hospital with severe chest injuries.

Mr. and Mrs. Lott were dead when police, firemen and volunteers dug them out of the debris of their one story frame dwelling.

Man Arrested Locally Admits Desertion

Chief of Detectives Hugh Tolbert said yesterday that Kenneth Mayfield, 28, of Monroe, who was arrested Thursday in connection with the recent crackdown on prostitution, is a deserter from the U. S. Army.

According to the detective chief, a check by state police shortly after the arrest revealed that Mayfield had deserted from the Army April 30, 1952, while en route from Fort Bliss, Tex., to Fort Custer, Mich.

Under questioning by detectives Mayfield admitted he had deserted, Tolbert said.

Mayfield is being held in lieu of $300 bond, and a detainer has been filed against him by the government, the detective chief added.

ROBERT C. DOWNING

Robert Downing Named President Of Palsy Group

Robert C. Downing, Monroe attorney, was elected president of the United Cerebral Palsy Association of Northeast Louisiana at a recent meeting of the association which encompasses the fifth congressional district.

Downing takes over the leadership from J. Y. Pipes, outgoing president.

Other new officers elected were as follows: Bernice McCoy, first vice-president; E. M. Finley, second vice-president; Ann Mickel, secretary; Ben Marshal, treasurer.

Downing, who has been practicing law here since February, 1952 with a local law firm, is a graduate of Louisiana State University law school. He was chairman of the advance gifts section of the last cerebral palsy drive and has also served on the board of directors.

He belongs to the local American Legion post and is a member of the First Methodist Church.

Downing said that the basic plan of the association this year is the annual drive and re-enactment of the telethon. The new president said that approximately 80 children would be enrolled in the cerebral palsy school this year. Two regular teachers are on the staff, a speech therapist specialist, supervisor and plans are underway to hire two physiotherapists. Downing invited any interested citizen to visit the school and examine the program.

The school is under the sponsorship of the Altrusa Club.

Dulles Reveals

(Continued From First Page)

nationalism from EDC to build future French-German cooperation, President Eisenhower and he are now giving top priority to German sovereignty and rearmament, regardless of France's final attitude.

3. Many Western leaders are trying to figure out what next steps to take and "we hope that sufficient preparatory work can be done during the coming week to justify a preliminary meeting" of foreign ministers in the week following.

The British government is inviting eight other countries, including the United States and France, to join in a nine-power conference at London about Sept. 28. The council of the North Atlantic Treaty Organization will meet about two weeks later to deal with the same problem.

Dulles flew to Europe Wednesday night. He went directly to see Adenauer at Bonn and then to see Eden at London. He bypassed Paris. Whether this was some kind of "snub," as has been much debated, was not as significant as the fact that it publicly dramatized Dulles' feeling that he had nothing profitable to say or to hear from French Premier Mendes-France, who Dulles considers in great degree responsible for the French Assembly vote shelving EDC. The symbolism of a break between Washington and Paris on the German issue was unmistakable.

Meanwhile, Eden was making the circuit of European capitals with a British plan to give West Germany sovereignty, take it into NATO as a member, and include it also in a 1948 Brussels treaty creating an alliance among Britain, France, Belgium, the Netherlands and Luxembourg. The idea was to convert this into a kind of substitute for EDC without the army pooling plan which was the supernational provision of EDC, and with British participation which EDC lacked.

Dulles' statement that no "acceptable solution" has been fully developed provided unmistakable evidence that the final attitude of Premier Mendes-France toward the Eden plan is still fatefully in the balance.

There is a division of opinion between U. S. officials here and abroad as to whether in the long run Mendes-France will agree to German rearmament on terms which the West German government can accept. Germany since the death of EDC has insisted on full sovereignty and on equality of treatment. France's official position has been that any revival of German rearmament would have to be so controlled as to prevent the future development of another German threat to France.

Monroe Woman, Small Daughter Hurt In Wreck

A 32-year-old Monroe mother and her three-year-old daughter were injured in a three car collision at the intersection of Ouachita Avenue and South Third Street about 7 p.m. yesterday.

Injured were Mrs. Doris White, 1509 North Third Street and her daughter, Barabra Lynn White.

According to the report of officers J. C. Kelly and J. C. Simpson, who investigated the accident, Van Frank White, 29, of 1509 North Third Street, was traveling south on South Third Street when his vehicle collided with a car driven by Herbert Coleman, 26, Negro, of 806 Powell Avenue, which was traveling east on Ouachita. White's car was turned completely around by the impact.

Womack H. Honeycutt, 31, Negro, of 1506 South Wood Street, was also driving east on Ouachita, directly behind Coleman's car. Unable to stop in time, Honeycutt swerved to avoid the wrecked cars, but in doing so struck the right front fender of the Coleman car.

Barbara Lynn White was thrown from the car during the accident, but at first was not believed injured. She was taken to her home, but later removed to St. Francis Sanitarium, where last night she was reported to have suffered head burises. Mrs. White was taken by Mulhearn ambulance to St. Francis Sanitarium, where she was found to have suffered chest injuries and possibly fractured ribs.

White, three other children riding in his car, Coleman and Honeycutt were uninjured.

since she became estranged from her husband.

Goldsmith declared in court that if the Patinos did not return the baby, named Isabela after her dead young mother, he would specifically charge the Patinos with kidnaping. He already has charges on file accusing "an unknown person or persons" of kidnaping the child.

The wrangling in a Paris civil court was another chapter in the bitter relations between Goldsmith, son of a wealthy British hotel owner, and the Patinos.

Goldsmith eloped to Scotland and married Isabela Patino, the beautiful, 18-year-old daughter of the wealthy Bolivians, on Jan. 7.

The young lovers successfully eluded the girl's father, who sought to stop the marriage, but later gave his blessing.

Tragedy struck the Goldsmiths May 14. Isabela died of a brain tumor shortly after the premature birth of her daughter. The baby has been suffering from anoxemia, a lack of oxygen in the blood.

The family quarrel broke into the open last Wednesday when young Goldsmith went to police and said his daughter had disappeared from an apartment in Versailles where she had been cared for by Mrs. Antenor Patino while he was in Africa on a business trip.

Negro Sought In Louisiana For Murder Is Held

MOBILE, Ala. (AP)—Mobile police today reported the arrest here of a 29-year-old Negro wanted for a Sept. 24, 1952 murder in Hammond, La.

They said Joe Brown, who had assumed the name of Jimmie White, was captured by officers who were investigating a reported theft yesterday. A check with Sheriff Thomas I. Sanders of Tangipahoa Parish disclosed that Brown was wanted for the shotgun slaying of Wallace Sanders, Negro.

Officers said Brown admitted killing Sanders, claiming it came during a tavern brawl. He signed extradition papers and will be returned to Louisiana.

Public Power Group Seeks Hearing On Dixon-Yates Contract Proposal

WASHINGTON, Sept. 18 (AP)—A huge public power group has asked for a "full public hearing" on a plan to finance the controversial Dixon-Yates proposal to furnish private power to the Tennessee Valley Authority.

The "urgent request" for a hearing was made to the Securities & Exchange Commission by the American Public Power Assn., which from the start has opposed President Eisenhower's plan to have the Atomic Energy Commission contract for the privately produced power to be delivered to TVA at Memphis, Tenn.

The public power group asked the hearing on an application of one of the principals in the Dixon-Yates combine, Middle South Utilities, Inc., to sell 475,000 shares of stock and use part of the proceeds to finance the company formed to build a steam power plant at West Memphis, Ark.

Middle South and the Southern Co., the other member of the Dixon-Yates combine, organized the Mississippi Valley Generating Co., to build the 107-million-dollar power plant and deliver about 600,000 kilowatts of power to the TVA.

The public power letter to the SEC, released tonight over the signature of president Alex Radin, says Middle South's application states that sale of the stock is a step in the company's contemplated investment in Mississippi Valley.

The letter says the interests of many of the 700 publicly owned electric utilities which are members of the association might be "seriously and adversely" affected by formation of Mississippi Valley to supply power to TVA.

It added that need for a hearing also is indicated "by the fact that the Dixon-Yates proposal appears to be in violation of the purposes of the Holding Company Act of 1935." Both Middle South and Southern are utilities holding companies.

The public power letter also brings out the basic fight between public and private power.

It says:

"We further feel that hearings should be conducted by your commission in this matter and that full public disclosures be made because of the serious national issues which are involved, affecting the consumers of electric power not only in the Tennessee Valley but throughout the nation."

Pope Tired But Not Ailing, Says His Physician

CASTELGANDOLFO, Italy, Sept. 18 —UP—Pope Pius XII's physician, Dr. Riccardo Galeassi-Lisi, said Saturday the 78-year-old pontiff is "tired but not sick."

However, he said he would not leave Castelgandolfo until Dr. Paul Niehans, the Swiss specialist who treated him for hiccups, returns here next Friday.

Galeassi-Lisi said the Pope was now showing "signs of fatigue" because of the heavy work which he carried out day by day and because of his refusal to take proper rest.

"The Holy Father is tired but not sick," he said. "He is fatigued by a rhythm of life which would have worn out any other organism which were not that of the Pope."

The doctor has been attending the pontiff long before he was elected to the papacy.

"Although the Holy Father has a very delicate appearance, he has a perfect nervous system which only recently has shown some signs of fatigue," he said. "The audiences which he insists on holding without interruption, and the speeches which he continues to deliver are very hard work for a person of his age."

The Pope will hold a general audience Sunday afternoon to an estimated group of 5,000 Marian Year pilgrims. He is expected to make a short speech to them.

The Pope showed signs of weariness at audiences last Sunday and last week.

Increase Due In Nation's Crude Oil Production

WASHINGTON (AP)—A seasonal upswing in demand for crude petroleum and its products is predicted for the next three months by the Independent Petroleum Assn. of America (IPAA).

This will mean, the IPAA forecast, crude production averaging about 6,340,000 barrels daily for the three months—slightly higher than for the last three.

Low August demand and above-adequate inventories have delayed a pickup in production, the IPAA reported, but now a seasonal upswing in demand is due.

Total demand, it said, may continue 1 to 2 per cent below the forecasts of last May and this, plus the seasonal draft on stocks, may modify the need for increased supplies.

The IPAA report said the August allowables for crude production curtailed the total supply to the lowest level in two years. However, the outlook is for an upward trend through November, it added.

M. H. Robineau, president of the Independent Refineries Assn., has urged Arthur S. Flemming, chairman of the President's Committee on Energy Supplies and Resources Policy, to make sure the committee does not ignore problems of the independent refiner.

His letter followed one from Dr. Flemming expressing the committee's willingness to consider the association's views.

Robineau expressed surprise that the association was not invited to send a representative to a recent meeting of the committee with representatives of selected companies and industry organizations.

He urged the committee consider problems of (1) regulation of foreign crude imports, (2) maintaining adequate reserve refining capacity, (3) excessive refinery runs and (4) the "inadequate profit position of non-integrated refining companies."

Sea creatures, like moths, are attracted to lights. In a recent article in the National Geographic Magazine, naturalist Paul A. Zahl tells of hanging an electric bulb over Gulf Stream waters to lure such quarry as eels or squid. On one occasion a school of flying fish rose to the light bait and crashed against the gleaming white sides of the party's boat.

Community Chest Officials Slated To Meet Monday

A pre-campaign meeting of members of the board for the Twin Cities Community Chest and its agency beneficiaries has been set for Monday night at 7:30 in the ball room of the Virginia hotel.

Agencies to be represented will be the Boy Scouts, Girl Scouts, Red Shield Boy's Club, Salvation Army, Negro Community Welfare, Monroe Area Guidance Center, the Y. W. C. A., and the Community Chest proper.

Discussion will center on plans for the kickoff banquet scheduled for September 27, and division chairmen for the coming fund drive will be named.

Parish Council May Extend Ban Of Comic Books

BOGALUSA, La., —UP— The commission council may extend the ban in Washington parish on the sale and distribution of crime, sex and horror comic books at a meeting Tuesday night.

The Washington parish police jury already has passed a resolution banning such literature in all parts of the parish except within the corporation limits of Bogalusa and Franklinton.

City Attorney Henry N. Richardson said he would have an emergency ordinance ready to present to the council at the Tuesday meeting. Such an ordinance already has been approved by Mayor Curt Siegelin and Commissioner of Safety H. B. Casanova.

Medal Of Honor Awarded To Dead Texas Soldier

WASHINGTON, Sept. 18 —UP— A Texas infantryman who killed 27 Communists in a violent battle in Korea before losing his own life was awarded a posthumous Medal of Honor Saturday.

He was Cpl. Charles F. Pendleton, 21, a machine gunner in the Third Infantry Division 15th Regiment. His widow, Mrs. Mary M. Pendleton lives at Fort Worth, Tex. His mother, Mrs. Viola R. Pendleton, lives at Glendale, Ariz.

Pendleton, who was born in Camden, Tenn., and was a mail carrier in civilian life, was the [illegible] soldier awarded the Medal of Honor by the Army in the Korean fighting.

During the night of July 16-17, 1953, Pendleton's heavy weapons company, holding a forward position on a hill, was brought under enemy assault.

Pendleton, firing his machine gun from an exposed position, killed 15 enemy troops. Wounded in the shoulder and chest by a grenade, he refused medical aid and continued firing.

When a grenade knocked out his machine gun Pendleton killed 12 more enemy troops with a carbine. He was killed by an enemy mortar shell.

Jeanette McDonald Seriously Ill Of Virus Infection

HOLLYWOOD (AP)—Singing star Jeanette MacDonald became seriously ill last night in her New York apartment with hyperpyrexia, an abnormally high fever induced by a virus, her publicity representatives said here today.

Her physician said she cannot be moved from her apartment to a hospital until the crisis is over. This usually occurs within 48 hours.

"Her condition is dangerous, but we are optimistic," the publicity representatives quoted the doctor.

The actress' fever was 105 degrees last night and one degree less today.

She became ill after just completing the starring role in a summer tour of the operetta "Bitter Sweet."

Her husband, actor Gene Raymond, here working on a movie, is flying to New York today to be with her.

Public Power Group Seeks Hearing On Dixon-Yates Contract Proposal

WASHINGTON, Sept. 18 (AP)—A huge public power group has asked for a "full public hearing" on a plan to finance the controversial Dixon-Yates proposal to furnish private power to the Tennessee Valley Authority.

The "urgent request" for a hearing was made to the Securities & Exchange Commission by the American Public Power Assn., which from the start has opposed President Eisenhower's plan to have the Atomic Energy Commission contract for the privately produced power to be delivered to TVA at Memphis, Tenn.

The public power group asked the hearing on an application of one of the principals in the Dixon-Yates combine, Middle South Utilities, Inc., to sell 475,000 shares of stock and use part of the proceeds to finance the company formed to build a steam power plant at West Memphis, Ark.

Middle South and the Southern Co., the other member of the Dixon-Yates combine, organized the Mississippi Valley Generating Co., to build the 107-million-dollar power plant and deliver about 600,000 kilowatts of power to the TVA.

The public power letter to the SEC, released tonight over the signature of president Alex Radin, says Middle South's application states that sale of the stock is a step in the company's contemplated investment in Mississippi Valley.

The letter says the interests of many of the 700 publicly owned electric utilities which are members of the association might be "seriously and adversely" affected by formation of Mississippi Valley to supply power to TVA.

It added that need for a hearing also is indicated "by the fact that the Dixon-Yates proposal appears to be in violation of the purposes of the Holding Company Act of 1935." Both Middle South and Southern are utilities holding companies.

The public power letter also brings out the basic fight between public and private power.

It says:

"We further feel that hearings should be conducted by your commission in this matter and that full public disclosures be made because of the serious national issues which are involved, affecting the consumers of electric power not only in the Tennessee Valley but throughout the nation."

Pope Tired But Not Ailing, Says His Physician

CASTELGANDOLFO, Italy, Sept. 18 —UP—Pope Pius XII's physician, Dr. Riccardo Galeassi-Lisi, said Saturday the 78-year-old pontiff is "tired but not sick."

However, he said he would not leave Castelgandolfo until Dr. Paul Niehans, the Swiss specialist who treated him for hiccups, returns here next Friday.

Galeassi-Lisi said the Pope was now showing "signs of fatigue" because of the heavy work which he carried out day by day and because of his refusal to take proper rest.

"The Holy Father is tired but not sick," he said. "He is fatigued by a rhythm of life which would have worn out any other organism which were not that of the Pope."

The doctor has been attending the pontiff long before he was elected to the papacy.

"Although the Holy Father has a very delicate appearance, he has a perfect nervous system which only recently has shown some signs of fatigue," he said. "The audiences which he insists on holding without interruption, and the speeches which he continues to deliver are very hard work for a person of his age."

The Pope will hold a general audience Sunday afternoon to an estimated group of 5,000 Marian Year pilgrims. He is expected to make a short speech to them.

The Pope showed signs of weariness at audiences last Sunday and last week.

Increase Due In Nation's Crude Oil Production

WASHINGTON (AP)—A seasonal upswing in demand for crude petroleum and its products is predicted for the next three months by the Independent Petroleum Assn. of America (IPAA).

This will mean, the IPAA forecast, crude production averaging about 6,340,000 barrels daily for the three months—slightly higher than for the last three.

Low August demand and above-adequate inventories have delayed a pickup in production, the IPAA reported, but now a seasonal upswing in demand is due.

Total demand, it said, may continue 1 to 2 per cent below the forecasts of last May and this, plus the seasonal draft on stocks, may modify the need for increased supplies.

The IPAA report said the August allowables for crude production curtailed the total supply to the lowest level in two years. However, the outlook is for an upward trend through November, it added.

M. H. Robineau, president of the Independent Refineries Assn., has urged Arthur S. Flemming, chairman of the President's Committee on Energy Supplies and Resources Policy, to make sure the committee does not ignore problems of the independent refiner.

His letter followed one from Dr. Flemming expressing the committee's willingness to consider the association's views.

Robineau expressed surprise that the association was not invited to send a representative to a recent meeting of the committee with representatives of selected companies and industry organizations.

He urged the committee consider problems of (1) regulation of foreign crude imports, (2) maintaining adequate reserve refining capacity, (3) excessive refinery runs and (4) the "inadequate profit position of non-integrated refining companies."

Sea creatures, like moths, are attracted to lights. In a recent article in the National Geographic Magazine, naturalist Paul A. Zahl tells of hanging an electric bulb over Gulf Stream waters to lure such quarry as eels or squid. On one occasion a school of flying fish rose to the light bait and crashed against the gleaming white sides of the party's boat.

Community Chest Officials Slated To Meet Monday

A pre-campaign meeting of members of the board for the Twin Cities Community Chest and its agency beneficiaries has been set for Monday night at 7:30 in the ball room of the Virginia hotel.

Agencies to be represented will be the Boy Scouts, Girl Scouts, Red Shield Boy's Club, Salvation Army, Negro Community Welfare, Monroe Area Guidance Center, the Y. W .C. A., and the Community Chest proper.

Discussion will center on plans for the kickoff banquet scheduled for September 27, and division chairmen for the coming fund drive will be named.

Parish Council May Extend Ban Of Comic Books

BOGALUSA, La., —UP— The commission council may extend the ban in Washington parish on the sale and distribution of crime, sex and horror comic books at a meeting Tuesday night.

The Washington parish police jury already has passed a resolution banning such literature in all parts of the parish except within the corporation limits of Bogalusa and Franklinton.

City Attorney Henry N. Richardson said he would have an emergency ordinance ready to present to the council at the Tuesday meeting. Such an ordinance already has been approved by Mayor Curt Siegelin and Commissioner of Safety H. B. Casanova.

Medal Of Honor Awarded To Dead Texas Soldier

WASHINGTON, Sept. 18 —UP— A Texas infantryman who killed 27 Communists in a violent battle in Korea before losing his own life was awarded a posthumous Medal of Honor Saturday.

He was Cpl. Charles F. Pendleton, 21, a machine gunner in the Third Infantry Division's 15th Regiment. His widow, Mrs. Mary M. Pendleton lives at Fort Worth, Tex. His mother, Mrs. Viola R. Pendleton, lives at Glendale, Ariz.

Pendleton, who was born in Camden, Tenn., and was a mail carrier in civilian life, was the 74th soldier awarded the Medal of Honor by the Army in the Korean fighting.

During the night of July 16-17, 1953, Pendleton's heavy weapons company, holding a forward position on a hill, was brought under enemy assault.

Pendleton, firing his machine gun from an exposed position, killed 15 enemy troops. Wounded in the shoulder and chest by a grenade, he refused medical aid and continued firing.

When a grenade knocked out his machine gun, Pendleton killed 12 more enemy troops with a carbine. He was killed by an enemy mortar shell.

Jeanette McDonald Seriously Ill Of Virus Infection

HOLLYWOOD (AP)—Singing star Jeanette MacDonald became seriously ill last night in her New York apartment with hyperpyrexia, an abnormally high fever induced by a virus, her publicity representatives said here today.

Her physician said she cannot be moved from her apartment to a hospital until the crisis is over. This usually occurs within 48 hours.

"Her condition is dangerous, but we are optimistic," the publicity representatives quoted the doctor.

The actress' fever was 105 degrees last night and one degree less today.

She became ill after just completing the starring role in a summer tour of the operetta "Bitter Sweet."

Her husband, actor Gene Raymond, here working on a movie, is flying to New York today to be with her.

Where Do We Go From Here

On three occasions in the last several months, the Morning World has discussed the issue of racial integration in the school systems of the South. It has recommended a calm, considerate attitude towards the problem while at the same time, denouncing the Federal Supreme Court for its action, due to the fact that the decree would seem to have been out of the jurisdiction of that court.

In short, a minority has foisted its decision on the people of the various states whether the people and the states agree with the decision or otherwise.

Moreover, the people of at least one area in the nation (this one) have in past years, attempted to better the conditions of that minority all over the South. Good schools, better city and community housing, better pay scales and other aspects are written in the records for all people to see in behalf of the Negro.

Yet, what is the "reward" granted the Southern people for their efforts in attempting to raise the standard of living for the Southern Negro? Militant and very aggressive organizations have entered the South "in behalf" of the Negroes. They are forcing the issue immediately when such action is not only unwise, but harmful.

No one likes to have a group forced down their throats especially when the group has been bettered by the taxpayers of the South to an extent not possible by their own means.

The Southern people are calm and considerate. Moreover, they are in the main, possessed with great intelligence and patience. They hold few hates even though actions in past years have given them ample ground to possess such hates. Their desire is to get along with people. They have been able to accomplish this throughout the years since reconstruction due to their excellent traits.

Now, there seems to be a wholesale dislike for the South. Northern publishers, some of them, would seem to spend their idle hours attempting to dream up new attacks on this area of the United States. The title "Southern Gentleman" is portrayed as a joke by Northern comics, and on radio and television programs.

The Negro is pictured as oppressed and downtrodden by the whip-wielding Southern people. There are people in the North who honestly believe the horror stories told about the "poor Negro being chased through the fields by bloodhounds." Every left wing and "liberal" publication in the North and some in the South denounce Southern efforts at race relations and denounce the South in general. Led usually by the vilifying Luce publications, this cabal becomes more boistrous by the week.

They attack the South. Perhaps in some cases, the attacks are justified. No people are perfect. Everyone makes a mistake and handles a problem in the wrong manner. That's human nature. There was only one perfect person in the history of the human race. What happened to Him is history.

What is the record of the "perfect" North? Great goodness, that's amazing. The record of that area in race relations is far from perfect. The history of race riots, stabbings, brutality, "Ciceros," Detroits, New Yorks, demonstrations and other significant considerations is well known to the average Southerner who is led to believe that all Northern people love the Negroes.

The truth is plain and extremely simple, and hardly a living Negro who has ever been North can deny it; the feeling of hate in the North is very pronounced.

Every year, droves of Negroes head North towards what they have been told is heaven. Every year, many more come sullenly home, disappointed to find that their ideal haven is a mass of seething race hatred and slum dwellings. Even vaunted New York City has a very pronounced segregation situation.

So they return.

They return to the South which freely gives them an education, allows them to hold land as does every other American citizen, does not question their beliefs and allows them to live in peace, freedom and tranquility.

The record of Northern schooling, for instance, would be amusing in comparison if it was not miserable and despicable. Negroes, wherever you are, count the number of Negro teachers presently hired in Northern schools as against those in Southern schools.

More comment will follow as the prefabricated Northern "facts" [illegible] apart before [illegible] of a thrashing, believing [illegible].

Yet, this is not an attack on the North. Those people are certainly entitled to their [illegible].

However, it is a [illegible] statement to Northerners, both white and Negro, to let the South alone because [illegible] present Northerners, both Negro and white, are ready and willing to do so. The record indicates that beyond a shadow of a doubt.

The Morning World [illegible] records from [illegible] of the government which carefully [illegible] the [illegible] being stirred in the South [illegible]. It [illegible] information concerning organizations [illegible] the NAACP and others which would astound the Southern people of both races.

Organizations [illegible] with hired Northern attorneys have no place in the South. Their manufactured troubles will bear some day bitter fruit which is precisely the aim in the minds of certain other groups. The record of the Southern people is a good one. It is a clean one. It is one which, demonstrated on a historical basis, has always been equal or better than that of other sections of the nation. Political scientists have often indicated that the South is the last bulwark of Constitutionality in the nation.

Are there those who want and demand this broken down?

So it would appear.

The South is wondering, "Where do we go from here?" "We've done everything in our power to help these people, to better their living standards and to assist them in times of difficulty." "Where do we go from here?" "What do they want now?"

The answer to that is written clearly in the fiery statements of the agitators who demand "complete equality," and "integration."

The record of the human race indicates that no people will ever be forced to associate with those whom they do not choose to associate with. The efforts of the Northern agitators, the "service" organizations such as NAACP and the Civil Rights Congress are worsening instead of helping the situation. Intelligent and calm citizens on both sides realize this. Trouble can only be the outcome should the present trend continue.

The South wants, and the South demands to be let alone to handle its own problems.

If the otherwise continues, the South cannot be held responsible for the tragic consequences.

Tears Of Kindness From An Old Man

West Monroe, La.

Editor, Morning World:

Have waited two weeks before writing this for reasons stated below.

An article written by that grand old soldier Herman Brinsmade (no one writes as he) about first of August, relative to the old man, Checker Brown, who was found under the bridge on Milhaven Road, attracted my attention. It was pathetic, I thought.

Not a relative on earth! Poor in health, no family, 91 years old, weighing 95 pounds, homeless! Who cared for him? Oh, yes, someone cared! Who careth for the sparrows? Our Heavenly Father! He led good people to this old man, who was half starved, no food for two days.

Our kind policemen (not as heartless as some think), they found him, rushed him to our grand Charity Hospital — they cared! Our lovely Mrs. Davis talked with him after food and medical attention was given by our competent doctors, and found out he came here on a freight train — nowhere to go — nothing to eat, only one meal given by the Salvation Army.

I resolved to help him personally but that generous, kind-hearted man, "Jes' Ramblin'" offered to help me.

His article in the paper said: any donations for this man after $18.00 had been given as he begged to return to his old "home" in Wichita, Kan. to the Old Folks Home. Then his wish was granted - more money given by kind friends, not solicited, underwear, shirts, lovely clothes, suits, ties, socks, etc. by men of the First Baptist Church, West Monroe, La. Also money by folks from grand old West Monroe. Tears rolled down his cheeks when he saw all this kindness and the lady who took the clothes to the hospital went with him.

God bless each one who helped in any way to make Checker Brown happy.

Sale Of Comic Books

West Monroe, La.

Editor, Morning World:

I have been reading with much [illegible] and concern the articles published recently in the News-Star and Morning World in relation to the sale of comic books and the influence they have on our children.

I am 100 per cent against the sale of such literature on the newsstands of the Twin Cities.

I want to commend you for the article appearing on the front page of the News-Star Sept. 13. I trust all parents of all children who buy and read such books will read it and realize that these youngsters are our citizens of tomorrow.

Peace And Harmony Should Prevail Among Races

West Monroe, La.

Editor, Morning World:

I read the letter written by the Negro, R. G. Wilhite, which was recently published in the public forum of the Monroe Morning World. I will try to discuss this letter without prejudice. However, I did not read the letter written by Mr. T. A. Hilton to which Wilhite refers.

It is possibly true as Wilhite stated that there were plenty of Negroes who volunteered to go into the services. May I also add that a great number were also drafted into the services and were under obligation to go, whether they wanted to or not. Why shouldn't the Negro be willing to fight? Since he was born in our great country he should be willing to help protect it. I might add that thousands of white boys have also volunteered their services for their country.

Whether the Negroes were ever constitutionally made citizens of this country or not, they should be ready and willing to fight for it since they think they should enjoy all the other privileges. They should be willing to cooperate, if for no other reason than to protect their own families and friends. As for sending the Negroes back to Africa, I see no need for that, as I believe the two races can still live in harmony as in the past. Especially so, if the Negroes would turn a deaf ear to forces which are trying to undermine them.

You couldn't rightly accuse Mr. Hilton's ancestors of destroying your true African blood — or have you made a study of his forefathers? I do not see how this could be true since you admit later on in your letter that you do not know from whence Mr. Hilton came. It looks to me if some Negroes are so particular about their blood relations, why are there so many common law marriages? I learned this from reading the papers.

This is a great heritage enjoyed by all. However, at this point I wish to add that the southern Negro will be better off having their own schools, churches, etc. Our own fair state has provided them with equal school facilities, with the exception of higher places of learning, but I feel that this situation will be eventually worked out for the good of those concerned. I think that the Negroes of our state should be well satisfied with the nice schools they now have. In fact their schools are far above what the whites had up until a few years ago. The Negroes should especially be thankful when they consider what a small percentage of their tax money actually went into these schools, as compared to that of the whites. Again as to all the noise — it looks as if the group who is backing the Negroes in the non - segregation issue are the ones who are causing a certain misinformed group of Negroes to become antagonistic.

I do not think that Mr. Hilton really meant all Negroes are lower than snakes. If he does mean this I must admit that he is wrong as there is good and bad in every race. It all depends on the individual — regardless of color.

I think Wilhite is wrong when he says that Negroes are given injustice by the whites in the south. I think as a whole the southern whites have proved real friends to the Negro, and I think thousands of our colored friends will testify to this fact. In fact, Negroes who leave the south to go north are not always treated on an equal basis, even with the Negroes of the north, let alone by a great majority of the whites. I'm sure the majority of our southern Negroes are satisfied as they are and do not care to have their lives interrupted by contentious groups or organizations.

Wilhite stated that Mr. Hilton said that the white woman is made in the emblem of God's angels. Let me state here, that if this be true, he would mean only the good women and not all women, judging by the lives that some lead. I'm sure as Wilhite stated, the Negroes should love the women of his race, who deserve love and respect.

I disagree with Wilhite when he states that the U. S. A. hates Negroes worse than any other nation. I wish to state that this is not true and he knows it. The majority of whites have always gotten along peaceably with the Negro race, and I'm sure that the great majority of the Negroes think well of the whites. I feel sure that this feeling of goodwill, will continue, but it is very unfortunate that some few Negroes are being led to perpetuate hate and ill feeling towards the white Southerners, where harmony and peace has reigned for many years.

In conclusion, I wish to state — in fairness to both the whites and the Negroes, that in view of the fact that the world is in such a turmoil, that an inner strife in our southland would be detrimental to both races, and that peace and harmony should continue to prevail among both races as it has in the past.

Another Man Down!

Los Angeles, Calif.

Editor, Morning World:

The American people are surely entitled to know just how much longer certain things are to be permitted to continue and just who is back of these things and events.

We have had a radio commentator by the name of George Todt who appeared over one of our local TV channels. Mr. Todt, probably not yet known widely over the nation began his TV career by attacking the Communists in the United States. So long as he continued attacking Communists in general, it was like attacking sin in general. Everyone was for him.

Came the day when Mr. Todt became more specific. He had the terrible affrontry (and patriotic courage and fervor) to attack the United Nations, and the present administration in Washington under whose benevolent wing the United Nations flourish, World Federation with its offsprings of Genocide and the Covenant of Human Rights, anti - anti communism, packed and loaded, biased and prejudiced committees investigate, not communism and subversives, but those who effectively investigate and expose such elements, flourish.

Today, or perhaps yesterday, he was put off TV and his spot given to a local commentator whose prejudice and bias in favor of New Dealism, One Worldism, anti-antism is well established in the minds of thousands and hundreds of thousands of us.

This is of a piece with the Murrow episode, the Nixon chosen committee to investigate Sen. McCarthy and the suspicion surely must grow in the minds of the informed that this Administration is not blameless.

'Never Have I Praised Republicanism'

Bastrop, La.

Editor, Morning World:

I have just now finished reading the morning paper. I noticed a letter in the Forum signed by a Mr. Otis Davis, preferring to take issue with me in reply to a letter that I wrote which appeared in part in the Forum on August 29. If you had not deleted my letter and withheld the essential subject matter contained in this letter, there would not have been occasion for a misconception of the real issue.

It appears that Mr. Davis has the idea that I was trying to hold aloft the magnitude of Republican Hooverism. Nothing could be further from the truth. If Mr. Davis will recall, I didn't so much as mention Mr. Hoover nor his Republican policies, in that letter nor in any other letter that I wrote, except that once or twice, I referred to Mr. Hoover's ideas on certain matters, but never have I praised Republicanism. If there is a man in all the world that hates Republicanism it's old man B. W. Morgan. I have studied political philosophy and party theology for 65 years; if a man can't learn a thing in 65 years, he is not apt to ever learn much. I have spent more than half of my life under Republican government, and there is no man who better knows the hardships that common people suffer under the Republican regime than I do. In fact, long ago I learned that Republicanism in its entirety, is as mean as any sort of communism. It's basic foundation is upon the laissez-faire policy. Under this policy, if one man could gain the whole world, he would have the right to build a fence around it and shut all the rest of mankind out into open space. Under this regime, trusts, mergers and combines of every sort are legal; a thing the Democrats have been fighting for a hundred years. You may ask any old white - headed grandpa like myself, and they all will tell you that the Democrats build up, and the Republicans come along and clean up; then leave the Democrats with an empty bag to refill.

While I am not a Republican, neither am I an infernal communist. I am opposed to any policy that would disparage the freedom and liberties of men, and their right to be secure in their properties, homes and personal belongings and the right to own their earnings, and right to choose the class of society they wish to associate with.

In all my writings I only try to make clear the facts in the subject matter, and leave it up to the people to consider the benefits that common people receive at all times and then form their own conclusions.

Second Class Citizens

Tallulah, La.

(Editor's Note: The following letter was sent to the Honorable Douglas McKay, Secretary of Interior and a copy sent to the Morning World for publication.)

Editor, Morning World:

I have noticed in the papers accounts of your speech with reference to the dedication of a national monument to George Washington Carver, at Diamond, Mo. First, I thoroughly disagree with you that there is no place in this Republic for second class citizens. There are second class citizens in this Republic, and this is especially true where the Negro is concerned. In the final analysis to the question of total equality, the Negro resents being a Negro. That is why he denies the existence of race, and under this theory he accuses the white man's desire to segregate him as unreasonable, and based on color prejudice, and discrimination. The Negro's fight is not with the white man, but with nature itself. His origin, species, and identification is stamped on his face. There are no existing or future crackpot federal laws that will relieve him of his biological disadvantage. Inequality is age old, no Constitution or legislature will ever be able to change it. I do not know what his destiny may be, but it is a settled fact that he finds himself within the orbit of the white man's civilization, pending settlement of serious, and great disputes. The word politics will sum up the one and only reason for you making any such speech.

George Washington Carver is one out of fourteen million of his race, and all of his accomplishments were attained from a white civilization. The Negro has contributed nothing to white civilization in America, nor anywhere else on this earth.

According to what you say, I wonder if you agree with the Negro Congressman from New York, Clayton Powell, who came boldly out and said, "If I'm elected to Congress, I will represent the Negro race first." And of course people with white skins like yours and mine, will come second.

There is nothing in any of the sermon's of Christ about the equality of man, or the equality of anything else, but it seems that there is a great wave of mental attitude, but nothing more than a smoke - screen to use His name in the churches, and other delicate routes to further the efforts of social equality and left-wing ideas in order to capture the Negro vote.

To remind you of great civilizations that have crumbled, I will take you back to Rome, Greece, Egypt, Portugal, Spain, Babylonia, India, and Phoenicia, all pure white races at one time - but when Negro blood was injected in their veins they became mongrel races, and look what happened to them. Just such talk as you had in Missouri is one step further to the mongrelization and destruction of the white race in America.

If you have a daughter would you like to have a Negro college boy call on her? I'm not speaking of the ignorant low class degraded Negro. I'm speaking of the educated Negro, who may be gifted with enough intellect to become another George Washington Carver. If you believe there are no second class citizens in this Republic, I see no reason why you would object.

In my opinion, the greatest tragedy of our American life today is the fact that a race of people, four or five generations removed from the jungles of Africa, are, to all intents and purposes, choosing the men whom we place at the head of our government. The tug of war between the two great political parties, for the Negro vote, has, and is, playing a great part in making the Negro more insolent, arrogant, and overbearing. It is helping to bring about a situation that is the dream of every Negro who believes in the Biblical quotation, "the last shall be first, and the first shall be last," applies to him and his race alone.

Editor, Morning World:

I read R. G. Wilhite's letter in last Sunday's Public Forum. I want to particularly point out one thing definitely in his letter that should be brought to light. He writes about why riots go on in the north among the races. Well, just for your information R. G., more Yankees come south than southerners go north and we don't have riots down here. The colored people I had any dealing with who have been north tell me that they have less trouble and more freedom here than they do up there. It's not the climate that brings them back either. What we in the south do is our own d business. Now, R. G., I don't know where you are from or where you are going but let States Rights take care of the question and not individuals or the U. S. government. My advice to you is that since you like the north so well you should go back there with the rest of your kind so your mind would be at ease.

'I Always Vote For The Baldheaded Man'

Monroe, La.

Editor, Morning World:

You know, I sure have been disillusioned in the past several weeks. I have always thought it might be sorta nice to, in some way, think you might be just a step or notch higher than some other people you know. So I been seein' so many articles in the newspapers and magazines about classes, colors, creeds, and where the Bible says this and that, in agreement with your ideas.

Well, you know, I have read the Bible so much lately and the Constitution of the United States, and the Declaration of Independence that I had to recently spend $14 for specks. Yes sir — nearly ruined my eyes. Now I wish I had my $14 back cause I can't find one thing in any of these three sources that says that because of my color (I'm supposed to belong to the white race), or because I was born and raised in the south (which I was), or because I am Methodist (which I am), or cause I am Republican or Democrat (I always vote for the baldheaded man), that gives me any higher rating, special privileges, recognition or even any better chance of getting into the Kingdom of Heaven.

Now can't ya'll imagine how letdown I feel. Well, I gotta run along now and read a little in my Bible; incidentally I read the standard King James Version, or am I reading the wrong Bible. Then I am going to pray that God will forgive us all of our sins and make better Christians of us, and please do begin with me.

'King Cotton And You'

Monroe, La.

Editor, Morning World:

I wish to thank you very much for your recent editorials on "King Cotton and You."

You have done the cotton farmers a great service in publishing these editorials. One of the farmers greatest needs is better public relations. As you doubtless know, agriculture, due to onesided publicity on support programs, is thought of by many as a millstone on the taxpayers neck.

In your excellent editorials you did a wonderful job of presenting the economic importance of cotton as well as explaining the reason and need for price floors as established through government programs.

I sincerely hope that many editors in the fourteen cotton growing states will follow your lead.

Cotton Articles—Thanks

Monroe, La.

Editor, Morning World:

May I express on behalf of Louisiana Delta Council our sincere appreciation for your recent series of four excellent editorials dealing with the current cotton situation and its impact on the area economy.

Your presentation of the complex cotton problem was comprehensive, forceful, and timely.

At this time, when the agricultural income of North Louisiana farmers is generally severely curtailed as a result of cotton acreage restrictions, disastrously low yields resulting from recurring drouth and depressed livestock prices, I am positive that thinking people fully appreciate your consideration of this situation and contributory factors involved. I have heard these editorials discussed favorably throughout Northeast Louisiana.

We thank you for your generous acknowledgment of the assistance offered by our organization in furnishing background information for your fine articles and assure you of our willingness to be of help whenever possible.

Enough Room For All

Calhoun, La.

Editor, Morning World:

I am writing a letter, to the word slinging letters written by many persons, such as the ones written by Mr. Hilton and Ronnie G. Wilhite printed in Sunday's paper. I call it an invasion of conflict between the Negro race and the white race.

A perfect way to turn a country sour, more effective than an H bomb dropped right in the middle of the south. It seems that the N. A. A. C. P. and others are responsible for this conflict.

It isn't a question of whether or not the white race wants them or not, or go to school with them, or what we think of them. The white people of the south just don't want the Negro people in their schools. "Personally" if I go to visit someone, and see that I am not wanted, "I take the hint." It seems that those whom it concerns could do the same.

I've noticed that in this parish there are more new modern schools for the Negro race built recently than there has been for the white children. I suggest that those concerned look over our schools on S. Grand in Monroe and compare it with the new ones recently built for them.

I am sure that the Negro people want to live and learn in privacy with their own kind, just like the white people of the south do. There are sorry white people, "yes," just like there are sorry Negro people. But neither race should judge the other for what a small hand full of sorry ones do.

I am sure the Negroes are proud of their race, just like the white people are proud of their race. So let's keep it that way, instead of trying to change colors. There is enough room for all of us in this wonderful country, and we all have been doing fine. So why don't the

Where Do We Go From Here

On three occasions in the last several months, the Morning World has discussed the issue of racial integration in the school systems of the South. It has recommended a calm, considerate attitude towards the problem while at the same time, denouncing the Federal Supreme Court for its action, due to the fact that the decree would seem to have been out of the jurisdiction of that court.

In short, a minority has foisted its decision on the people of the various states whether the people and the states agree with the decision or otherwise.

Moreover, the people of at least one area in the nation (this one) have in past years, attempted to better the conditions of that minority all over the South. Good schools, better city and community housing, better pay scales and other aspects are written in the records for all people to see in behalf of the Negro.

Yet, what is the "reward" granted the Southern people for their efforts in attempting to raise the standard of living for the Southern Negro? Militant and very aggressive organizations have entered the South "in behalf" of the Negroes. They are forcing the issue immediately when such action is not only unwise, but harmful.

No one likes to have a group forced down their throats especially when the group has been bettered by the taxpayers of the South to an extent not possible by their own means.

The Southern people are calm and considerate. Moreover, they are in the main, possessed with great intelligence and patience. They hold few hates even though actions in past years have given them ample ground to possess such hates. Their desire is to get along with people. They have been able to accomplish this throughout the years since reconstruction due to their excellent traits.

Now, there seems to be a wholesale dislike for the South. Northern publishers, some of them, would seem to spend their idle hours attempting to dream up new attacks on this area of the United States. The title "Southern Gentleman" is portrayed as a joke by Northern comics, and on radio and television programs.

The Negro is pictured as oppressed and downtrodden by the whip-wielding Southern people. There are people in the North who honestly believe the horror stories told about the "poor Negro being chased through the fields by bloodhounds." Every left wing and "liberal" publication in the North and some in the South denounce Southern efforts at race relations and denounce the South in general. Led usually by the villifying Luce publications, this cabal becomes more boistrous by the week.

They attack the South. Perhaps in some cases, the attacks are justified. No people are perfect. Everyone makes a mistake and handles a problem in the wrong manner. That's human nature. There was only one perfect person in the history of the human race. What happened to Him is history.

What is the record of the "perfect" North? Great goodness, that's amazing. The record of that area in race relations is far from perfect. The history of race riots, stabbings, brutality, "Ciceros," Detroits, New Yorks, demonstrations and other significant considerations is well known to the average Southerner who is led to believe that all Northern people love the Negroes.

The truth is plain and extremely simple, and hardly a living Negro who has ever been North can deny it; the feeling of hate in the North is very pronounced.

Every year, droves of Negroes head North towards what they have been told is heaven. Every year, many more come sullenly home, disappointed to find that their ideal haven is a mass of seething race hatred and slum dwellings. Even vaunted New York City has a very pronounced segregation situation.

So, they return.

They return to the South which freely gives them an education, allows them to hold land as does every other American citizen, does not question their beliefs and allows them to live in peace, freedom and tranquility.

The record of Northern schooling, for instance, would be amusing in comparison if it was not miserable and despicable. Negroes, wherever you are, count the number of Negro teachers presently hired in Northern schools as against those in Southern schools.

More dismay will follow as the pre-fabricated Northern "ideal" falls apart before the eyes of a trusting, believing people.

Yet, this is not an attack on the North. Those people are certainly entitled to their feelings.

However, it is a demand and a statement to Northern agitators, both white and Negro, to let the South alone to handle its own problems. Southerners, both Negro and white, are ready and willing to do so. The record indicates that beyond any shadow of a doubt.

The Morning World is in possession of records from files both within and without the government which carefully describe the deliberate trouble being stirred in the South today. It possesses information concerning organizations such as the NAACP and others which would astonish the Southern people of both races.

Organizations such as this with hired Northern attorneys have no place in the South. Their manufactured trouble will bear some day bitter fruit which is precisely the aim in the minds of certain other groups. The record of the Southern people is a good one. It is a clean one. It is one which, demonstrated on a historical basis, has always been equal or better than that of other sections of the nation. Political scientists have often indicated that the South is the last fortress of Constitutionality in the nation.

Are there those who want and demand this broken down?

So it would appear.

The South is wondering, "Where do we go from here?" "We've done everything in our power to help these people, to better their living standards and to assist them in times of difficulty." "Where do we go from here?" "What do they want now?"

The answer to that is written clearly in the fiery statements of the agitators who demand "complete equality," and "integration."

The record of the human race indicates that no people will ever be forced to associate with those whom they do not choose to associate with. The efforts of the Northern agitators, the "service" organizations such as NAACP and the Civil Rights Congress are worsening instead of helping the situation. Intelligent and calm citizens on both sides realize this. Trouble can only be the outcome should the present trend continue.

The South wants, and the South demands to be let alone to handle its own problems.

If the otherwise continues, the South cannot be held responsible for the tragic consequences.

Tears Of Kindness From An Old Man

West Monroe, La.

Editor, Morning World:

Have waited two weeks before writing this for reasons stated below.

An article written by that grand old soldier, Herman Brinsmade (no one writes as he) about first of August, relative to the old man, Checker Brown, who was found under the bridge on Milhaven Road, attracted my attention. It was pathetic, I thought.

Not a relative on earth! Poor in health, no family, 91 years old, weighing 95 pounds, homeless! Who cared for him? Oh, yes, someone cared! Who careth for the sparrows? Our Heavenly Father. He led good people to this old man, who was half starved, no food for two days.

Our kind policemen (not as heartless as some think), they found him, rushed him to our grand Charity Hospital — they cared! Our lovely Mrs. Davis talked with him (after food and medical attention was given by our competent doctors) and found out he came here on a freight train — nowhere to go — nothing to eat, only one meal given by the Salvation Army.

I resolved to help him personally, but that generous, kind-hearted man, "Jes' Ramblin" offered to help me.

His article in the paper said: any donations for this man (after $18.00 had been given) as he begged to return to his old "home" in Witchita, Kan., to the Old Folks Home. There his wish was granted - more money given by kind friends (not solicited), underwear, shirts, lovely clothes, suits, ties, socks, etc., by men of the First Baptist Church, West Monroe, La. Also money by folks from grand old West Monroe. Tears rolled down his cheeks when he saw all this kindness and the lady who took the clothes to the hospital wept with him.

God bless each one who helped in any way to make Checker Brown happy.

Sale Of Comic Books

West Monroe, La.

Editor, Morning World:

I have been reading with much interest and concern the articles published recently in the News-Star and Morning World in relation to the sale of comic books and the influence they have on our children.

I am 100 per cent against the sale of such literature on the newsstands of the Twin Cities.

I want to commend you for the article appearing on the front page of the News-Star Sept. 13. I trust all parents of all children who buy and read such books will read it and realize that these youngsters are our citizens of tomorrow.

Peace And Harmony Should Prevail Among Races

West Monroe, La.

Editor, Morning World:

I read the letter written by the Negro, R. G. Wilhite, which was recently published in the public forum of the Monroe Morning World. I will try to discuss this letter without prejudice. However, I did not read the letter written by Mr. T. A. Hilton to which Wilhite refers.

It is possibly true as Wilhite stated that there were plenty of Negroes who volunteered to go into the services. May I also add that a great number were also drafted into the services and were under obligation to go, whether they wanted to or not. Why shouldn't the Negro be willing to fight? Since he was born in our great country he should be willing to help protect it. I might add that thousands of white boys have also volunteered their services for their country.

Whether the Negroes were ever constitutionally made citizens of this country or not, they should be ready and willing to fight for it since they think they should enjoy all the other privileges. They should be willing to cooperate, if for no other reason than to protect their own families and friends. As for sending the Negroes back to Africa, I see no need for that, as I believe the two races can still live in harmony as in the past. Especially so, if the Negroes would turn a deaf ear to forces which are trying to undermine them.

You couldn't rightly accuse Mr. Hilton's ancestors of destroying your true African blood — or have you made a study of his forefathers? I do not see how this could be true since you admit later on in your letter that you do not know from whence Mr. Hilton came. It looks to me if some Negroes are so particular about their blood relations, why are there so many common law marriages? I learned this from reading the papers.

This is a great heritage enjoyed by all. However, at this point I wish to add that the southern Negro will be better off having their own schools, churches, etc. Our own fair state has provided them with equal school facilities, with the exception of higher places of learning, but I feel that this situation will be eventually worked out for the good of those concerned. I think that the Negroes of our state should be well satisfied with the nice schools they now have. In fact their schools are far above what the whites had up until a few years ago. The Negroes should especially be thankful when they consider what a small percentage of their tax money actually went into these schools, as compared to that of the whites. Again as to all the noise — it looks as if the group who is backing the Negroes in the non - segregation issue are the ones who are causing a certain misinformed group of Negroes to become antagonistic.

I do not think that Mr. Hilton really meant all Negroes are lower than snakes. If he does mean this I must admit that he is wrong as there is good and bad in every race. It all depends on the individual — regardless of color.

I think Wilhite is wrong when he says that Negroes are given injustice by the whites in the south. I think as a whole the southern whites have proved real friends to the Negro, and I think thousands of our colored friends will testify to this fact. In fact, Negroes who leave the south to go north are not always treated on an equal basis, even with the Negroes of the north, let alone by a great majority of the whites. I'm sure the majority of our southern Negroes are satisfied as they are and do not care to have their lives interrupted by contentious groups or organizations.

Wilhite stated that Mr. Hilton said that the white woman is made in the emblem of God's angels. Let me state here, that if this be true, he would mean only the good women and not all women, judging by the lives that some lead. I'm sure as Wilhite stated, the Negroes should love the women of his race, who deserve love and respect.

I disagree with Wilhite when he states that the U. S. A. hates Negroes worse than any other nation. I wish to state that this is not true and he knows it. The majority of whites have always gotten along peaceably with the Negro race, and I'm sure that the great majority of the Negroes think well of the whites. I feel sure that this feeling of goodwill, will continue, but it is very unfortunate that some few Negroes are being led to perpetuate hate and ill feeling towards the white Southerners, where harmony and peace has reigned for many years.

In conclusion, I wish to state — in fairness to both the whites and the Negroes, that in view of the fact that the world is in such a turmoil, that an inner strife in our southland would be detrimental to both races, and that peace and harmony should continue to prevail among both races as it has in the past.

Another Man Down!

Los Angeles, Calif.

Editor, Morning World:

The American people are surely entitled to know just how much longer certain things are to be permitted to continue and just who is back of these things and events.

We have had a radio commentator by the name of George Todt who appeared over one of our local TV channels. Mr. Todt, probably not yet known widely over the nation began his TV career by attacking the Communists in the United States. So long as he continued attacking Communists in general, it was like attacking sin in general. Everyone was for him.

Came the day when Mr. Todt became more specific. He had the terrible affrontry (and patriotic courage and fervor) to attack the United Nations, and the present administration in Washington under whose benevolent wing the United Nations flourish, World Federation with its offsprings of Genocide and the Covenant of Human Rights, anti - anti communism, packed and loaded, biased and prejudiced committees investigate, not communism and subversives, but those who effectively investigate and expose such elements, flourish.

Today, or perhaps yesterday, he was put off TV and his spot given to a local commentator whose prejudice and bias in favor of New Dealism, One Worldism, anti-antism is well established in the minds of thousands and hundreds of thousands of us.

This is of a piece with the Murrow episode, the Nixon chosen committee to investigate Sen. McCarthy and the suspicion surely must grow in the minds of the informed that this Administration is not blameless.

'Never Have I Praised Republicanism'

Bastrop, La.

Editor, Morning World:

I have just now finished reading the morning paper. I noticed a letter in the Forum signed by a Mr. Otis Davis, preferring to take issue with me in reply to a letter that I wrote which appeared in part in the Forum on August 29. If you had not deleted my letter and withheld the essential subject matter contained in this letter, there would not have been occasion for a misconception of the real issue.

It appears that Mr. Davis has the idea that I was trying to hold aloft the magnitude of Republican Hooverism. Nothing could be further from the truth. If Mr. Davis will recall, I didn't so much as mention Mr. Hoover nor his Republican policies, in that letter nor in any other letter that I wrote, except that once or twice, I referred to Mr. Hoover's ideas on certain matters, but never have I praised Republicanism. If there is a man in all the world that hates Republicanism it's old man B. W. Morgan. I have studied political philosophy and party theology for 65 years; if a man can't learn a thing in 65 years, he is not apt to ever learn much. I have spent more than half of my life under Republican government, and there is no man who better knows the hardships that common people suffer under the Republican regime than I do. In fact, long ago I learned that Republicanism in its entirety, is as mean as any sort of communism. It's basic foundation is upon the laissez-faire policy. Under this policy, if one man could gain the whole world, he would have the right to build a fence around it and shut all the rest of mankind out into open space. Under this regime, trusts, mergers and combines of every sort are legal; a thing the Democrats have been fighting for a hundred years. You may ask any old white - headed grandpa like myself, and they all will tell you that the Democrats build up, and the Republicans come along and clean up; then leave the Democrats with an empty bag to refill.

While I am not a Republican, neither am I an infernal communist. I am opposed to any policy that would disparage the freedom and liberties of men, and their right to be secure in their properties, homes and personal belongings and the right to own their earnings, and right to choose the class of society they wish to associate with.

In all my writings I only try to make clear the facts in the subject matter, and leave it up to the people to consider the benefits that common people receive at all times and then form their own conclusions.

Second Class Citizens

Tallulah, La.

(Editor's Note: The following letter was sent to the Honorable Douglas McKay, Secretary of Interior and a copy sent to the Morning World for publication.)

Editor, Morning World:

I have noticed in the papers accounts of your speech with reference to the dedication of a national monument to George Washington Carver, at Diamond, Mo. First, I thoroughly disagree with you that there is no place in this Republic for second class citizens. There are second class citizens in this Republic, and this is especially true where the Negro is concerned. In the final analysis to the question of total equality, the Negro resents being a Negro. That is why he denies the existence of race, and under this theory he accuses the white man's desire to segregate him as unreasonable, and based on color prejudice, and discrimination. The Negro's fight is not with the white man, but with nature itself. His origin, species, and identification is stamped on his face. There are no existing or future crackpot federal laws that will relieve him of his biological disadvantage. Inequality is age old, no Constitution or legislature will ever be able to change it. I do not know what his destiny may be, but it is a settled fact that he finds himself within the orbit of the white man's civilization, pending settlement of serious, and great disputes. The word politics will sum up the one and only reason for you making any such speech.

George Washington Carver is one out of fourteen million of his race, and all of his accomplishments were attained from a white civilization. The Negro has contributed nothing to white civilization in America, nor anywhere else on this earth.

According to what you say, I wonder if you agree with the Negro Congressman from New York, Clayton Powell, who came boldly out and said, "If I'm elected to Congress, I will represent the Negro race first." And of course people with white skins like yours and mine, will come second.

There is nothing in any of the sermon's of Christ about the equality of man, or the equality of anything else, but it seems that there is a great wave of mental attitude, but nothing more than a smoke - screen to use His name in the churches, and other delicate routes to further the efforts of social equality and left-wing ideas in order to capture the Negro vote.

To remind you of great civilizations that have crumbled, I will take you back to Rome, Greece, Egypt, Portugal, Spain, Babylonia, India, and Phoenicia, all pure white races at one time - but when Negro blood was injected in their veins they became mongrel races, and look what happened to them. Just such talk as you had in Missouri is one step further to the mongrelization and destruction of the white race in America.

If you have a daughter would you like to have a Negro college boy call on her? I'm not speaking of the ignorant low class degraded Negro. I'm speaking of the educated Negro, who may be gifted with enough intellect to become another George Washington Carver. If you believe there are no second class citizens in this Republic, I see no reason why you would object.

In my opinion, the greatest tragedy of our American life today is the fact that a race of people, four or five generations removed from the jungles of Africa, are, to all intents and purposes, choosing the men whom we place at the head of our government. The tug of war between the two great political parties, for the Negro vote, has, and is, playing a great part in making the Negro more insolent, arrogant, and overbearing. It is helping to bring about a situation that is the dream of every Negro who believes in the Biblical quotation, "the last shall be first, and the first shall be last," applies to him and his race alone.

The colored people I had any dealing with who have been north tell me that they have less trouble and more freedom here than they do up there. It's not the climate that brings them back either. What we in the south do is our own d.... business. Now, R. G., I don't know where you are from or where you are going but let States Rights take care of the question and not individuals or the U. I am writing a letter, to the word slinging letters written by many persons, such as the ones written by Mr. Hilton and Ronnie G. Wilhite printed in Sunday's paper. I call it an invasion of conflict between the Negro race and the white race.

A perfect way to turn a country sour, more effective than an H bomb dropped right in the middle of the south. It seems that the N. A. A. C. P. and others are responsible for this conflict.

It isn't a question of whether or not the white race wants them or not, or go to school with them, or what we think of them. The white people of the south just don't want the Negro people in their schools. "Personally" if I go to visit someone, and see that I am not wanted, "I take the hint." It seems that those whom it concerns could do the same.

I've noticed that in this parish there are more new modern schools for the Negro race built recently than there has been for the white children. I suggest that those concerned look over our schools on S. Grand in Monroe and compare it with the new ones recently built for them.

I am sure that the Negro people want to live and learn in privacy with their own kind, just like the white people of the south do. There are sorry white people, "yes," just like there are sorry Negro people. But neither race should judge the other for what a small hand full of sorry ones do.

I am sure the Negroes are proud of their race, just like the white people are proud of their race. So let's keep it that way, instead of trying to change colors. There is enough room for all of us in this wonderful country, and we all have been doing fine. So why don't the

Prayer For Youth

GIVE now Your special grace, O God . . . To all our youth today . . . The ones who love and honor You . . . And those who go astray . . . Especially the latter, Lord . . . As now their souls are blind . . . And in their ignorance they are . . . So selfish and unkind . . . Help them to see how wrong they are . . . In every attitude . . . Their disrespect to parents and . . . Their conduct cold and rude . . . Please shepherd all our youthful flock . . . And gather in the strays . . . That they may serve You faithfully . . . For their remaining days . . . And give Your extra blessing to . . . The ones who are so good . . . Who honor You, their country and . . . Their home and neighborhood.

Things Look Gloomy For Republicans—Forecast

Monroe, La.

Editor, Morning World:

If you will allow your minds to reflect back let's see what the Republicans promised the people in 1952. They said if the people would elect them to office they would reduce the burden of high taxes and would reduce the high cost of living. Have they kept those promises? They have not.

After two years under Republican rule, taxes are higher than ever before and the cost of living is at its highest peak in the history of this country. From all reports and the way it looks from here the Democrats will win a majority in both houses of Congress this fall and a sweeping victory all over the country and in this event, Mr. Eisenhower's hands will be tied. But, of course, he still has the veto power and can veto legislation passed by the Democrats, but they will control both houses of Congress. The Republicans are on the way out and they know it. That accounts for them being so desperate and so hungry for votes. How can they convince the voters after making such a great failure?

What have the Republicans done about our farm problem? They have passed some legislation it is true regarding this, but may I ask you with all fairness, is the farmer any better off than before? The farmers, as a whole, are worse off. All of these price supports won't solve the farmer's problems. They will all prove failures in the end. But the Republicans holler peace, prosperity and happiness. Where is it? The country is going from bad to worse, all the time.

How about our foreign policy? The Republicans promised us when they were elected and took over all this foreign give-away program would stop. Well, what have they done about that? All I can hear and find out about it is they are still keeping it up to the detriment of our people.

If the Republicans or Democrats think they can get into office by making a lot of false promises, they will find they are sadly mistaken. People really despise any candidate with nothing but a mouth full of promises. The campaign for this fall is on in a big way. In my honest opinion, there is nothing the Republicans can say or do to get back into office this fall. They failed the people in doing what they promised; therefore they may expect defeat at the ballot box this fall. Things are gloomy for the Republicans.

Some Of Your Letters Are Fine; Some Insulting

Ruston, La.

Editor, Morning World:

Some letters in your Public Forum are fine, have not been excelled by experienced columnists. Sometime ago you published a letter from a man in New Orleans (we don't have his permission to use his name) which quoted the Constitution in its attack against the recent ruling of the U. S. Supreme Court. This letter got the attention of eager erudite people all over this country. Some checked up on his statement, but the man in N. O. was right.

Some of the letters you publish in your Public Forum are not so fine, are really detrimental to your column. Few editors will publish a letter bearing derogatory remarks, let alone insults. Some of the letters you have published, those fighting segregation, seem to be from unknowns as the Identification Bureaus have failed to locate them.

Recently you published a letter from a writer who pointed out how his relatives had served in previous wars. His article became so insulting that his name is unworthy of publishing. Millions of families all over ths nation have suffered worse casualties and all took it for granted. This same writer seems to boast that he was a prisoner of war in Korea. There were thousands of our boys over there, our finest manhood, who could have saved their lives by surrendering to those Communist demons and taking their brainwashing but those boys were True Loyal Americans who never went over there for such a purpose.

This same writer makes a display of his ignorance with his accusation that the US kidnapped his forefathers in Africa and forced them here. He should read American history. The fact is that his forefathers were in the purlieur of cannibalism and that they were lifted from the depths of poverty, ignorance and nakedness and promoted, not kidnapped, to the ranks of Americanism where they were given their first chance to advance the standard of their race. Where would they have been now? This writer gives your readers reason to believe that the jungles is still flowing through his veins, judging from his insulting remarks about the fine people who have befriended him and his people all through the ages.

Such letters are repugnant to your best customers, Mr. Editor.

Dr. Dobbs Will Conduct Course On Delinquency

The juvenile delinquency class sponsored by American Association of Social Workers will meet September 27, at 6:30 p.m., at Ouachita Parish high school annex.

Dr. Harrison A. Dobbs, of L. S. U. School of Social Welfare, who will conduct the course, announces that a full class session is scheduled. There will be no organizational meeting. Details of registration will be handled at the first session.

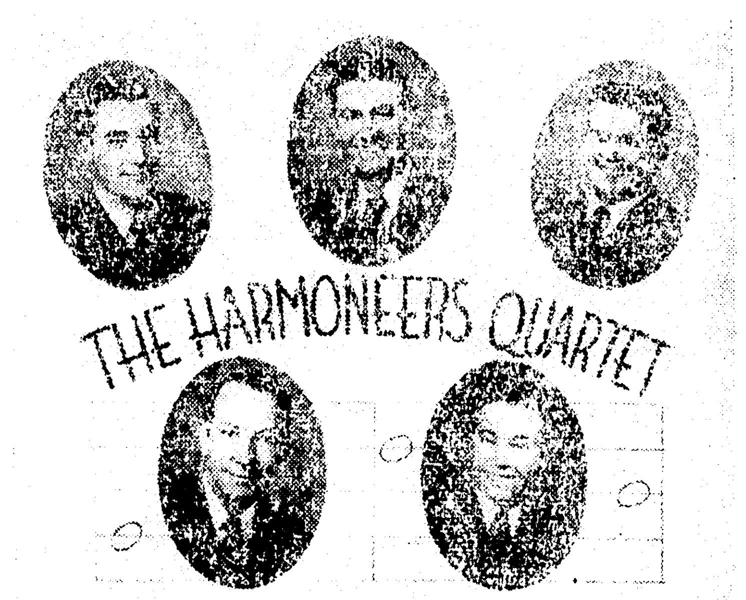
Three hours credit is offered by L. S. U. through its extension division on both undergraduate and graduate levels. Persons registering for credit are requested to secure transcripts, and if possible to present them on registration.

This will not be necessary for former students of L. S. U., whose records are already on file. Fee for the course is the standard fee for L. S. U. extension courses, and is payable on registration.

Dr. Dobbs is a nationally known authority on juvenile delinquency and all problems concerning the welfare of children. Representatives from various social agencies, community organizations and institutions, as well as teachers and interested citizens have already registered for the class which promises to be a most interesting one.

Anyone concerned with juvenile delinquency will be welcomed in the group on a credit or non-credit basis, or as an auditor.

The class will meet every Monday evening from 6:30 to 9 p.m. at Ouachita Parish High school for one semester. Anyone desiring further information may contact Mrs. Katherine R. Woodley at 2-3141.



HARMONEERS QUARTET — The Harmoneers quartet (above) of Decatur, Ga., featuring "Happy" Edwards, is one of two quartets which will appear in a gospel and spiritual concert at the West Monroe High school auditorium at 8 o'clock on the night of Sept. 28. State Police Raid Club, Arrest 11 Persons, Seize $1,300: Charges Pending

LAPLACE, La. (AP)—State police raided the Four Leaf Clover Club near here last night for the sixth time in a year, confiscating $1,300 and arresting 11 persons.

The raid brought to 50 the total arrests at the club since Sept. 1953, and drew a blast against prosecuting officials in St. John The Baptist from Supt. Francis Grevemberg.

Charges in previous arrests have ranged from sale and possession of narcotics to prostitution and white slavery.

"We have preferred 50 charges in this case in the past year," Grevemberg said, "and not one person has been brought to trial. Local parish officials have made no effort to try them.

"It does no good for police officers to continue to make arrests if the prosecutors don't do their duty and bring the cases to trial. Surely the courts in St. John The Baptist Parish have no more important cases to handle than this corrupting influence not only on their own parish but on all south Louisiana."

Grevemberg issued a warrant for the arrest of Ben Johnson, former Baton Rouge used car dealer now free under $20,000 bond on charges of violating state and federal narcotic laws.

The new warrant charges Johnson with operating a house of prostitution.

Officers raided the club located seven miles north of Laplace on Highway 51, about 9:30 p.m. last night. Grevemberg said they were tipped that a "reefer party" was in progress, but found no evidence of marihuana.

"Instead," he reported, "we gathered ample evidence of prostitution and sale of liquor without a state license. About 50 customers were lined up at the bar when we entered ranging from teen-agers to a man 67 years old."

Besides Johnson's warrant, the following were arrested on the premises, Grevemberg reported:

Bea Morgan, 30, Laplace and Charles Worth Gryder, 28, Baton Rouge, charged with assisting in the operation of a house of prostitution; and Joseph Herman Cobb, about 45, Laplace, charged with letting property for the purpose of operating a house of prostitution.

Charged with prostitution were Gladys McCormick, 30, Shreveport; Penny Johnson, 23, Baton Rouge; Barbara Leonards, 22, Eunice; Maxine Martin, 21, Shreveport; Jerry Parker, 21, Lake Charles; Jean Hastings, 27, New Orleans; Doris Leng, 24, Delcambre; and Rita Horne, 216, Galveston, Tex.

Bea Morgan is also under charges of violating state and federal narcotics laws in connection with previous raids on the club.

Grevemberg said the confiscated $1,300 represented "prostitutes' fees."

He said troopers found letters "that showed Johnson was operator of the club." In the letters, the superintendent said, Johnson was attempting to keep an industrial firm which owns part of the property from evicting him "and is now fighting them openly in court . . ."

Part of the property, Grevemberg said, "may be on the State Highway Department right of way. If so, I am going to ask the highway director to have the building removed."

The superintendent said it was "apparent that the operation of the club and the personnel who frequent it are a very corrupting influence on South Louisiana. Either the public officials are not aware of the seriousness of the situation or they have no desire to prosecute."

P. A. R. Council Gets Recognition

BATON ROUGE, Sept. 18 (Special)—Top national recognition has been won by the public affairs research council (PAR) for its study of and reports on the Louisiana welfare program.

This was announced here today by Edward J. Steimel, assistant executive director of PAR, on his return from the annual convention of the Government Research Association at Shawnee-on-Delaware, Pa.

Steimel reported the PAR welfare study won first place in national competition with other research organizations on the effectiveness of its presentation in reporting on the welfare study.

In addition, the study was rated among the top four in the contest for the "Most noteworthy piece of research." The top four were not ranked except for first place.

More than 100 government research agencies in the nation were eligible to compete in the 30th annual contest of the Government Research Association in which the PAR study was entered. These are the only two awards made by GRA.

Steimel said here today that PAR is especially happy to have won this national recognition in little more than four years after its organization.

"We are proud first," he said, "that our study was considered outstanding from a research viewpoint by competent judges. The basis for our program is competent research on Louisiana government problems.

"Then we are very pleased that our methods of reporting results of our study were considered best of all the entries. We have a strong feeling in PAR that every effort possible should be made to produce reports that will attract and hold reader interest."

The welfare study was reported last winter and spring in a series of six illustrated pamphlets, designed to attract a wide readership.

Condemned Slayer Tells Of Gangland Slaying He Says He Once Committed

JACKSON, Miss. (AP)—Condemned killer Minor Sorber today kept his promise to describe to an Ohio newsman the details of a gangland-paid slaying in Dayton, Ohio.

Sorber described the murder of George Zavakos in 1947, gave a possible reason for the job and told where he hid the murder weapon.

The first inkling that Sorber might be connected with the unsolved slaying came during questioning yesterday about his part in a daring escape from Hinds County jail's death row.

But Sorber refused to divulge details to anyone but Jerry Poston, Columbus, Ohio, correspondent for the Dayton Daily News, who "always treated me fair and wrote facts about me."

Sorber's story, according to Poston, appeared "well connected." Sorber gave locations in Dayton by description, contending he could not remember street names.

The slay-for-pay killer said in April or May 1947, a man from Toledo contacted him in a Dayton nightclub and contracted for the slaying of Zavakos.

He said the man paid him $2,000 in cash for the job.

"I knew he was from Toledo because he knew some people there," Sorber said. "I knew he wasn't legitimate because he talked (prison) time to me."

He did not name the man but said he may have been "connected with the Blackshirts out of Detroit."

Sorber declared he watched Zavakos for about a month to determine his movements.

The night of the killing, he said, he and the man from Toledo followed Zavakos to his palatial home. As Zavakos got out of his station wagon in front of the house, Sorber said, "I told him, 'You know what this is, George.'

"Then I shot him here," Sorber pointed just above the heart.

As Zavakos staggered forward to within a few feet of the death car, Sorber "rested my hand on the car window" and shot him in the throat, he said.

As the dying man fell, the man from Toledo put the car in gear and sped away. They stopped in the center of the Sieben Thaler bridge over Stillwater River and Sorber tossed the stolen Army .45 caliber automatic as far up stream as he could.

Then, Sorber described the getaway route to a nightclub where he had established an alibi. He said he wasn't out of the club more than 15 minutes to commit the murder.

The next day, he drove the death car, a brand new stolen coupe, to an isolated wooded area and burned it.

Sorber, unshaven, unkempt and pulling nervously at his eye brows, gave only a vague description of the man from Toledo. He said he was either a "Dago or a Greek . . . a dark man, medium height, medium build, about 42 or 43 years old."

[illegible]

[illegible]

[illegible] would depend upon [illegible]

Reason for the slaying, Sorber [illegible] volved in dope and horse race betting.

"Zavakos was no good," he said. "They may say the same coming from me. I'm no good either, but, as low as he was, ..." his voice faded.

Turning to his pending execution for his part in the gangland slaying of a fellow convict at Mississippi's penitentiary, Sorber asked, "Did you ever see an execution in Mississippi?"

Then he answered his question: "The people make a carnival out of it. They come and peek in the windows of the court room where Mississippi electrocutions are held. are held.

"That's why I have one more escape to make."

Tech Dean To Participate In Inspection

RUSTON, Sept. 18 (Special)—Serving his third year as a member of a survey committee of the Southern Association of Colleges and Secondary Schools, Dr. John B. Wilson, dean of the school of arts and sciences at Louisiana Tech will participate in the inspection of two educational institutions in October or November.

The Tech dean will be one of three educators to study Tuskegee Institute and Alabama State College with a view to determining whether they meet requirements for accreditation by the southern association. These Negro colleges are required to observe the same regulations for accreditation as the white colleges, Dean Wilson stated.

This is the fifth year for inspections of Negro colleges by representatives of the southern association.

Dean Wilson served in a survey of schools in Texas and in North Carolina during the last two years. He was appointed to serve on these committees by J. M. Godard, executive secretary of the southern association, who is vice-president of the University of Miami.

The first inkling that Sorber might be connected with the unsolved slaying came during questioning yesterday about his part in a daring escape from Hinds County jail's death row.

But Sorber refused to divulge details to anyone but Jerry Poston, Columbus, Ohio, correspondent for the Dayton Daily News, who "always treated me fair and wrote facts about me."

Sorber's story, according to Poston, appeared "well connected." Sorber gave locations in Dayton by description, contending he could not remember street names.

The slay-for-pay killer said in April or May 1947, a man from Toledo contacted him in a Dayton nightclub and contracted for the slaying of Zavakos.

He said the man paid him $2,000 in cash for the job.

"I knew he was from Toledo because he knew some people there," Sorber said. "I knew he wasn't legitimate because he talked (prison) time to me."

He did not name the man but said he may have been "connected with the Blackshirts out of Detroit."

Sorber declared he watched Zavakos for about a month to determine his movements.

The night of the killing, he said, he and the man from Toledo followed Zavakos to his palatial home. As Zavakos got out of his station wagon in front of the house, Sorber said, "I told him, 'You know what this is, George.'

"Then I shot him here." Sorber pointed just above the heart.

As Zavakos staggered forward to within a few feet of the death car, Sorber "rested my hand on the car window" and shot him in the throat, he said.

As the dying man fell, the man from Toledo put the car in gear and sped away. They stopped in the center of the Sieben Thaler bridge over Stillwater River and Sorber tossed the stolen Army .45 caliber automatic as far upstream as he could.

Then, Sorber described the getaway route to a nightclub where he had established an alibi. He said he wasn't out of the club more than 15 minutes to commit the murder.

The next day, he drove the death car, a brand new stolen coupe, to an isolated wooded area and burned it.

Sorber, unshaven, unkempt and pulling nervously at his ear lobes, gave only a vague description of the man from Toledo. He said he was either a "Dago or a Greek. . . a dark man, not a blond. . .medium height and build. . .about 42 or 43 years old."

When the man approached him for the job, he said he asked "if I would like to make some money."

When he told him he would, Sorber said, the man asked what he would do for it.

"I told him it would depend upon how much it was."

Reason for the slaying, Sorber said, was because Zavakos was involved in dope and horse race betting.

"Zavakos was no good," he said. "That may sound funny coming from me. I'm no good either, but, as low as he was, ..." his voice faded.

Turning to his pending execution for his part in the hangland slaying of a fellow convict at Mississippi's penitentiary, Sorber asked, "Did you ever see an execution in Mississippi?"

Then, he answered his question: "The people make a carnival out of it. They come and peek in the windows (of the court room where Mississippi electrocutions are held. are held).

"That's why I have one more escape to make."

Tech Dean To Participate In Inspection

RUSTON, Sept. 18 (Special)—Serving his third year as a member of a survey committee of the Southern Association of Colleges and Secondary Schools, Dr. John B. Wilson, dean of the school of arts and sciences at Louisiana Tech, will participate in the inspection of two educational institutions in October or November.

The Tech dean will be one of three educators to study Tuskegee Institute and Alabama State College with a view to determining whether they meet requirements for accreditation by the southern association. These Negro colleges are required to observe the same regulations for accreditation as the white colleges, Dean Wilson stated.

This is the fifth year for inspections of Negro colleges by representatives of the southern association.

Dean Wilson served in a survey of schools in Texas and in North Carolina during the last two years. He was appointed to serve on these committees by J. M. Godard, executive secretary of the southern association, who is vice-president of the University of Miami.

Business Shows Autumn Pickup

NEW YORK, Sept. 18 (AP)—Faint stirrings of a seasonal pickup were clearly discernible on the nation's business scene this week.

Steel production started pulling out of its long summer slump.

Business loans by leading New York banks moved sharply higher—the first gain in five weeks.

The stock market bounded to a new 25-year high.

Check clearings swelled in volume; the number of new claims for unemployment insurance declined. There were encouraging predictions from makers of furniture, TV sets, automobiles and heavy electrical equipment. Volume of applications for GI mortgage loans was just below the all-time record.

Still sluggish were such vital sectors of the economy as petroleum production, auto output and rail freight traffic.

Oil drilling activity, as measured by the number of rotary rigs in operation, sank to a 3½-year low. Another reduction in allowable crude oil output was ordered in Texas.

The lag in auto manufacturing was expected to continue for about three or four weeks more. Spokesmen said it would take the industry that long to get into production of 1955 models.

Retail trade, which had bounded ahead the previous week, declined slightly. Market analysts blamed the weather—cold and rainy in the east, uncomfortably warm in some western regions. While total volume was off, there was a sharp rise in sales of back-to-school togs and women's apparel.

There was some grousing among merchants at reports that customers were putting record sums of cash into savings accounts and government bonds.

Be that as it may, 1954 was shaping up as still another record retail year. Reporting to President Eisenhower, the big American Retail Federation put it this way:

"We anticipate that by the end of 1954, the vigorous trend of our economy will enable the retail industry to write a new record into the books and make 1953, the previous all-time high, the second-best year."

Latest reports on chain and department store sales compared unfavorably with a year ago, but officials were optimistic.

Edward Gudeman, vice president of Sears, Roebuck & Co., said Sears expects a "marked improvement" in business this fall. Leo Wieck, vice president of May Department Stores, declared: "We are optimistic about fall and Christmas season sales."

There were other expressions of optimism.

Commerce Secretary Sinclair Weeks, in a talk to the National Petroleum Assn., said he was "extremely optimistic" for the rest of 1954. "We're doing all right," said Weeks, "and we're going to do better."

Gwilym A. Price, president of Westinghouse Electric Corp., predicted an even better showing this year than the record sales achieved by his company in 1953. Harlow H. Curtice, president of General Motors, said: "The economy of this country is stabilized and very strong."

"I think we hit the jackpot last year," he said, "and our products for 1955 will keep up with it."

Two Joneses At La. Tech

RUSTON, Sept. 18 (Special)—Keeping up with the Joneses on the faculty at Louisiana Tech is a little more difficult this year, with two of the professors named G. E. Jones.

Furthermore, they are both G. Edward Jones.

The situation is eased somewhat, however, by the fact that one is Grady Edward Jones and the other is George Edward Jones.

Grady Edward Jones has been a professor of mathematics at Tech since 1938. He is a graduate of Tech and has an M. A. from Peabody.

George Edward Jones joined the Tech faculty this week as an assistant professor of English. He received the B. A. and M. A. degrees from East Texas State college.

Another member of the Jones clan on the Tech teaching staff is E. Carl Jones, an associate professor of economics at the college since 1947. He graduated from Southwestern Louisiana Institute and received the M. S. degree from Louisiana State University.

Segregation In Ohio May Lead To Court Fight

HILLSBORO, Ohio (AP)—A row over what Negro leaders call school segregation in this small southern Ohio city may end up in the courts.

Ray Paul, an executive board member of the Cincinnati chapter of the National Assn. for the Advancement of Colored Peoples, said a rezoning of school districts which took effect yesterday was aimed at segregating the Negro child.

School board officials say the redistricting was along residential rather than racial lines. Some Negroes now are attending a previously all-white school.

Paul said Hillsboro Negroes feel that, in view of the recent Supreme Court decision declaring segregation in schools unconstitutional, "they have every right to attend the schools nearest their home."

"Since they have been refused admittance the only relief they have is through the courts," he said.

Disputing the school board's statement that the rezoning was strictly residential, the NAACP spokesman said children are not being sent to their nearest schools.

Finance Meet To Be Held Sept. 24

BATON ROUGE, Sept. 18 (Special) — A two-day conference on municipal finance will be held here at Louisiana State University, September 24 and 25, under the sponsorship of the Louisiana Municipal Association and the university.

Mayor P. Armand Viator of New Iberia, LMA president, said municipal officials from all parts of the state are expected to attend the meeting, to be held on the university campus.

"Financing the needed services and facilities for the municipality is a problem that confronts every municipality in the state—and it's one that is of direct and vital interest to every citizen," Mayor Viator said of the conference.

Principal speakers, according to Mayor W. McKerall O'Niell of Franklin, conference chairman, will include Edwin Gill, state treasurer of North Carolina and director of that state's local government commission, a unique state agency for assisting towns and counties and Dr. William D. Ross, director of the highway finance study in Louisiana. Dr. P. F. Boyer, director of the division of research of the L. S. U. College of Commerce will act as conference director.

At the Friday meeting speakers will include Dr. Boyer; R. E. Hengren, assistant chief of the division of research and statistics, Federal Deposit Insurance Corporation; R. Gordon Kean, Jr., of Baton Rouge, president of the Louisiana City Attorneys Association and Alex L. Andrus, Jr., of Opelousas, past president of the CAA.

Friday afternoon speakers will include Mayor William J. White of Gretna, Mayor Curt Siegelin of Bogalusa, Mayor W. P. Sevier, Jr., of Tallulah and Dr. Ross.

Rufus W. Fontenot, state collector of revenue, will address a banquet meeting Friday night.

At the Saturday morning meeting Mayor Clyde E. Fant of Shreveport will preside and Dr. J. Kimbrough Owen, associate professor of government at L. S. U., will direct the meeting. Mayors George Bowdon, Jr., of Alexandria, Sidney L. Gray of Lake Charles and Sidney Marchand, Jr. of Donaldsonville will discuss organizing for effective city government. Mayor Viator and Mayor O'Niell both predicted a record attendance for the conference.

Benson Defends Farm Program As Being 'Right'

OLNEY, Ill., sept. 18 —UP—Secretary of Agriculture Ezra T. Benson said Saturday that regardless of politics the administration's farm program is "right."

Benson said the 83rd Congress which passed the flexible price support program will be remembered for its contributions to agriculture long after "headline incidents are forgotten."

Benson, addressing an audience at the national conservation and plowing demonstration, said the administration was warned that passage of the new farm act would have political repercussions.

He said the administration was told it would "fall under the political wrath of the nation if it dared to do what was right."

"I was not impressed .." he said. "That cannot and must not be so."

Benson said it is "right" to adjust production to demand, to create markets for farm products, to reward good farm management and to give farmers greater freedom to run their own affairs.

He said he knows that during the current campaign critics of the administration will say that the Republicans "talk a good case for freedom, but then turn around and impose strict controls on production."

"What you won't be told is that these controls were made necessary by the present high, rigid support program," he said.

Benson said he was happy to say that he was able earlier this week to cut out the "total acreage allotment" part of next year's farm program.

This, he said, was definite step toward giving farmers more operational freedom.

He said he hopes that the flexible price support law eventually will eliminate the need for any controls.

Gov. Frank Clement of Tennessee, who also addressed the plowing contest audience, charged that "a Republican administration and farm prosperity are incompatible."

Clement gave farmers sole credit for whatever profits they have made. He said they did it in spite of the GOP.

Plane Lands In Cow Pasture, But Occupants Safe

ST. PETER PORT, Guernsey, Sept. 18—UP—The pilot of an Irish airliner overshot a runway Saturday and saved all 21 persons aboard by leapfrogging a hedge and pancaking the plane into a cow pasture.

The plane, a DC-3, twin-engined transport, stopped safely when it hit a cow. There were no injuries to the passengers or crew. The cow, a Guernsey, was killed.

Witnesses said pilot Capt. M. Murray was landing the Air Lingus plane through a thick overcast at Guernsey's La Villiazze airport and was unable to brake the airliner to a halt at the end of the runway.

With wheels down, they said, Murray lifted the plane as it hit the hedge at the end of the runway and then set it down again upright in the neighboring pasture where it hit the cow.

Only the undercarriage of the DC-3 was extensively damaged.

Passengers and crew climbed from the plane unhurt.

Enterprise FHA Elects Officers

ENTERPRISE, Sept. 18 (Special) — Lou Sheppard was elected president of the Enterprise Future Homemakers Association at a recent meeting.

Other new officers elected for the 1951-55 school term were as follows: Joy Guyon, vice - president; Fay Haygood, secretary; Georgia Whitehead, treasurer; Marcia Ann Cruse, historian; Jean Sandidge, parliamentarian; Shirley Cassels, rporter; Juanita Curington and Geraldine Cassells, song leaders; Mrs. Lurline Sheppard, club mother.

Sponsor of the club is Mrs. Daisy Johnson.

La Salle Fair To Open Monday

JENA, Sept. 18 (Special)—Special events have been planned for the annual LaSalle Parish Fair which will begin a week-long run Monday, Sept. 20, through Sept. 25, according to E. E. Jones, fair manager.

These events include a Wednesday night log sawing contest with both cross-cut and power saws and a sports fishermen's fly and casting contest, with prizes for both accuracy and distance for Thursday afternoon.

All exhibits in the fair will be judged Tuesday, with out-of-parish judges selected for the job.

Friday will be school day for white school children of the parish, with Thursday designated school day for Negro students.

Also on Friday the junior and adult livestock show will be held in the judging arena between the agriculture building and the livestock exhibit building, with an auction of market pigs scheduled following the judging of the livestock.

"The outlook for the LaSalle Parish fair is better this year than ever before," Mr. Jones stressed. The fairgrounds have undergone a facelifting during the winter and summer months, the building all have been given a thorough scrubdown recently and the whole inside of the exhibit building has been refurbished to present an entirely different and fresh and clean environment.

Seek To Quash Indictment On Racial Grounds

NEW ORLEANS Sept. 18 —UP—A motion to quash a murder indictment against a 19-year-old Negro on the grounds that Negroes were excluded from the grand jury had been continued by criminal district court Judge Neils F. Hertz.

Six witnesses presented testimony during a hearing yesterday on the indictment of Freddie Eubanks, formerly of Kosciusko, Miss. He is accused of the fatal beating of Mrs. Mabel Clarkson last May 24.

Walter E. Douglas, a member of the jury commission, said efforts have been made to qualify Negroes for jury service. He said that names of persons from areas known to be predominately Negro have been drawn and the persons subpoenaed for qualification.

Defense attorneys for Eubanks maintained that Negroes have been systematically excluded from grand jury service.

He said he hopes that the flexible price support law eventually will eliminate the need for any controls.

Gov. Frank Clement of Tennessee, who also addressed the plowing contest audience, charged that "a Republican administration and farm prosperity are incompatible."

Clement gave farmers sole credit for whatever profits they have made. He said they did it in spite of the GOP.

Plane Lands In Cow Pasture, But Occupants Safe

ST. PETER PORT, Guernsey, Sept. 18—UP—The pilot of an Irish airliner overshot a runway Saturday and saved all 21 persons aboard by leapfrogging a hedge and pancaking the plane into a cow pasture.

The plane, a DC-3, twin-engined transport, stopped safely when it hit a cow. There were no injuries to the passengers or crew. The cow, a Guernsey, was killed.

Witnesses said pilot Capt. M. Murray was landing the Air Lingus plane through a thick overcast at Guernsey's La Villiazze airport and was unable to brake the airliner to a halt at the end of the runway.

With wheels down, they said. Murray lifted the plane as it hit the hedge at the end of the runway and then set it down again upright in the neighboring pasture where it hit the cow.

Only the undercarriage of the DC-3 was extensively damaged.

Passengers and crew climbed from the plane unhurt.

Enterprise FHA Elects Officers

ENTERPRISE, Sept. 18 (Special) — Lou Sheppard was elected president of the Enterprise Future Homemakers Association at a recent meeting.

Other new officers elected for the 1954-55 school term were as follows: Joy Guyon, vice - president; Fay Haygood, secretary; Georgia Whitehead, treasurer; Marcia Ann Cruse, historian; Jean Sandidge, parliamentarian; Shirley Cassels, rporter; Juanita Curington and Geraldine Cassells, song leaders; Mrs. Lurline Sheppard, club mother.

Sponsor of the club is Mrs. Daisy Johnson.

La Salle Fair To Open Monday

JENA, Sept. 18 (Special)—Special events have been planned for the annual LaSalle Parish Fair which will begin a week-long run Monday, Sept. 20, through Sept. 25, according to E. E. Jones, fair manager.

These events include a Wednesday night log sawing contest with both cross-cut and power saws and a sports fishermen's fly and casting contest, with prizes for both accuracy and distance for Thursday afternoon.

All exhibits in the fair will be judged Tuesday, with out-of-parish judges selected for the job.

Friday will be school day for white school children of the parish, with Thursday designated school day for Negro students.

Also on Friday the junior and adult livestock show will be held in the judging arena between the agriculture building and the livestock exhibit building, with an auction of market pigs scheduled following the judging of the livestock.

"The outlook for the LaSalle Parish fair is better this year than ever before," Mr. Jones stressed. The fairgrounds have undergone a facelifting during the winter and summer months, the building all have been given a thorough scrubdown recently and the whole inside of the exhibit building has been refurbished to present an entirely different and fresh and clean environment.

Seek To Quash Indictment On Racial Grounds

NEW ORLEANS Sept. 18 —UP— A motion to quash a murder indictment against a 19-year-old Negro on the grounds that Negroes were excluded from the grand jury had been continued by criminal district court Judge Neils F. Hertz.

Six witnesses presented testimony during a hearing yesterday on the indictment of Freddie Eubanks, formerly of Kosciusko, Miss. He is accused of the fatal beating of Mrs. Mabel Clarkson last May 24.

Walter E. Douglas, a member of the jury commission, said efforts have been made to qualify Negroes for jury service. He said that names of persons from areas known to be predominately Negro have been drawn and the persons subpoenaed for qualification.

Defense attorneys for Eubanks maintained that Negroes have been systematically excluded from grand jury service.

3 New Wildcats Are Staked By Operators

FERRIDAY, La., Sept. 18 —Operators have staked locations for three new Wilcox wildcats in Concordia parish and surface pipe has already been set on one of the tests.

Norton Oil Company, Inc., of Shreveport, is waiting on cement after setting surface pipe at 620 feet on the No. C-3 Madison Oil and Development Company Wildcat in Section 20-N 8E, three and a half miles northeast of Monterey in the lower portion of the parish.

The location is also about four miles east of the Lismore Landing field. Productin will be sought to 6500 feet in the Wilcox zone. Whitehurt Drilling Company has the contract.

A test drilled by E. C. Wentworth and Justiss Mears Oil Company the No. 1 Madison Oil and Development Company was abandoned after drilling to a depth of 6510 feet with no commercial shows in October of last year. The test was slightly more than a mile west-northwest of the new Norton wildcat.

Serio - Punches Oil Company and E. C. Wentworth are rigging up on the No. 1 Harris, about seven miles east of the new Norton test.

The No. 1 Harris is located in an irregular section of Concordia 18-6N-9E. The test will be drilled to 6800 feet.

Sunnyland Contracting Company drilled the No. 1 Magee Evans Land Company, a dry hole, slightly more than one mile south of the new test, which spots from southwest corner of Section 17, 6N-9E. The Sunnyland was drilled to 6803 feet and abandoned in February of last year with no commercial shows. R. W. Smith and Crow Drilling Co of Shreveport are preparing to move in on the No. 1 Cox and Johnson, about two and one half miles southwest of Serio's test.

Three Producers Are Brought In During Past Week

Three producers were brought in during the past week, according to a weekly field report of oil and gas wells drilled and completed in the Monroe district for the period ending Sept. 16. Also listed in the report, which was issued by the local office of the department of conservation, minerals division, were six wells plugged and abandoned and six new locations.

The producers listed included:

R. A. Campbell - Campbell-Fomby No. 1, completed on Sept. 5 and gauged at 102 bbls. with a gravity of 45.1. It was located in Section 47, Township 8, Range 10E of the Clayton field of Concordia parish.

Midstates Oil Corp. (formerly McCor - Short - Randolph, Jet Drlg. Co.) - J. M. Harper No. 1, completed on Sept. 8 and gauged at 183 bbls with a gravity of 41. Its location was listed as Section 12, Township 10, Range 12E of the Rodney Island field of Tensas parish.

Cox-Johnson Unit Is New Wildcat

FERRIDAY, La., Sept. 18—Latest oil news of Concordia Parish in the gas and oil field drilling fraternity is that the Cox and Johnson unit is another wildcat in the Wilcox for Concordia parish. It is in Section 42-6N-9E. Test is also located about two miles north of Deer Park.

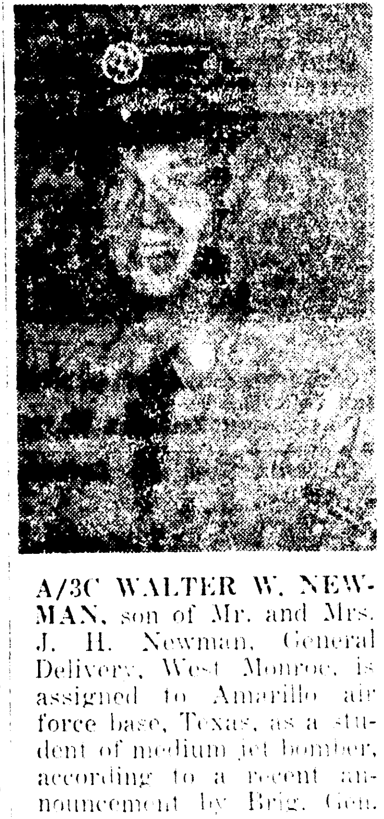
Crow Drilling Company has the contract for the test which will seek production at 6500 feet.

Abandoned during the past week in the immediate area was Crow Drilling Co. and T. L. James Company No. 1 McGee-Evans Bland Co.

David Crow of Shreveport is drilling out at 915 feet after setting surface pipe on the No. 1 Quinn 610 feet from the west line and 680 feet from the south line of Section 24-4N-6E, in Concordia parish, a south outpost to the Bee Brake Field of Concordia.

The new try is located about 4100 southwest of production in the Bee Brake Field. Production will be sought at 7500 feet in the Wilcox Formation with Crow Drilling Company handling the contract.

The No. 3 B. E. Quinn, drilled by Barnett Serio, about one fourth mile from the new test was abandoned at 7522 feet after questionable shows.



A/3C WALTER W. NEWMAN, son of Mr. and Mrs. J. H. Newman, General Delivery, West Monroe, is assigned to Amarillo air force base, Texas, as a student of medium jet bomber, according to a recent announcement by Brig. Gen. Walter R. Agee, base commander. Airman Newman was transferred to Amarillo from Lackland Air Force Base. He graduated at Ouachita Parish High School.

Today Observed As Annual Cancer Control Sunday

Cancer control Sunday will be observed today in Ouachita parish, Fred Fudickar, Jr., campaign chairman announced Saturday.

During the past years, Fudickar pointed out the religious approach to the menace of cancer has been an inspiring feature of Cancer Control Month.

"The power of prayer in fighting cancer," Fudickar declared, cannot be evaluated in terms of cure statistics. But there are few among us who have not in time of crisis found comfort and hidden strength through prayer.

"Many scientists approach research as an attempt to explain mysteries of life that are governed by divine plan. And many doctors, nurses and ACS volunteers credit prayer with playing an important role in cancer therapy."

"This religious aspect of the fight against cancer will be stressed in local pulpits on Cancer Control Sunday, which is today. These special religious services will give those engaged in the battle to control cancer an opportunity to rededicate themselves to the important task of conquering the disease which now ranks as America's leading killer."

Dr. Campbell To Head Jena Civic Group

JENA, Sept. 18 (Special)—Dr. Guy Campbell, one of Jena's most successful physicians and surgeons, has been nominated by the board of directors to the presidency of the Jena Chamber of Commerce for the ensuing year.

Other officers nominated by the board included C. A. McCartney, first vice president, and Hugh Burnham, second vice president. E. W. Plummer was nominated for re-election as secretary - manager.

It was stressed that the nominations submitted by the board of directors do not close the door to any others who may wish to nominate other candidates. "Any member of the Chamber of Commerce has the right to submit other nominees for any of the offices," Mr. Plummer stressed.

In addition to the officers, M. F. Humphries, Earl Doughty and H. S. (Sonny) Owens were nominated to the board of directors, replacing J. W. Brasher, T. S. Butler and Monroe Stevens whose terms expire as of October, 1954.

The officers and directors also nominated the person to receive the "Man of the Year" award which will be presented at the annual Chamber of Commerce banquet in October. The banquet is scheduled for Oct. 4 at the Jena elementary school cafeteria. The name of the nominee for the award will not be made known until the night of the banquet, Plummer said.

German Student Will Teach At State University

NATCHITOCHES, Sept. 18 (Special) — When Fritz-Egbert Dohse, whose home is the university town of Goettingen, West Germany, first came to Northwestern State College less than four years ago, he spoke very little English. This fall he was appointed to an instructorship in engineering mechanics at Louisiana State University.

Following his study at Northwestern only a year ago, the German youth was given assistance through a fund set up by Dr. Waldo Dunnington, NSC faculty member who brought him to the United States, Dr. John S. Kyser, president of Northwestern, and Mrs. J. P. Annan of Shreveport, and a number of others. With this help he managed to finish his graduate work in engineering mechanics, with a minor in physics, in a short time. He received his master's degree this past August.

While at L. S. U. he was elected a member of Delta Phi Alpha, German honorary fraternity, and of Sigma Pi Sigma, National honor society of physics.

Dohse (or Fritz, as he is known to his many friends here) plans to continue his work toward the doctorate while at the state university. He has held graduate teaching assistantships in German and physics prior to this time.

Commenting on his new assignment, the former NSC student from Germany said:

"It is a privilege to work in this country which has given me the chance of my life, and I am grateful to all my friends who have helped me to achieve this goal."

Take a look at the car

This is the beauty that's soaring to new success this year. This is the tomorrow-styled Buick that has record-high V8 power, big-car roominess, the solid comfort of the famed Million Dollar Ride, and sports-car response. Is it any wonder that Buick today—*regardless of price class*—outsells all other cars in America except *two* of the "low-price three"?

Take a look at the price

Only $2400.00 * delivered locally!

*2-door, 6-passenger Special Sedan. [illegible] state and local taxes [illegible] to shipping charges. [illegible] you may want are bargains, such as heater & defroster [illegible]

The fact is, for just a few dollars more than you'd pay for one of the so-called "low-price three," you get in Buick a whale of a lot more automobile—more room, more comfort, more ride steadiness, more V8 power. And that "more automobile for your money" goes for every Buick in the line—the low-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER, and the custom-built ROADMASTER. And the proof is in Buick's booming sales figures!

Take a look ahead

You want a car that will keep its style in the years ahead, and return more dollars when you sell it. That's today's Buick—for with the year-ahead styling that graces this winner—and with all the solid value built into this great automobile—you're bound to command a higher resale price when you sell it. Drop in—look over this beautiful buy—and learn the clincher: With our tremendous volume right now, we can offer you the top allowance on your present car. So you're way ahead on all counts!

No Wonder - Buick Sales are Soaring!

3 New Wildcats Are Staked By Operators

FERRIDAY, La., Sept. 18 —Operators have staked locations for three new Wilcox wildcats in Concordia parish and surface pipe has already been set on one of the tests.

Norton Oil Company, Inc., of Shreveport, is waiting on cement after setting surface pipe at 620 feet on the No. C-3 Madison Oil and Development Company Wildcat in Section 20-N 8E, three and a half miles northeast of Monterey in the lower portion of the parish.

The location is also about four miles east of the Lismore Landing field. Productiin will be sought to 6500 feet in the Wilcox zone. Whitehurt Drilling Company has the contract.

A test drilled by E. C. Wentworth and Justiss Mears Oil Company the No. 1 Madison Oil and Development Company was abandoned after drilling to a depth of 6510 feet with no commercial shows in October of last year. The test was slightly more than a mile west-northwest of the new Norton wildcat.

Serio - Punches Oil Company and E. C. Wentworth are rigging up on the No. 1 Harris, about seven miles east of the new Norton test.

The No. 1 Harris is located in an irregular section of Concordia 18-6N-9E. The test will be drilled to 6800 feet.

Sunnyland Contracting Company drilled the No. 1 Magee Evans Land Company, a dry hole, slightly more than one mile south of the new test, which spots from southwest corner of Section 17, 6N-9E. The Sunnyland was drilled to 6803 feet and abandoned in February of last year with no commercial shows. R. W. Smith and Crow Drilling Co of Shreveport are preparing to move in on the No. 1 Cox and Johnson, about two and one half miles southwest of Serio's test.

Three Producers Are Brought In During Past Week

Three producers were brought in during the past week, according to a weekly field report of oil and gas wells drilled and completed in the Monroe district for the period ending Sept. 16. Also listed in the report, which was issued by the local office of the department of conservation, minerals division, were six wells plugged and abandoned and six new locations.

The producers listed included:

R. A. Campbell - Campbell-Fomby No. 1, completed on Sept. 5 and gauged at 102 bbls. with a gravity of 45.1. It was located in Section 47, Township 8, Range 10E of the Clayton field of Concordia parish.

Midstates Oil Corp (formerly McCor - Short - Randolph, Jet Drlg. Co.) - J. M. Harper No. 1, completed on Sept. 8 and gauged at 183 bbls with a gravity of 41. Its location was listed as Section 12, Township 10, Range 12E of the Rodney Island field of Tensas parish.

Feazel & Anderson - Frost No. 29, completed on Sept. 16 in 285 MCF at a depth of 2132 feet. It is located in Section 23, Township 21, Range 2E of the Monroe field of Union parish.

Wells plugged and abandoned include:

Catahoula parish (wild cat field) Justiss - Mears Oil Co., Serio Punches Oil Co. - Just-Albritton No. 1 plugged on Sept. 13 in Sec. 27-7-6E.

Concordia parish (wild cat field) Norton Oil Co. Inc.-Mad. Oil & Dev. Co. No. C-3, abandoned on Sept. 16 in Sec. 20-6-8E. (Milestone Forks field)-Durbin Bond — Co. & Petersen Pet. Corp-H. A Turner, No. 2, abandoned on Sept. 15 in Sec 20-8-10E.

LaSalle parish (wild cat field)-Hunt Oil Co-LaDe Hrd. Lbr. Co. No. H-102, plugged and abandoned on Sept. 9, in Sec. 10-5-6E; Nebo Oil Co. - Nebo Fee No. 17, plugged on Sept. 9 in Sec. 7-7-3E; (West Elm Ridge field)-Hunt Oil Co.-La-Del Hro Lbr. Co. 96, abandoned on Sept. 14 in Sec. 32-6-4E.

New locations listed were:

Catahouls parish (wild cat field) E. C. Wentworth - Rhone No. 1 660'S-660'W of the NE corner, Sec. 7-6-7E.

Catahoula parish (wild cat field) Norton Oil Co. Inc - Madison Oil & Dev. Co. No. B-a, 660'N-662'W of the SE corner, Sec. 24-4-6E. (Bee Brake field)-David Crow Trustee et al-Quinn No. A-1, 604'S of the north line and 655'W of the east line of the NE¼ of the SW¼, Sec. 24-4-6E. Waverly Point field)-Gulf Refg. Co.-G. A. Cox-Johnson Unit Is New Wildcat

FERRIDAY, La., Sept. 18—Latest oil news of Concordia Parish in the gas and oil field drilling fraternity is that the Cox and Johnson unit is another wildcat in the Wilcox for Concordia parish. It is in Section 42-6N-9E. Test is also located about two miles north of Deer Park.

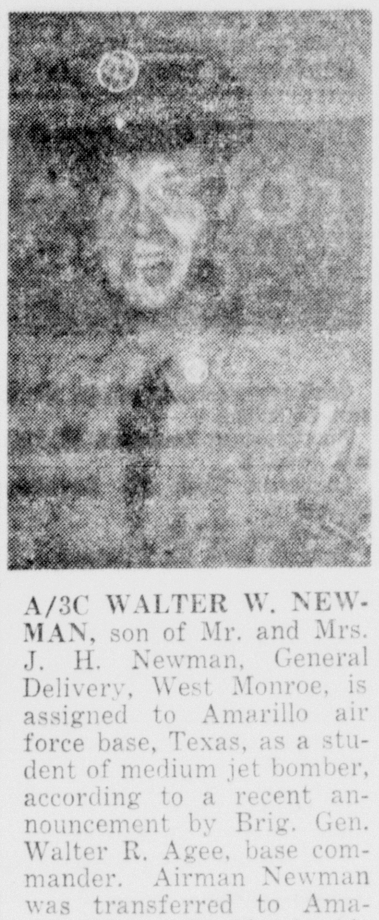
Crow Drilling Company has the contract for the test which will seek production at 6500 feet.

Abandoned during the past week in the immediate area was Crow Drilling Co. and T. L. James Company No. 1 McGee-Evans Bland Co.

David Crow of Shreveport is drilling out at 915 feet after setting surface pipe on the No. 1 Quinn 610 feet from the west line and 680 feet from the south line of Section 24-4N-6E, in Concordia parish, a south outpost to the Bee Brake Field of Concordia.

The new try is located about 4100 southwest of production in the Bee Brake Field. Production will be sought at 7500 feet in the Wilcox Formation with Crow Drilling Company handling the contract.

The No. 3 B. E. Quinn, drilled by Barnett Serio, about one fourth mile from the new test was abandoned at 7522 feet after questionable shows.



A/3C WALTER W. NEWMAN, son of Mr. and Mrs. J. H. Newman, General Delivery, West Monroe, is assigned to Amarillo air force base, Texas, as a student of medium jet bomber, according to a recent announcement by Brig. Gen. Walter R. Agee, base commander. Airman Newman was transferred to Amarillo from Lackland Air Force Base. He graduated at Ouachita Parish High School.

Today Observed As Annual Cancer Control Sunday

Cancer control Sunday will be observed today in Ouachita parish, Fred Fudickar, Jr., campaign chairman, announced Saturday.

During the past years, Fudickar pointed out, the religious approach to the menace of cancer has been an inspiring feature of Cancer Control Month.

"The power of prayer in fighting cancer," Fudickar declared, cannot be evaluated in terms of cure statistics. But there are few among us who have not in time of crisis found comfort and hidden strength through prayer.

"Many scientists approach research as an attempt to explain mysteries of life that are governed by divine plan. And many doctors, nurses and ACS volunteers credit prayer with playing an important role in cancer therapy."

"This religious aspect of the fight against cancer will be stressed in local pulpits on Cancer Control Sunday, which is today. These special religious services will give those engaged in the battle to control cancer an opportunity to rededicate themselves to the important task of conquering the disease which now ranks as America's leading killer."

Dr. Campbell To Head Jena Civic Group

JENA, Sept. 18 (Special)—Dr. Guy Campbell, one of Jena's most successful physicians and surgeons, has been nominated by the board of directors to the presidency of the Jena Chamber of Commerce for the ensuing year.

Other officers nominated by the board included C. A. McCartney, first vice president, and Hugh Burnham, second vice president. E. W. Plummer was nominated for re-election as secretary - manager.

It was stressed that the nominations submitted by the board of directors do not close the door to any others who may wish to nominate other candidates. "Any member of the Chamber of Commerce has the right to submit other nominees for any of the offices," Mr. Plummer stressed.

In addition to the officers, M. F. Humphries, Earl Doughty and H. S. (Sonny) Owens were nominated to the board of directors, replacing J. W. Brasher, T. S. Butler and Monroe Stevens whose terms expire as of October, 1954.

The officers and directors also nominated the person to receive the "Man of the Year" award which will be presented at the annual Chamber of Commerce banquet in October. The banquet is scheduled for Oct. 4 at the Jena elementary school cafeteria. The name of the nominee for the award will not be made known until the night of the banquet, Plummer said.

German Student Will Teach At State University

NATCHITOCHES, Sept. 18 (Special) — When Fritz-Egbert Dohse, whose home is the university town of Goettingen, West Germany, first came to Northwestern State College less than four years ago, he spoke very little English. This fall he was appointed to an instructorship in engineering mechanics at Louisiana State University.

Following his study at Northwestern only a year ago, the German youth was given assistance through a fund set up by Dr. Waldo Dunnington, NSC faculty member who brought him to the United States, Dr. John S. Kyser, president of Northwestern, and Mrs. J. P. Annan of Shreveport, and a number of others. With this help he managed to finish his graduate work in engineering mechanics, with a minor in physics, in a short time. He received his master's degree this past August.

While at L. S. U. he was elected a member of Delta Phi Alpha, German honorary fraternity, and of Sigma Pi Sigma, National honor society of physics.

Dohse (or Fritz, as he is known to his many friends here) plans to continue his work toward the doctorate while at the state university. He has held graduate teaching assistantships in German and physics prior to this time.

Commenting on his new assignment, the former NSC student from Germany said:

"It is a privilege to work in this country which has given me the chance of my life, and I am grateful to all my friends who have helped me to achieve this goal."

Take a look at the car

This is the beauty that's soaring to new success this year. This is the tomorrow-styled Buick that has record-high V8 power, big-car roominess, the solid comfort of the famed Million Dollar Ride, and sports-car response. Is it any wonder that Buick today—*regardless of price class*—outsells all other cars in America except *two* of the "low-price three"?

Take a look at the price

Only $2400.00 * delivered locally!

*2-door, 6-passenger SPECIAL Sedan, Model 48D, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice. Even the factory-installed extras you may want are bargains, such as: heater & defroster . . . only $81.70.

The fact is, for just a few dollars more than you'd pay for one of the so-called "low-price three," you get in Buick a whale of a lot more automobile—more room, more comfort, more ride steadiness, more V8 power. And that "more automobile for your money" goes for every Buick in the line—the low-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER, and the custom-built ROADMASTER. And the proof is in Buick's booming sales figures!

Take a look ahead

You want a car that will keep its style in the years ahead, and return more dollars when you sell it. That's today's Buick—for with the year-ahead styling that graces this winner—and with all the solid value built into this great automobile—you're bound to command a higher resale price when you sell it. Drop in—look over this beautiful buy—and learn the clincher: With our tremendous volume right now, we can offer you the top allowance on your present car. So you're way ahead on all counts!

Paul Martin Looks 'Em Over

Sportsmen who aren't finding sufficient dove shooting in the only part of legal hunting now open can tune their marksmanship for the coming duck and quail seasons with all the targets they want at the Twin Cities Gun Club's skeet and trap range at Selman Field in about another week.

Leroy Stern and S. K. Bernheim have worked hard all summer trying to get the new range ready. They had hoped for an early start, but many hazards slowed the work, bringing delay after delay. Obtaining the electric service necessary for operating the modern trap devices has been the biggest obstacle and right now is the only hold-up in assuring shooting within another week. Stern advises us that work is scheduled to begin Monday on the power installation, and, if started as scheduled, should leave the range ready for service.

The range clubhouse is complete, traps, shells and all other equipment needed in operation are in storage and need only to be transfered to the scene once shooting can be assured.

About 65 sportsmen of this area have pledged support of the range, but more members are sought to make it a thriving recreational diversion. This is not an exclusive club. If you own a shotgun and observe a few simple range rules you'll be welcome to participate. Beginners are to be especially welcomed, and, as Stern puts it, "We'll provide instruction for all ages. We want the youngsters and the ladies to feel this is for their pleasure as much as the more experienced shooters."

Billy Hardy and Art "Little Red" Swanson, the youngsters who helped Neville High and the Monroe American Legion Juniors to two straight state baseball championships spent the summer with Liverpool in a Nova Scotia semi-pro league, left the northeast just ahead of hurricane Edna, halted here briefly for visits with their families, and departed for college. Hardy is at the University of Alabama, Swanson at L. S. U. where his dad, A. L. Swanson, was once a coach. Both athletes are tagged great baseball prospects, but they wisely desire college educations. . . . Leland Sims, ex-Neville gridder of all-state and All-American high school selection, is heading overseas for Marine duty after putting in a freshman year at Georgia Tech.

They're saying it's the end of the line for Casey Stengel, that the aging manager of the New York Yankees is on the way out because his club fails to win the pennant. But the present Yankee club has won more games than that of last year. It's just a case of a vastly improved Cleveland club winning more. Some will tell you the Yanks sold the pennant with Vic Raschi. If Raschi had been around would Bob Grimm have got his big chance? The rookie pitcher has been great for "Ole Case."

Ed Shaver opens defense of his Twin City golf championship this week at Municipal Club. The deadline for qualifying for the event is today and all golfers of Monroe and West Monroe who have not done so are urged to get in that qualifying test today to give Shaver the kind of competition the Twin City tourney deserves. . . . Gus Kallio packed his arena Thursday with boxing fans out to see Clarence Cook, Oak Grove, outclass the veteran Mexican professional, Alex Sedillion. Cook has outgrown the class of boxers in this area, has made good headway against the better grade from other sections, and, with proper handling, could be on the way up in middleweight ranks.

All the pre-season hullabaloo about Alabama being ready for a great comeback as a national football power went up in smoke Friday night. Mississippi Southern repeated the '53 success that Tide Coach "Red" Drew said wouldn't happen again. It was 7-2 Southern. 'Bama won't be alone before long. The college football season still has many surprises in store.

Tech's Bulldogs Plaster Louisiana College, 27-0

RUSTON, La., Sept. 18 (AP)—Louisiana Tech, held scoreless for the first quarter, took to the air in the second quarter and romped to a 27-0 victory over Louisiana College tonight in the Gulf States Conference opener for both teams.

Louisiana Tech, top-rated team in the Associated Press GSC poll, scored its first touchdown in the second quarter on a pass from quarterback Milford Andrews to end Pat Patterson. The play covered 24 yards.

Andrews passed to halfback A. L. Williams in the fourth quarter for another Tech touchdown. The play was good for 46 yards. Tech's line blocked a punt in the third quarter and end Gordon Brown fell on the ball in the end zone for the touchdown.

Williams scored Tech's last touchdown on an 86-yard punt return late in the fourth quarter.

Louisiana Tech made 133 yards rushing to 49 for Louisiana College. Tech outgained its opponent 55 to 10 in the air. Tech attempted 14 passes and completed five while Louisiana College was able to complete only one out of 13.

Tech made eight first downs to 7 for Louisiana College.

West Monroe Vols, Neal's Store Clash In Second Of Series

The West Monroe Vols will try to wrap up the Delta Baseball League championship with a second straight victory over Neal's Store today when they meet at 3 o'clock on the Calhoun diamond in a continuance of their playoff series. Calhoun can force the series to a deciding game next Sunday by winning today.

Bob Bennett, who hurled Manager Ralph Sims' Volunteers to an 8-0 victory last Sunday, is due to hurl for West Monroe again today. Neal's will pitch Louis Pipes or H. Albritton.

Davidson Shuts Out V. M. I. Eleven, 19-0

LEXINGTON, Va., Sept. 18 (AP)—Sophomore Dyke Little, a willowy quarterback from Hickory, N. C., threw two touchdown passes today to engineer Davidson's 19-0 Southern Conference football victory over Virginia Military Institute.

With time running out in the first half, Little stepped back after three line plunges had failed to score from V.M.I.'s one and flipped an arching, end zone pass into the outstretched fingertips of sophomore end Tom Newton.

Midway in the third period, Little passed from the V.M.I. 24 to halfback Don McRee, on the three **for another score.**

Indians Swamped At Southeastern, 58-0

Lions Sparked By Quarterback Ray Porta's Aerials

HAMMOND, La., Sept. 18 (Special)—The Southeastern Lions, defending Gulf State Conference football co-champions, scored a touchdown on the third play of the game here Saturday night, and went on to crush the green Northeast State College Indians, 58-0.

Quarterback Ray Porta, with his numerous passes hitting for gain after gain sparked the Lions to their conference win over first-year coach Devone Payne's initial-game club.

Northeast kicked off to open the tilt, and with the ball on the Lions' 39, Porta heaved his first pass to end Sal Locascio, who went all the way untouched to the end zone. The play covered a total of 61 yards.

With halfbacks Don Marino and Larry Troxler ripping off gains of 27 and 23 yards respectively midway in the period, Marino sped around his left end from 19 yards out to score. His conversion kick split the uprights, and it was 13-0.

Taking an Indian punt on the Northeast 40, the Lions marched to 29, from where Porta passed to halfback Fred Fernandez, open in the end zone, to make the score 19-0 as the first period ended.

Southeastern added two six-pointers in the second quarter, plus another extra point, to build the score to 32-0 at intermission.

Recovering an Indian fumble on the Tribe's 44, the home team drove to the four, with a 17-yard Porta aerial being the key play in the drive. Louis Carlisle plunged over, and Porta booted the point, to build the score to 27-0.

The final Southeastern TD of the first half came with 15 seconds of the half remaining, with a 50-yard run by fullback Tommy Bell setting it up to the Northeast ten. From the six, Troxler swept around end to score. The point kick was blocked.

The Lions scored seven more in the third, when they recovered an Indian fumble on the Northeast four, after the Indians had halted a 46-yard Lion drive. Don Camponoto plunged over, and Marino booted the point to run the score to 39-0.

In the fourth, a pass interception gave Southeastern the ball on the Indian 29. Bell burst through to the eight, and after an offside penalty had set the Lions back to the 13, Troxler scooted around end for the score. The kick was blocked, and Southeastern led, 45-0.

Another fumble recovery by the Lions paved the way for touchdown number seven. After recovering the bobble on the Northeast 39, the Lions drove to the seven, where R. E. Thomas skirted his right end for the marker. Troxler ran the point over, and the count climbed to 52-0.

Taking a Northeast punt on the Indian 31, the Lions drove to their final TD, with the Thomas twins, R. E. and R. C. collaborating to the Northeast five, from where R. E. plunged over. The kick was low, and the final score was 58-0.

Co-captain Francis "Red" Yocum played a bangup defensive game all the way for the inexperienced Tribe; while Danny Hoak was the outstanding ball carrier for the losers.

Score by quarters:

Southeastern	19	13	7	19	—58
Northeast	0	0	0	0	— 0

Southeastern scoring: Touchdowns, Locasio; Marino; Fernandez; Carlisle; Camponoto; R. E. Thomas, 2; Troxler, 2. Conversion, Marino, 2; Porta; Troxler.

Senators Thump Red Hose In 15 Innings, 8 To 7

WASHINGTON, Sept. 18 (AP)—Washington traveled 15 innings to defeat Boston, 8-7, tonight in a game in which the Red Sox used 22 players and the Senators 18. Mickey Vernon's single, Jim Busby's double and Chuck Stobb's sacrifice fly with none out in the 15th broke a 7-7 tie.

Last Half Drives Payoff For Wake Forest, 14 To 0

WAKE FOREST, N. C., Sept. 18 (AP)—Wake Forest struck 81 yards for a third period touchdown and added a fourth quarter score on sophomore Dick Daniels' 32-yard jaunt to defeat George Washington, 14-0, today in the football season opener for both.

A sweltering crowd of 5,000 saw the dogged George Washington team hurl back two deep Wake Forest thrusts in the first half and then stage a futile 53-yard drive of its own in the third period before superior Wake Forest power began paying off.

In the third period the Deacons pile-drived from their own 19 to the George Washington eight. Reserve quarterback Nick Consoles then flipped a touchdown pass to end Ed Stowers. In the final quarter Daniels streaked around right end from the 32 to score standing.

Wake Forest scoring: Touchdowns, Stowers, Daniels. **Conversions, Travagline, Ladner.**

HELP WANTED—Bobby Dodd professes to have that empty feeling. The Georgia Tech coach claims that in place of the hard-charging varsity of last fall, he has eight empty uniforms. Of the 1953 starters, only Franklin Brooks, 26; Larry Morris, 47; and Billy Teas, 9, remain. The veterans line up with the eight vacated uniforms to dramatize Tech's supposed plight. Yet the Engineers won the pre-season poll of Southeastern Conference coaches, and defeated Tulane in the season opener, 28-0. (NEA photo)

All But Crosby Putting Ticket Touch On Hope

HOLLYWOOD, Sept. 18 (AP)—The Cleveland Indians' clinching of the American League pennant could well cost one of its owners more than his investment.

Comic Bob Hope, who has a 10 per cent piece of the Indians, disclosed today that he is deluged with ticket requests for the series.

"Everybody in Hollywood except Crosby has hit me for tickets," Hope quipped. He explained why he doesn't expect to hear from his old sidekick Bing.

"Baseball is a dirty word to Bing since the Pittsburgh Pirates went underground."

Bing is part owner of the National League cellar dwellers, a fact which Hope never lets him forget.

Hope said he has even got ticket request from Ohio.

"My brother, Fred, in Columbus, wants 50 for each game, and I even heard from the prima donna who sang in my first show 30 years ago."

He identified her as the former Hazel Chamberlain, now Mrs. Ralph Canton, Franklin, Ohio. He adds:

"Of course, Hazel only remembers me as a child star."

But Rabid Robert, the Indians' No. 1 local fan, says he's not squawking even if they are mistaking him for the west coast ticket agent for the club.

Hope said that he had only seen the Indians play once this year.

"I stopped off in Chicago to watch them play the White Sox in that series where they lost four straight. After the first game, Manager Al Lopez leered at me so I left town. That's one of the reasons for the Indians' success."

Seminoles Tough, But Bulldogs Get 14 To 0 Decision

TALLAHASSEE, Fla., Sept. 18 (AP)—Georgia's powerful young football machine alternately sizzled and sputtered tonight in rolling to a 14 to 0 decision over a surprisingly god Florida State University team.

Jimmy Harper, a poised junior quarterback, stepped into the shoes of passing wizard Zeke Bratkowski, engineering the triumph that gave the Bulldogs a winning start on the new season and broke Georgia's five-game losing streak.

Harper scooted over from the five-yard line for the first Georgia score in the first quarter to cap a 53-yard drive.

He then hit end Matthew Arthur with a 23-yard scoring pass in the final quarter.

Florida State, consistently outcharged by the right side of Georgia's big sophomore line, never could mount a sustained offensive.

Three times when Georgia got within scoring distance, the Bulldogs were held for downs by a desperately fighting Florida State defense.

Score by quarters:

Georgia	7	0	0	7	—14
Florida State	0	0	0	0	— 0

Georgia scoring: touchdowns, Harper, Authur, Conversions, Madison, Graff.

Vagabond King Nips Stablemate In Midwest Run

CHICAGO, Sept. 18 (AP)—Vagabond King charged furiously in the stretch to defeat his Walmac farms stablemate, 'Gala Fete, by three quarters of a length and capture the $27,950 Midwest Handicap before 21,594 at Hawthorne today.

Gala Fete led by six lengths around the home run of the 6½ furlongs feature but Vagabond King came on brilliantly to edge in front in the final sixteenth.

The victorious 4-year old chestnut colt and Gala Fete, who finished 10 lengths ahead of the third horse, Hasty House Farm's Sea O Erin, returned $3.80, $4 and $3. Sea O Erin's show price was $2.80.

Vagabond King, ridden by Arnold Kirkland, was clocked in 1:17 and four-fifths over a heavy track.

Walmac Farm's share of the purse with its 1-2 finish was $18,850 for Vagabond King's victory and $5,000 for Gala Fete's second. Gala Fete, 5-year-old mare, jumped ahead at the start of the seven-horse race and apparently was headed for an easy victory until Kirkland began to push Vagabond King.

Tritium Returns $37.80 For Race At Atlantic City

ATLANTIC CITY, N. J., Sept. 18 (AP) — Brookmeade stable's Tritium took the lead at the final elbow, drew out under Sam Boulmetis' urging and scored handsomely in this afternoon's running of the Philadelphia Turf Handicap before 21,311 fans.

King Ranch's Riverina finished fast to be second, with W. Arnold Hanger's Intencion third. Fourth in the field of 12 fillies and mares was Llangollen farm's Tessa.

The winner picked up $20,550 of the gross $29,000 purse and covered the nine furlongs in 1:51 and two-fifths, under adept handling by Boulmetis who was scoring his 42nd victory of the meeting to take over the leadership in that department.

Neglected by the crowd, the daughter of Cosmic Bomb returned $37.80, $19.60 and $10.80 across the board, after finishing **a length and a half to the good.**

A week will be allowed for each round with the championship finals scheduled to go on October 9.

Jones Shuts Out Braves On 7 Hits For Cards, 3 To 0

ST. LOUIS, Sept. 18 (AP)—Rookie Gordon Jones shut out the Milwaukee Braves on seven hits tonight as the St. Louis Cardinals came up with a 3-0 victory that enabled the Birds to tighten the three-way battle for fourth place in the National League.

The defeat all but mathematically eliminated Milwaukee from the pennant race. The third-place Braves would have to win all their remaining eight games while the New York Giants lost all their last seven to gain a tie.

Yanks Recall Tom Gorman From K. C.

PHILADELPHIA, Sept. 18 (AP)—The New York Yankees today recalled Tom Gorman, 28-year-old righthander, from their Kansas City farm club of the American Association. He'll report in New York Monday night.

Gorman had an 0-0 record after 28 relief appearances for the Yankees before being sent down in July. He compiled a 3-2 log while appearing in 11 games. Three of **his efforts were complete games.**

Yankees Nose Out Athletics, 6 To 5, To Bag 2nd Place

PHILADELPHIA, Sept. 18 (AP)—The New York Yankees, dethroned from their five-year reign as American League champions, clinched second place tonight with a 6-5 victory over the Philadelphia Athletics, their 99th triumph of the year.

Pennant-winning Cleveland's 3-2 victory over the Detroit Tigers mathematically eliminated New York as a contender but the outwardly undisturbed Yanks calmly went about their business of whipping the lowly A's for the 14th consecutive time.

The dethroned titlists waited until the ninth inning to get it done. A's pitcher Arnold Portocarrero loaded the bases with walks and Eddie Robinson clouted a long sacrifice fly to right, scoring Gil McDougald with the run that broke a 5-5 deadlock. It gave relief hurler Allie Reynolds his 12th decision of the campaign.

McNeese Defeated By Howard Payne To Tune Of 38-7

LAKE CHARLES, La., Sept. 18 (AP) — Quarterback Jerry Millsaps passed for two first quarter touchdowns as he sparked Howard Payne to a 38-7 victory over McNeese tonight.

End Lou Holt was on the receiving end of both touchdown passes. One play covered 33 yards and the other 35.

Halfback Douglas Johnson also scored twice for Howard Payne, one on an 85-yard run in the second quarter and the other on a two-yard run in the first quarter. Curtiss Crosby and Robert Jackson accounted for the other Howard Payne touchdowns.

Millsaps kicked both of Howard Payne's extra points.

McNeese's only touchdown came on a 19-yard run by halfback Mack Bryan in the third quarter. Roy Price made the conversion.

Touch Football League Meeting Slated Monday

Organization of the touch football league here will continue tomorrow night with a meeting of club managers at 6:30 o'clock at the Monroe Recreation Center, it was announced yesterday by Jack Hesketh, director of the recreation department.

All playing rules and dates for playing will be decided at the meeting. Games are expected to be played on Wednesdays and Sundays **this season.**

Indians Swamped At Southeastern, 58-0

Paul Martin Looks 'Em Over

Sportsmen who aren't finding sufficient dove shooting in the only part of legal hunting now open can tune their marksmanship for the coming duck and quail seasons with all the targets they want at the Twin Cities Gun Club's skeet and trap range at Selman Field in about another week.

Leroy Stern and S. K. Bernheim have worked hard all summer trying to get the new range ready. They had hoped for an early start, but many hazards slowed the work, bringing delay after delay. Obtaining the electric service necessary for operating the modern trap devices has been the biggest obstacle and right now is the only hold-up in assuring shooting within another week. Stern advises us that work is scheduled to begin Monday on the power installation, and, if started as scheduled, should leave the range ready for service.

The range clubhouse is complete, traps, shells and all other equipment needed in operation are in storage and need only to be transfered to the scene once shooting can be assured.

About 65 sportsmen of this area have pledged support of the range, but more members are sought to make it a thriving recreational diversion. This is not an exclusive club. If you own a shotgun and observe a few simple range rules you'll be welcome to participate. Beginners are to be especially welcomed, and, as Stern puts it, "We'll provide instruction for all ages. We want the youngsters and the ladies to feel this is for their pleasure as much as the more experienced shooters."

Billy Hardy and Art "Little Red" Swanson, the youngsters who helped Neville High and the Monroe American Legion Juniors to two straight state baseball championships spent the summer with Liverpool in a Nova Scotia semi-pro league, left the northeast just ahead of hurricane Edna, halted here briefly for visits with their families, and departed for college. Hardy is at the University of Alabama, Swanson at L. S. U. where his dad, A. L. Swanson, was once a coach. Both athletes are tagged great baseball prospects, but they wisely desire college educations. . . . Leland Sims, ex-Neville gridder of all-state and All-American high school selection, is heading overseas for Marine duty after putting in a freshman year at Georgia Tech.

They're saying it's the end of the line for Casey Stengel, that the aging manager of the New York Yankees is on the way out because his club fails to win the pennant. But the present Yankee club has won more games than that of last year. It's just a case of a vastly improved Cleveland club winning more. Some will tell you the Yanks sold the pennant with Vic Raschi. If Raschi had been around would Bob Grimm have got his big chance? The rookie pitcher has been great for "Ole Case."

Ed Shaver opens defense of his Twin City golf championship this week at Municipal Club. The deadline for qualifying for the event is today and all golfers of Monroe and West Monroe who have not done so are urged to get in that qualifying test today to give Shaver the kind of competition the Twin City tourney deserves. . . . Gus Kallio packed his arena Thursday with boxing fans out to see Clarence Cook, Oak Grove, outclass the veteran Mexican professional, Alex Sedillion. Cook has outgrown the class of boxers in this area, has made good headway against the better grade from other sections, and, with proper handling, could be on the way up in middleweight ranks.

All the pre-season hullabaloo about Alabama being ready for a great comeback as a national football power went up in smoke Friday night. Mississippi Southern repeated the '53 success that Tide Coach "Red" Drew said wouldn't happen again. It was 7-2 Southern. 'Bama won't be alone before long. The college football season still has many surprises in store.

Tech's Bulldogs Plaster Louisiana College, 27-0

RUSTON, La., Sept. 18 (AP) —Louisiana Tech, held scoreless for the first quarter, took to the air in the second quarter and romped to a 27-0 victory over Louisiana College tonight in the Gulf States Conference opener for both teams.

Louisiana Tech, top-rated team in the Associated Press GSC poll, scored its first touchdown in the second quarter on a pass from quarterback Milford Andrews to end Pat Patterson. The play covered 24 yards.

Andrews passed to halfback A. L. Williams in the fourth quarter for another Tech touchdown. The play was good for 46 yards. Tech's line blocked a punt in the third quarter and end Gordon Brown fell on the ball in the end zone for the touchdown.

Wiliams scored Tech's last touchdown on an 86-yard punt return late in the fourth quarter.

Louisiana Tech made 133 yards rushing to 49 for Louisiana College. Tech outgained its opponent 55 to 10 in the air. Tech attempted 14 passes and completed five while Louisiana College was able to complete only one out of 13.

Tech made eight first downs to 7 for Louisiana College.

West Monroe Vols, Neal's Store Clash In Second Of Series

The West Monroe Vols will try to wrap up the Delta Baseball League championship with a second straight victory over Neal's Store today when they meet at 3 o'clock on the Calhoun diamond in a continuance of their playoff series. Calhoun can force the series to a deciding game next Sunday by winning today.

Bob Bennett, who hurled Manager Ralph Sims' Volunteers to an 8-0 victory last Sunday, is due to hurl for West Monroe again today. Neal's will pitch Louis Pipes or H. Albritton.

Davidson Shuts Out V. M. I. Eleven, 19-0

LEXINGTON, Va., Sept. 18 (AP)—Sophomore Dyke Little, a willowy quarterback from Hickory, N. C., threw two touchdown passes today to engineer Davidson's 19-0 Southern Conference football victory over Virginia Military Institute.

With time running out in the first half, Little stepped back after three line plunges had failed to score from V.M.I.'s one and flipped an arching, end zone pass into the outstretched fingertips of sophomore end Tom Newton.

Midway in the third period, Little passed from the V.M.I. 24 to halfback Don McRee, on the three for another score.

Lions Sparked By Quarterback Ray Porta's Aerials

HAMMOND, La., Sept. 18 (Special)—The Southeastern Lions, defending Gulf State Conference football co-champions, scored a touchdown on the third play of the game here Saturday night, and went on to crush the green Northeast State College Indians, 58-0.

Quarterback Ray Porta, with his numerous passes hitting for gain after gain sparked the Lions to their conference win over first-year coach Devone Payne's initial-game club.

Northeast kicked off to open the tilt, and with the ball on the Lions' 39, Porta heaved his first pass to end Sal Locascio, who went all the way untouched to the end zone. The play covered a total of 61 yards.

With halfbacks Don Marino and Larry Troxler ripping off gains of 27 and 23 yards respectively midway in the period, Marino sped around his left end from 19 yards out to score. His conversion kick split the uprights, and it was 13-0.

Taking an Indian punt on the Northeast 40, the Lions marched to 29, from where Porta passed to halfback Fred Fernandez, open in the end zone, to make the score 19-0 as the first period ended.

Southeastern added two six-pointers in the second quarter, plus another extra point, to build the score to 32-0 at intermission.

Recovering an Indian fumble on the Tribe's 44, the home team drove to the four, with a 17-yard Porta aerial being the key play in the drive. Louis Carlisle plunged over, and Porta booted the point, to build the score to 27-0.

The final Southeastern TD of the first half came with 15 seconds of the half remaining, with a 50-yard run by fullback Tommy Bell setting it up to the Northeast ten. From the six, Troxler swept around end to score. The point kick was blocked.

The Lions scored seven more in the third, when they recovered an Indian fumble on the Northeast four, after the Indians had halted a 46-yard Lion drive. Don Camponoto plunged over, and Marino booted the point to run the score to 39-0.

In the fourth, a pass interception gave Southeastern the ball on the Indian 29. Bell burst through to the eight, and after an offside penalty had set the Lions back to the 13, Troxler scooted around end for the score. The kick was blocked, and Southeastern led, 45-0.

Another fumble recovery by the Lions paved the way for touchdown number seven. After recovering the bobble on the Northeast 39, the Lions drove to the seven, where R. E. Thomas skirted his right end for the marker. Troxler ran the point over, and the count climbed to 52-0.

Taking a Northeast punt on the Indian 34, the Lions drove to their final TD, with the Thomas twins, R. E. and R. C. collaborating to the Northeast five, from where R. E. plunged over. The kick was low, and the final score was 58-0.

Co-captain Francis "Red" Yocum played a bangup defensive game all the way for the inexperienced Tribe; while Danny Hoak was the outstanding ball carrier for the losers.

Score by quarters:

Southeastern	19	13	7	19—58
Northeast	0	0	0	0— 0

Southeastern scoring: Touchdowns, Locasio; Marino; Fernandez; Carlisle; Camponoto; R. E. Thomas, 2; Troxler, 2. Conversion, Marino, 2; Porta; Troxler.

Senators Thump Red Hose In 15 Innings, 8 To 7

WASHINGTON, Sept. 18 (AP)—Washington traveled 15 innings to defeat Boston, 8-7, tonight in a game in which the Red Sox used 22 players and the Senators 18. Mickey Vernon's single, Jim Busby's double and Chuck Stobb's sacrifice fly with none out in the 15th broke a 7-7 tie.

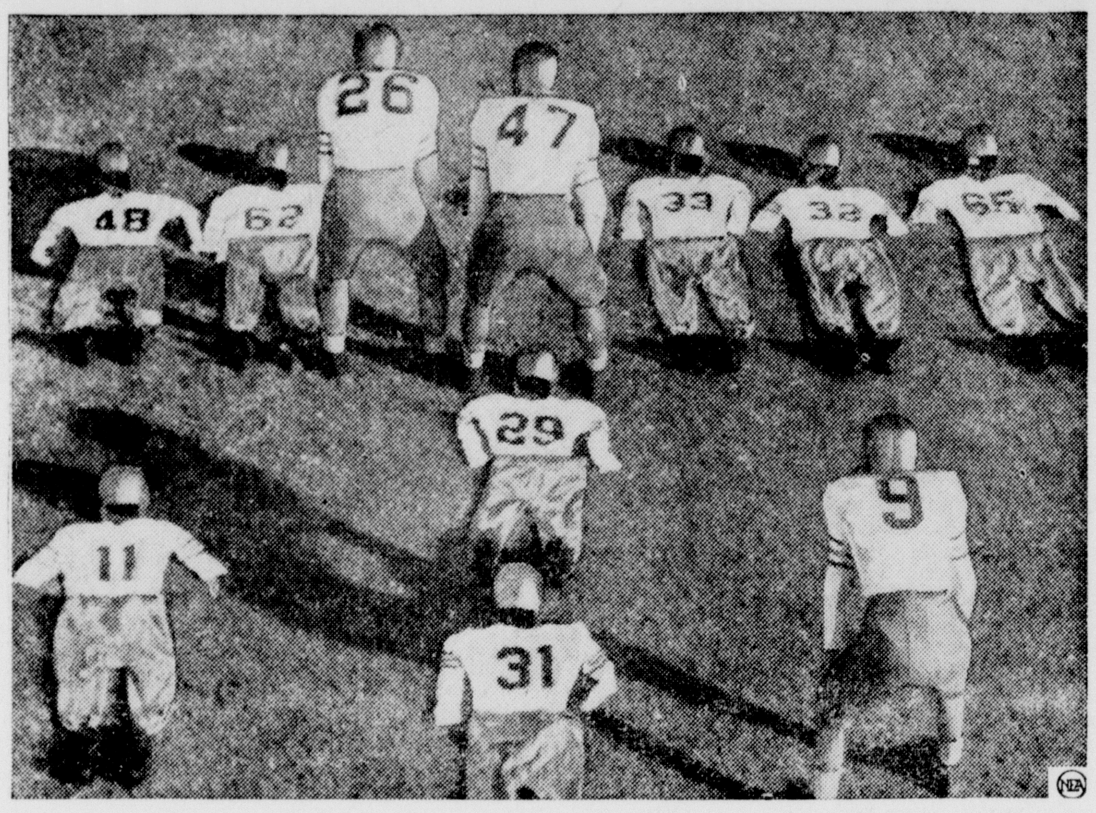
Last Half Drives Payoff For Wake Forest, 14 To 0

WAKE FOREST, N. C., Sept. 18 (AP)—Wake Forest struck 81 yards for a third period touchdown and added a fourth quarter score on sophomore Dick Daniels' 32-yard jaunt to defeat George Washington, 14-0, today in the football season opener for both.

A sweltering crowd of 5,000 saw the dogged George Washington team hurl back two deep Wake Forest thrusts in the first half and then stage a futile 53-yard drive of its own in the third period before superior Wake Forest power began paying off.

In the third period the Deacons pile-drived from their own 19 to the George Washington eight. Reserve quarterback Nick Consoles then flipped a touchdown pass to end Ed Stowers. In the final quarter Daniels streaked around right end from the 32 to score standing.

Wake Forest scoring: Touchdowns, Stowers, Daniels. Conversions, Travagline, Ladner.



HELP WANTED—Bobby Dodd professes to have that empty feeling. The Georgia Tech coach claims that in place of the hard-charging varsity of last fall, he has eight empty uniforms. Of the 1953 starters, only Franklin Brooks, 26; Larry Morris, 47; and Billy Teas, 9, remain. The veterans line up with the eight vacated uniforms to dramatize Tech's supposed plight. Yet the Engineers won the pre-season poll of Southeastern Conference coaches, and defeated Tulane in the season opener, 28-0. (NEA photo)

All But Crosby Putting Ticket Touch On Hope

HOLLYWOOD, Sept. 18 (AP)—The Cleveland Indians' clinching of the American League pennant could well cost one of its owners more than his investment.

Comic Bob Hope, who has a 10 per cent piece of the Indians, disclosed today that he is deluged with ticket requests for the series.

"Everybody in Hollywood except Crosby has hit me for tickets," Hope quipped. He explained why he doesn't expect to hear from his old sidekick Bing.

"Baseball is a dirty word to Bing since the Pittsburgh Pirates went underground."

Bing is part owner of the National League cellar dwellers, a fact which Hope never lets him forget.

Hope said he has even got ticket request from Ohio.

"My brother, Fred, in Columbus, wants 50 for each game, and I even heard from the prima donna who sang in my first show 30 years ago."

He identified her as the former Hazel Chamberlain, now Mrs. Ralph Canton, Franklin, Ohio. He adds:

"Of course, Hazel only remembers me as a child star."

But Rabid Robert, the Indians' No. 1 local fan, says he's not squawking even if they are mistaking him for the west coast ticket agent for the club.

Hope said that he had only seen the Indians play once this year.

"I stopped off in Chicago to watch them play the White Sox in that series where they lost four straight. After the first game, Manager Al Lopez leered at me so I left town. That's one of the reasons for the Indians' success."

Seminoles Tough, But Bulldogs Get 14 To 0 Decision

TALLAHASSEE, Fla., Sept. 18 (AP)—Georgia's powerful young football machine alternately sizzled and sputtered tonight in rolling to a 14 to 0 decision over a surprisingly god Florida State University team.

Jimmy Harper, a poised junior quarterback, stepped into the shoes of passing wizard Zeke Bratkowski, engineering the triumph that gave the Bulldogs a winning start on the new season and broke Georgia's five-game losing streak.

Harper scooted over from the five-yard line for the first Georgia score in the first quarter to cap a 53-yard drive.

He then hit end Matthew Arthur with a 23-yard scoring pass in the final quarter.

Florida State, consistently outcharged by the right side of Georgia's big sophomore line, never could mount a sustained offensive.

Three times when Georgia got within scoring distance, the Bulldogs were held for downs by a desperately fighting Florida State defense.

Score by quarters:

Georgia	7	0	0	7—14
Florida State	0	0	0	0— 0

Georgia scoring: touchdowns, Harper, Authur, Conversions, Madison, Graff.

Vagabond King Nips Stablemate In Midwest Run

CHICAGO, Sept. 18 (AP)—Vagabond King charged furiously in the stretch to defeat his Walmac farms stablemate, 'Gala Fete, by three quarters of a length and capture the $27,950 Midwest Handicap before 21,594 at Hawthorne today.

Gala Fete led by six lengths around the home run of the 6½ furlongs feature but Vagabond King came on brilliantly to edge in front in the final sixteenth.

The victorious 4-year old chestnut colt and Gala Fete, who finished 10 lengths ahead of the third horse, Hasty House Farm's Sea O Erin, returned $3.80, $4 and $3. Sea O Erin's show price was $2.80.

Vagabond King, ridden by Arnold Kirkland, was clocked in 1:17 and four-fifths over a heavy track.

Walmac Farm's share of the purse with its 1-2 finish was $18,850 for Vagabond King's victory and $5,000 for Gala Fete's second. Gala Fete, 5-year-old mare, jumped ahead at the start of the seven-horse race and apparently was headed for an easy victory until Kirkland began to push Vagabond King.

Tritium Returns $37.80 For Race At Atlantic City

ATLANTIC CITY, N. J., Sept. 18 (AP) — Brookmeade stable's Tritium took the lead at the final elbow, drew out under Sam Boulmetis' urging and scored handsomely in this afternoon's running of the Philadelphia Turf Handicap before 21,311 fans.

King Ranch's Riverina finished fast to be second, with W. Arnold Hanger's Intencion third. Fourth in the field of 12 fillies and mares was Llangollen farm's Tessa.

The winner picked up $20,550 of the gross $29,000 purse and covered the nine furlongs in 1:51 and two-fifths, under adept handling by Boulmetis who was scoring his 42nd victory of the meeting to take over the leadership in that department.

Neglected by the crowd, the daughter of Cosmic Bomb returned $37.80, $19.60 and $10.80 across the board, after finishing a length and a half to the good.

Jones Shuts Out Braves On 7 Hits For Cards, 3 To 0

ST. LOUIS, Sept. 18 (AP)—Rookie Gordon Jones shut out the Milwaukee Braves on seven hits tonight as the St. Louis Cardinals came up with a 3-0 victory that enabled the Birds to tighten the three-way battle for fourth place in the National League.

The defeat all but mathematically eliminated Milwaukee from the pennant race. The third-place Braves would have to win all their remaining eight games while the New York Giants lost all their last seven to gain a tie.

Yanks Recall Tom Gorman From K. C.

PHILADELPHIA, Sept. 18 (AP)—The New York Yankees today recalled Tom Gorman, 28-year-old righthander, from their Kansas City farm club of the American Association. He'll report in New York Monday night.

Gorman had an 0-0 record after 28 relief appearances for the Yankees before being sent down in July. He compiled a 3-2 log while appearing in 11 games. Three of his efforts were complete games.

Final qualifying trials for the annual Twin City Golf Tournament at Municipal Golf Club are scheduled for today with L. N. Goodwin leading the present medal pace with an 80, and Ed Shaver as the defending champion.

Pairings are scheduled to be made tonight as soon as the evening qualifying deadline passes.

In addition to Goodwin, qualfiiers already include Ken Bartlett, 83; John Bowman, 84; R. F. Watkins, 86; F. E. Maxwell, 88; Jimmy Harbuck and Fred Brownlee, 89; Sam Correro, 93; Tony Danna and W. W. Armistead, 95; Jack May and James Lary, 96; W. E. Chaney and G. A. Thorpe, 97; H. J. Mang, 100; and W. P. Renwick and Bill Eason, 110.

The first round of play will begin this week with the golfers permitted to arrange their matches any day in the week.

A week will be allowed for each round with the championship finals scheduled to go on October 9.

Yankees Nose Out Athletics, 6 To 5, To Bag 2nd Place

PHILADELPHIA, Sept. 18 (AP)—The New York Yankees, dethroned from their five-year reign as American League champions, clinched second place tonight with a 6-5 victory over the Philadelphia Athletics, their 99th triumph of the year.

Pennant-winning Cleveland's 3-2 victory over the Detroit Tigers mathematically eliminated New York as a contender but the outwardly undisturbed Yanks calmly went about their business of whipping the lowly A's for the 14th consecutive time.

The dethroned titlists waited until the ninth inning to get it done. A's pitcher Arnold Portocarrero loaded the bases with walks and Eddie Robinson clouted a long sacrifice fly to right, scoring Gil McDougald with the run that broke a 5-5 deadlock. It gave relief hurler Allie Reynolds his 12th decision of the campaign.

McNeese Defeated By Howard Payne To Tune Of 38-7

LAKE CHARLES, La., Sept. 18 (AP) — Quarterback Jerry Millsaps passed for two first quarter touchdowns as he sparked Howard Payne to a 38-7 victory over McNeese tonight.

End Lou Holt was on the receiving end of both touchdown passes. One play covered 33 yards and the other 35.

Halfback Douglas Johnson also scored twice for Howard Payne, one on an 85-yard run in the second quarter and the other on a two-yard run in the first quarter. Curtiss Crosby and Robert Jackson accounted for the other Howard Payne touchdowns.

Millsaps kicked both of Howard Payne's extra points.

McNeese's only touchdown came on a 19-yard run by halfback Mack Bryan in the third quarter. Roy Price made the conversion.

Marciano Looks Toward Valdes, Cockell For Foe

By JACK HAND

NEW YORK, Sept. 18 (AP) —Don ckell and Nino Valdes are next line for Rocky Marciano in 1955, eferably in that order as far as Weill is concerned, but the avyweight champion's manager mands the two top challengers ep busy.

"They can't just sit around and wait for us," said Weill at a press conference. "Let them keep fighting." Weill, of course, knows that he giant Cuban and Pudgy Briton must be kept in the public's eye f they are going to be good drawing cards next year. When and if Cockell gets the chance, it will be n the United States. "We can't take it over, it's too heavy," gagged Weill.

Marciano positively won't fight again this year. It may take six months for his split nose to heal. The 30-year-old champ wore a tight bandage over the nose and a patch over the left eye as he met the press to talk about his knockout victory over Ezzard Charles last night in 2:36 of the eighth round at Yankee Stadium. He looked like a kid dressed up for Halloween with putty nose.

Originally it was planned to have plastic surgery job done on Rocky's nose but Dr. Alexander Schiff of the New York State Athletic commission said it might not e necessary. Marciano was to fly Los Angeles for a television appearance with Eddie Fisher tomorrow night. After that, his plans are definite. If the nose bothers him, e'll fly back to New York for the urgery.Otherwise he may go home Brockton, Mass., or take a week Hot Springs, Ark. Weill will go Miami Tuesday to confer with m Norris, president of the International Boxing Club. He also has Hollywood movie deal for Rocky the fire.

Norris visited his office briefly check on the receipts and refunds from the two postponements. ie announced gross gate of $252,- by 34,330 fans may be cut by funds. The promoter estimated eater-television receipts would be close to $125,000 after receiving a favorable preliminary report.

Norris would prefer to stage a Marciano-Valdes match at Miami in February, figuring the Cuban, who is the top ranking challenger, would draw plenty from his native Havana. "I have had no encouragement from Weill on a February fight," he warned.

Valdes, recent knockout winner over hurricane Tommy Jackson, has won nine in a row. Cockell, who ballooned into a heavyweight, has copped 10 straight since he was knocked out by Randy Turpin as a light heavyweight in 1952.

The champion still thinks it was Charles' elbow, not a punch, that split his nose in the sixth round. "He turned to throw a right and hit me with his elbow," said Rocky. "It bled like anything, I knew something was wrong because the blood was running like a faucet."

Asked bluntly if he thought Charles was slower than he was last June 17 when he wasn't knocked down once in 15 rounds. Last night he was dropped three times — a two-count in the second, another two-count in the eighth and then the finale. "I thought he would come out faster and try to nail me," he said. "I felt much better and sharper than last time. The quick rematch was better for me than for him. He was heavier and it didn't do him any good.

"No, I wouldn't say this was my best fight, I still will take the night I won the title from Walcott."

Substitute Leads Baylor To 53-13 Houston Victory

WACO, Tex., Sept. 18 (AP)—Bobby Jones, the most impetuous of Baylor's eager beaver sophomores, delivered the rushing blows with home run passes nd glittering runs today as the Golden Bears slammed University of Houston 53-13.

It was the worst defeat Houston ever has suffered in its eight years of football, and Jones was the boy who made the game into a shambles with three touchdown passes, two runs for touchdowns and passes that set up two more.

All told the boy who stepped into the quarterback job when the starters couldn't go and spelled Billy Hooper after the senior went out with an injury, threw 10 passes and completed five for a tremendous 141 yards.

It asn't all Jones, however. Houston fumbled six times, four of the bobbles leading to Baylor touchdowns. And L. G. Dupre, the powerhouse veteran, ripped the futile Houston line like a torn necktie, while Hooper was deadly with his passing, scoring one touchdown himself.

Huskies Shade Utah Redskins By 7-6 Margin

SEATTLE, Sept. 18 (AP)—Pass-happy Washington kept the air full of leather today but only one toss had the touchdown stamp and the highly favored Huskies had to depend on Bobby Dunn's conversion kick to squeeze out a 7-6 football victory over the Redskins of Utah.

The losing Utes provided the thrill of the day for an estimated 25,600 fans when Herb Wakken broke away on a 51-yard touchdown canter in the third period, stiff-arming the only Washington man to get within tackling range.

But the conversion attempt by Lou Mele was low and wide, leaving the Utes one point shy of a tie with their intersectional enemy.

Longhorns Show 3 Power Drives In 20-6 Victory

By BO BYERS

AUSTIN, Sept. 18 (AP) —The Texas Longhorns put on three powerful drives to score in all but the final quarter as they gained a revenge victory over Louisiana State here today, 20-6.

Texas surged 80, 62, and 92 yards for its touchdowns.

Quarterback Charley Brewer, the lad who sparked Texas to a Southwest Conference co-championship as a sophomore last year, proved he's still got the gambling spirit and the know how to make his gambles work for Texas, number four in the Associated Press Poll.

He kept the scoring march moving with cagey play selections on fourth down on two occasions and opened the scoring with a sneaker from inside the one.

The number one Texas team covered all but the last eight yards of its second drive. Then the number two unit came in, and fullback Don Maroney slanted off left end for a touchdown on the first play of the second period.

A revamped LSU backfield slashed 81 yards in five plays to open the second half, substitute right half Vincent Gonzales going the final 44 to make it 14 to 6. Fullback Tommy Davis' try for point was wide.

Left half Delano Womack streaked around right end, shook off one tackler and sped 36 yards to score for Texas.

The victory was sweet revenge for Texas, most of whose players were in Baton Rouge, La., a year ago when the Tigers toppled Texas by almost the identical score, 20-7.

A partisan Texas crowd of 36,000 sweltered cheerfully in a 93 degree temperature, roaring approval at the Longhorns bruising display of offensive and defensive power.

The game had been billed as a contest that would test the All-America potential of three tackles, Sid Fournet of LSU and Herb Gray and Buck Lansford of Texas.

Fournet got little chance to show his blocking prowess as LSU ran the ball only 31 times.

Controlling the ball with 66 rushing pays as it stuck to the ground most of the time, Texas demonstrated it has a powerful, well balanced line that may make it hard to pick individual stars.

Texas	7	7	6	0—20
LSU	0	0	6	0— 6

Texas scoring: Touchdowns, Frewer, Maroney, Womack. Conversions: Lansford, Jones.

K-State Romps Over Colorado A. And M., 29-0

MANHATTAN, Kan., Sept. 18 (AP) —Kansas State took charge early and held control all the way here today to gain a 29-0 victory over out-manned Colorado A. and M. as 12,000 fans watched the season's football opener for both teams.

Kansas State Coach Bill Meek dipped deep into his manpower reserve, using 36 Wildcats. Kansas State scored a touchdown in each of the first two periods, added a field goal in the second, and pushed over a pair of tallies in the third period.

Bernie Dudley, left halfback, capped a 58-yard drive with a one-yard plunge for the first touchdown. Second string back Eldon Zeller swept left end and went over standing up from the A. and M. 41 for the second score.

K-State put together its two touchdowns in the third period on a 41-yard forward pass play from Dudley to Corky Taylor and on a 1-foot quarterback sneak by Bob Whitehead.

Score by quarters:

Colorado A&M	0	0	0	0— 0
Kansas State	6	10	13	0—29

Kansas State scoring: Touchdowns, Zeller, Dahnke, Rusher, Whitehead. Field goal, Ciboski. Conversions, Dahnke, Rusher.

Sophomores Power TCU March Over Kansas, 27-6

By SKIPPER PATRICK

LAWRENCE, Kan., Sept. 18 (AP)—Its first team stalled by the desperately battling Kansas Jayhawkers, Texas Christian University's Horned Frogs used an all-sophomore second team for three touchdowns and a 27-6 victory in a football season opener today.

A Partisan crowd of about 20,000, watching in humid, 90 degree plus weather, got its thrills in the first half as Kansas, playing its first game under coach Chuck Mather, outplayed the visitors most of the first two quarters and went into the intermission trailing by but one point 7-6.

Sophomore halfback Jimmy Swink scored two touchdowns for the Texans on trips of 10 and 67 yards.

T.C.U. got the first counter early in the second quarter with Frank Wineburg going 22 yards on a wide pitchout that climaxed a drive of 61 yards. Swink converted.

Kansas came back quickly for its only touchdown, sophomore Bev Buller passing the last 10 yards to end Don Martin.

The Frogs got their second touchdown early in the third quarter when veteran end Johnny Crouch intercepted a John McFarland pass and ran 37 yards for the score. Swink kicked the extra point and by that time Kansas had lost its poise.

Both of Swink's touchdowns came in the final period. The 18-year-old, 185-pound youth from Rusk, Tex., hit on a quick opener through right tackle for his first score and went 67 yards on the same play for the second.

The Frogs' starting team with its highly regarded Ron Clinksdale in the quarterback slot, didn't move well against the Jayhawks. But they were sharp when sophomore Charley Curtis took over the sliding-T operation.

Adler Tire Company maintained a tie with Girault Insurance Company for first place in the Pioneer Bowling League by sweeping a series from Monroe Brick Company. Hardy, showing a 179 game and 478 series, was kingpin for Adler. T. Malta, reaching a 191 game and 441 series, led Monroe Brick.

Girault Insurance swept three from McCain-Richards as Lynn Morrow led the way with a 186 game and 511 series. S. Buckley was best for McCain-Richards with 151-423.

Public Loan Service bested Twin City Gravel in three games as Hoffman set the pace with 196-532. Charlie Finkbeiner led the gravelers with 187-468.

Team No. 4 railroaded Railway Express by winning two of three. Higgins led No. 4 with 167-462, and Telford had 171-485 as best for Express.

Roi-Tan Cigar swept three games from Dunham Pugh, but McClure of Dunham Pugh stole the show and this early in the season could be the leading candidate for "bowler of the year" in the Twin Cities. McClure, a righthanded bowler, broke the thumb on his right hand Friday morning, but, to keep his team from forfeiting three games, he took the floor for a lefthanded performance that wasn't a bit bad. Gulledge led Roi-Tan with 170-413, and Turner was tops for Dunham Pugh with 181-515.

The Church League opened its season with St. Paschal's Catholic Church of West Monroe and First Presbyterian setting the early pace.

St. Paschal's, with the Rev. Vitus smashing the pins for a 213 game and 551 series, swept three from Covenant Presbyterian, O. K. from Memorial Presbyterian, the latter led by Keith Moore's 180-446.

First Presbyterian swept three Davis leading the winners with 208-350. Covenant was paced by John Yarborough's 175 game and E. Lawson's 462 series.

West Monroe Methodist and St. Paul Methodist split even, the West Monroe team winning two games, but St. Paul getting one game and total pins. Sellinger, shooting 163-446, topped West Monroe Methodist. Dr. Flinn had 155-415 to lead St. Paul's.

Jena Still Rules LaSalle, Defeats Bengals, 33 To 0

OLLA, La., Sept. 18 (Special)—The Giants of Jena High School continued to hold their mastery over LaSalle High of Olla in an age old intra-parish rivalry by blasting the hometown Tigers into subdivision here last night on a wet, sloppy field, 33-0. The host Tigers played the visiting Giants on pretty even terms the first half but the black and gold gridders from "south parish" really started rolling in the second semester to completely outclass and outplay the "north parish" eleven.

Robert Plunkett, highlighted the last half of the contest by intercepting a Tom Nethery pass and racing 55 yards to pay dirt, and a few minutes later added insult to injury as he again snatched a LaSalle aerial and galloped 35 yards for the final counter of the game.

Ronald Manchester bagged the first touchdown in the opening minutes of play by taking a 20-yard pass and romping 19 yards more. It wasn't until the third period that the Giants punctured the Tiger end zone again with Jack Ezell climaxing a 49-yard drive with runs of 22 and 11 yards, the last going over. Later in the third period, Plunkett tossed to Manchester for 14 on the Tiger four, and two plays later Jimmy Tullos counted from one foot out.

Jena, boasting one of its strongest lines in history, headed by 1953 All-State center George Crews, smashed the Tiger ground attack and threw it into reverse. LaSalle wound up with a net yardage on the ground on minus eight. In the air, the Tigers were more effective as they completed four of 12 passes for 57 yards. Four of the Tigers aerials were intercepted. The home team showed two first downs rushing and two passing. The visiting Giants hammered out 238 yards on the gumbo to count eight first downs rushing. Plunkett completed two of four passes for 34 yards, with none intercepted.

Favored Jackets Overcome Wave By 28-0 Margin

ATLANTA, Sept. 18 (AP)—Georgia Tech tested its split-T muscles today and found them lacking, but had enough tricks in its straight-T bag to crush fumbling Tulane 28-0 in a Southeastern Conference opener for both teams.

A pair of scintillating sophomore halfbacks, Paul Rotenberry and Jimmy Thompson, and senior fullback Johnny Hunsinger provided most of the ground-gaining fireworks for the nation's seventh-ranked power.

Rotenberry and Hunsinger each scored a touchdown. Thompson set up another with a long run.

Tulane, operating with inexperienced quarterbacks, gained freely against Tech's erratic line play but the Greenies failed to muster a scoring spark.

Tech backs had trouble gaining on the ground against Tulane's quick-charging line in the second half and took to the air. Quarterback Bill Brigman threw a 25-yard touchdown pass to end Bill Sennett in the third quarter and Toppy Vann, "B" team signal caller until early this week, set up a fourth-quarter score with passes to Sennett and Henry Hair. Hunsinger sped the final nine yards with a pitchout.

Rotenberry, a 19-year-old Roanoke, Va., racehorse, scored Tech's first touchdown on a perfectly executed variation of the Yellow Jacket's famed "belly" play. Hunsinger faked beautifully up the middle, fooling Tulane and most of the 28,000 fans. But Rotenberry had the ball and he knifed between guard and tackle and scampered 48 yards to score.

Tulane failed to gain after the following kickoff and on Tech's second play from scrimmage Thompson, a 5-foot-6 bundle of speed from Bessemer, Ala., took a pitchout and hightailed it 56 yards to the five. Fullback George Humphreys slammed over on the next play.

Fullback Bobby Saia and quarterbacks John Caruso and Earl Hubley ground out most of the Tulane yardage, taking advantage of Tech's tackle weakness.

Tulane fumbled nine times and Tech recovered seven.

After scoring the first two touchdowns in less than nine minutes of the first quarter, Tech Coach Bobby Dodd used very sparingly such stars as All America center Larry Morris, guard Franklin Books and halfback Bill Teas.

Tech tried a few split-T plays early in the game but quickly abandoned that new offense Dodd is installing in favor of more familiar attacks.

Va. Tech Tops North Carolina St., 30-21

BLACKSBURG, Va., Sept. 18 (AP) —Howie Wright, a senior halfback from Dover, Del., led Virginia Tech to a 30-21 victory over North Carolina State today as he accounted for two touchdowns and piled up 136 yards in 18 carries, including a 67-yard touchdown dash.

State, making its debut under Coach Earle Edwards, also had a brilliant runner in sophomore halfback George Marinkov, who tallied two touchdowns, one coming on a 93-yard kickoff return.

Pro-Football Preparing For Greatest Campaign

By RALPH BERNSTEIN

PHILADELPHIA, Sept. 18 (AP)—The National Football League opens its 35th season next Sunday with tight races predicted in both Eastern and Western divisions, the most extensive football television schedule ever devised, and prospects of a new attendance record.

Opening day games find the up-and-coming Chicago Bears visiting the World Champion Detroit Lions in the motor city; Cleveland's Eastern champions invading the nest of their principal challenger, the Philadelphia Eagles; Los Angeles at Baltimore where some 20,000 season ticket holders will demonstrate their faith in the last place Colts; New York at the Chicago Cardinals; Pittsburgh at Green Bay and Washington at San Francisco to face the rough and tough Forty-Niners.

The regular schedule continues through Sunday, Dec. 12, with the championship game tentatively set for Dec. 26 at the home of the Eastern titlist.

NFL Commissioner Bert Bell says unprecedented sale of season tickets in all league cities plus the finest pre-season game crowds in the history of the league presage another record breaking year at the box office. The pros drew 2,164,585 through the turnstiles last year for 72 league games. Bell predicts the NFL will beat that figure in 1954 and he credits it all to television.

Bell said the NFL's TV program will carry 68 games over 160 stations from Massachusetts to Seattle, Wash. There will pro football TV every week end, Saturday night and Sunday, during the season. Radio and television revenue to the 12 NFL teams should approximate 1,800,000.

Detroit looks as strong, if not stronger, than last year in the Western division. Jack Christiansen heads one of the league's finest pass defenses. The offensive backfield with quarterback Bobby Lane and halfbacks Bob Hoernschemeyer and Doak Walker shows no signs of slowing down. Coach Buddy Parker says he has the best ends in the league in Leon Hart, Dorne Dibble, Cloyce Box and Jim Doran.

"A third straight title is not impossible," Parker says.

Parlo Registers 3-Length Victory In Beldame 'Cap

NEW YORK, Sept. 18 (AP)—The Foxcatcher farm of Willie DuPont, Wilmington, Del., millionaire sportsman, grabbed its second major New York stake race in two days today when Parlo sped home a 3-length winner of the $64,100 Beldame Handicap before 31,406 customers at Aqueduct.

Jockey Eric Guerin, who apparently doesn't need a Native Dancer to get on television in the winner's circle, was aboard Parlo, who took command going down the backstretch and charged home with plenty of daylight between her and Walter M. Jeffords' Open Sesame.

Open Sesame got second money by a length ahead of the Darby Dan farm's Clear Dawn. The time of 1:49 4-5 for the mile and one eighth was the fastest for the stake.

Yesterday, Guerin steered home Foxcatcher Chevation to win the $29.550 Discovery Handicap by 10 lengths.

Mrs. Charles Silvers' Lavender Hill, the 2-1 favorite, was never in the contention, trailing all the way to finish a bad last in the field of nine.

Parlo paid mutuels of $12, $7.70 and $4.40, while Open Sesame was $11.70 and $5.20 to place and Clear Dawn $3.60 to show.

The winner earned $45,500 and shot her 1954 winnings to $110,590.

Oklahoma's two new fishing reservoirs in the Ozarks, at Fort Gibson and Tenkiller, are turning up fabulous catches of channel cats and bass.

Marciano Looks Toward Valdes, Cockell For Foe

By JACK HAND

NEW YORK, Sept. 18 (AP)—Don ckell and Nino Valdes are next line for Rocky Marciano in 1955, eferably in that order as far as Weill is concerned, but the avyweight champion's manager mands the two top challengers eep busy.

"They can't just sit around and wait for us," said Weill at a press conference. "Let them keep fighting." Weill, of course, knows that he giant Cuban and Pudgy Briton nust be kept in the public's eye f they are going to be good drawng cards next year. When and if Cockell gets the chance, it will be n the United States. "We can't take it over, it's too heavy," gagged Weill.

Marciano positively won't fight again this year. It may take six months for his split nose to heal. The 30-year-old champ wore a tight bandage over the nose and a patch over the left eye as he met the press to talk about his knockout victory over Ezzard Charles last night in 2:36 of the eighth round at Yankee Stadium. He looked like a kid dressed up for Halloween with a putty nose.

Originally it was planned to have a plastic surgery job done on Rocky's nose but Dr. Alexander Schiff of the New York State Athletic commission said it might not be necessary. Marciano was to fly to Los Angeles for a television appearance with Eddie Fisher tomorrow night. After that, his plans are indefinite. If the nose bothers him, he'll fly back to New York for the surgery. Otherwise he may go home Brockton, Mass., or take a week Hot Springs, Ark. Weill will go Miami Tuesday to confer with m Norris, president of the International Boxing Club. He also has Hollywood movie deal for Rocky the fire.

Norris visited his office briefly check on the receipts and rends from the two postponements. e announced gross gate of $252, by 34,330 fans may be cut by funds. The promoter estimated eater-television receipts would be close to $125,000 after receiving a favorable preliminary report.

Norris would prefer to stage a Marciano-Valdes match at Miami in February, figuring the Cuban, who is the top ranking challenger, would draw plenty from his native Havana. "I have had no encouragement from Weill on a February fight," he warned.

Valdes, recent knockout winner over hurricane Tommy Jackson, has won nine in a row. Cockell, who ballooned into a heavyweight, has copped 10 straight since he was knocked out by Randy Turpin as a light heavyweight in 1952.

The champion still thinks it was Charles' elbow, not a punch, that split his nose in the sixth round. "He turned to throw a right and hit me with his elbow," said Rocky. "It bled like anything, I knew something was wrong because the blood was running like a faucet."

Asked bluntly if he thought Charles was slower than he was last June 17 when he wasn't knocked down once in 15 rounds. Last night he was dropped three times — a two-count in the second, another two-count in the eighth and then the finale. "I thought he would come out faster and try to nail me," he said. "I felt much better and sharper than last time. The quick rematch was better for me than for him. He was heavier and it didn't do him any good.

"No, I wouldn't say this was my best fight, I still will take the night I won the title from Walcott."

Substitute Leads Baylor To 53-13 Houston Victory

WACO, Tex., Sept. 18 (AP)—Bobby Jones, the most impetuous of Baylor's eager beaver sophomores, delivered the rushing blows with home run passes nd glittering runs today as the Golden Bears slammed University of Houston 53-13.

It was the worst defeat Houston ever has suffered in its eight years of football, and Jones was the boy who made the game into a shambles with three touchdown passes, two runs for touchdowns and passes that set up two more.

All told the boy who stepped into the quarterback job when the starters couldn't go and spelled Billy Hooper after the senior went out with an injury, threw 10 passes and completed five for a tremendous 141 yards.

It asn't all Jones, however. Houston fumbled six times, four of the bobbles leading to Baylor touchdowns. And L. G. Dupre, the powerhouse veteran, ripped the futile Houston line like a torn necktie, while Hooper was deadly with his passing, scoring one touchdown himself.

Score by quarters:

Huskies Shade Utah Redskins By 7-6 Margin

SEATTLE, Sept. 18 (AP)—Pass-happy Washington kept the air full of leather today but only one toss had the touchdown stamp and the highly favored Huskies had to depend on Bobby Dunn's conversion kick to squeeze out a 7-6 football victory over the Redskins of Utah.

The losing Utes provided the thrill of the day for an estimated 25,600 fans when Herb Wakken broke away on a 51-yard touchdown canter in the third period, stiff-arming the only Washington man to get within tackling range.

But the conversion attempt by Lou Mele was low and wide, leaving the Utes one point shy of a tie with their intersectional enemy.

Longhorns Show 3 Power Drives In 20-6 Victory

By BO BYERS

AUSTIN, Sept. 18 (AP)—The Texas Longhorns put on three powerful drives to score in all but the final quarter as they gained a revenge victory over Louisiana State here today, 20-6.

Texas surged 80, 62, and 92 yards for its touchdowns.

Quarterback Charley Brewer, the lad who sparked Texas to a Southwest Conference co-championship as a sophomore last year, proved he's still got the gambling spirit and the know how to make his gambles work for Texas, number four in the Associated Press Poll.

He kept the scoring march moving with cagey play selections on fourth down on two occasions and opened the scoring with a sneaker from inside the one.

The number one Texas team covered all but the last eight yards of its second drive. Then the number two unit came in, and fullback Don Maroney slanted off left end for a touchdown on the first play of the second period.

A revamped LSU backfield slashed 81 yards in five plays to open the second half, substitute right half Vincent Gonzales going the final 44 to make it 14 to 6. Fullback Tommy Davis' try for point was wide.

Left half Delano Womack streaked around right end, shook off one tackler and sped 36 yards to score for Texas.

The victory was sweet revenge for Texas, most of whose players were in Baton Rouge, La., a year ago when the Tigers toppled Texas by almost the identical score, 20-7.

A partisan Texas crowd of 36,000 sweltered cheerfully in a 93 degree temperature, roaring approval at the Longhorns bruising display of offensive and defensive power.

The game had been billed as a contest that would test the All-America potential of three tackles, Sid Fournet of LSU and Herb Gray and Buck Lansford of Texas.

Fournet got little chance to show his blocking prowess as LSU ran the ball only 31 times.

Controlling the ball with 66 rushing pays as it stuck to the ground most of the time, Texas demonstrated it has a powerful, well balanced line that may make it hard to pick individual stars.

K-State Romps Over Colorado A. And M., 29-0

MANHATTAN, Kan., Sept. 18 (AP)—Kansas State took charge early and held control all the way here today to gain a 29-0 victory over out-manned Colorado A. and M. as 12,000 fans watched the season's football opener for both teams.

Kansas State Coach Bill Meek dipped deep into his manpower reserve, using 36 Wildcats. Kansas State scored a touchdown in each of the first two periods, added a field goal in the second, and pushed over a pair of tallies in the third period.

Bernie Dudley, left halfback, capped a 58-yard drive with a one-yard plunge for the first touchdown. Second string back Eldon Zeller swept left end and went over standing up from the A. and M. 41 for the second score.

K-State put together its two touchdowns in the third period on a 41-yard forward pass play from Dudley to Corky Taylor and on a 1-foot quarterback sneak by Bob Whitehead.

Score by quarters:

Colorado A&M	0	0	0	0—0
Kansas State	6	10	13	0—29

Kansas State scoring: Touchdowns, Zeller, Dahnke, Rusher, Whitehead. Field goal, Ciboski. Conversions, Dahnke, Rusher.

Sophomores Power TCU March Over Kansas, 27-6

By SKIPPER PATRICK

LAWRENCE, Kan., Sept. 18 (AP)—Its first team stalled by the desperately battling Kansas Jayhawkers, Texas Christian University's Horned Frogs used an all-sophomore second team for three touchdowns and a 27-6 victory in a football season opener today.

A Partisan crowd of about 20,000, watching in humid, 90 degree plus weather, got its thrills in the first half as Kansas, playing its first game under coach Chuck Mather, outplayed the visitors most of the first two quarters and went into the intermission trailing by but one point 7-6.

Sophomore halfback Jimmy Swink scored two touchdowns for the Texans on trips of 10 and 67 yards.

T.C.U. got the first counter early in the second quarter with Frank Wineburg going 22 yards on a wide pitchout that climaxed a drive of 61 yards. Swink converted.

Kansas came back quickly for its only touchdown, sophomore Bev Buller passing the last 10 yards to end Don Martin.

The Frogs got their second touchdown early in the third quarter when veteran end Johnny Crouch intercepted a John McFarland pass and ran 37 yards for the score. Swink kicked the extra point and by that time Kansas had lost its poise.

Both of Swink's touchdowns came in the final period. The 18-year-old, 185-pound youth from Rusk, Tex., hit on a quick opener through right tackle for his first score and went 67 yards on the same play for the second.

The Frogs' starting team with its highly regarded Ron Clinksdale in the quarterback slot, didn't move well against the Jayhawks. But they were sharp when sophomore Charley Curtis took over the sliding-T operation.

Score by quarters:

State, making its debut under Coach Earle Edwards, also had a brilliant runner in sophomore halfback George Marinkov, who tallied two touchdowns, one coming on a 93-yard kickoff return.

Pro-Football Preparing For Greatest Campaign

By RALPH BERNSTEIN

PHILADELPHIA, Sept. 18 (AP)—The National Football League opens its 35th season next Sunday with tight races predicted in both Eastern and Western divisions, the most extensive football television schedule ever devised, and prospects of a new attendance record.

Opening day games find the up-and-coming Chicago Bears visiting the World Champion Detroit Lions in the motor city; Cleveland's Eastern champions invading the nest of their principal challenger, the Philadelphia Eagles; Los Angeles at Baltimore where some 20,000 season ticket holders will demonstrate their faith in the last place Colts; New York at the Chicago Cardinals; Pittsburgh at Green Bay and Washington at San Francisco to face the rough and tough Forty-Niners.

The regular schedule continues through Sunday, Dec. 12, with the championship game tentatively set for Dec. 26 at the home of the Eastern titlist.

NFL Commissioner Bert Bell says unprecedented sale of season tickets in all league cities plus the finest pre-season game crowds in the history of the league presage another record breaking year at the box office. The pros drew 2,164,585 through the turnstiles last year for 72 league games. Bell predicts the NFL will beat that figure in 1954 and he credits it all to television.

Bell said the NFL's TV program will carry 68 games over 160 stations from Massachusetts to Seattle, Wash. There will pro football TV every week end, Saturday night and Sunday, during the season. Radio and television revenue to the 12 NFL teams should approximate 1,800,000.

Detroit looks as strong, if not stronger, than last year in the Western division. Jack Christiansen heads one of the league's finest pass defenses. The offensive backfield with quarterback Bobby Lane and halfbacks Bob Hoernschemeyer and Doak Walker shows no signs of slowing down. Coach Buddy Parker says he has the best ends in the league in Leon Hart, Dorne Dibble, Cloyce Box and Jim Doran.

"A third straight title is not impossible," Parker says.

Parlo Registers 3-Length Victory In Beldame 'Cap

NEW YORK, Sept. 18 (AP)—The Foxcatcher farm of Willie DuPont, Wilmington, Del., millionaire sportsman, grabbed its second major New York stake race in two days today when Parlo sped home a 3-length winner of the $64,100 Beldame Handicap before 31,406 customers at Aqueduct.

Jockey Eric Guerin, who apparently doesn't need a Native Dancer to get on television in the winner's circle, was aboard Parlo, who took command going down the backstretch and charged home with plenty of daylight between her and Walter M. Jeffords' Open Sesame.

Open Sesame got second money by a length ahead of the Darby Dan farm's Clear Dawn. The time of 1:49 4-5 for the mile and one eighth was the fastest for the stake.

Yesterday, Guerin steered home Foxcatcher Chevation to win the $29,550 Discovery Handicap by 10 lengths.

Mrs. Charles Silvers' Lavender Hill, the 2-1 favorite, was never in the contention, trailing all the way to finish a bad last in the field of nine.

Parlo paid mutuels of $12, $7.70 and $4.40, while Open Sesame was $11.70 and $5.20 to place and Clear Dawn $3.60 to show.

The winner earned $45,500 and shot her 1954 winnings to $110,590.

Oklahoma's two new fishing reservoirs in the Ozarks, at Fort Gibson and Tenkiller, are turning up fabulous catches of channel cats and bass.

Indians Clinch Pennant; Giants Crowd Nearer Flag

Cleveland Edges Detroit, 3 To 2, To Sew Up Title

DETROIT, Sept. 18 (AP)—The Cleveland Indians made it official today. They won the American League pennant by defeating Detroit, 3-2, in the rain at Briggs Stadium. The game was delayed 50 minutes in the eighth inning by the wretched weather.

Cleveland scored three runs in the seventh inning, highlighted by successive home runs by Dale Mitchell and Jim Hegan to capture the game and end the New York Yankees' five-year reign as champions. The Indians have been second to the Yanks the last three years.

Dale Mitchell's pinch-hit homer in the seventh inning clinched the game for the Indians as Early Wynn notched his 22nd victory although he needed help from Ray Narleski in the late innings. Mitchell's two-run blow came after Dave Philley had walked. Jim Hegan homered behind Mitchell to ice the game.

Tribe Ends Yank Regime

By JOE REICHLER

CLEVELAND, Sept. 18 (AP)—The Cleveland Indians today clinched the American League pennant to end the New York Yankees' pennant-winning monopoly since 1949.

The Indians' victory, which became a possibility last June, a probability in August and a virtual certainity last Sunday when they trounced the ex-world champions in a doubleheader before the largest crowd ever to see a baseball game, was well received around the baseball world.

There were many who believed the Yankees, who have won 20 pennants in the last 34 years, and have captured the last five straight world championships, had been doing baseball little good by hogging the spotlight too long. In short, the baseball public wanted a change.

It was fitting then that the bridegrooming Indians, runner-up victims of New York for three straight seasons, were the team to dethrone the Yankees. Incidentally, it was the Indians, through their victory in 1948, who prevented the Yankees from making it seven straight pennants.

This was not an easy triumph for Al Lopez' Warriors. Pressed practically from the start, first by New York, Chicago and Detroit, later by New York and Chicago, and finally by New York alone, the Tribe had to climb over the .700 percentage mark to assure its third American League flag. The Indians won their first pennant in 1920 and their second 28 years later. They have yet to lose a World Series.

No Cleveland team ever won as many games as the 1954 club. In fact, only a handful of American League teams has won more. And with more than a week of this season remaining, the Indians can better the league record of 110 victories established by the 1927 Yankees. How fast the Indians had to travel is best indicated by the fact that they had to beat out a team that probably will become the only second place club to win more than 100 American League games.

As usually happens when a club crashes through to a pennant, several men led the way with exceptional play. Larry Doby and Bobby Avila are the Indians who caught fire this season. Doby leads the league in home runs and is battling for the lead in runs batted in. Avila is out front in the batting race and is a leading candidate for most valuable honors. Al Rosen, though hobbled by injuries, has helped as has Vic Wertz since joining the club at the beginning of June.

There are those who think the most valuable Indian of them all is Bob Lemon, the great righthander pitcher, who leads the majors in victories. Lemon, only active pitcher besides Bob Feller with six 20-victory seasons, holds four decisions over the Yankees. Early Wynn, another 20-game winner, also had beaten the Yankees four times.

Romack Leading Wright In Rain Delayed Finals

PITTSBURGH, Sept. 18 (AP)—Little Barbara Romack, Sacramento, Calif., held a two-hole lead over 19-year-old Mickey Wright after the first 18 holes today in their waterlogged match for the Womens National Amateur 'golf championship. She match played peek-a-boo with a raging thunderstorm.

The final 18 holes of the unprecedented, two-day title battle will be started at 11 a.m. CST tomorrow over the Allegheny Country Club.

Rain and lightning forced the two young California rivals to take cover at the second hole this morning after the match had started late and there was a four-hour delay and three postponements before play was resumed under almost impossible conditions.

Lightning struck a flagpole and shredded an American flag flying over the ninth green. Rain, which at times reached downpour proportions, left pools of water on several greens and made mush of the sand traps.

However, the rain subsided about midway of the round and the match finished under clear skies with both girls playing amazingly good golf.

This is the second such postponement in the tournament's 59-year history. In 1925, at St. Louis heavy rains forced postponement of the final between Glenna Collett and Alexa Sterling Fraser, finally won by Miss Collett 9 and 8.

Newellton Rolls Over Oak Grove Eleven, 66 To 0

NEWELLTON, La., Sept. 18 (Special)—The Newellton Bears, smarting from defeat at the hands of Sicily Island last week when they lost a heartbreaker, 19-13, came back with a big rebound last night by downing the Oak Grove Tigers, 66-0, in Oak Grove. It was Buddy Emfinger, the big Bear fullback, who started things rolling on the second play of the game after the Bears took the opening kick-off. The big fellow picked his opening and rambled 52 yards, shaking off tacklers all the way, to score standing.

Then the Bears took advantage of the same ailment that hurt them last week by recovering a Tiger fumble on the Bear 46. Terry Head picked up six yards, Ronnie Doyle got eight and then Emfinger again broke loose with dynamite and carried another 40 yards for a score.

Then halfback Terry Head passed to his twin brother, Jerry Head, right end, who took it on the 21 and went the remaining distance on his own. In the second quarter another pass from Terry Head to left end Roy Brown was taken by Brown for a score. This play netted 33 yards.

The Bears recovered another Tiger fumble on the Bear 45 and Terry Head picked up 17 yards. Then big Emfinger exploded again through the middle for 33 yards and another score. After a Tiger fourth down punt was run back by Ronnie Doyle 37 yards to the Tiger 23, a couple of plays later Emfinger again tallied from 10 yards out. In the third quarter Emfinger again scored from four yards out after Terry Head had carried once for 38, and three more times for short gains. In the opening minutes of the fourth quarter the Bear mite, 130-pound linebacker Jerry Kelly, intercepted a Tiger pass. Then Ronnie Doyle zigged and zagged 39 yards for another score; a bit later Terry Head went the last seven yards to score and still later Terry Head passed to alternate right end Sam Duchesne after a Tiger fumble and the "Duke" carried all the way, netting 83 yards, for the final Bear score.

Miz Clementine Easily Captures California Oaks

SAN BRUNO, Calif., Sept. 18 (AP)—Calumet farms' filly Miz Clementine romped to a five-length victory at Tanforan today and pushed her lifetime earnings to $106,225.

With Ray York up, the daughter of Bull Lea took a $9,800 share of the $16,475 California Oaks Purse.

She returned $2.70, $2.20 and $2.30 in running the mile and 70 yards in 1.41 4-5. Frosty Dawn was second and paid $2.70 and $2.70, and Sickle's Gem was third for $4.30.

A crowd of 15,201 bet $958,412 on the day's nine races.

Bob Gantt was leading scorer on the Duke football team in 1943 with only one touchdown. He got the other 41 points on conversions.

Bob Collins Leads Maroons To Win Over Memphis St.

STATE COLLEGE, Miss., Sept. 18 (AP)—Quarterback Bobby Collins, who has spent his college football career warming the bench, fired Mississippi State to a 27-7 victory today over Memphis State's outmanned team.

A frail, 150-pound senior, Collins was understudy for Mississippi State's great Jackie Parker during the last two seasons and never had a chance to play as a starter.

Collins grabbed the spotlight against independent Memphis State by passing for one touchdown and plunging for another in maneuvering his Southeastern Conference team to a season-opening victory.

Memphis State was held in check until late in the fourth quarter when it scored on a four-yard pass from Glenn Keeton to Jerry Christopher. Billy Shelton converted.

Mississippi State turned a Memphis State fumble into a touchdown soon after the game started. Charles Evans recovered the fumble on Memphis State's 25, Art Davis plunged to the 15 and then Collins smacked over from the 11 on a quarterback sneak. Bill Glasgow added the first of three conversions.

Midway of the second period, Mississippi State came back and marched 45 yards. Davis climaxed the drive with a five-yard buck.

A 12-yard pass from Collins to end Jim Ross in the third period was good for Mississippi State's third touchdown.

Davis scored from the three to cap a 73-yard fourth quarter drive. Davis fumbled after crossing the goal line and end Jimmy Vincent fell on the ball and was given credit for the score.

Shortly before the game ended, a fistfight broke out between players on both teams. Jerry Barber of Memphis State was thrown out along with Ralph Fulton, Bob Hoelschen and Billy Shepherd of Mississippi State.

Score by quarters:

EX-MARATHONER DIES

MEDFIELD, Mass., Sept. 18 (AP)—Thomas H. Lilley, 67, a marathon runner who participated in the 1912 Olympics at Stockholm, died today at his home. He won several marathons in his native Dorchester as a young man.

Terry Brennan, new Notre Dame football coach, won letters in football, track and hockey for the Irish.

Polo Grounders Trample Phillies By Score Of 9-1

NEW YORK, Sept. 18 (AP)—Sparkling inside-the-park home runs by Willie Mays and Don Mueller brought the New York Giants close to the National League championship today as the Philadelphia Phillies were crushed 9-1.

Now the Giants need only any combination of three Giant victories or Dodger defeats to clinch the title. The Dodgers are five full games behind, with seven games to play, while the Braves lag by seven games.

Mueller, who set the pace with his homer in the first that rolled to the bleacher walls, singled in the sixth for his 200th hit of the season—first major league player to accomplish the feat this year. No Giant has made 200 hits in one season since Jojo Moore did it in 1936.

Little Don Liddle started for the Giants and looked unbeatable until he suddenly lost his control in the sixth and threw 11 straight balls. He received credit for the victory and only gave up two hits. Liddle was replaced by Marv Grissom, who promptly put out the fire and yielded one more hit the rest of the way.

Mays' inside-the-park homer in the sixth was his 41st of the year, and it scored Al Dark who had singled to right field, and Mueller.

The Phillies and Giants meet here again tomorrow, and then the Giants cross over to Brooklyn, starting a three-game series with the Dodgers Monday night that in all probability will settle the National League race.

White Sox Acquire Charleston Catcher

CHICAGO, Sept. 18 (AP)—The Chicago White Sox today acquired Early Battey, 19-year-old Negro catcher, from Charleston of the American Assn., and assigned pitcher Vito Valentinetti from Memphis of the Southern Assn., to Charleston.

Battey, who had been on option to Charleston, played this year with Waterloo of the Class B Three I League and batted .292. Valentinetti had a 4-6 Memphis record.

Curtis, M'Carthy Face Murdock, Wright Tues.

Jack Curtis and Joe McCarthy, last week tag winners in straight falls, take on Frank Murdock, the Waxahachie, Tex. villain, and Rube Wright, Birmingham, in Tuesday's feature relay match at Kallio's Arena.

Wright, a usually-villanious husky, has not appeared here for many months, but in former matches, was always on the "boo' side of the ring, thanks to his usual disregard for legal tactics.

His partner Murdock, who paired with Danny Dusek last week, was not able, for the second consecutive week, to apply his favorite "sleep-hold" on either Jack or Joe, but managed to hand McCarthy a severe neck workout while trying.

But Mac managed to tag Curtis before the paralyzing hold could be applied each time, and the latter either made short work of the unpopular pair, or set them up for a refreshed McCarthy to finish off.

With Wright, a much more experienced wrestler than Dusek, on his team, the goateed Murdock may be able to wreak more damage on McCarthy and Curtis this week.

Chicago Cards Ask Waivers On 4 More

CHICAGO, Sept. 18 (AP)—The Chicago football Cardinals today asked waivers on four more players, bringing to nine the total whittled from the squad in two days.

Three veterans, including end Fran Polsfoot and defensive backs Jim Psaltis and Marvin Johnson, and rookie Bill Kelley, center from College of Pacific, were the latest placed on the block.

Bobby O'Brien, a light heavyweight, youthful professional grappler, will handle the officiating, including the two one-fall preliminaries between opposing team members.

Indians Clinch Pennant; Giants Crowd Nearer Flag

Cleveland Edges Detroit, 3 To 2, To Sew Up Title

DETROIT, Sept. 18 (AP)—The Cleveland Indians made it official today. They won the American League pennant by defeating Detroit, 3-2, in the rain at Briggs Stadium. The game was delayed 50 minutes in the eighth inning by the wretched weather.

Cleveland scored three runs in the seventh inning, highlighted by successive home rus by Dale Mitchell and Jim Hegan to capture the game and end the New York Yankees' five-year reign as champions. The Indians have been second to the Yanks the last three years.

Dale Mitchell's pinch-hit homer in the seventh inning clinched the game for the Indians as Early Wynn notched his 22nd victory although he needed help from Ray Narleski in the late innings. Mitchell's two-run blow came after Dave Philley had walked. Jim Hegan homered behind Mitchell to ice the game.

Tribe Ends Yank Regime

By JOE REICHLER

CLEVELAND, Sept. 18 (AP) —The Cleveland Indians today clinched the American League pennant to end the New York Yankees' pennant-winning monopoly since 1949.

The Indians' victory, which became a possibility last June, a probability in August and a virtual certainity last Sunday when they trounced the ex-world champions in a doubleheader before the largest crowd ever to see a baseball game, was well received around the baseball world.

There were many who believed the Yankees, who have won 20 pennants in the last 34 years, and have captured the last five straight world championships, had been doing baseball little good by hogging the spotlight too long. In short, the baseball public wanted a change.

It was fitting then that the bridegrooming Indians, runner-up victims of New York for three straight seasons, were the team to dethrone the Yankees. Incidentally, it was the Indians, through their victory in 1948, who prevented the Yankees from making it seven straight pennants.

This was not an easy triumph for Al Lopez' Warriors. Pressed practically from the start, first by New York, Chicago and Detroit, later by New York and Chicago, and finally by New York alone, the Tribe had to climb over the .700 percentage mark to assure its third American League flag. The Indians won their first pennant in 1920 and their second 28 years later. They have yet to lose a World Series.

No Cleveland team ever won as many games as the 1954 club. In fact, only a handful of American League teams has won more. And with more than a week of this season remaining, the Indians can better the league record of 110 victories established by the 1927 Yankees. How fast the Indians had to travel is best indicated by the fact that they had to beat out a team that probably will become the only second place club to win more than 100 American League games.

As usually happens when a club crashes through to a pennant, several men led the way with exceptional play. Larry Doby and Bobby Avila are the Indians who caught fire this season. Doby leads the league in home runs and is battling for the lead in runs batted in. Avila is out front in the batting race and is a leading candidate for most valuable honors. Al Rosen, though hobbled by injuries, has helped as has Vic Wertz since joining the club at the beginning of June.

There are those who think the most valuable Indian of them all is Bob Lemon, the great righthander pitcher, who leads the majors in victories. Lemon, only active pitcher besides Bob Feller with six 20-victory seasons, holds four decisions over the Yankees. Early Wynn, another 20-game winner, also had beaten the Yankees four times.

Romack Leading Wright In Rain Delayed Finals

PITTSBURGH, Sept. 18 (AP)—Little Barbara Romack, Sacramento, Calif., held a two-hole lead over 19-year-old Mickey Wright after the first 18 holes today in their waterlogged match for the Womens National Amateur 'golf championship. She match played peek-a-boo with a raging thunderstorm.

The final 18 holes of the unprecedented, two-day title battle will be started at 11 a.m. CST tomorrow over the Allegheny Country Club.

Rain and lightning forced the two young California rivals to take cover at the second hole this morning after the match had started late and there was a four-hour delay and three postponements before play was resumed under almost impossible conditions.

Lightning struck a flagpole and shredded an American flag flying over the ninth green. Rain, which at times reached downpour proportions, left pools of water on several greens and made mush of the sand traps.

However, the rain subsided about midway of the round and the match finished under clear skies with both girls playing amazingly good golf.

This is the second such postponement in the tournament's 59-year history. In 1925, at St. Louis heavy rains forced postponement of the final between Glenna Collett and Alexa Sterling Fraser, finally won by Miss Collett 9 and 8.

Newellton Rolls Over Oak Grove Eleven, 66 To 0

NEWELLTON, La., Sept. 18 (Special)—The Newellton Bears, smarting from defeat at the hands of Sicily Island last week when they lost a heartbreaker, 19-13, came back with a big rebound last night by downing the Oak Grove Tigers, 66-0, in Oak Grove. It was Buddy Emfinger, the big Bear fullback, who started things rolling on the second play of the game after the Bears took the opening kick-off. The big fellow picked his opening and rambled 52 yards, shaking off tacklers all the way, to score standing.

Then the Bears took advantage of the same ailment that hurt them last week by recovering a Tiger fumble on the Bear 46. Terry Head picked up six yards, Ronnie Doyle got eight and then Emfinger again broke loose with dynamite and carried another 40 yards for a score.

Then halfback Terry Head passed to his twin brother, Jerry Head, right end, who took it on the 21 and went the remaining distance on his own. In the second quarter another pass from Terry Head to left end Roy Brown was taken by Brown for a score. This play netted 33 yards.

The Bears recovered another Tiger fumble on the Bear 45 and Terry Head picked up 17 yards. Then big Emfinger exploded again through the middle for 33 yards and another score. After a Tiger fourth down punt was run back by Ronnie Doyle 37 yards to the Tiger 23, a couple of plays later Emfinger again tallied from 10 yards out. In the third quarter Emfinger again scored from four yards out after Terry Head had carried once for 38, and three more times for short gains. In the opening minutes of the fourth quarter the Bear mite, 130-pound linebacker Jerry Kelly, intercepted a Tiger pass. Then Ronnie Doyle zigged and zagged 39 yards for another score; a bit later Terry Head went the last seven yards to score and still later Terry Head passed to alternate right end Sam Duchesne after a Tiger fumble and the "Duke" carried all the way, netting 83 yards, for the final Bear score.

Miz Clementine Easily Captures California Oaks

SAN BRUNO, Calif., Sept. 18 (AP)—Calumet farms' filly Miz Clementine romped to a five-length victory at Tanforan today and pushed her lifetime earnings to $106,225.

With Ray York up, the daughter of Bull Lea took a $9,800 share of the $16,475 California Oaks Purse.

She returned $2.70, $2.20 and $2.30 in running the mile and 70 yards in 1.41 4-5. Frosty Dawn was second and paid $2.70 and $2.70, and Sickle's Gem was third for $4.30.

A crowd of 15,201 bet $958,412 on the day's nine races.

Bob Gantt was leading scorer on the Duke football team in 1943 with only one touchdown. He got the other 41 points on conversions.

Bob Collins Leads Maroons To Win Over Memphis St.

STATE COLLEGE, Miss., Sept. 18 (AP)—Quarterback Bobby Collins, who has spent his college football career warming the bench, fired Mississippi State to a 27-7 victory today over Memphis State's outmanned team.

A frail, 150-pound senior, Collins was understudy for Mississippi State's great Jackie Parker during the last two seasons and never had a chance to play as a starter.

Collins grabbed the spotlight against independent Memphis State by passing for one touchdown and plunging for another in maneuvering his Southeastern Conference team to a season-opening victory.

Memphis State was held in check until late in the fourth quarter when it scored on a four-yard pass from Glenn Keeton to Jerry Christopher. Billy Shelton converted.

Mississippi State turned a Memphis State fumble into a touchdown soon after the game started. Charles Evans recovered the fumble on Memphis State's 25, Art Davis plunged to the 15 and then Collins smacked over from the 11 on a quarterback sneak. Bill Glasgow added the first of three conversions.

Midway of the second period, Mississippi State came back and marched 45 yards. Davis climaxed the drive with a five-yard buck.

A 12-yard pass from Collins to end Jim Ross in the third period was good for Mississippi State's third touchdown.

Davis scored from the three to cap a 73-yard fourth quarter drive. Davis fumbled after crossing the goal line and end Jimmy Vincent fell on the ball and was given credit for the score.

Shortly before the game ended, a fistfight broke out between players on both teams. Jerry Barber of Memphis State was thrown out along with Ralph Fulton, Bob Hoelschen and Billy Shepherd of Mississippi State.

Score by quarters:

Mississippi State	7	6	7	7	—27
Memphis State	0	0	0	7	— 7

Scoring: Mississippi State, touchdowns: Collins, Davis, Ross, Vincent. Conversions: Glasgow 3. Memphis State, touchdown, Christopher. Conversion, Shelton.

EX-MARATHONER DIES

MEDFIELD, Mass., Sept. 18 (AP)—Thomas H. Lilley, 67, a marathon runner who participated in the 1912 Olympics at Stockholm, died today at his home. He won several marathons in his native Dorchester as a young man.

Terry Brennan, new Notre Dame football coach, won letters in football, track and hockey for the Irish.

Polo Grounders Trample Phillies By Score Of 9-1

NEW YORK, Sept. 18 (AP)—Sparkling inside-the-park home runs by Willie Mays and Don Mueller brought the New York Giants close to the National League championship today as the Philadelphia Phillies were crushed 9-1.

Now the Giants need only any combination of three Giant victories or Dodger defeats to clinch the title. The Dodgers are five full games behind, with seven games to play, while the Braves lag by seven games.

Mueller, who set the pace with his homer in the first that rolled to the bleacher walls, singled in the sixth for his 200th hit of the season—first major league player to accomplish the feat this year. No Giant has made 200 hits in one season since Jojo Moore did it in 1936.

Little Don Liddle started for the Giants and looked unbeatable until he suddenly lost his control in the sixth and threw 11 straight balls. He received credit for the victory and only gave up two hits. Liddle was replaced by Marv Grissom, who promptly put out the fire and yielded one more hit the rest of the way.

Mays' inside-the-park homer in the sixth was his 41st of the year, and it scored Al Dark who had singled to right field, and Mueller.

The Phillies and Giants meet here again tomorrow, and then the Giants cross over to Brooklyn, starting a three-game series with the Dodgers Monday night that in all probability will settle the National League race.

White Sox Acquire Charleston Catcher

CHICAGO, Sept. 18 (AP)—The Chicago White Sox today acquired Early Battey, 19-year-old Negro catcher, from Charleston of the American Assn., and assigned pitcher Vito Valentinetti from Memphis of the Southern Assn., to Charleston.

Battey, who had been on option to Charleston, played this year with Waterloo of the Class B Three I League and batted .292. Valentinetti had a 4-6 Memphis record.

Curtis, M'Carthy Face Murdock, Wright Tues.

Jack Curtis and Joe McCarthy, last week tag winners in straight falls, take on Frank Murdock, the Waxahachie, Tex. villain, and Rube Wright, Birmingham, in Tuesday's feature relay match at Kallio's Arena.

Wright, a usually-villanious husky, has not appeared here for many months, but in former matches, was always on the "boo' side of the ring, thanks to his usual disregard for legal tactics.

His partner Murdock, who paired with Danny Dusek last week, was not able, for the second consecutive week, to apply his favorite "sleep-hold" on either Jack or Joe, but managed to hand McCarthy a severe neck workout while trying.

But Mac managed to tag Curtis before the paralyzing hold could be applied each time, and the latter either made short work of the unpopular pair, or set them up for a refreshed McCarthy to finish off.

With Wright, a much more experienced wrestler than Dusek, on his team, the goateed Murdock may be able to wreak more damage on McCarthy and Curtis this week.

Chicago Cards Ask Waivers On 4 More

CHICAGO, Sept. 18 (AP)—The Chicago football Cardinals today asked waivers on four more players, bringing to nine the total whittled from the squad in two days.

Three veterans, including end Fran Polsfoot and defensive backs Jim Psaltis and Marvin Johnson, and rookie Bill Kelley, center from College of Pacific, were the latest placed on the block.

Bobby O'Brien, a light heavyweight, youthful professional grappler, will handle the officiating, including the two one-fall preliminaries between opposing team members.

GOP Riding To Fall, Declares Author Kelland

PHOENIX, Ariz., Sept. 18—UP—The Republican party is "riding to a fall," author Clarence Budington Kelland wrote in a letter published Saturday, "because of stupidity, ineptness, arrogance on the part of a few men who have been placed in positions of power."

Kelland, national Republican committeeman from Arizona, singled out Sherman Adams, administrative assistant to President Eisenhower, as representative of the "few men." The letter, addressed to an unnamed person, was published with Kelland's permission on the editorial page of the Arizona Republic.

"On the day following the nominating convention," Kelland wrote, "the national committee ceased, to all intents and purposes, to exist, and from that day to this it has been in a steady process of deterioration.

"By this administration it has not been recognized. It has been bypassed or ignored. Its individual members have been affronted. With the result that, instead of a catalyst, you have a disruptive."

Kelland said the meeting had been called "to accomplish nothing and to be made to realize even more definitely that we were permitted to do nothing."

Kelland wrote: "This was but one phase of the attitude of the little hard core of men, close to and screening the President from contact with the organization, to ignore the organization, give it no recognition, and to rule or ruin.

"The symbol of this attitude has become Sherman Adams. He is anathema to the organization and its resentment centers upon him. His attitude of somewhat contemptous flouting of the organization and its duly elected representatives has been taken as typical of the attitude of the administration."

Adlai Predicts Demos Will Win Next Congress

By JACK BELL

INDIANPOLIS (AP)—Adlai E. Stevenson said today the country not only needs a Democratic Congress, but "we are going to have one."

Stevenson, the party's 1952 presidential nominee arrived here today amid a Democratic squabble over whether he would be talking to a cut-rate audience at a $100-a-plate kickoff dinner tonight for the congressional campaign.

Although some Democrats not regarded as supporters of Stevenson contended that tickets were going at $7.50 a head, Stevenson said he knew nothing of this situation. He turned off questions about it with the quip:

"I'm delighted that after 20 months of the Republicans, any of us Democrats can afford to pay $100."

Stevenson was asked in an airport interview if he approved of former President Truman's assertion that President Eisenhower needs a Democratic Congress to support his foreign policies.

"The Democrats will support any President who is working for the country's interests," Stevenson said. "The country not only needs to have a Democratic Congress but we are going to have one."

Paul M. Butler, Indiana national committeeman who headed a group which met Stevenson on his arrival, said in an interview he believes tonight's dinner will raise about $60,000 for the national party's campaign chest.

Admittance Of Negro Students Protested

WHARTON, Tex. (AP)—The Wharton County Junior College board met today to hear protests over admittance of Negro students.

Some 16 Negroes attended classes this week.

They were admitted, school officials said, under a policy decision reached last June by trustees. This decision came, they said, right after the Supreme Court decision which outlawed segregation in public schools.

The decision was reported to be semi-secret until this week when admission of the Negroes actually started.

Price Trends Somewhat Mixed On Cotton Mart

NEW YORK, Sept. 18 (AP)—Cotton futures prices followed divergent trends this week. Nearby contracts gained ground; distant deliveries moved into lower territory.

Active futures contracts traded on the New York Cotton Exchange showed net price changes ranging from $1.95 a bale higher to 55 cents lower. At their best levels of the week, nearby October, December and March registered new life-of-contract highs.

Strength in the nearby months reflected active mill and trade price fixing and short covering—also some short switching into more distant contracts. Weakness in the distant months was checked somewhat by the outlook for a tight supply situation later in the season.

Bullish sentiment was dampened Friday following issuance of an official government report which showed domestic consumption in August continued to lose ground for the 13th month in a row.

Domestic use of 667,000 bales compared with 727,000 bales in August a year ago.

The New York Cotton Exchange Service Bureau noted that total domestic consumption and exports in the opening months of the current season were smaller than the comparable months of any previous year since 1947.

Exports for the week ended Tuesday were estimated by the New York Cotton Exchange at 57,000 bales vs. 55,000 in the previous week and 53,000 in the comparable week of last year.

Fisheries Bureau To Expand Staff

WASHINGTON, Sept. 18 (AP)—Twenty-two additional persons will be employed in the 22 communities to handle expanded commercial fishery statistics and market development work, officials of the Fish and Wildlife Service said today.

Secretary of the Interior McKay last week announced allocation of $1,800,000 for expenditure by June 30 to initiate a greatly expanded research program expected to involve three million dollars a year for three years.

Officials told a reporter today one person to handle collection of the statistics will be added at each of these places:

Arkansas Pass, Galveston and Brownsville in Texas; Morgan City and Houma in Louisiana; Biloxi and Pascagoula in Mississippi; Key West, Fort Myers and Tampa in Florida; Brunswick, Ga.; Beaufort, S. C., Solomons, Md.; Providence, R. I.; Ann Arbor, Mich.; Lacrosse, Wis., and Astoria, Ore.

One additional person to handle fishery education and market development activities, which include promotion of fish and fish products for school lunch programs, will be added at: Atlanta, New Orleans, Seattle, San Pedro, Calif., and College Park, Md.

Officials outlined these special projects in the expanded fishery program, among others:

1, An $50,000 shrimp research project in the Gulf of Mexico to be based in the Galveston area.

2. A $20,000 project at Fort Myers, Fla., on the red tide scourge.

Melon 'Raid' By Helicopter Only Little Mistake

MANHATTAN, Kan., Sept. 18 UP— What was believed to be a watermelon raid by helicopter turned out to be a misunderstanding Saturday.

Mrs. Howard Kientz, who farms a 170-acre watermelon patch three miles south of Manhattan, reported her hired man raced into the home and stated he saw two men in a helicopter taking melons.

A 17-year-old daughter, Miss Bernice Kientz, sped to the scene in a pickup truck.

There were two soldiers loading melons into the plane.

They explained they had paid an Indian boy, who lives nearby, two dollars for four melons.

Miss Kientz contacted the Indian boy and got the soldiers's money. She returned it and the soldiers returned the four melons. Then they flew away in the helicopter.

Claims Lawmaker Being Overpaid For Equipment

BATON ROUGE —UP— Roy Sessums today attacked a contract between a state representative and the Wildlife and Fisheries department for work which Sessums claimed could have been done cheaper if bids had been offered.

Sessums, director of the state department of public works, said the contract with state Rep. J. E. Jumonville of Plaquemine was for rental of equipment at "slightly above 16 cents" per cubic yard of earth moved.

He estimated that the work at the southwest Louisiana Rockefeller Refuge could have been done for 10 or 12 cents per cubic yard if bids had been sought.

L. D. Young, director of the wildlife and fisheries department who negotiated the contract with Jumonville, said it was done to save "30 to 35 days' time in order to get the first impoundment ready for the first flight of ducks coming in."

Sessums said Jumonville already has been paid $82,621 for the rental of dredging equipment and total payments will run to about $100,000.

Jumonville replied that "the department of Wildlife and Fisheries needed some equipment and I rented it to them on an hourly basis. They contacted me and I rented it to them at the going rate."

Stocks Reach Record Highs During Week

NEW YORK, Sept. 18 (AP)—The Stock Market went back up into new record ground this week after a reaction and recovery lasting a month.

The whole thing was accomplished with comparative ease and with little strain except upon occasion.

The Associated Press average of 60 stocks closed the week at $135.10. That new 1954 high is 20 cents above the previous mark established Aug. 20 and is the best for the average since Oct. 22, 1929. The market for several months has been passing through a series of new 25-year highs.

There was another notable event this week—the current bull market drive was one year old. A year ago the market hit bottom after a long fall. It was simply sold out. The rise that followed carried through all obstacles with scarcely a pause until a month ago.

U.S. government bonds ended on a firm note this week while investment quality industrials and utilities tended to pull the corporate Bond Market lower.

Texas University Names Dr. Wilson Executive Chief

AUSTIN (AP)—University of Texas regents today abolished the title of chancellor and named Dr. Logan Wilson administrative chief of the farflung university system.

The change was part of a complete administrative reorganization.

Wilson, 47, native Texan, had been president of the main university here since Feb. 1, 1953. Wilson left the vice presidency of the University of North Carolina to head the University of Texas.

He actually succeeds James P. Hart, former Supreme Court justice who resigned effective Jan. 1 as chancellor.

Former Elevator Man Posts Bond In Federal Case

NEW ORLEANS Sept. 18 —UP— C. J. Winters, former New Orleans grain elevator superintendent, today posted a $3,000 bond after his indictment yesterday in Dallas for alleged illegal wheat shipments.

Winters and two others were charged by a federal grand jury in connection with the Commodity Credit Corporation investigation.

His bond was posted in the office of Commissioner R. H. Carter Jr.

The jury's action was said to have followed the pattern of a federal grand jury here, which indicted the trio for blending low-grade Canadian wheat with American wheat at a profit of $450,000.

Also charged were Leo Potishman, president of the Transit Grain company, and Julian Scott, vice president of the firm.

A federal spokesman said that apparently the government decided New Orleans was not the proper area of jurisdiction for indictment since the grain company is a Texas firm.

He said the indictments at New Orleans against the three probably would be erased with the three going to trial on the indictments returned at Dallas.

CAMERA TIPS

By Aubrey Daly

ARE YOU PHOTOGENIC? . . . You often hear people remark that someone "photographs real well" or perhaps that they, themselves are not "Photogenic." We agree that some people just naturally photograph better than others, but we'll be hanged if we know why. Good looks or fancy grooming has nothing to do with it. Whatever it is, professional models have it and alas, too many of us do not! I once heard a professional photographer's model say that if you are convinced that you do not photograph well (and most of us think we don't), then, by all means, don't try to pose. Let yourself be photographed in some natural, unposed position without concern about the man with the camera. Most babies do, and they're the world's finest unprofessional models! Try it, next time you find yourself within range of a camera.

GOP Riding To Fall, Declares Author Kelland

PHOENIX, Ariz., Sept. 18—UP—The Republican party is "riding to a fall," author Clarence Budington Kelland wrote in a letter published Saturday, "because of stupidity, ineptness, arrogance on the part of a few men who have been placed in positions of power."

Kelland, national Republican committeeman from Arizona, singled out Sherman Adams, administrative assistant to President Eisenhower, as representative of the "few men." The letter, addressed to an unnamed person, was published with Kelland's permission on the editorial page of the Arizona Republic.

"On the day following the nominating convention," Kelland wrote, "the national committee ceased, to all intents and purposes, to exist, and from that day to this it has been in a steady process of deterioration.

"By this administration it has not been recognized. It has been bypassed or ignored. Its individual members have been affronted. With the result that, instead of a catalyst, you have a disruptive."

Kelland said the meeting had been called "to accomplish nothing and to be made to realize even more definitely that we were permitted to do nothing."

Kelland wrote: "This was but one phase of the attitude of the little hard core of men, close to and screening the President from contact with the organization, to ignore the organization, give it no recognition, and to rule or ruin.

"The symbol of this attitude has become Sherman Adams. He is anathema to the organization and its resentment centers upon him. His attitude of somewhat contemptous flouting of the organization and its duly elected representatives has been taken as typical of the attitude of the administration."

Stevenson, the party's 1952 presidential nominee arrived here today amid a Democratic squabble over whether he would be talking to a cut-rate audience at a $100-a-plate kickoff dinner tonight for the congressional campaign.

Although some Democrats not regarded as supporters of Stevenson contended that tickets were going at $7.50 a head, Stevenson said he knew nothing of this situation. He turned off questions about it with the quip:

"I'm delighted that after 20 months of the Republicans, any of us Democrats can afford to pay $100."

Stevenson was asked in an airport interview if he approved of former President Truman's assertion that President Eisenhower needs a Democratic Congress to support his foreign policies.

"The Democrats will support any President who is working for the country's interests," Stevenson said. "The country not only needs to have a Democratic Congress but we are going to have one."

Paul M. Butler, Indiana national committeeman who headed a group which met Stevenson on his arrival, said in an interview he believes tonight's dinner will raise about $60,000 for the national party's campaign chest.

Admittance Of Negro Students Protested

WHARTON, Tex. (AP)—The Wharton County Junior College board met today to hear protests over admittance of Negro students.

Some 16 Negroes attended classes this week.

They were admitted, school officials said, under a policy decision reached last June by trustees. This decision came, they said, right after the Supreme Court decision which outlawed segregation in public schools.

The decision was reported to be semi-secret until this week when admission of the Negroes actually started.

Price Trends Somewhat Mixed On Cotton Mart

NEW YORK, Sept. 18 (AP)—Cotton futures prices followed divergent trends this week. Nearby contracts gained ground; distant deliveries moved into lower territory.

Active futures contracts traded on the New York Cotton Exchange showed net price changes ranging from $1.95 a bale higher to 55 cents lower. At their best levels of the week, nearby October, December and March registered new life-of-contract highs.

Strength in the nearby months reflected active mill and trade price fixing and short covering—also some short switching into more distant contracts. Weakness in the distant months was checked somewhat by the outlook for a tight supply situation later in the season.

Bullish sentiment was dampened Friday following issuance of an official government report which showed domestic consumption in August continued to lose ground for the 13th month in a row.

Domestic use of 667,000 bales compared with 727,000 bales in August a year ago.

The New York Cotton Exchange Service Bureau noted that total domestic consumption and exports in the opening months of the current season were smaller than the comparable months of any previous year since 1947.

Exports for the week ended Tuesday were estimated by the New York Cotton Exchange at 57,000 bales vs. 55,000 in the previous week and 53,000 in the comparable week of last year.

Fisheries Bureau To Expand Staff

WASHINGTON, Sept. 18 (AP) — Twenty-two additional persons will be employed in the 22 communities to handle expanded commercial fishery statistics and market development work, officials of the Fish and Wildlife Service said today.

Secretary of the Interior McKay last week announced allocation of $1,800,000 for expenditure by June 30 to initiate a greatly expanded research program expected to involve three million dollars a year for three years.

Officials told a reporter today one person to handle collection of the statistics will be added at each of these places:

Arkansas Pass, Galveston and Brownsville in Texas; Morgan City and Houma in Louisiana; Biloxi and Pascagoula in Mississippi; Key West, Fort Myers and Tampa in Florida; Brunswick, Ga.; Beaufort, S. C., Solomons, Md.; Providence, R. I.,; Ann Arbor, Mich.; Lacrosse, Wis., and Astoria, Ore.

One additional person to handle fishery education and market development activities, which include promotion of fish and fish products for school lunch programs, will be added at: Atlanta, New Orleans, Seattle, San Pedro, Calif., and College Park, Md.

Officials outlined these special projects in the expanded fishery program, among others:

1, An $80,000 shrimp research project in the Gulf of Mexico to be based in the Galveston area.

2. A $20,000 project at Fort Myers, Fla., on the red tide scourge.

Melon 'Raid' By Helicopter Only Little Mistake

MANHATTAN, Kan., Sept. 18 UP— What was believed to be a watermelon raid by helicopter turned out to be a misunderstanding Saturday.

Mrs. Howard Kientz, who farms a 170-acre watermelon patch three miles south of Manhattan, reported her hired man raced into the home and stated he saw two men in a helicopter taking melons.

A 17-year-old daughter, Miss Bernice Kientz, sped to the scene in a pickup truck.

There were two soldiers loading melons into the plane.

They explained they had paid an Indian boy, who lives nearby, two dollars for four melons.

Miss Kientz contacted the Indian boy and got the soldiers's money. She returned it and the soldiers returned the four melons. Then they flew away in the helicopter.

Claims Lawmaker Being Overpaid For Equipment

BATON ROUGE —UP— Roy Sessums today attacked a contract between a state representative and the Wildlife and Fisheries department for work which Sessums claimed could have been done cheaper if bids had been offered.

Sessums, director of the state department of public works, said the contract with state Rep. J. E. Jumonville of Plaquemine was for rental of equipment at "slightly above 16 cents" per cubic yard of earth moved.

He estimated that the work at the southwest Louisiana Rockefeller Refuge could have been done for 10 or 12 cents per cubic yard if bids had been sought.

L. D. Young, director of the wildlife and fisheries department who negotiated the contract with Jumonville, said it was done to save "30 to 35 days' time in order to get the first impoundment ready for the first flight of ducks coming in."

Sessums said Jumonville already has been paid $82,621 for the rental of dredging equipment and total payments will run to about $100,000.

Jumonville replied that "the department of Wildlife and Fisheries needed some equipment and I rented it to them on an hourly basis. They contacted me and I rented it to them at the going rate."

Stocks Reach Record Highs During Week

NEW YORK, Sept. 18 (AP)—The Stock Market went back up into new record ground this week after a reaction and recovery lasting a month.

The whole thing was accomplished with comparative ease and with little strain except upon occasion.

The Associated Press average of 60 stocks closed the week at $135.10. That new 1954 high is 20 cents above the previous mark established Aug. 20 and is the best for the average since Oct. 22, 1929. The market for several months has been passing through a series of new 25-year highs.

There was another notable event this week—the current bull market drive was one year old. A year ago the market hit bottom after a long fall. It was simply sold out. The rise that followed carried through all obstacles with scarcely a pause until a month ago.

U.S. government bonds ended on a firm note this week while investment quality industrials and utilities tended to pull the corporate Bond Market lower.

Texas University Names Dr. Wilson Executive Chief

AUSTIN (AP)—University of Texas regents today abolished the title of chancellor and named Dr. Logan Wilson administrative chief of the farflung university system.

The change was part of a complete administrative reorganization.

Wilson, 47, native Texan, had been president of the main university here since Feb. 1, 1953. Wilson left the vice presidency of the University of North Carolina to head the University of Texas.

He actually succeeds James P. Hart, former Supreme Court justice who resigned effective Jan. 1 as chancellor.

Former Elevator Man Posts Bond In Federal Case

NEW ORLEANS Sept. 18 —UP— C. J. Winters, former New Orleans grain elevator superintendent, today posted a $3,000 bond after his indictment yesterday in Dallas for alleged illegal wheat shipments.

Winters and two others were charged by a federal grand jury in connection with the Commodity Credit Corporation investigation.

His bond was posted in the office of Commissioner R. H. Carter Jr.

The jury's action was said to have followed the pattern of a federal grand jury here, which indicted the trio for blending low-grade Canadian wheat with American wheat at a profit of $450,000.

Also charged were Leo Potishman, president of the Transit Grain company, and Julian Scott, vice president of the firm.

A federal spokesman said that apparently the government decided New Orleans was not the proper area of jurisdiction for indictment since the grain company is a Texas firm.

He said the indictments at New Orleans against the three probably would be erased with the three going to trial on the indictments returned at Dallas.

CAMERA TIPS

By Aubrey Daly

ARE YOU PHOTOGENIC? . . . You often hear people remark that someone "photographs real well" or perhaps that they, themselves are not "Photogenic." We agree that some people just naturally photograph better than others, but we'll be hanged if we know why. Good looks or fancy grooming has nothing to do with it. Whatever it is, professional models have it and alas, too many of us do not! I once heard a professional photographer's model say that if you are convinced that you do not photograph well (and most of us think we don't), then, by all means, don't try to pose. Let yourself be photographed in some natural, unposed position without concern about the man with the camera. Most babies do, and they're the world's finest unprofessional models! Try it, next time you find yourself within range of a camera.

FIRE...

call the fire department! In case you want a home out in the college section, call US- 3305 CONCORDIA is the address - and here are a few details on this two bedroom home: it has a separate dining room; kitchen has metal cabinets, built in ironing board and nice linoleum; back and front screened porches (washer plumbing on back porch); double garage (with concrete floor), hardwood floors, floor furnaces in both bedrooms (by the way, both bedrooms have nice closets); hall closet; the back yard is private and has St. Augustine grass; it's selling for the FHA appraised value of $10,750.00. So, in case you're one in many looking for a home in the college section - how about giving us a buzz on this one!

WHATA' PLACE!

Yep . . . it's a dandy all right and here's why: It's located at 1705 N. THIRD ST. in Monroe and every one of the following features are to be found among the roomy sq. footage: The living room is unique with pine-paneling with a false fireplace; kitchen has natural wood cabinets (and plenty of 'em); breakfast area, stovehood, and a double sink. The front bedroom is pine-paneled and the back bedroom has two closets. There's a nice breezeway and a door leading to the attached garage. $2200 down makes the move with the balance FHA financed.

BY JUPITER!

This really is a treat! Here's a two year old brick home located at 1516 Cedar in West Monroe and it's on a 100x150 lot (with trees in front, back and side). The two bedrooms have nice size closets (and there's a hall closet, plus storage in hall); the kitchen is bragging because it has a breakfast area, kitchen bar, good cabinet space (plus a pantry), stove hood and formica top. The carport has storage. 42" attic fan and panel ray heating. Copper plumbing throughout. It's only two blocks to scoool. The VA appraised value is $11,500. By Jupiter, you'll want to see this one . . . really!

HEAVENS

to Besty! Talk about space, we've got it . . . all 1652 square feet of it!! And it's one of the nicest homes we've seen in a long time. Located on a corner lot (150x150) at the Arkansas Road and Jersey Avenue in West Monroe. The living room has a big storage closet and attractive false fireplace; dining room; kitchen has roomy breakfast area, good cabinet space, kitchen bar and a big pantry. All three bedrooms have big closets. And the utility porch has washer plumbing and dryer connection. And Mothers, it's only two blocks from school! Sure would like for you to see it . . . call for an appointment, we're anxious to show it!

TICKLED PINK!

Why, we'd be tickled pink to show you this pink brick (3 bedrooms and den) home! And there are so many features we couldn't begin to list them all! But, here are a few . . . the living room has a false fireplace and pass-thru from the kitchen; separate dining room with built-in china cabinet; kitchen boasts marlite walls, vent-a-hood and double sink; nice closet space; two tile baths; a huge utility room with tile splash board, cabinets, washer plumbing and dryer connection; garage. White oak floors (by the way, ask us about the foundation). There are two attic fans and two central heating systems (that can easily be converted into air conditioning). Close to grammar and high schools. Yes mam, and yes sir, we'd be tickled pink to show this one!

HOT DOG!

No down payment (for G.I.'s) and low monthly payments! Where? 2303 Trenton in West Monroe! The kitchen has a breakfast room area and kitchen bar; hardwood floors. Two bedrooms, and the kitchen, one bedroom and living room have just been repapered. Outside there's St. Augustine grass and a private back yard (with trees). If you're looking for a home with no down payment and low monthly payments, drive by and see this one! It's selling for the VA appraised value of $7,600.00.

CURE-ALL!

Yes, here's a sure cure-all for rentistis! Drive by 1408 South 5th Street in Monroe and see the home we have listed for $7,400.00 . . . and it'll 100 per cent G. I.! The monthly payments are as low as can be (much, much lower than rent)! This two year old home has two bedrooms; kitchen has natural woodwork cabinets; hardwood floors throughout; venetian blinds. If you've a high temperature with rentistis, I suggest you investigate this home . . . it's a sure cure-all.

REALLY AND TRULY

this is a wonderful 3 bedroom home located at 222 Grayling Lane (and a wonderful neighborhood). The whole house just bursts with personality. The living room has a modern false fireplace; the large kitchen has breakfast area, kitchen bar, good cabinet space, and washer plumbing. All 3 bedrooms are unusually large with nice size closets. Detached garage Hardwood floors. Attic fan and floor furnace add to this home's personality. Copper plumbing throughout; and for storage, there is a disappearing stair to attic. The yard is covered with beautiful shrubs. The price has a personality, too . . . at $12,750, and that's the V. A. appraisal value! I kinda think you'll be calling about this one!

HASTE MAKES
WASTE

We agree, but . . . why waste time calling about this home because there's a scarcity of three bedroom, two tile bath and den homes constructed of brick on the NORTHSIDE. It's a red brick colonial at 1601 BOIS D'ARC . . . and whata' brick. There's a pine-paneled kitchen with spacious cabinet space, GE dishwasher & disposal, ceramic tile splashboards and counter tops & vent-a-hood. All three bedrooms are spacious with sliding door closets. The home has distinctive looking hardwood block flooring throughout . . . central heating . . . drapes in living room and dining area go with home . . . and "to boot" it's on a 107' corner lot just a "stones throw" from LEXINGTON GRAMMAR. You wanta' "peep" at this one . . . it's just gone on the market at the FHA appraised value of $21,600.

SHERLOCK
HOLMES...

couldn't possibly find a thing wrong with this home! Located at 313 Pargoud is a pink brick three bedroom home in a very good southside neighborhood. The living room has a false brick fireplace with bookcases and wall to wall carpeting; kitchen has good cabinet space and washer plumbing; three bedrooms (or two and a den—the den has a big cedar lined closet) all have sliding door closets; tile bath with shower; screened back porch; garage with metal ovehead door; drapes, wonderful closet space; and we sure would like to tell you personally about the evaporated cooler; by the way, it's walking distance to school. And one most important fact, it's 100 per cent G. I. (appraised value $13,900). Call us (Sherlock & Watson aren't here) and we'll give you the facts.

HOW 'BOUT A
DATE...

. . . to see this one at 705 LAZARRE in West Monroe, for the total price is only $6,233.13 . . . all the cash you need is $960 AND it's FHA built and only a year old with monthly notes of only $42. You'll find the following features in this well-cared for home: two comfortable bedrooms; wall furnace; Venetian blinds and it's just three blocks to MITCHELL LANE GRAMMAR SCHOOL! How 'bout makin' a date to see it?

IT'D TAKE A
BOOK...

to tell you about this one, so we'll see if we can't get it into condensed form. The location is West Monroe . . . the setting is a year old brick home at 3006 North 8th Street and the story: among the 1558 square feet of living area you'll find three bedrooms with good closet space; living room has false fireplace and closet; separate dining room; the kitchen has plenty of cabinet space, Formica cabinet top and double sink; utility room with washer plumbing; carport with storage; attic fan and central heating; copper plumbing throughout; walking distance to school; it's selling for the FHA appraised value of $15,975. The ending? Well, that's up to you, so, call us now for a happy ending.

STERLINGTON

residents (or to-be-residents)! Attention! We have a four year old three bedroom (and two baths) home located at 101 RONALDSON AVENUE. It has a separate dining room with a china cabinet; the kitchen has a breakfast area, double sink, washer plumbing, vent-a-hood and good cabinet space; all three bedrooms have two closets each; and one bath has a child's "Johnny." There's a wonderful breezeway with aluminum awnings; garage with metal overhead door; nice oak floors; attic fan and two floor furnaces; copper plumbing; grand closet space; nice yard (St. Augustine grass) and neighborhood. Close to schools, churches and shopping center. If you're in the market for a home in Sterlington, better call now

NO STRAIN,
NO PAIN

to buy this home at 208 GEORGIA. It's 100 per cent G. I. . . . pay the closing costs of approximately $275 and move in this two bedroom, separate dining room home! The kitchen has washer plumbing and is wired for an electric stove; front screened porch; hardwood floors; floor furnace; glass lined 30 gallon hot water tank; fenced in back yard; hall closet; and it's close to school. If you've a bashful budget, this is the home for you! Remember, there's no strain, no pain in buying this home.

YOUR BROOD

outgrowing their nest? Well, if that's the case and you're worried about not being able to afford a larger home, worry no more! Drive by 3708 JACKSON (100 x141' lot) and you'll see the four bedroom home we have for only $9,000 (100 per cent G. I.). Monthly payments are as low as can be on this one. The kitchen is especially nice . . . it has just been completely remodeled and has a built-in formica table and benches in the breakfast area, double sink, formica cabinet top, vent-a-hood, washer plumbing and kitchen desk. Separate dining room; Venetian blinds; and it's walking distance to school. Gather your brood together and drive out . . . we'll be glad

TREES

are in the front and back yard! Where? 315 Splane Drive in West Monroe! And the price is most attractive . . . $8,500. And it'll 100 per cent G. I. This two bedroom home has the following features: The kitchen has a breakfast area, double sink, washer plumbing and kitchen bar; walk in closet and 220 volts for air conditioning in one of the bedrooms; front screened porch; utility room; hardwood floors; attic fan and floor furnace; natural woodwork throughout; hall closet; fenced in back yard (and there's a doll house with an electric fan and fluorescent lights). It's only two blocks to the grammar school. Wanta' see this one with trees and all?

THE MOST

attractive home is awaiting your inspection at the corner of HICKS AND McBRIDE (218'x197' lot). The living room and dining area are pine paneled and has an artistic fireplace (drapes in the living room and dining area go with the house). The kitchen has natural wood cabinets, double sink and breakfast area. Two bedrooms, screened back porch; garage has washer plumbing; 220 volts; roomy coat closet; copper plumbing throughout; attic is insulated. By the way, there are trees on this acre lot. It's 100 per cent G. I. and selling for $11,100! It's the most!

ROUNDUP

the kids and drive over to 510 CRYER STREET in WEST MONROE and see the three bedroom home (on a corner lot) that's right across from Millsaps Grammar School and one block from the new West Monroe High School. It's new and vacant . . . and waiting for some family to move in. All the rooms are a good size and there's plenty of closet space. The carport has two storage rooms. Other features are: Panel ray heating; automatic shutter attic fan; asphalt tile floors throughout; matching Venetian blinds in each room. It's ideal for a family looking for a three bedroom home close to school. It's selling for $11,000 - $1,300 down plus closing cost is what it takes!

ON THE BALL...

Yep, the owner was really on the ball when he decided to sell this home, for he repainted and repapered the whole house before putting it on the market. 1607 GEORGIA is the address and the price is on the ball, too . . . $7,779.00 (100 per cent G. I.). This three year old home boasts features galore . . . the kitchen has a double sink, stovehood and nice cabinet space; two bedrooms (one has walk in closet); there's a utility room with washer plumbing; oak floors; floor furnace; hall closet. Why don't you get on the ball NOW and call for a showing! It's vacant.

MISSING...

. . . that is, an owner for this comfortable home at 204 GEORGIA ST. that's just been completely redecorated from "stem to stern." Among the 1092 sq. feet of this one are the following: spacious living room with false fireplace and built-in bookcases, plus roomy dining area; there are two roomy bedrooms, one with a 5'x10' sliding door closet . . . and it's just a coupla' blocks to Barkdull Faulk Grammar. It's vacant and selling for the FHA appraised value of $8750 and only $500 down makes the move.

BRUSH THOSE
TEARS...

. . . from your eyes, 'cause here's a 3 bedroom home close to schools that's selling for only $9,000. . . . And you can stop sniffing for closing costs is all it takes on a 100 per cent G. I. loan! We'd sure like for you to see: the roomy living room and the separate dining room . . . the three bedrooms (the back bedroom has a tremendous cedar closet) . . . the screened back porch . . . the two floor furnaces . . . the chain-link fenced backyard and most of all the splendid location, the wonderful shade trees and the velvety St. Augustine. Brush those tears from your eyes and call us to see 806 N. 4th in West Monroe.

THUMBING
THROUGH...

. . . the want ads lookin' for a two-bedroom home in the college area in new condition? Well . . . if so, SLOW DOWN and read this! Here's one that's just been redecorated with the following features: roomy kitchen with spacious dining area, stovehood and serving bar; glistening hardwood floors, Venetian blinds and an attached garage. This one's vacant and selling for the FHA appraised value of $8750 with just $500 down. If you're driving by 1507 FILHIOL take "a gander" and call us.

OF COURSE...

we have houses on the north side priced right! Take the one at 806 Alexander Avenue for instance, why, it's only $10,250.00 (100 per cent G. I.) and it has three bedrooms (or two bedrooms and a den). The kitchen has a bar, double sink, vent-a-hood and washer plumbing; floor furnace and attic fan; good closet space; copper plumbing; it's located in close to school, which seems to be of vital importance these days. It's vacant a nice northside neighborhood and is . . . and waiting . . . call now!

CHAOS

in your home? Need more space for all the chillens? Tired of hauling them to school? Well, sit back and read on . . . located at 1013 North 4th in Monroe, you'll find a 3 bedroom (and a small den that could be the fourth). It's selling for the FHA appraised value of $14,000.00 and has many attractive features: the cool front screened porch is a main attraction, there's a back screened porch; separate dining room; small breakfast room; and the living room has a very attractive Early American fire place (trimmed with Australian pine); bath and a half bath; a big mimosa tree in the front yard with pecan (huge) in the back; and it's only ONE HALF BLOCK FROM GEORGIA TUCKER! Chaos! Chaos! Better call now about this one!

CAVE DWELLING...

was fine in its day, but brother, they can have the rock ages! Today, modern man enjoys more and more conveniences, and one of the most important things in man's life is his dwelling! Take the comfortable two bedroom and den brick home at 1004 CIVIC! It's close to the high school and grammar school; has a separate dining room; the kitchen has a GE dishwasher (watta' convenience), nice cabinet space and washer plumbing, the bath is unique because it has "heated floors." and a shower; garage with metal overhead door and storage; floor furnaces and attic fan; pop on lights in each closet. Pity the cave man—but, that's a thing of the past! How about a look at this dwelling — it'll 100 per cent G. I.

PRETTY SILLY

to be crowded when you don't have to be. And if it's a matter of money that worries you, it's still pretty silly. Just heed this. Here's a three bedroom home located at 3302 Richmond that's only $9,125.00 and you can get a 100 per cent G. I. loan on it. There's a separate dining room; washer plumbing in the kitchen; garage; attic fan; 2½ blocks from school. Your monthly payments will run cheaper than rent . . . pretty silly, isn't it, to be crowded when you can buy this three bedroom home with no down payment (just closing costs). Call us!

NATURALLY...

. . . after you read this ad you'll call us! Of course, you won't be able to resist this home because it's "loaded" with appealing features! In the first place . . . it's located on the LOOP ROAD in an exclusive neighborhood, and among the 1576 sq feet of living area you'll discover these exciting features: Wall-to-wall carpeting in the living room and master bedroom; the drapes cover an entire wall in the living room (and it's 30 feet long), you'll rub your eyes when you see the cabinet space in the kitchen and the hall leading to all three bedrooms is lined with storage bins . . . all bedrooms have sliding door closets (master bedroom has three); there's a side screen porch . . . utility room and carport with storage! It's selling for $19,500 and it's shown by appointment only!

IN CASE OF FIRE...

call the fire department! In case you want a home out in the college section, call US- 3305 CONCORDIA is the address - and here are a few details on this two bedroom home: it has a separate dining room; kitchen has metal cabinets, built in ironing board and nice linoleum; back and front screened porches (washer plumbing on back porch); double garage (with concrete floor), hardwood floors, floor furnaces in both bedrooms (by the way, both bedrooms have nice closets); hall closet; the back yard is private and has St. Augustine grass; it's selling for the FHA appraised value of $10,750.00. So, in case you're one in many looking for a home in the college section - how about giving us a buzz on this one!

WHATA' PLACE!

Yep . . . it's a dandy all right and here's why: It's located at 1705 N. THIRD ST. in Monroe and every one of the following features are to be found among the roomy sq. footage: The living room is unique with pine-paneling with a false fireplace; kitchen has natural wood cabinets (and plenty of 'em); breakfast area, stovehood, and a double sink. The front bedroom is pine-paneled and the back bedroom has two closets. There's a nice breezeway and a door leading to the attached garage. $2200 down makes the move with the balance FHA financed.

BY JUPITER!

This really is a treat! Here's a two year old brick home located at 1516 Cedar in West Monroe and it's on a 100x150 lot (with trees in front, back and side). The two bedrooms have nice size closets (and there's a hall closet, plus storage in hall); the kitchen is bragging because it has a breakfast area, kitchen bar, good cabinet space (plus a pantry), stove hood and formica top. The carport has storage. 42" attic fan and panel ray heating. Copper plumbing throughout. It's only two blocks to scoool. The VA appraised value is $11,500. By Jupiter, you'll want to see this one . . . really!

HEAVENS

to Besty! Talk about space, we've got it . . . all 1652 square feet of it!! And it's one of the nicest homes we've seen in a long time. Located on a corner lot (150x150) at the Arkansas Road and Jersey Avenue in West Monroe. The living room has a big storage closet and attractive false fireplace; dining room; kitchen has roomy breakfast area, good cabinet space, kitchen bar and a big pantry. All three bedrooms have big closets. And the utility porch has washer plumbing and dryer connection. And Mothers, it's only two blocks from school! Sure would like for you to see it . . . call for an appointment, we're anxious to show it!

TICKLED PINK!

Why, we'd be tickled pink to show you this pink brick (3 bedrooms and den) home! And there are so many features we couldn't begin to list them all! But, here are a few . . . the living room has a false fireplace and pass-thru from the kitchen; separate dining room with built-in china cabinet; kitchen boasts marlite walls, vent-a-hood and double sink; nice closet space; two tile baths; a huge utility room with tile splash board, cabinets, washer plumbing and dryer connection; garage. White oak floors (by the way, ask us about the foundation). There are two attic fans and two central heating systems (that can easily be converted into air conditioning). Close to grammar and high schools. Yes mam, and yes sir, we'd be tickled pink to show this one!

HOT DOG!

No down payment (for G.I.'s) and low monthly payments! Where? 2303 Trenton in West Monroe! The kitchen has a breakfast room area and kitchen bar; hardwood floors. Two bedrooms, and the kitchen, one bedroom and living room have just been repapered. Outside there's St. Augustine grass and a private back yard (with trees). If you're looking for a home with no down payment and low monthly payments, drive by and see this one! It's selling for the VA appraised value of $7,600.00.

CURE-ALL!

Yes, here's a sure cure-all for rentistis! Drive by 1408 South 5th Street in Monroe and see the home we have listed for $7,400.00 . . . and it'll 100 per cent G. I.! The monthly payments are as low as can be (much, much lower than rent)! This two year old home has two bedrooms; kitchen has natural woodwork cabinets; hardwood floors throughout; venetian blinds. If you've a high temperature with rentistis, I suggest you investigate this home . . . it's a sure cure-all.

REALLY AND TRULY

this is a wonderful 3 bedroom home located at 222 Grayling Lane (and a wonderful neighborhood). The whole house just bursts with personality. The living room has a modern false fireplace; the large kitchen has breakfast area, kitchen bar, good cabinet space, and washer plumbing. All 3 bedrooms are unusually large with nice size closets. Detached garage. Hardwood floors. Attic fan and floor furnace add to this home's personality. Copper plumbing throughout; and for storage, there is a disappearing stair to attic. The yard is covered with beautiful shrubs. The price has a personality, too . . . at $12,750, and that's the V. A. appraisal value! I kinda think you'll be calling about this one!

HASTE MAKES WASTE

We agree, but . . . why waste time calling about this home because there's a scarcity of three bedroom, two tile bath and den homes constructed of brick on the NORTHSIDE. It's a red brick colonial at 1601 BOIS D'ARC . . . and whata' brick. There's a pine-paneled kitchen with spacious cabinet space, GE dishwasher & disposal, ceramic tile splashboards and counter tops & vent-a-hood. All three bedrooms are spacious with sliding door closets. The home has distinctive looking hardwood block flooring throughout . . . central heating . . . drapes in living room and dining area go with home . . . and "to boot" it's on a 107' corner lot just a "stones throw" from LEXINGTON GRAMMAR. You wanta' "peep" at this one . . . it's just gone on the market at the FHA appraised value of $21,600.

SHERLOCK HOLMES...

couldn't possibly find a thing wrong with this home! Located at 313 Pargoud is a pink brick three bedroom home in a very good southside neighborhood. The living room has a false brick fireplace with bookcases and wall to wall carpeting; kitchen has good cabinet space and washer plumbing; three bedrooms (or two and a den—the den has a big cedar lined closet) all have sliding door closets; tile bath with shower; screened back porch; garage with metal ovehead door; drapes, wonderful closet space; and we sure would like to tell you personally about the evaporated cooler; by the way, it's walking distance to school. And one most important fact, it's 100 per cent G. I. (appraised value $13,900). Call us (Sherlock & Watson aren't here) and we'll give you the facts.

HOW 'BOUT A DATE...

. . . to see this one at 705 LAZARRE in West Monroe, for the total price is only $6,233.13 . . . all the cash you need is $960 AND it's FHA built and only a year old with monthly notes of only $42. You'll find the following features in this well-cared for home: two comfortable bedrooms; wall furnace; Venetian blinds and it's just three blocks to MITCHELL LANE GRAMMAR SCHOOL! How 'bout makin' a date to see it?

IT'D TAKE A BOOK...

to tell you about this one, so we'll see if we can't get it into condensed form. The location is West Monroe . . . the setting is a year old brick home at 3006 North 8th Street and the story: among the 1558 square feet of living area you'll find three bedrooms with good closet space; living room has false fireplace and closet; separate dining room; the kitchen has plenty of cabinet space, Formica cabinet top and double sink; utility room with washer plumbing; carport with storage; attic fan and central heating; copper plumbing throughout; walking distance to school; it's selling for the FHA appraised value of $15,975. The ending? Well, that's up to you, so, call us now for a happy ending.

STERLINGTON

residents (or to-be-residents)! Attention! We have a four year old three bedroom (and two baths) home located at 101 RONALDSON AVENUE. It has a separate dining room with a china cabinet; the kitchen has a breakfast area, double sink, washer plumbing, vent-a-hood and good cabinet space; all three bedrooms have two closets each; and one bath has a child's "johnny." There's a wonderful breezeway with aluminum awnings; garage with metal overhead door; nice oak floors; attic fan and two floor furnaces; copper plumbing; grand closet space; nice yard (St. Augustine grass) and neighborhood. Close to schools, churches and shopping center. If you're in the market for a home in Sterlington, better call now.

NO STRAIN, NO PAIN

to buy this home at 208 GEORGIA. It's 100 per cent G. I. . . . pay the closing costs of approximately $275 and move in this two bedroom, separate dining room home! The kitchen has washer plumbing and is wired for an electric stove; front screened porch; hardwood floors; floor furnace; glass lined 30 gallon hot water tank; fenced in back yard; hall closet; and it's close to school. If you've a bashful budget, this is the home for you! Remember, there's no strain, no pain in buying this home.

YOUR BROOD

outgrowing their nest? Well, if that's the case and you're worried about not being able to afford a larger home, worry no more! Drive by 3708 JACKSON (100 x141' lot) and you'll see the four bedroom home we have for only $9,000 (100 per cent G. I.). Monthly payments are as low as can be on this one. The kitchen is especially nice . . . it has just been completely remodeled and has a built-in formica table and benches in the breakfast area, double sink, formica cabinet top, vent-a-hood, washer plumbing and kitchen desk. Separate dining room; Venetian blinds; and it's walking distance to school. Gather your brood together and drive out . . . we'll be glad

TREES

are in the front and back yard! Where? 315 Splane Drive in West Monroe! And the price is most attractive . . . $8,500. And it'll 100 per cent G. I. This two bedroom home has the following features: The kitchen has a breakfast area, double sink, washer plumbing and kitchen bar; walk in closet and 220 volts for air conditioning in one of the bedrooms; front screened porch; utility room; hardwood floors; attic fan and floor furnace; natural woodwork throughout; hall closet; fenced in back yard (and there's a doll house with an electric fan and fluorescent light). It's only two blocks to the grammar school. Wanta' see this one with trees and all?

THE MOST

attractive home is awaiting your inspection at the corner of HICKS AND McBRIDE (218'x197' lot). The living room and dining area are pine paneled and has an artistic fireplace (drapes in the living room and dining area go with the house). The kitchen has natural wood cabinets, double sink and breakfast area. Two bedrooms; screened back porch; garage has washer plumbing; 220 volts; roomy coat closet; copper plumbing throughout; attic is insulated. By the way, there are trees on this acre lot. It's 100 per cent G. I. and selling for $11,100! It's the most!

ROUNDUP

the kids and drive over to 510 CRYER STREET in WEST MONROE and see the three bedroom home (on a corner lot) that's right across from Millsaps Grammar School and one block from the new West Monroe High School. It's new and vacant . . . and waiting for some family to move in. All the rooms are a good size and there's plenty of closet space. The carport has two storage rooms. Other features are: Panel ray heating; automatic shutter attic fan; asphalt tile floors throughout; matching Venetian blinds in each room. It's ideal for a family looking for a three bedroom home close to school. It's selling for $11,000 - $1,300 down plus closing cost is what it takes!

Houses (73)

ON THE BALL...

Yep, the owner was really on the ball when he decided to sell this home, for he repainted and repapered the whole house before putting it on the market. 1607 GEORGIA is the address and the price is on the ball, too . . . $7,779.00 (100 per cent G. I.). This three year old home boasts features galore . . . the kitchen has a double sink, stovehood and nice cabinet space; two bedrooms (one has walk in closet); there's a utility room with washer plumbing; oak floors; floor furnace; hall closet. Why don't you get on the ball NOW and call for a showing! It's vacant.

MISSING...

. . . that is, an owner for this comfortable home at 204 GEORGIA ST. that's just been completely redecorated from "stem to stern." Among the 1092 sq. feet of this one are the following: spacious living room with false fireplace and built-in bookcases, plus roomy dining area; there are two roomy bedrooms, one with a 5'x10' sliding door closet . . . and it's just a coupla' blocks to Barkdull Faulk Grammar. It's vacant and selling for the FHA appraised value of $8750 and only $500 down makes the move.

BRUSH THOSE TEARS...

. . . from your eyes, 'cause here's a 3 bedroom home close to schools that's selling for only $9,000. . . . And you can stop sniffing for closing costs is all it takes on a 100 per cent G. I. loan! We'd sure like for you to see: the roomy living room and the separate dining room . . . the three bedrooms (the back bedroom has a tremendous cedar closet) . . . the screened back porch . . . the two floor furnaces . . . the chain-link fenced backyard and most of all the splendid location, the wonderful shade trees and the velvety St. Augustine. Brush those tears from your eyes and call us to see 806 N. 4th in West Monroe.

THUMBING THROUGH...

. . . the want ads lookin' for a two-bedroom home in the college area in new condition? Well . . . if so, SLOW DOWN and read this! Here's one that's just been redecorated with the following features: roomy kitchen with spacious dining area, stovehood and serving bar; glistening hardwood floors, Venetian blinds and an attached garage. This one's vacant and selling for the FHA appraised value of $8750 with just $500 down. If you're driving by 1507 FILHIOL take "a gander" and call us.

OF COURSE...

we have houses on the north side priced right! Take the one at 806 Alexander Avenue for instance, why, it's only $10,250.00 (100 per cent G. I.) and it has three bedrooms (or two bedrooms and a den). The kitchen has a bar, double sink, vent-a-hood and washer plumbing; floor furnace and attic fan; good closet space; copper plumbing; it's located in close to school, which seems to be of vital importance these days. It's vacant a nice northside neighborhood and is . . . and waiting . . . call now!

CHAOS

in your home? Need more space for all the chillens? Tired of hauling them to school? Well, sit back and read on . . . located at 1013 North 4th in Monroe, you'll find a 3 bedroom (and a small den that could be the fourth). It's selling for the FHA appraised value of $14,000.00 and has many attractive features: the cool front screened porch is a main attraction; there's a back screened porch; separate dining room; small breakfast room; and the living room has a very attractive Early American fire place (trimmed with Australian pine); bath and a half bath; a big mimosa tree in the front yard with pecan (huge) in the back; and it's only ONE HALF BLOCK FROM GEORGIA TUCKER! Chaos! Chaos! Better call now about this one!

CAVE DWELLING...

was fine in its day, but brother, they can have the rock ages! Today, modern man enjoys more and more conveniences, and one of the most important things in man's life is his dwelling! Take the comfortable two bedroom and den brick home at 1004 CIVIC! It's close to the high school and grammar school; has a separate dining room; the kitchen has a GE dishwasher (watta' convenience), nice cabinet space and washer plumbing; the bath is unique because it has "heated floors," and a shower; garage with metal overhead door and storage; floor furnaces and attic fan; pop on lights in each closet. Pity the cave man —but, that's a thing of the past! How about a look at this dwelling — it'll 100 per cent G. I.

PRETTY SILLY

to be crowded when you don't have to be. And if it's a matter of money that worries you, it's still pretty silly. Just heed this. Here's a three bedroom home located at 3302 Richmond that's only $9,125.00 and you can get a 100 per cent G. I. loan on it. There's a separate dining room; washer plumbing in the kitchen; garage; attic fan; 2½ blocks from school. Your monthly payments will run cheaper than rent . . . pretty silly, isn't it, to be crowded when you can buy this three bedroom home with no down payment (just closing costs). Call us!

NATURALLY...

. . . after you read this ad you'll call us! Of course, you won't be able to resist this home because it's "loaded" with appealing features! In the first place . . . it's located on the LOOP ROAD in an exclusive neighborhood, and among the 1576 sq. feet of living area you'll discover these exciting features: Wall-to-wall carpeting in the living room and master bedroom; the drapes cover an entire wall in the living room (and it's 30 feet long), you'll rub your eyes when you see the cabinet space in the kitchen and the hall leading to all three bedrooms is lined with storage bins . . . all bedrooms have sliding door closets (master bedroom has three); there's a side screen porch . . . utility room and carport with storage! It's selling for $19,500 and it's shown by appointment only!

Flanders Renews His Attacks On McCarthy

WASHINGTON, Sept. 18 —UP— Sen. Ralph E. Flanders (R-Vt.), Saturday stepped up his drumfire of charges against Sen. Joseph R. McCarthy (R-Wis.) as the Senate's special censure committee worked in secret on its findings.

Sen. Edwin C. Johnson (D-Colo.) a member of the six-man group set up to weigh Flanders' proposal that the Senate reprimand McCarthy for his conduct in office, said the committee may finish its work next week.

Flanders, who has peppered the censure group with briefs and statements in support of his charges, disclosed he had filed three additional documents in support of 10 of the 46 charges, some of them overlapping, included in the censure resolution either by himself or Sens. Wayne Morse (Ind.-Ore.) or J. William Fulbright (D-Ark.).

In his latest charges Flanders said, among other things, that McCarthy:

1. Has linked names of at least 128 persons to communism, or identified them as security risks, without producing a single conviction although one of his targets—Far Eastern expert Owen Lattimore — is under indictment for alleged perjury.

2. Abused his position to "confuse the public, undermine confidence in our civil and military leaders, and stimulate hysteria."

3. Had used his search for Communists as a publicity medium, in a manner "disturbing and reprehensible," actually accomplishing in this field "little of value."

In a letter to committee chairman Arthur V. Watkins (R-Utah), Flanders said of McCarthy:

"It is the forum of the Senate upon which he stands, it is the Senate's subpena which he brandises, it is the power of the Senate which carried him forward. It is the Senate's patience which he has tried.

"For what he has done to the Senate the Senate should now censure him."

Watkins told reporters the committee would "acknowledge receipt" of Flanders' latest briefs, each accompanied by a letter, but will not consider them as evidence. He declined to say how much consideration they would get.

The committee was in a closed meeting most of the day, and Watkins said there were no developments to announce. It was apparent however, that the group, which last Monday concluded nine days of public hearings on the charges against McCarthy, was nearing a decision on its findings.

Members were tight-lipped as to which way the verdict will go or whether there actually will be a verdict. Watkins has said the committee might report only facts, and let the Senate make its own findings.

In a hint that the end may be near, Johnson told reporters he will not leave Washington until the report is "written and signed" and that he hopes to be home by next Wednesday. He is leaving the Senate to run for governor of Colorado.

Monroe Morning World

Sunday, September 19, 1954

The betrothal of Miss Cynthia Ann Parker to Toulmin Hunter Brown has been announced by her mother Mrs. Walter Parker of New Orleans. Mr. Brown is the son of Mrs. Esther Brown of Shreveport and Edmund Graves Brown of West Newbury, Mass. and the grandson of the late Col. and Mrs. Robert Ewing. Their vows will be spoken at Trinity Episcopal Church in New Orleans in the evening of Oct. 27. The young couple will make their home in Shreveport after their marriage.

Shirley Marble Becomes Bride Of Nicholas Bruno

An early September wedding of beautiful detail, was that of Miss Shirley Josephine Marble to Anthony Nicholas Bruno, which took place in Vicksburg, Miss., at Saint Francis Xavier Academy on Saturday afternoon. The bride is the lovely daughter of Mr. and Mrs. A. C. Marble and Mr. Bruno is the son of Mr. and Mrs. Nick B. Bruno of St. Joseph.

While the wedding guests were being seated for the 4 o'clock ceremony Mrs. Jessie Yoste played soft organ music and just before the ceremony James Canizaro sang "The Lord's Prayer" and "Prayer Perfect."

Monsignor D. J. O'Beirne, pastor of Saint Paul's Catholic church performed the impressive double ring ceremony. Tall baskets of white Fuji chrysanthemums and white candles in branched candelabra with accents of native greenery and palms decorated the altars and formed the background for the exchange of vows.

The strains of The Bridal March from Lohengrin announced the entrance of the wedding party who included: Miss Bessie Duddleston of Oxford as maid of honor and Miss Loretta Gaye of Vicksburg and Mrs. Robert Grey of St. Joseph, as bridesmaids. Miss Tanis Marble, sister of the bride, was junior bridesmaid. Frederick Martty of St. Joseph, attended the groom as best man. Ushers were Skippy Tuminello, Joseph C. Thomas of St. Joseph, Jimmie Brown of St. Joseph, Anthony Canizaro of Monroe, and Alfred C. Marble, Jr., brother of the bride.

The bride's attendants were attired in ballerina length gowns of deep turquoise taffeta fashioned with fitted bodices and full skirts. The pleated bodices had V-shaped necklines and were fastened down the front with tiny self-covered buttons. They wore hat bands of velvet leaves and tiny flowers and carried silver wedding rings on which were arranged large red roses tied with matching ribbons and maline.

The bride, beautiful in a wedding gown of imported Chantilly lace, entered with her father, who gave her in marriage. The bodice of her period designed gown had a scoop rounded neckline accented with pleated tulle and long sleeves which ended in lily points at the wrists. The full overskirt of Chantilly lace was finished in dainty points with yards of fullness billowing into a full pleated tulle flounce. Her veil of shimmering imported French illusion cascaded from a bandeau of matching Chantilly lace.

She carried a white prayer book, a gift from the groom, on which was arranged a white orchid with streamers of valley lilies and satin ribbons. For sentiment the bride wore an heirloom bracelet and earrings in the groom's family over 150 years, and a gift from his parents, Mr. and Mrs. Nick B. Bruno.

Mrs. Marble wore for her daughter's wedding a gown of soft powder blue crepe and lace with black accessories and a purple orchid at her shoulder. Mrs. Bruno, mother of the groom, was attired in navy blue lace over taffeta with navy accessories and a purple orchid corsage.

Following the wedding Mr. and Mrs. Marble entertained with a reception in the Marine room at Tuminellos. The bride's table arranged in white with green accents, held the four-tiered wedding cake which was embossed in silver and white designs and topped by a miniature bridal couple. At the base of cake were feathered chrysanthemums with white tapers in silver candelabra on each side, assisting at the reception were Miss Jackie Scott and Miss Sue Moore who poured punch Mrs. John Berryman served the cake and Mrs. James Vaughn presided at the guest book.

For a honeymoon trip to points in Texas and Mexico, the bride wore a navy and white Pakable linen trimmed with variegated braid and styled with sheath skirt and bolero jacket. Her accessories were in navy blue and she wore a white orchid at her shoulder. The couple will make their home in New Orleans.

The groom, a graduate of St. Stanislaus in Bay St. Louis, attended L. S. U. and St. Edward University. He is presently serving with the Armed Forces. The bride, a graduate of Culkin Academy, attended the University of Texas.

Couple Say Vows In Lucedale, Miss.

On last Saturday Mrs. Vivian Poole Hodges, daughter of Mr. and Mrs. N. H. Poole Sr. of Enterprise, became the bride of Curtis B. Sledge in a late afternoon ceremony. Mr. Sledge is the son of Mr. and Mrs. J. M. Sledge of Delhi. The ceremony was performed in the parsonage of the Lucedale, Miss. Baptist Church with the Reverend Van Hardin officiating.

The bride wore a pale blue faille suit embroidered in rhinestones and pearls, with this she used black accessories. Her corsage was of white carnations. Her only attendant was Mrs. Y. E. Sheppard of Enterprise. J. D. Sledge served his brother as best man.

Mrs. Sledge is a graduate of Enterprise High School and Louisiana College.

Mr. Sledge graduated from the Central High School of Delhi and attended La. Tech.

After a short honeymoon in Florida, Mrs. Sledge will resume her teaching duties in Enterprise where she is a member of the faculty of the Enterprise High School.

News From The Public Library

Among the new titles added to the library during the past week are books for every taste. Readers of serious novels will find two for their examination. "The Dark Lady" by Cothburn O'Neal is a fascinating story, wholly fictituous of a lovely woman, who really wrote Shakespeare's plays. Mr. O'-Neal does not expect his audience to believe the story, but it is a fascinating account of life in Shakespeare's England and a wonderful love story also. "The Pride of the Peacock" by Ruth Chatterton is the story of a beautiful and arrogant woman, who caused endless trouble to her family. It is the story of her grandmother, her husband and her child, who lives she profoundly affected. It is a family story of the present day and one that will appeal especially to women.

Probaby no writer of the mystery story is better liked than is "Leslie Ford." Her latest story is called "Invitation to Murder". The setting is Newport and the characters are very rich. Woven in with the intrigue and murder is a tender love story. This is one of Leslie Ford's best books and will be eagerly read by her public. Two westerns are almost among this weeks offerings. "The Violent Land" by Wayne D. Overholser is a story of avarice for land and the setting is in Oregon. "Lost Pueblo" by Zane Grey was found among his papers and will be eagerly accepted by his devoted following. It is the story of a rich girl from the east, who found love and romance in Arizona.

Any person who is engaged in the field of publicity will be interested in a new book by Herbert N. Baus, an expert on the subject. It is called "Publicity in Action." It is a comprehensive handbook for the private, public or volunteer agency on how to move people to action through modern publicity techniques. It deals with every type of publicity and tells how to use it. The book is truly a fine one and will be widely used.

Each year as Christmas draws closer we have requests for material about the background on Christmas and its special observance in America. A new book which came this week will help us a great deal in filling these requests. It is called "The American Christmas" and the author is James H. Barnett. It is truly a valuable book and one that will be used at the Christmas season.

Have you visited your library lately? Do you have any idea of the wonderful resources which it has to offer you? Why not resolve now to go to one of the branches at the very first opportunity.

Last week a wonderful series of articles appeared in the local papers, on the evils of comic books. I would like to remind the parents again, that the juvenile book collection of the Parish Library is a very fine one and that they can borrow these books for their children absolutely free of charge. You have only yourself to blame if your child reads the wront type of book and becomes a juvenile delinquent.

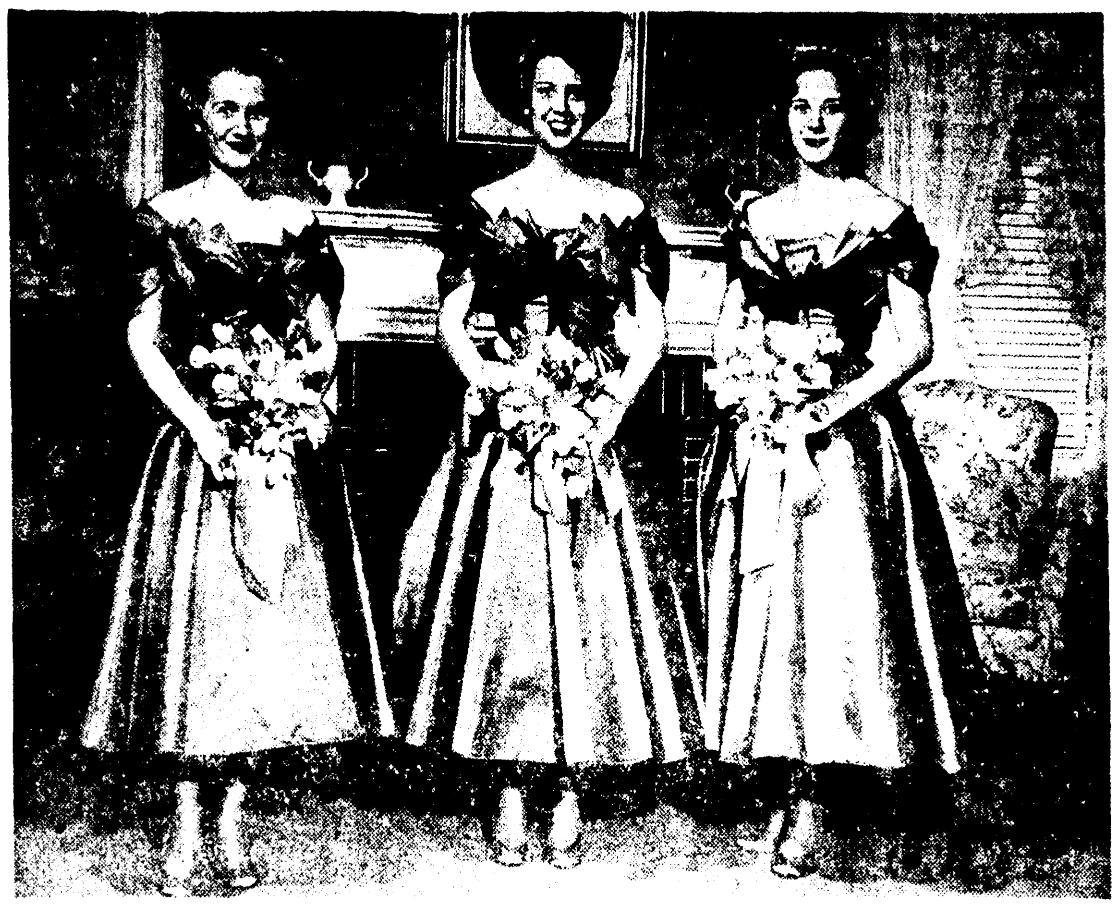
Nuptial Mass Unites Couple

FERRIDAY — A wedding of interest was solemnized here Saturday morning before the altar of St. Patrick's Catholic church in Ferriday when Father Simone J. Vitale, STD., pastor officiated at the double ring Nuptial Mass ceremony as Miss Lois Lorrine DeFir, niece of Mr. and Mrs. W. E. Barnes of Ferriday and A-2C T. C. Brower, son of Mr. and Mrs. T. J. Brower, Linden, New Jersey, pledged their marriage vows in the presence of a large number of relatives and friends.

The church was beautifully decorated with white carnations, fern and trailing ivy on the main altar. White carnations and greenery adorned the side altars. Many lighted tapers cast a soft glow on this picturesque setting.

The bridegroom was attended by Arch Hoover of Alexandria as best man. The bride's maid of of honor was Miss Mary Louise Davis of Ferriday. The bride was given in marriage by her uncle, W. E. Barnes.

Immediately following the ceremony a reception was held in the home of Mr. and Mrs. Barnes. After a wedding trip to an undisclosed destination they will be at home in Pineville, La. Mrs. Brower's brother, Kilborne DeFir of Memphis, Tenn. attended the wedding.



BRIDAL ATTENDANTS in the wedding of Miss Beverly Hatchell and William Langston Yancey, Jr., which was solemnized last Thursday evening were Mrs. Harry Hubenthal, Miss Martha Hatchell, who served her sister as maid of honor, and Miss Mary Wilton McHenry.

Jr. Charity League Plan For Silver Tea In October

Mrs. Armand McHenry, Jr., chairman, with Mrs. Fred Westrom and Mrs. Theo Terzia planned the decorations for the opening meeting of the Junior Charity League which met last Saturday at a local restaurant. They placed a silver epergne overflowing with fruits in the center of the president's table. Near by the banquet tables was a large silver bowl filled with white chrysanthemums and loquat leaves.

Mrs. Corbin Turpin, president, opened the meeting. The minutes were read by Mrs. Robert Wood, the new secretary, who was appointed to replace Mrs. James Brothers, who moved to Tyler, Tex.

Reports were heard from the department heads. Mrs. D. V. Loflin, social chairman, announced the annual silver tea to be held October 2 in the home of the president, on Point Drive. Mrs. Loflin also announced the Christmas Charity ball, for December 4 on the Hotel Frances roof with Hal McIntyre's orchestra.

Members attending with Mrs. Turpin were Mrs. W. C. Cookston, Jr., Mrs. Thomas May, Mrs. H. B. Hargrove, Mrs. Jeannine Amman, Mrs. Cyril Yancey, Mrs. Roy C. Meek, Mrs. Lawrence Fox, Mrs. O. C. Jones, Mrs. Burchel Liles, Mrs. Edward Holmes, Mrs. Robert Wood, Mrs. Tim Allen, Mrs. Elizabeth Atkinson.

Also Mrs. Grant Boardman, Mrs. Edmund Brown, Mrs. Joe Brown, Mrs. Robert Easterling, Mrs. James Ewing, Mrs. R. T. Faulk, Jr., Mrs. Harry Frazer, Mrs. Fred Frazier, Mrs. Fred Fudickar, Jr., Mrs. William Gannaway, Mrs. James Gates, Mrs. Robert George, Mrs. W. K. Harris, Mrs. Raymond John, Mrs. Lon Huer, Mrs. G. W. Toulmin Hunter Brown Will Marry Cynthia Ann Parker

Claiming outstanding social interest is the announcement, by Mrs. Walter Parker of New Orleans, of the engagement of her daughter, Miss Cynthia Ann Parker to Toulmin Hunter Brown, son of Mrs. Esther Ewing Brown of Shreveport and Edmund Graves Brown of West Newbury, Mass.

The bride-elect is a member of Kappa Kappa Gamma sorority and attended National Cathedral School in Washington, D. C. and Newcomb College in New Orleans. She is descended from Mr. and Mrs. Walter Lowry Parker of Memphis, Tenn. and Mr. and Mrs. Santiago Hernandez of Madrid, Spain.

Mr. Brown is the grandson of the late Colonel and Mrs. Robert Ewing of New Orleans and Mr. and Mrs. Leander Moore Brown of Newburyport, Mass. He attended school at New Mexico Military Institute, Roswell, N. M., and Louisiana State University where he was pledged to Kappa Alpha fraternity.

The marriage will be celebrated Wednesday, October 27 at 7:30 o'clock in the evening at Trinity Episcopal Church in New Orleans.

The bride-elect will have as her matron of honor, her sister-in-law, Mrs. Walter Burr Parker of New Orleans. The bridesmaids will include Miss Elizabeth Brightwell Staunton of Charleston, W. Va., Miss Elizabeth Bland and Miss Mary Lou Alexandre Parker of New Orleans, Miss Nancy Pforzheimer of White Plains, N. Y. and Miss Ellen Wolcott Griffen of Pelham Manor, N. Y.

Robert Ewing Brown of Little Rock, Ark., a brother of the bridegroom, has been chosen as best man. Groomsmen will include another brother, Edmund Graves Brown, Jr., of Monroe and three cousins, John D. Ewing, Jr., of Shreveport and James L. Ewing III, and Robert Ewing III of this city and N. W. de Berardinis of Shreveport. Serving as ushers will be Henry B. Clay, William F. Ford and Andrew Querbes, Jr., of Shreveport and Marshall C. Powell, Lawrence A. Stone II and Charles William Zeiglar, III of New Orleans.

Following their marriage the young couple will make their home in Shreveport where the bridegroom is connected with the Shreveport Times.

Garden Club Sponsors Gregory Conway

The Monroe Garden Club will hold its first fall meeting at the Bayou DeSiard Country Club on Monday, September 20th and Tuesday September 21st. The Club will sponsor J. Gregory Conway, who will give two lecture-demonstrations on Monday and conduct a clinic on Tuesday.

J. Gregory Conway, forty-three years old, nimble-fingered, with a highly educated eye for design and color, is a gentleman who can be thrown into a pretty serious dither by nothing more than a bunch of flowers in disarray. Conway dithers easily and frequently: a bad floral arrangement has about the same effect on him as a bad note has on Toscanini. It has a way of reducing the world to a ball of mud, full of weeds. Over the past couple of decades, however, Conway, a tireless counter-agent of flower haphazardness, has been writing, lecturing and teaching only one subject: the creation of, to use a phrase he's fond of, "a thing of beauty" out of a handfull of flowers. Flowers, to Conway, aren't just a lot of petals and stalks of colored nature. They are instead a source of strength, of the-meaning-of-life, even of the spiritual.

Conway studied at the famous Ohara school in Osaka, his preoccupations being the Moribana and Nagiere styles of flower arrangement. He went back to Japan on three other occasions to soak up whatever arranging ods-and-ends he had overlooked. In California in the 1930's he taught flower arrangement—first at the city schools of Long Beach, later at the University of Southern California. (He managed to talk the Southern Cal authorities into giving full credit for the course on the ground that it was a kind of History 1, only it was fragrant.) Prior to World War II he began to lecture on flowers; after the war he taught at the University of Hawaii for a couple of years, then returned to lecturing.

These days Conway, when he isn't nursing the azaleas, the magnolias, the Polynesian ginger roots, the Haitian banana tree, and the other flora in his garden, has his mind on his new book.

Hostesses will be: Mrs. James A. Noe, Mrs. J. B. Kugler, Mrs. L. T. Hall, Jr., Mrs. Ed. F. Dalton, Mrs. Vernon Maish, Mrs. A. D. Tisdale, Mrs. Wood Thompson, Mrs. Tom Keller, Mrs. Duncan Smith, Mrs. John Salisbury, Mrs. A. S. Tidwell, and Mrs. J. Floyd Stone, Sr.

ATOMIC LOCKET

Latest gadget of the atomic age is a locket - size glass device that records the degree of radiation to which it is exposed.

Designed for use in the event of an atomic bomb attack, the disc may be carried in a watch pocket or worn as a locket. Through its use, medical diagnosis can be aided in examination of victims of an atomic attack.

Called a dosimeter, it is recommended for use by civil defense emergency teams.

It's easier to make buttonholes in thin material if you first rub a little library paste on the wrong side.

Mrs. Lillian Ballard, owner and operator of West Monroe Beauty Shop, corner of Wood and Cypress Street, West Monroe, Phone 7643, announces that her shop has been completely remodeled with the latest Equipment. Shown in the photograph above, left to right are Mrs. Mary Lou Young Sheppard having her hair done by Mrs. Loftin. Also Mrs. John Young's hair is being done by Mrs. Ballard and Mrs. Bert Avant is having hers done by Mrs. Lozelle Colombus. Adv.

Fort Miro Chapter D. A. R. Have First Meeting Of Year

Fort Miro Chapter Daughters of the American Revolution held its regular meeting at the Lotus Club with the regent, Mrs. H. Flood Madison, Jr., presiding. The chaplain, Mrs. C. R. Russell led the assembly in the D. A. R. ritual, followed by the pledge of allegiance.

The program chairman, Mrs. John C. Theus, Jr. introduced Mr. Thomas Davenport, the guest speaker for the afternoon. His subject was "The Revolutionary War—Robert Morris, Patriot."

The national defense committee chairman, Miss Eleona Brinsmade, gave her report.

An American flag and stand to be used at chapter meetings was presented to the chapter by two former regents, Mrs. Frances Flanders and Mrs. Shelby Meek.

After the treasurers' report by Mrs. Floyd Martin, the meeting was dismissed with a benediction.

Baptist Church Is Scene Of Recent Nuptial

An out-of-town wedding of interest here, celebrated in Harrisonburg recently was that of Miss Shirley Sue McGee and Arthur Ronsel Lancaster of Ferriday. The bride is the daughter of Mr. and Mrs. George McGee of Harrisonburg and Mr. [illegible] is the son of Mr. and Mrs. James Otto Lancaster of Ferriday.

The ceremony was performed by Reverend [illegible] in the Harrisonburg Baptist Church at 7:30 p.m. before an altar banked with southern smilax and ferns and baskets of white gladioli and burning cathedral tapers. Mrs. C. F. Boston presented the wedding music and accompanied Miss Virgie McGuire, soloist.

The bride was given in marriage by her father. She wore a gown of white Chantilly lace over satin. The tightly fitted bodice featured a satin neckline of tulle with a stand up collar of lace. The neckline was edged in seed pearls and sequins. The long sleeves finished in petal points over her hands. The very full skirt swept into a cathedral train. Her fingertip veil of illusion fell from a coronet of seed pearls and sequins. She carried a cascade bouquet of feathered carnations and tuberoses centered with a white orchid.

Mrs. George Ann Solomon, sister of the bride, served her as matron of honor. She wore a dress of deep blue crystalette with skirt of nylon tulle. Her headpiece was of matching satin with tulle veil accented with seed pearls. She carried a coral fan decorated with blue flowers. Serving as bridesmaids were Miss Jane Lancaster of Ferriday, Miss Naomi Roby, Jonesboro, Miss Betty Thaxton, Natchitoches and Miss Janet Holbrook of Vivian. Their frocks were identical to the matron of honors' in a coral shade. They carried blue fans with coral flowers.

Jan Manning and Ava Solomon, niece of the bride, were flower girls. Bobby Scott, cousin of the bride, was ring bearer.

A reception followed the ceremony in the home of the bride's parents. Receiving were Mr. and Mrs. J. O. Lancaster, Mr. and Mrs. George McGee and members of the wedding party.

Assisting were Mrs. Bill Latham, of Ferriday, Mrs. Rose Alexander, aunt of the bride from Shreveport, Mrs. Chester Schiele, Mrs. Anne Womack and Miss Lee Gibson.

After a wedding trip to Chattanooga, Tenn., the young couple will make their home in Natchitoches. For traveling the bride wore a navy and white checked suit with navy accessories.

Little Girls Like Grooming

It's a rare little girl who doesn't enjoy sneaking into Mommy's cosmetic kit. Most five-year-olds are inevitably drawn to bright red lipstick to paint a pretty mouth like Mommy's, or a huge fluffy lamb's wool puff to pat on face powder to their heart's content.

Nail polish rates high on the small girl's list of cosmetic favorites, too. There's a dual fascination in applying it for her. First, she feels very grown-up doing her own nails. Secondly, it's a form of creative play for her.

About this time you've probably given her a bottle of colorless nail polish, hoping she would accept this and leave your bright red and pink nail polish alone. But still retain her interest in keeping her nails pretty.

One thing about those neat little plastic covers for the mixer, toaster and roaster: don't put them on when the appliance is even faintly warm.

Garden Club Sponsors Gregory Conway

The Monroe Garden Club will hold its first fall meeting at the Bayou DeSiard Country Club on Monday, September 20th and Tuesday September 21st. The Club will sponsor J. Gregory Conway, who will give two lecture-demonstrations on Monday and conduct a clinic on Tuesday.

J. Gregory Conway, forty-three years old, nimble-fingered, with a highly educated eye for design and color, is a gentleman who can be thrown into a pretty serious dither by nothing more than a bunch of flowers in disarray. Conway dithers easily and frequently: a bad floral arrangement has about the same effect on him as a bad note has on Toscanini. It has a way of reducing the world to a ball of mud, full of weeds. Over the past couple of decades, however, Conway, a tireless counter-agent of flower haphazardness, has been writing, lecturing and teaching only one subject: the creation of, to use a phrase he's fond of, "a thing of beauty" out of a handfull of flowers. Flowers, to Conway, aren't just a lot of petals and stalks of colored nature. They are instead a source of strength, of the-meaning-of-life, even of the spiritual.

Conway studied at the famous Ohara school in Osaka, his preoccupations being the Moribana and Nagiere styles of flower arrangement. He went back to Japan on three other occasions to soak up whatever arranging ods-and-ends he had overlooked. In California in the 1930's he taught flower arrangement—first at the city schools of Long Beach, later at the University of Southern California. (He managed to talk the Southern Cal authorities into giving full credit for the course on the ground that it was a kind of History 1, only it was fragrant.) Prior to World War II he began to lecture on flowers: after the war he taught at the University of Hawaii for a couple of years, then returned to lecturing.

These days Conway, when he isn't nursing the azaleas, the magnolias, the Polynesian ginger roots, the Haitian banana tree, and the other flora in his garden, has his mind on his new book.

Hostesses will be: Mrs. James A. Noe, Mrs. J. B. Kugler, Mrs. L. T. Hall, Jr., Mrs. Ed. F. Dalton, Mrs. Vernon Maish, Mrs. A. D. Tisdale, Mrs. Wood Thompson, Mrs. Tom Keller, Mrs. Duncan Smith, Mrs. John Salisbury, Mrs. A. S. Tidwell, and Mrs. J. Floyd Stone, Sr.

ATOMIC LOCKET

Latest gadget of the atomic age is a locket - size glass device that records the degree of radiation to which it is exposed.

Designed for use in the event of an atomic bomb attack, the disc may be carried in a watch pocket or worn as a locket. Through its use, medical diagnosis can be aided in examination of victims of an atomic attack.

Called a dosimeter, it is recommended for use by civil defense emergency teams.

It's easier to make buttonholes in thin material if you first rub a little library paste on the wrong side.

MRS. THOMAS R. DAVIS, JR.

MRS. J. D. CAMERON, JR., who was Miss Eleanor Wilder, is the daughter of Mr. and Mrs. Loice P. Wilder of Calhoun. Mr. Cameron's parents are Mr. and Mrs. J. D. Cameron of this city. Their vows were said September 4 in the Church of Nativity in Biloxi, Miss. They are making their home in Monroe.

Davis-O'Neal Vows Are Exchanged In Alabama Presbyterian Church

Miss Margaret Ann O'Neal and Thomas R. Davis, Jr., exchanged their wedding vows in a double ring candlelight ceremony performed at seven-thirty in the evening at the Alabama Presbyterian Church. The Rev. W. Robert Gage officiated at the service.

The bride is the daughter of Mr. and Mrs. W. A. O'Neal of Choudrant. Parents of the bridegroom are Mr. and Mrs. Thomas R. Davis of Ruston.

The altar was banked with baskets of gladiolas, giant daisies and a myriad of cathedral tapers.

Prenuptial music was presented by Mrs. Tylpha Babens. The Rev. Charles Ford of Hot Springs, Ark., sang "Because," "I Love You Truly" and "The Lord's Prayer."

Candlelighters were Misses Mary Ann Whitman and Janie O'Neal. Their waltz - length gowns were of yellow embroidered Swiss organdy. A bandeaux of tulle and shasta daisies complemented their princess styled dresses. They also wore wrist corsages.

Bridesmaids were Misses Theta Smith, Sue Baker, Lula Kate Ball and Mrs. Dean McBee. Miss Mamy Beth Ambrose was maid of honor.

The attendants were identically gowned in lime green imported Swiss organdy. Their headdresses were fashioned from tulle and shasta daisies. They each carried fan-shaped bouquets of daisies.

Patricia Ann O'Neal, niece of the bride, was flower girl. Her dress was yellow and she carried a miniature bouquet of yellow daisies and wore a circlet of yellow daisies in her hair.

Given in marriage by her father, the bride was wearing an original creation of bridal white chantilly lace tulle and satin. The lace bodice was fashioned with a low, round neckline and long tight fitting sleeves which came to points over the wrist. Seed pearls were embroidered on the bodice. The bouffant skirt featured a panel of pleated tulle which extended into a chapel length train.

She wore a pearl coronet from which fell her veil of silk illusion. Her bouquet was of white rose buds.

Serving the bridegroom as best man was Gene Posey.

Ringbearer was Robert Gage, Jr.

William O'Neal, Robert Clayton Alexander, Dean McBee and Claude Martin were groomsmen.

Mrs. O'Neal chose for her daughter's wedding a blue chiffon gown with a corsage of pink hibiscus.

Mrs. Davis, mother of the bridegroom, was attired in a pink lace model with a pink hibiscus corsage.

Reception Held

Immediately following the wedding, a reception was held in the church's receiving rooms.

Guests were received by the bridal couple, their mothers and the wedding attendants.

The bride's table was overlaid with a cutwork cloth over white satin. Centering the table was an artistic arrangement of daisies, hibiscus and gladiolas. Single crystal candelabra held white tapers. The graduated bride's cake was topped with traditional bride and groom figurines.

Serving the cake were Mrs. Henry Barthel and Mrs. Lucille Collie.

Alternating at the punch service were Mrs. R. H. Alexander, Mrs. Gene Posey, Miss Delia Holstead, Miss Patsy Ambrose and Miss Florence Collie.

Miss Mamy Ellen Pierce registered the guests.

Following the reception, the couple departed on their wedding trip. For traveling the bride changed to a navy and white linen suit with navy accessories and a white orchid corsage.

Mr. Davis reported to duty at Newport, R. I. following their wedding trip and Mrs. Davis will continue her studies at Louisiana Tech.

Pierian Club Have First Meeting Of Year

Mrs. J. P. Causey began her term of office Wednesday when the Pierian Club met for their first meeting of the year. The club room at Community Hall was turned into a little theater for the presentation of films on gardening. Beautiful roses arranged about the room vied for honors with the specimen blooms shown on the screen. Bobby Simmons of Shreveport, a representative of the California Spray Chemical Company, showed the films and presented several of his products to the ladies.

Mrs. T. L. Smith gave a forecast of what might be done in the line of fine arts during the year. The club took a long look ahead and considered their part as one of the hostess clubs for the state meeting in Monroe next spring.

Mrs. R. F. Barham, Sr. presided at the punch bowl during the refreshment period. Other hostesses were Mrs. M. T. Limerick, Mrs. L. H. Loughridge, Mrs. W.M. Nolan, and Mrs. T. L. Smith. New members welcomed on this occasion were Mrs. Neil Mott, Mrs. Frank Dixon and Mrs. J. E. Smith.

Members of the Caddoan Club, junior club sponsored by the Pierians, were in attendance: Mrs. W. P. Smith, Mrs. James Poole, Mrs. W. M. Rolfe, Mrs. W. A. Shaw, and Mrs. Jack Carey. Other members and guest included Mrs. Elmer McLendon, Mrs. C. E. Shepard, Mrs. J. S. Barr, Mrs. Dorothy Barham, Mrs T. E. Barham, Mrs. C. G. Rolfe, Mrs. A. H Valentine, Mrs. C. N. McDuffie, Mrs. James Rolfe, Mrs. J. P. Causey, Mrs. Joe Carter, Mrs. .W D. Carroll, Mrs. E. A. Barham, Mrs. Fred E. Smith of Bastrop, and Mrs. Blackshear of Baton Rouge.

Lounge Wear Launders Easily

Newest among lingerie and and lounge fashions is the full-length fitted coat, made of nothing heavier than nylon tricot. Sometimes it has a huge, sailor collar. For the bride's trousseau, the collar is made entirely of lace.

Metallic touches are seen through all styles of lounge wear. Some robes feature just a touch of metallic braid, others have metallic threads woven right into the material.

One might think by looking at these frail and fragile robes and peignoirs that there's considerable difficulty in washing them, and retaining their clean, dainty appearance.

But, usually, these lounging items launder well and hold their shape. Nylon tricot is famous for its graceful appearance and washability.

Some trouser outfits combine two or more different types of fabrics and must be washed separately. For instance, a corduroy top can be washed in hotter soapsuds than its matching rayon satin trousers, with absolutely no damage to the material.

Colored robes and trousers wash best at just warm temperature for both the sudsings and the rinses. They should be washed separately.

Presbyterian Church Women Meet In Ruston

The Forty-first Annual Meeting of the Women of the Church, Synod of Louisiana, will be held in the First Presbyterian Church, in Ruston, September 28-29th. The theme of the meeting will be "Forward With Christ." Mrs. T. D. Connell, Jr. of Shreveport, president, will preside at all sessions.

Reports will be given by the general officers, and the committee chairmen will give plans of the work for 1955. Five officers to be elected are vice-president, recording secretary, chairman of Church Extension, Chairman of Christian Education, and chairman of Stewardship. Special speakers will be the Rev. George Ricks, Baton Rouge, Director of Christian Education for the Synod of Louisiana; the Rev. Paul Freeland, Nashville, Tenn., Director of Overseas Relief and Inter-Church Aid of the Presbyterian Church, U. S.: and Dr. Taylor Revely of Southwestern College, Memphis, Tennessee. Dr. W. L. McLeod, Shreveport, Synod's chairman of Women'a Work, will install the new officers. Dr. H. H. Thompson, pastor of the host church, will conduct the Sacrament of the Lord's Supper on Wednesday evening, at the closing session of the meeting.

Members of the synodical board residing in Red River Presbytery, in addition to the president, Mrs. Connell, are Miss Beulah Pendergrass, Shreveport, corresponding secretary: Mrs. C. H. Martin, Monroe, treasurer: Mrs. M. L. Guice, Winnsboro, charman of Church Extension: Mrs. Harry Frazee, Shreveport, chairman of Program Committee: Mrs. Joe Darwin, Shreveport, chairman for synodical Training School: Mrs. C. R. Caldwell, Shreveport, chairman of Constitution and By-Laws Committee: Mrs. T. K. Giddens, Shreveport, chairman of Inter-Group Work; and Mrs. S. R. Williamson, Springhill, president of the Women of the Church.

MRS. THOMAS R. DAVIS, JR.

MRS. J. D. CAMERON, JR., who was Miss Eleanor Wilder, is the daughter of Mr. and Mrs. Loice P. Wilder of Calhoun. Mr. Cameron's parents are Mr. and Mrs. J. D. Cameron of this city. Their vows were said September 4 in the Church of Nativity in Biloxi, Miss. They are making their home in Monroe.

Davis-O'Neal Vows Are Exchanged In Alabama Presbyterian Church

Miss Margaret Ann O'Neal and Thomas R. Davis, Jr., exchanged their wedding vows in a double ring candlelight ceremony performed at seven-thirty in the evening at the Alabama Presbyterian Church. The Rev. W. Robert Gage officiated at the service.

The bride is the daughter of Mr. and Mrs. W. A. O'Neal of Choudrant. Parents of the bridegroom are Mr. and Mrs. Thomas R. Davis of Ruston.

The altar was banked with baskets of gladiolas, giant daisies and a myriad of cathedral tapers.

Prenuptial music was presented by Mrs. Tylpha Babens. The Rev. Charles Ford of Hot Springs, Ark., sang "Because," "I Love You Truly" and "The Lord's Prayer."

Candlelighters were Misses Mary Ann Whitman and Janie O'Neal. Their waltz - length gowns were of yellow embroidered Swiss organdy. A bandeaux of tulle and shasta daisies complemented their princess styled dresses. They also wore wrist corsages.

Bridesmaids were Misses Theta Smith, Sue Baker, Lula Kate Ball and Mrs. Dean McBee. Miss Mamy Beth Ambrose was maid of honor.

The attendants were identically gowned in lime green imported Swiss organdy. Their headdresses were fashioned from tulle and shasta daisies. They each carried fan-shaped bouquets of daisies.

Patricia Ann O'Neal, niece of the bride, was flower girl. Her dress was yellow and she carried a miniature bouquet of yellow daisies and wore a circlet of yellow daisies in her hair.

Given in marriage by her father, the bride was wearing an original creation of bridal white chantilly lace tulle and satin. The lace bodice was fashioned with a low, round neckline and long tight fitting sleeves which came to points over the wrist. Seed pearls were embroidered on the bodice. The bouffant skirt featured a panel of pleated tulle which extended into a chapel length train.

She wore a pearl coronet from which fell her veil of silk illusion. Her bouquet was of white rose buds.

Serving the bridegroom as best man was Gene Posey.

Ringbearer was Robert Gage, Jr.

William O'Neal, Robert Clayton Alexander, Dean McBee and Claude Martin were groomsmen.

Mrs. O'Neal chose for her daughter's wedding a blue chiffon gown with a corsage of pink hibiscus.

Mrs. Davis, mother of the bridegroom, was attired in a pink lace model with a pink hibiscus corsage.

Reception Held

Immediately following the wedding, a reception was held in the church's receiving rooms.

Guests were received by the bridal couple, their mothers and the wedding attendants.

The bride's table was overlaid with a cutwork cloth over white satin. Centering the table was an artistic arrangement of daisies, hibiscus and gladiolas. Single crystal candelabra held white tapers. The graduated bride's cake was topped with traditional bride and groom figurines.

Serving the cake were Mrs. Henry Barthel and Mrs. Lucille Collie.

Alternating at the punch service were Mrs. R. H. Alexander, Mrs. Gene Posey, Miss Delia Holstead, Miss Patsy Ambrose and Miss Florence Collie.

Miss Mamy Ellen Pierce registered the guests.

Following the reception, the couple departed on their wedding trip. For traveling the bride changed to a navy and white linen suit with navy accessories and a white orchid corsage.

Mr. Davis reported to duty at Newport, R. I. following their wedding trip and Mrs. Davis will conhinue her studies at Louisiana Tech.

Pierian Club Have First Meeting Of Year

Mrs. J. P. Causey began her term of office Wednesday when the Pierian Club met for their first meeting of the year. The club room at Community Hall was turned into a little theater for the presentation of films on gardening. Beautiful roses arranged about the room vied for honors with the specimen blooms shown on the screen. Bobby Simmons of Shreveport, a representative of the California Spray Chemical Company, showed the films and presented several of his products to the ladies.

Mrs. T. L. Smith gave a forecast of what might be done in the line of fine arts during the year. The club took a long look ahead and considered their part as one of the hostess clubs for the state meeting in Monroe next spring.

Mrs. R. E. Barham, Sr. presided at the punch bowl during the refreshment period. Other hostesses were Mrs. M. T. Limerick, Mrs. L. H. Loughridge, Mrs. W.M. Nolan, and Mrs. T. L. Smith. New members welcomed on this occasion were Mrs. Neil Mott, Mrs. Frank Dixon and Mrs. J. E. Smith.

Members of the Caddoan Club, junior club sponsored by the Pierians, were in attendance: Mrs. W. P. Smith, Mrs. James Poole, Mrs. W. M. Rolfe, Mrs. W. A. Shaw, and Mrs. Jack Carey. Other members and guest included Mrs. Elmer McLendon, Mrs. C. E. Shepard, Mrs. J. S. Barr, Mrs. Dorothy Barham, Mrs. T. E. Barham, Mrs. C. G. Rolfe, Mrs. A. H Valentine, Mrs. C. N. McDuffie, Mrs. James Rolfe, Mrs. J. P. Causey, Mrs. Joe Carter, Mrs. .W D. Carroll, Mrs. E. A. Barham, Mrs. Fred E. Smith of Bastrop, and Mrs. Blackshear of Baton Rouge.

Lounge Wear Launders Easily

Newest among lingerie and and lounge fashions is the full-length fitted coat, made of nothing heavier than nylon tricot. Sometimes it has a huge, sailor collar. For the bride's trousseau, the collar is made entirely of lace.

Metallic touches are seen through all styles of lounge wear. Some robes feature just a touch of metallic braid, others have metallic threads woven right into the material.

One might think by looking at these frail and fragile robes and peignoirs that there's considerable difficulty in washing them, and retaining their clean, dainty appearance.

But, usually, these lounging items launder well and hold their shape. Nylon tricot is famous for its graceful appearance and washability.

Some trouser outfits combine two or more different types of fabrics and must be washed separately. For instance, a corduroy top can be washed in hotter soapsuds than its matching rayon satin trousers, with absolutely no damage to the material.

Colored robes and trousers wash best at just warm temperature for both the sudsings and the rinses. They should be washed separately.

Presbyterian Church Women Meet In Ruston

The Forty-first Annual Meeting of the Women of the Church, Synod of Louisiana, will be held in the First Presbyterian Church, in Ruston, September 28-29th. The theme of the meeting will be "Forward With Christ." Mrs. T. D. Connell, Jr. of Shreveport, president, will preside at all sessions.

Reports will be given by the general officers, and the committee chairmen will give plans of the work for 1955. Five officers to be elected are vice-president, recording secretary, chairman of Church Extension, Chairman of Christian Education, and chairman of Stewardship. Special speakers will be the Rev. George Ricks, Baton Rouge, Director of Christian Education for the Synod of Louisiana; the Rev. Paul Freeland, Nashville, Tenn., Director of Overseas Relief and Inter-Church Aid of the Presbyterian Church, U. S.: and Dr. Taylor Revely of Southwestern College, Memphis, Tennessee. Dr. W. L. McLeod, Shreveport, Synod's chairman of Women'a Work, will install the new officers. Dr. H. H. Thompson, pastor of the host church, will conduct the Sacrament of the Lord's Supper on Wednesday evening, at the closing session of the meeting.

Members of the synodical board residing in Red River Presbytery, in addition to the president, Mrs. Connell, are Miss Beulah Pendergrass, Shreveport, corresponding secretary: Mrs. C. H. Martin, Monroe, treasurer: Mrs. M. L. Guice, Winnsboro, charman of Church Extension: Mrs. Harry Frazee, Shreveport, chairman of Program Committee: Mrs. Joe Darwin, Shreveport, chairman for synodical Training School: Mrs. C. R. Caldwell, Shreveport, chairman of Constitution and By-Laws Committee: Mrs. T. K. Giddens, Shreveport, chairman of Inter-Group Work; and Mrs. S. R. Williamson, Springhill, president of the Women of the Church.

STEVE GENTRY celebrated his first birthday on Friday, September 17, with a small party at the home of his parents.

MR. AND MRS. VERNON HARRELL and daughter, Debbie Kay, cut their 25th anniversary wedding cake.

The Harrells Celebrate Anniversary

The 25th anniversary of Mr. and Mrs. Vernon Harrell was celebrated at their home at 105 Smith Ave., Sept. 1st.

The house was decorated with large bowls of white chrysanthemums, carnations and gladiolas. A table decorated with a white lace cloth and white chrysanthemums held the gifts. Mrs. Harrell was wearing a dress of blue nylon chiffon with an orchid corsage. Daughter Debbie Kay's frock was yellow organdy.

The serving table was placed on the patio which was decorated with greenery, white roses and burning candles. A three tiered cake with candles in silver holders was the centerpiece.

The guests were greeted by Mrs. Ollie Hancock. Mrs. Jane DeMasterson and Miss Ann Love received the gifts, Mrs. Arnice Simpson served the cake and Mrs. Almeda Crow presided at the punch bowl. Assisting with the serving were Mrs. Dixie Corn, Mrs. Nellie Megison, and Mrs. Lucille Cernigilario.

More than one hundred guests called during the evening.

Joyce Anderson Becomes Bride Of Walter Roach

TALLULAH — In an impressive candlelight wedding at the Methodist church here on Saturday afternoon, September 11 at 4:30 o'clock Miss Joyce Anderson, daughter of Mr. and Mrs. Harry Anderson became the bride of Walter Roach, son of Mr. and Mrs. David Roach of Wisner.

Cathedral candles in a wide, graduated candelabra above massed greenery and flanked by white floor baskets filled with white gladioli and fern formed the background for the exchange of vows. At either end of the altar rail, decorated with ivy and nandina foliage, stood a floor candelabrum holding white tapers and entwined with ivy. The reserved pews were marked with clusters of clematis tied with white ribbons.

Mrs. Vernon R. Thompson rendered a program of wedding music as the guests were being seated and accompanied Mrs. Harry Anderson, Jr., who sang "Because" and Mr. Wray Bowie who sang as a benediction at the end of the ceremony "The Lord's Prayer." The Rev. Alton A. McKnight of Alexandria read the double ring service.

Miss Sue Leoty of Alexandria, the bride's only attendant, wore a dress of silk mauve made with tucked bodice trimmed with pearls and rhinestones, a matching stole and full skirt. She carried a nosegay of pink carnations.

The bride, escorted by her brother, Mr. Harry Anderson, Jr., was attired in a wedding dress of white rose patterned Chantilly lace and tulle over satin with Grecian strapless bodice over which was worn a jacket with petal collar and long sleeves ending in lily points over the hands. A lace panel down the front and back and a tucked peplum added to the beauty of the waltz length skirt. Her shoulder length veil was attached to a chaplet of tiny flowers and she carried a bridal bouquet of feathered carnations and tuberoses centered with a white orchid.

Mr. James Turner of Wisner served the bridegroom as best man and the ushers were Frank Spann of Wisner and Charles Bass of Monroe. Mrs. Anderson chose for her daughters' wedding a teal blue silk dress with which she wore a dusty pink hat and a corsage of pink carnations. Mrs. Roach, the groom's mother, was dressed in copen blue crepe with which she wore white accessories and a white corsage.

A reception was held in the community room of the church which was decorated with pink roses. The refreshment table with its white cover held at one end the handsomely embossed wedding cake topped with a miniature bride and groom and at the other end a crystal punch bowl. A low flat arrangement of pink althea blossoms and clematis formed the central decoration. Mrs. William Morris and Miss Billye Davis served the cake and Miss Dorothy Roach of Wisner, sister of the groom presided at the punch service. Mints and salted nuts were also served. Guests were invited to register in the bride's book by Miss LeEvelyn Grace.

After the reception the couple left for a motor trip to an unannounced destination. For traveling the bride wore a brown cotton suit with matching accessories and the orchid from her bouquet.

Both Mr. and Mrs. Roach attended Northeast State College and he also attended Louisiana State University. They will make their home in Wisner.

Out of town guests in attendance at the wedding were Mrs. David Roach, Mr. and Mrs. David Roach Jr., Miss Dorothy Roach, Mrs. George Huckaby, Mary Gail, Dale Allen and David Huckaby, Miss Hilda Batey, Mr. and Mrs. James Turner and Mr. and Mrs. Frank Spann of Wisner; Mrs. C. S. Huntley of Winona, Miss.; Mrs. Clyde Livingston and Mrs. David Livingston of Lake Village, Ark.; Mr. and Mrs. Bob Hall and Miss Jean Burgess of Shreveport, Miss Sue Leoty and Rev. and Mrs. A. A. McKnight of Alexandria; Mr. and Mrs. Charles Bass of Monroe; Mrs. Norwood King of Benton, Miss.; Mrs. Ed Mook and Miss Edna Mook of Helena, Ark.; Miss Jeannette Reynolds of Crowville.

United Church Women Announce October Meeting

Members of the Board of United Church Women met on Friday, September 10th, at 10:00 a. m. in the First Methodist Church of West Monroe. Mrs. Fagan Cox, Acting President, presided.

Mrs. H. B. Zeagler led the morning's devotional.

Mrs. D. C. Metcalf, Chairman of Christian World Missions, announced a special missionary emphasis meeting of United Church Women to be held on Friday, October 1st, at 10:30 a. m. in the First Methodist Church of Monroe. This will be a covered dish luncheon. The guest speaker will be Mrs. J. B. Entriken of Shreveport. Mrs. Entriken is the wife of Prof. J. B. Entriken of Centenary College. Mrs. Entriken will address the women on the meeting of the World Council of Churches held in Evanston, Illinois recently. All women of all churches of the Twin Cities are invited.

Mrs. Cox announced a workshop on the United Nations to be held on Thursday, October 21st, from 10:00 A. M. to 2:00 P. M., the place of meeting to be announced later.

Mrs. D. L. Anderson Chairman of Christian World Relations, made requests for used nylon hose from women in each church. These hose will be sent to Japan to supply the Japanese women with silk thread which they can use in their hand work.

Mrs. Anderson announced World Community Day to be observed by United Church Women on Friday, November 5th, to be held in the following churches:

10:00 a. m. in the Stone Ave. Methodist Church for the adults.

3:00 p. m. in the First Methodist Church for the children.

7:30 p. m. in the Grace Episcopal Church for the Business and Professional Women.

More publicity on World Community Day observances will be given at a later date.

In a hurry to make a dessert? Buy a couple of 8-inch sponge layers and whip and sweeten a cup of cream; spread some of the cream between the layers and arrange sliced fruit over it. Then spread the top and sides of the cake with the rest of the whipped cream and garnish with more fruit.

MISS WILLIE VON JENNINGS' engagement and approaching marriage is announced today by her parents, Mr. and Mrs. Mike Jennings, Jr., of Winnsboro, to Archie P. Miller, son of Mr. and Mrs. A. Newton Miller of Rayville. The ceremony will be performed at Boeuf River Baptist Church at Liddieville, west of Winnsboro at 7 o'clock, Friday, October 1. The Rev. W. E. Bucklew will officiate. After a brief honeymoon, the couple will make their home in Monroe. No invitations are being sent. All friends are invited.

Cottons Have Style, Color

New cotton fabrics are being introduced for cool fall weather. Some are blended with silk or rabbit's hair, some with suede and flannel. Cotton dresses have earned a place in the budget-and-fashion-wise woman's fall wardrobe because of their washability, fine styling and easy ironing.

The patterns of these dresses are exciting and varied. There are embroidered motifs, fruits, flowers, hearts, paper dolls and doves.

Striped cottons are more interesting, too, featuring thin lines of iridescent colors. Plaid cottons are sparked with embroidered dots.

Now the homemaker is being offered cotton yardage that's wrinkle resistant, permanently pleated and embossed or crinkled to make ironing completely unnecessary.

Of course, it's always a good idea to double check the tag of the no-iron cotton dress. Sometimes the no-iron feature of a dress may depend entirely on the length of time it's been in the dryer.

Colored cottons, of course, should always be washed in warm, rather than hot, soapsuds and should be dried out of doors.

ANNOUNCEMENT

Mr. J. E. Goeders, President of Goeders Tree Surgeons, Shreveport, Louisiana, will be at the Hotel Virginia, Monday, September 20th thru Wednesday, September 23, and will be available to furnish complete professional shade tree service. Call for appointment.

New Explorer's Club Sets First Meeting For Friday

Monroe society is looking forward to the first meeting of the newly organized Explorer's Club which will be held at 7 o'clock Friday evening on Cherokee Terrace of the Frances Hotel.

ROBERT DAVIS

Of special interest to the members will be the typical Iceland dinner which will be served in native style.

In keeping with dinner will be the travelog on Iceland, the Capri of the North, by Robert Davis, an ace cinematographer who will narriate the film in person.

The speaker will be introduced by Brig. Gen. George Trousdale.

It was pointed out by the Travelog representative that the Iceland movie, which is scheduled to be shown in New York City's Town Hall in early December, is being shown here more than two months before New Yorkers will have the opportunity of seeing it.

In addition to the film and dinner, members will elect new officers for the organization.

Miss Elizabeth Langford has been appointed secretary pro-tem. Those desiring further information concerning the new Explorer's Club, which is the first of its kind in Louisiana, can contact Miss Langford.

YMCA Activities

YRG'S

On Monday evening the YRG's held their regular meeting with Evelyn Stamper, president, presiding. A new member of YRG's: Ruby Waldroup, and Evelyn Stamper assisted Mrs. Hundley in serving supper. The devotion: Luke 10: 25-37 was given by Juanita Sellers. The meeting was closed with the Mizpah benediction.

Read Informative Labels When Buying

Facts About Cotton Fabrics:

Many of the cotton fabrics this year are finished with resin, either to give them resistance to wrinkles and soil or for such decorative effects as a glazed sheen on raised designs that give an embossed apperarance. This resin finish may add to the attractiveness of the goods and also save cleaning and pressing.

There are other finishes of cottons. Many cottons that look like silk are mercerized — a permanent finish that calls for no special care. Informative labels on ready-made garments and yard goods are especially helpful in getting the most satisfaction from these cottons. Be sure you read and observe the recommendations when buying garments.

Miss Margaret Brumby, Extension Clothing Specialist, emphasizes a chlorine bleach should never be used in laundering resin finished cottons (or linens) as resin absorbs chlorine and the fabric becomes weakened and discolored. If a bleach is needed use a perborate bleach. The label on the goods or garment should give this information especially if the fabric is white.

Make Cut Flowers Last

Fair time is here and we will be bringing cut flowers-so this is timely information for you. Cut flowers wilt fast in hot weather, but they will probably last longer if you follow some of the tips offered by the Agricultural Extension Service assistant home garden specialist at LSU, Miss Winona Chauffe. First, try to cut the flowers early in the morning, before sunup. Late afternoon harvesting is also all right. You may not be able to cut all stems with a slant when gathering them but you can cut them slanted before placing the stems in water or your favorite conditioning solution. The flowers will absorb more if cut on a slant. Conditioning solutions vary, she says, according to types of flowers. For instance Marigolds will remain fresher in a sugar, salt and water solution. Make it with two tablespoons of sugar, one tablespoon of salt in one quart of water. A solution for dalhias is made of two quarts of iced water and 5 tablespoons of alcohol. First, burn the ends of the dalhia stems. Eight drops of oil of peppermint in a quart of water will make daisies last longer, too. You can condition roses in two tablespoons of powdered alum or table salt in a quart of water. The Extension specialist says to condition the flowers for about two hours. Then make up your arrangement in fresh water. Always use clean flower vases and holders between arrangements to help ward off bacteria. These suggestions will help ffair exhibitors.

Spring Blooming Flowers Must Be Planted Soon

All of us enjoy our yards more in the spring than any other season of the year. To have plenty of color and beauty in the spring, we must plant in september and October. Here is a list of the tried and true varieties recommended by the LSU specialist: Sweet Alussum, babysbreath, Texas bluebell, calendula, candytuft, larkspur, mignonette, petunias, queenslace, blue salvia, Chinese for-get-me-not, cornflowers, coreopsis, daisies, (shasta, African and English) scabiosa, slatice, pansies, phloxs and pinks. Many of these seeds should be started in a flat. Some will not transplant easily. A list giving this information may be obtained from the Extension Service by calling 3-2251.

Ants

Are the ants moving in on you? Then get 2 per cent chlordane and get rid of them. Kirby Cockerham, Agricultural Extension Service Entomologist, says that the oil-base chlordane solution is usually safer to use in the home if there are children or pets. Treat all nests found in the yard, too. This oil-base solution does not leave a stain, and dries to an almost invisible coating. Extension Service has ant control bulletins, too.

Girl Scout News

"Around the campfire at night you see
The smoke curl up over Wawbansee.
You hear the tales of an Indian Maid
Who followed the animals unafraid,
And up the hill and down the vale,
Able to find the wild folks trail.
Or maybe you are that Indian Maid
Who roams the hillsides unafraid."

This little poem was written by Miss Julia Wossman in a letter to her nieces, Jessica and Julia Carpenter, of Bastrop, who were among the campers at Wawbansee, the establshed camp sponsored by the local council.

It's time now for troops to be getting started so as not to miss any opportunity for the fun and work and fellowship of Scouting.

Marie Wilds and Edna Shaughnessy have begun work with Troop 37, not sixth graders at St. Mathews. The troops meets in the playroom and in the yard at the Wild's. Last year the girls became Second Class Scouts and worked on Homemaking badges, enjoyed an overnight. They are making bigger and better plans for this year.

They'll miss Cecie Wood and her mother, who were both active in the troop. The family has gone to Germany to join their husband and father. The girls can hardly wait to hear from Cecie. They're hoping she can get in a troop of American girls [illegible] heard there were about 30,000 Girl Scouts in troops abroad.

Before Cecie left, the troop gave her a bracelet as a token of friendship.

Troop 14 is reorganizing as a senior troop. Girls do grow up, you know. With Ethel Easterling as leader and Lorraine Ragland as assistant the girls are planning worthwhile activities and lots of camping and lots of fun. Ethel is planning to attend the regional conference in Knoxville, taking two of the girls. It will be the first time any senior scouts from our council have attended any such meetings — haven't heard just who will go, but it will be two who will be a credit to our community, we are sure.

Kick - off of the Red Feather campaign will be on the 27th, we hear, with a big dinner attended by the general public. Girl Scouts have been asked along with the Boy Scouts, to furnish older girls for ushers for the banquet.

CELEBRATES BIRTHDAY — Vicky Thomas, daughter of Mr. and Mrs. Breathen Thomas of Sterlington, celebrated her 9th birthday at a party. Sharing the occasion with Vicky were Shirley Hunter, Danny Thomas, Brenda Thomas, Gail Donivan, Marguerite and Marie Thedford of Spencer, Rev. and Mrs. Vester Headrick of Fairbanks, Mrs. W. J. Thomas and Mrs. Margie Nolan.

Your Problems

By ANN LANDERS

Dear Mrs. Landers: Four months ago, a friend of mine was left a widower with four little children to rear. As he had no one to help him, he asked me to keep house for him. We now love one another and get along very well. The children and I have no trouble until their uncle (their mother's brother) steps in and tries to run things. Then, the children wont mind me for several days. The brother - in - law has also told my friend to "get her (me) out of here, or else." He makes things so miserable that I don't know whether to leave or to stay. —S. B.

"Or else," . . . What? Big mouth little do . . . too many chiefs and not enough Indians. Does the brother-in-law offer to move in and care for the children, or just nominate himself straw boss? Tell your friend that your success with the children depends upon your control of them and that since their uncle does nothing to help, but succeeds in upsetting the applecart, he has a choice of telling uncle to confine his calls to nice "uncley" social visits or to stay away . . . or you will leave. Of course, the obvious solution to the whole situation is to make your position legal by a trip up the aisle.

Dear Ann Landers: I am 20 and have been engaged for almost two years to a boy who is away in the service. He will soon be home permanently. While he was away we argued about many things in our letters, but one of us always gave in. However, the last argument seems serious enough to break us up and I want your opinion.

Formerly, my fiance agreed that $5 a week would be ample for him after we were married. Now, with no explanation, he demands $20. I worry, and refuse to agree because one of my married relatives keeps his entire check and drinks and gambles it away.— A. W.

You two can't even wait for the rice to be thrown before arguing like an old married couple! The amount of money your future husband has in his pants pocket per week is not important. However, it is important that you both agree to work things out for your mutual satisfaction. Agree to put away the boxing gloves until your fiance comes home, when you can work out a budget to see what is reasonable for him to have.

You have no right to set the sum at $5 when you might well be able to afford more (the poor guy!) And he has no right to demand $20 when the baby (Birds and Bees, page 99) needs milk. Also you have no right to expect him to misbehave because your Uncle Charley is a no-good. No need to break up. Your troubles will dissolve when your fiance is home again.

(Ann Landers will be glad to help you with your problems. Send them to her in care of Morning World.)

HOMADE MASSAGE CREAM

You can make your own massage cream of thick soapsuds and a bit of salad oil. It is especially good for rough skin.

People with "quaint" homes and the bad plaster that goes with them have discovered burlap makes a wonderful wall covering. Consult your decorator or get good directions. Make the seams close enough to allow for shrinkage when the paste dries.

Free Book on Arthritis And Rheumatism

HOW TO AVOID CRIPPLING DEFORMITIES

An amazing newly enlarged 44-page book entitled "Rheumatism" will be sent free to anyone who will write for it.

It reveals why drugs and medicines give only temporary relief and fail to remove the causes of the trouble; explains a specialized non-surgical, non-medical treatment which has proven successful for the past 35 years.

You incur no obligation in sending for this instructive book. It may be the means of saving you years of untold misery. Write today to The Ball Clinic, Dept. 3702, Excelsior Springs, Missouri.

Why Grow Old?

By Josephine Lowman

By JOSEPHINE LOWMAN

In Greece the bath and the gymnasium have always been closely associated. This is certainly as it should be. We follow our exercises with a tub or a shower. As a matter of fact, we could go a step further and combine our baths with daily exercise. Here are a few motions which will whip up the circulation.

Take a towel in your hands, one end in each hand, and the towel behind your back. Straighten your spine. Swing the arms backward as far as you can, elbows straight and still holding to the towel. Return arms to sides. Continue swinging backward and returning to place.

Next, the activity you indulge in when simply rubbing your back with your towel is good for the arms.

Reach

Third, take hold of the towel, one end in each hand, but with the towel in front of you this time. Keep hold of the towel as you raise your arms forward, upward to the overhead position. Reach for the ceiling! Lift your chin slightly so that you will not duck your head. Lower arms to starting position. Continue raising and lowering the arms. Keep the elbows stiff throughout.

Fourth, when you dry your legs keep your knees stiff and bend from the waist, drying the legs all the way down to the feet, one leg at a time. If you wish to add a bit more exercise to this procedure, bend over and dry one-third of the left leg. Raise the trunk and lift the towel overhead. Again lower the trunk and arms and dry the second third of the left leg. Again raise the trunk and lift towel overhead, stretching upward. This time bend and go all the way down to the feet. Raise trunk and lift towel overhead.

Rub Briskly

Do the same thing when you dry the right leg. This makes a very fine exercise because of the wonderful way you can stretch upward with the towel.

Few people rub themselves as briskly as they should. It is most beneficial to health and to the skin to rub until the skin is pink. This is a mild sort of exercise and also gets rid of many dead cells on the surface of the skin.

Clean Brush In Sudsings

For beauty's sake, every woman needs an assortment of brushes. In this assortment you might include: eyebrow, hair, complexion, bath, shampoo, powder, shower and hand brushes.

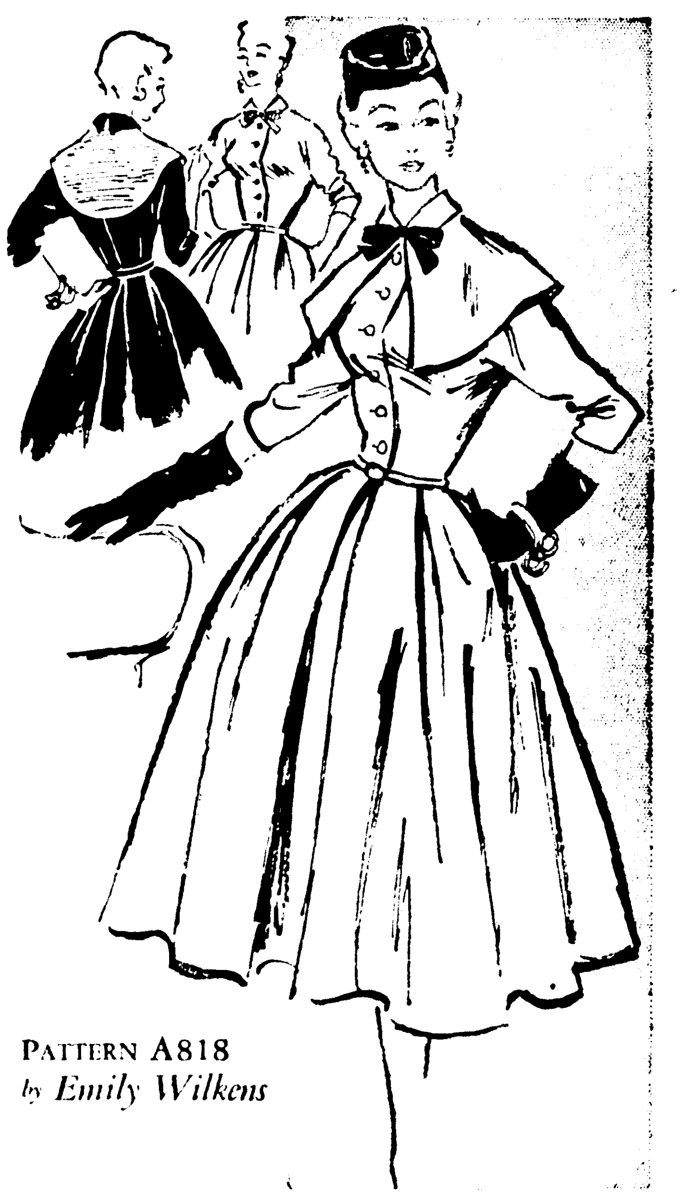
Nylon bristles are made in many textures, ranging from silky, soft tufts for baby's brushes and complexion brushes to hard, firm bristles for hairbrushes.

There's a variety of handles, too, to suit everyone's needs. Some are contoured to fit the palm or fingers. Others are grooved to prevent slipping when wet.

To harmonize with any boudoir or bathroom color scheme, most brushes are made with different plastic backs. Among the most popular are the pastels and the crystals.

To keep your brushes in the best condition, wash them frequently. Use really hot soapsuds, and if you use boar-bristled brushes, add a few drops of ammonia to the sudsy water.

EMILY WILKENS DESIGNS PATTERN FOR "THE YOUNG IN FIGURE"



PATTERN A818
by Emily Wilkens

PROMINENT DESIGNER — If you belong to the new age of American women, Emily Wilkens, four-time winner of major fashion awards, designs for YOU. This talented American Designer (author, too, with another book in the offing) has her own theory on designs for the ageless look for active moderns who are young in figure, regardless of their birthday situation. To illustrate, Pattern A818 by Miss Wilkens has the most flattering of princess feeling, a skirt fanning gently in pleats and, as an eye-catcher, a flattering collar. "Make this design in silk faille, jersey, featherweight wool or tweed," she says and adds that the collar which is removable can be made in a contrast — in color or fabric.

Pattern A818 is available in Misses' Sizes 10, 12, 14, 16 and 18. Size 16 requires 5½ yards 45-inch fabric.

Send FIFTY CENTS (in coins) for Pattern A818 to Morning World Pattern Department, P. O. Box 59, Old Chelsea Station, New York 11, N. Y. Please print plainly YOUR NAME, ADDRESS with ZONE, STYLE NUMBER and SIZE.

Your Problems

By ANN LANDERS

Dear Mrs. Landers: Four months ago, a friend of mine was left a widower with four little children to rear. As he had no one to help him, he asked me to keep house for him. We now love one another and get along very well. The children and I have no trouble until their uncle (their mother's brother) steps in and tries to run things. Then, the children wont mind me for several days. The brother - in - law has also told my friend to "get her (me) out of here, or else." He makes things so miserable that I don't know whether to leave or to stay. —S. B.

"Or else," . . . What? Big mouth little do . . . too many chiefs and not enough Indians. Does the brother-in-,aw offer to move in and care for the children, or just nominate himself straw boss? Tell your friend that your success with the children depends upon your control of them and that since their uncle does nothing to help, but succeeds in upsetting the applecart, he has a choice of telling uncle to confine his calls to nice "uncley" social visits or to stay away . . . or you will leave. Of course, the obvious solution to the whole situation is to make your position legal by a trip up the aisle.

Dear Ann Landers: I am 20 and have been engaged for almost two years to a boy who is away in the service. He will soon be home permanently. While he was away we argued about many things in our letters, but one of us always gave in. However, the last argument seems serious enough to break us up and I want your opinion.

Formerly, my fiance agreed that $5 a week would be ample for him after we were married. Now, with no explanation, he demands $20. I worry, and refuse to agree because one of my married relatives keeps his entire check and drinks and gambles it away.— A. W.

You two can't even wait for the rice to be thrown before arguing like an old married couple! The amount of money your future husband has in his pants pocket per week is not important. However, it is important that you both agree to work things out for your mutual satisfaction. Agree to put away the boxing gloves until your fiance comes home, when you can work out a budget to see what is reasonable for him to have.

You have no right to set the sum at $5 when you might well be able to afford more (the poor guy!) And he has no right to demand $20 when the baby (Birds and Bees, page 99) needs milk. Also you have no right to expect him to misbehave because your Uncle Charley is a no-good. No need to break up. Your troubles will dissolve when your fiance is home again.

(Ann Landers will be glad to help you with your problems. Send them to her in care of Morning World.)

HOMADE MASSAGE CREAM

You can make your own massage cream of thick soapsuds and a bit of salad oil. It is especially good for rough skin.

People with "quaint" homes and the bad plaster that goes with them have discovered burlap makes a wonderful wall covering. Consult your decorator or get good directions. Make the seams close enough to allow for shrinkage when the paste dries.

Free Book on Arthritis And Rheumatism

HOW TO AVOID CRIPPLING DEFORMITIES

An amazing newly enlarged 44-page book entitled "Rheumatism" will be sent free to anyone who will write for it.

It reveals why drugs and medicines give only temporary relief and fail to remove the causes of the trouble; explains a specialized non-surgical, non-medical treatment which has proven successful for the past 35 years.

You incur no obligation in sending for this instructive book. It may be the means of saving you years of untold misery. Write today to The Ball Clinic, Dept. 3702, Excelsior Springs, Missouri.

Why Grow Old?

By Josephine Lowman

By JOSEPHINE LOWMAN

In Greece the bath and the gymnasium have always been closely associated. This is certainly as it should be. We follow our exercises with a tub or a shower. As a matter of fact, we could go a step further and combine our baths with daily exercise. Here are a few motions which will whip up the circulation.

Take a towel in your hands, one end in each hand, and the towel behind your back. Straighten your spine. Swing the arms backward as far as you can, elbows straight and still holding to the towel. Return arms to sides. Continue swinging backward and returning to place.

Next, the activity you indulge in when simply rubbing your back with your towel is good for the arms.

Reach

Third, take hold of the towel, one end in each hand, but with the towel in front of you this time. Keep hold of the towel as you raise your arms forward, upward to the overhead position. Reach for the ceiling! Lift your chin slightly so that you will not duck your head. Lower arms to starting position. Continue raising and lowering the arms. Keep the elbows stiff throughout.

Fourth, when you dry your legs keep your knees stiff and bend from the waist, drying the legs all the way down to the feet, one leg at a time. If you wish to add a bit more exercise to this procedure, bend over and dry one-third of the left leg. Raise the trunk and lift the towel overhead. Again lower the trunk and arms and dry the second third of the left leg. Again raise the trunk and lift towel overhead, stretching upward. This time bend and go all the way down to the feet. Raise trunk and lift towel overhead.

Rub Briskly

Do the same thing when you dry the right leg. This makes a very fine exercise because of the wonderful way you can stretch upward with the towel.

Few people rub themselves as briskly as they should. It is most beneficial to health and to the skin to rub until the skin is pink. This is a mild sort of exercise and also gets rid of many dead cells on the surface of the skin.

Clean Brush In Sudsings

For beauty's sake, every woman needs an assortment of brushes. In this assortment you might include: eyebrow, hair, complexion, bath, shampoo, powder, shower and hand brushes.

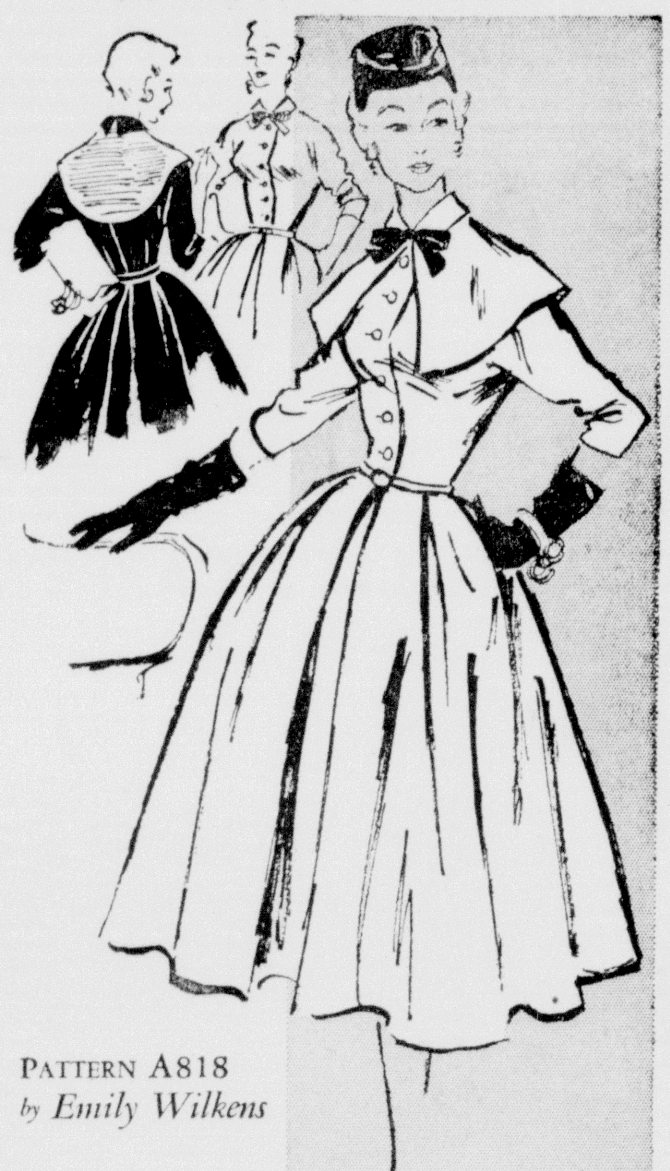
Nylon bristles are made in many textures, ranging from silky, soft tufts for baby's brushes and complexion brushes to hard, firm bristles for hairbrushes.

There's a variety of handles, too, to suit everyone's needs. Some are contoured to fit the palm or fingers. Others are grooved to prevent slipping when wet.

To harmonize with any boudoir or bathroom color scheme, most brushes are made with different plastic backs. Among the most popular are the pastels and the crystals.

To keep your brushes in the best condition, wash them frequently. Use really hot soapsuds, and if you use boar-bristled brushes, add a few drops of ammonia to the sudsy water.

EMILY WILKENS DESIGNS PATTERN FOR "THE YOUNG IN FIGURE"



PATTERN A818
by Emily Wilkens

PROMINENT DESIGNER — If you belong to the new age of American women, Emily Wilkens, four-time winner of major fashion awards, designs for YOU. This talented American Designer (author, too, with another book in the offing) has her own theory on designs for the ageless look for active moderns who are young in figure, regardless of their birthday situation. To illustrate, Pattern A818 by Miss Wilkens has the most flattering of princess feeling, a skirt fanning gently in pleats and, as an eye-catcher, a flattering collar. "Make this design in silk faille, jersey, featherweight wool or tweed," she says and adds that the collar which is removable can be made in a contrast — in color or fabric.

Pattern A818 is available in Misses' Sizes 10, 12, 14, 16 and 18. Size 16 requires 5½ yards 45-inch fabric.

Send FIFTY CENTS (in coins) for Pattern A818 to Morning World Pattern Department, P. O. Box 59, Old Chelsea Station, New York 11, N. Y. Please print plainly YOUR NAME, ADDRESS with ZONE, STYLE NUMBER and SIZE.

Dinner Meeting Is Scheduled By Women Voters

A dinner meeting and panel discussion for the League of Women Voters will be held at 6:45 p.m. Monday at Tony's Redwood restaurant, Mrs. James N. Riddle, president, announced yesterday.

According to Mrs. Riddle, the forum will concern "court services in an integrated community plan of services for children."

Mrs. A. D. Tisdale will be moderator and Mrs. Riddle will preside over the meeting.

Speakers on the program will include Fourth District Judge Jesse Heard, who will speak on "probationary services and the juvenile court setup," Mrs. Sarah Kennon, Ouachita parish welfare department workers, who will speak on the outlook for the home; and Alice Farrar, psychiatric social worker for the Monroe area guidance center, who will talk on the services of the center.

After short talks by each of these, an open forum will be held.

All members and interested citizens are invited and reservations can be obtained by calling Mrs Riddle at 2-4173.

Occupant Of House Incorrectly Given

The Monroe News-Star Friday, because of erroneous information, inadvertently used the name of Maynard Chambers, of Monroe, as occupant of a house at 3304½ Gordon avenue, in which a small fire late Thursday night burned a shade and window curtains. Chambers is not a resident at that address, but through an error was listed as such.

Youth Program In Sherrouse Area Will Be Planned

John D. Mullens, chairman of the Twin Cities Y. M. C. A. youth program committee, announces that the Y .M. C. A. will hold an important organizational meeting for the Sherrouse school area Tuesday at 7:30 p.m. in the Y. M. C. A. at 217 Breard street Every parent who has a son in Sherrouse school is urged to attend

Plans call for the immediate organization of "Y" Indian guides and Gra-Y Clubs in the Sherrouse area. These Y. M. C. A. club programs are designed to give boys, ages 6-12, lots of fun and fellowship under competent Christian leadership. Their activities will include educational trips, crafts, athletics, devotionals, movies, service projects, group games, singing, etc. A parents' sponsoring committee will be formed to sponsor the Y. M. C. A. program in the Sherrouse area. Mullens emphasized that the full cooperation of parents is necessary in order for the program to be successful.

VENERABLE MOTHER—Marie L. Hullier de Villeneuve, founder of Daughters of the Cross, 1597-1650.

Daughters Of Cross To Celebrate

The Daughters of the Cross, teaching sisters of St. Matthew's School, observed their annual Feast of the Exaltation of the Holy Cross on Tuesday, September 14, with fitting ceremony and festivity.

Holy Mass and Communion marked the opening celebration of the patronal feast day in the congregation with an outing at Spatafora's Camp at the end of the school day.

The feast this year carries a double significance for the Sisters incident to the year of their jubilee or centenary in the schools of Louisiana. The initial festivities of the jubilee will begin in the cradle of their mission in the state, namely Marksville, Avoyelles Parish, on the 21st of November, 1954 Feast of the Presentation of the Mother of God in the Temple. The centennial will be observed in Monroe, January 27, 1955, and will close in grand finale at the Motherhouse, Shreveport, in November, 1955.

The Daughters of the Cross, reputedly the first uncloistered teaching sisters in the church, were founded in Paris, France in the year 1640 under the leadership of Mother Marie L'Hullier de Villeneuve, who received the rules and constitution from the Bishop of Geneva, Francis de Sales. Because of the many and varied difficulties with which God tried them at the outset of their inception, the group of young women forming the nucleus of the congregation adopted the title, Daughters of the Cross.

Today the sisters of this congregation are widespread in the Church. From Paris, foundations were quickly made in Brittany, Belgium, India and Canada. In 1855 a group of ten members headed by the Venerable Mother Mary Hyacinthe came to the shores of the United States, at the invitation of Right Reverend Marie Auguste Martin, Bishop of Natchitoches. The school in Marksville where the Louisiana group first organized soon found opportunities for expansion and today the sisters conduct nine schools, including one boarding school and college in the Diocese of Alexandria. Their immediate ecclesiastical superior is the Most Rev. Charles Paschal Greco, Bishop of Alexandria. Rev. Mother Mary Elizabeth [illegible], their present Mother General with her headquarters in [illegible], D. C. [illegible] general.

REV. WAYNE HART

Claiborne Baptist Church For Revival

CHRISTIAN SCIENCE

CHRISTIAN SCIENCE SERVICES
FIRST CHURCH OF CHRIST, SCIENTIST
No. 2nd at Auburn

"Matter" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, September 19, 1954.

The Golden Text is: "God forbid that we should forsake the Lord, to serve other gods" (Joshua 24:16).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Blessed is the man that trusteth in the Lord, and whose hope the Lord is" (Jer. 17:7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Science shows that what is termed matter is but the subjective state of what is termed by the author mortal mind" (114).

TO DEDICATE CHURCH—This edifice, the Grayson Methodist Church, will be formally dedicated at 11 a.m. today by Bishop Paul E. Martin. It represents an expenditure of approximately $25,000. Following morning service there will be dinner served. The public is cordially invited.

BISHOP MARTIN

REV. J. T. HARRIS

REV. EMANUEL

To Dedicate Church In Grayson, La.

Dedication of the Grayson Methodist Church will take place at 11 a.m. this morning when Bishop Paul E. Martin, of Little Rock, presiding bishop of the Louisiana-Arkansas area of the Methodist church, will preach the dedicatory sermon. Participating with him will be Rev. James T. Harris, of Monroe, superintendent of the Monroe district, and also the pastor of the church, Rev. S. P. Emanuel.

Dinner will be served at noon today and the public is cordially invited.

At this time, starting last Thursday, a revival is in progress. There are services at 7 a.m. at the Grayson Methodist Church through October 1.

Rev. J. P. (Bud) McKeithan, pastor of Summer Grove Methodist church in Shreveport is the evangelist. He is a native of Grayson and his father, W. O. McKeithan, still is a resident there.

The new Grayson Methodist Church represents about $25,000. Its actual construction started in May 1949 and first services were held there in November that year.

In 1935 the Methodist Protestant Church building in Grayson burned and the Methodist Episcopal Church South invited them to share their building on a half-time basis, and the Sunday school became a joint affair. The consummating evidence of the unity of spirit which prevailed between the different branches of Methodism at Grayson was manifest when a joint tent revival was conducted in 1939 with Rev. E. E. McKeithen as evangelist. At this time Rev. Virgil Morris was pastor of the Methodist Episcopal Church South and Rev. Rex Squyres was pastor of the Methodist Protestant Church. One night of this meeting was set aside for an informal uniting ceremony. Three branches of Methodism were actually united at this time which was prior to the general uniting conference in Kansas City. Jim Christian, who had been a member of the Methodist Episcopal Church, represented the third branch.

The Methodist Church continued to meet in the Methodist Episcopal Church building but soon felt the need of a new building and a fund for this purpose was started in 1942. Much credit is given to Rev. E. M. Mouser in helping to promote the building fund and to stimulate an interest in the new church edifice.

The quarterly conference held at Grayson on April 28, 1949 with Rev. W. H. Giles, superintendent of the Monroe district, presiding, authorized the sale of the old church property, the purchase of the present site, and the construction of the new plant. Rev. George Cagle was pastor during the construction of this new church.

VENERABLE MOTHER— Marie L. Hullier de Villeneuve, founder of Daughters of the Cross, 1597-1650.

Daughters Of Cross To Celebrate

The Daughters of the Cross, teaching sisters of St. Matthew's School, observed their annual Feast of the Exaltation of the Holy Cross on Tuesday, September 14, with fitting ceremony and festivity.

Holy Mass and Communion marked the opening celebration of this patronal feast day in the congregation with an outing at Spatafora's Camp at the end of the school day.

The feast this year carries a double significance for the Sisters incident to the year of their jubilee or centenary in the schools of Louisiana. The initial festivities of the jubilee will begin in the cradle of their mission in the state, namely Marksville, Avoyelles Parish, on the 21st of November, 1954 Feast of the Presentation of the Mother of God in the Temple. The centennial will be observed in Monroe, January 27, 1955, and will close in grand finale at the Motherhouse, Shreveport, in November, 1955.

The Daughters of the Cross, reputedly the first uncloistered teaching sisters in the church, were founded in Paris, France in the year 1640 under the leadership of Mother Marie L'Hullier de Villeneuve, who received the rules and constitutions from the Bishop of Geneva, Francis de Sales. Because of the many and varied difficulties with which God tried them at the outset of their inception, the group of young women forming the nucleus of the congregation adopted the title, Daughters of the Cross.

Today the sisters of this congregation are widespread in the church From Paris, foundations were quickly made in Brittany, Belgium, India, and Canada. In 1855 a group of ten members headed by the Venerable Mother Mary Hyacinthe came to the shores of the United States, at the invitation of Right Reverend Marie Auguste Martin, Bishop of Natchitoches. The school in Marksville where the Louisiana group first organized soon found opportunities for expansion, and today the sisters conduct nine schools, including one boarding school and college in the Diocese of Alexandria. Their immediate ecclesiastical superior is the Most Rev. Charles Paschal Greco, bishop of Alexandria. Rev. Mother Mary Elizabeth, D. C., is their present Mother General with her headquarters in Shreveport; Rev. Sister Clarissa, D. C., is their assistant-general.

REV. WAYNE HART

Claiborne Baptist Church For Revival

The Claiborne Baptist Church will begin an evangelistic campaign Sunday. The church is located on Dufreese Lane, immediately west of the Claiborne Elementary school on highway 80, West Monroe. Services will begin evenings at 7:30 p.m. and a special invitation is given to all residents of the community.

Rev. Wayne Hart, evangelist, is prominent in the Mississippi Baptist convention and is pastor of the First Baptist church in Leakesville, Miss. He preaches the good old fashioned gospel. J. B. Ryals, pastor of the Claiborne church, urges attendance at all these services.

Ridge Ave. To Vote Today On Year's Budget

Sunday will be a church budget day at Ridge Avenue Baptist Church of West Monroe.

M. A. Hawley, Jr., newly elected treasurer and chairman of the church budget committee, will present to the church for approval a financial church budget of $42,619.00. This will be for the church year from October 1, 1954 to October 1, 1955.

With special designations outside the church budget for the building fund, mission designations by the W. M. U. and for Rev. Russell Stellwagon, a missionary from the Ridge Avenue Church, in Japan, the total offerings of the church will run for the church year over fifty thousand dollars.

Will Dedicate New Cypress Auditorium

Today the Cypress Baptist Church will have special services when the new auditorium will be dedicated. Speakers for the day will include former pastors and friends of the church.

Lunch will be served at noon with activities that will extend into the afternoon.

Rev. E. J. Morgan, pastor, extends a cordial welcome to all friends of the church to attend.

THE HOME SHIFT—

Gardenias Tops In Popularity

Soon the fall camellias will be in bloom. I suppose our Daikagura is the first. Even though we vow everytime we lose a plant that we'll never plant another, when the first lovely booms appear the bug bites us again. However our susanqua is a good substitute. I like to prune this shrub while it's in bloom and use the blossoms for my house or to give my friends.

Gardenias

The gardenia family is one of our most popular and satisfactory groups of shrubs. I find they have taken the heat very well, too. According to the horticulturist (and from my observation) the plants are in their prime during their third, fourth and fifth seasons. When they get older they tend to produce small buds with little foliage. However, careful pruning to shorten the older wood and fertilizing in January or February makes it possible to increase their productive life many years.

Gardenias grow well in north Louisiana. They prefer an acid soil. If you have a gardenia plant that has yellowish foliage, it is probably suffering from iron deficiency. Two tablespoons of copperas dissolved in a gallon of water poured around the plant should help.

Well - rotted cow manure and cotton seed meal are safe and beneficial fertilizers for gardenias in January or February. The plants require sun. The chief pests are white flies and you know that oil emulsion is the treatment for them. I can't remember who told me that Mrs. Fred Fudickar has a gardenia plant growing in her garden that was planted by her family in 1869.

A September Garden Job

I notice the leaves in my compost pile have decayed and are ready to be put in badly needed places. First, if you have a place where your grass grows thin and no amount of fertilizer seems to help, spread some of this leaf mold on the grass until it is almost covered. Then water it down well around the roots.

Some of this leaf mold can be put in every bed in the yard. There are few, if any, plants that don't respond to well rotted compost.

Moths Lose Championship

We're told that the carpet beetles are taking over as more destructive chewers of household goods than the moth. His favorite food is furs, wool, horn, leather, book binders, hair, feathers, and embedded food deposits in the kitchen. If he fails to find the above mentioned, this beetle can thrive on lint and dust that collects behind pictures until he can find his favorite food.

Preventing carpet beetle infestation is a hard job. Get rid of any material that is not used that may serve as food. Keep the house free of lint and dust. Treat all materials for storage just as you do for moth protection.

Apples

Hurricane Carol raised havoc with the apple crop. Millions of apples were blown from the trees, so there will be lots of apples on the market. Now is the time to make your favorite apple sauce. You can freeze this by putting it in the container, leaving head space, seal and freeze. Get out all the favorite apple recipes, including the one I gave you for apple crumb pie last year. While apples are budget priced, we should use more of them.

Announcements

For sure this Tuesday on KNOE-TV I'll give you "Good Grooming Means Good Posture." Last week this was postponed due to the very important cancer program. And-don't forget - lights on tonight from 9:00 until 10:00 p.m.

In answer to a number of calls, the concrete permanent finish stain is now being handled by a hardware and furniture store in Monroe. They can give you full instructions for applying this stain, from experience.

Please call me if you are interested in a class on refinishing furniture. A specialist will give this at the agricultural building early in January. The workshop will last a part of two days. You'll bring your own piece of furniture. The first day you'll remove the finish and the second day you'll refinish, all of course under supervision of the specialist. She'll show us how to use the new colored stains and give many useful refinishing tips. That is - if there are as many as twelve or fifteen of you who want to take this. Please let me know at once so I can tell Mrs. Hill, the specialist, to put two dates in January on her itinerary for us. This is for women in the Twin Cities. The rural women took this project last year and did some beautiful work.

There's one new bulletin I have not told you about. That is "Plan Landscapes for the Family," by Dr. Reich, professor at L. S. U. and Miss Winona Chautte, assistant garden specialist for extension. It's a lovely bulletin with forty-seven pictures and sketches and two complete plans worked out. If you are interested in doing your own landscaping of your place, call 3-2251 for this bulletin.

See you next Sunday.

Garden Center Notes

By Mary M. Jardine

Provide Water For Birds In Dry Weather

The Suburban Garden Club of Ruston exhibited at the Garden Center this week. Mrs. C. R. Adams of Winnsboro and Mrs. C. E. McKenzie served as judges. In the arrangement division Mrs. J. D. Murry and Mrs. F. O. LeVasseur tied for first place. Mrs. LeVasseur's arrangement was a triangular design of silver gray grass and spikes of French mulberry in a low gray-green container. Clusters of purple and green grapes were used as a focal point and cascaded over the rim of the container.

Mrs. J. D. Murry chose for her container an olive green teapot, which was placed in a rectangular black base. Her arrangement was a lovely line design of brilliant yelliw zinnias with a focal point of orange - red tithonia. Mrs. R. L. Vining was awarded second place. In a low blask bowl, Mrs. Vining created a striking arrangement of red castor bean in the various stages of growth. Tall red spikes of bloom, followed by the bronze-red leaves and the rosy red seedpods as a focal point.

In the horticultural division a blue ribbon was awarded to Mrs. Murry for tithonia and a blue ribbon to Mrs. LeVasseur for physostegia (false dragon's head) and a red ribbon to Mrs. Vining for zinnias.

Be sure to mark these important dates on your calendar. September 20 and 21, Gregory Conway lectures at the Bayou De-Siard Country Club in Monroe. Flower Show School No. 1 on October 6, 7 and 8 in Ruston, La., Tech agriculture Building. The Garden Center now subscribes to Plants and Gardens, a publication of the Brooklyn Botanic Garden. The summer quarterly just arrived a few days ago. This issue covers terraces, garden pools, outdoor fireplaces, fences, walks and paths and many other interesting subjects.

During these hot dry days our wild song birds are suffering from the lack of water. So many of our streams and brooks have dried up and the birds fear the river. Please provide some water in your garden for our little [illegible] addition to the bird baths and water cups at the feeding s[illegible] we have placed buckets brimfull of water at strategic places in our country garden and the birds seem to enjoy them all. The other day after a five minute shower I noticed the birds flying round and round in the trees and chattering happily. They were brushing the leaves with their wings, [illegible]ing themselves a shower bath! Besides the esthetic value of [illegible] song birds and the great pleasure derived from the stury of them, they are of great economic value to the farmer and gardenrer.

Our wild friends "declare war" on millions of insects and weed seeds annually and thereby save the farmer from an enormous economic loss. Our statisticians tell us that without the birds, the earth would be destroyed in three days by insects. In view of this fact it clearly becomes our duty to pledge an oath of attraction, protection and encouragement to our friends of the bird kingdom.

The National Council of State Garden Clubs and the National Audubon Society are urging all cities and towns to provide sanctuaries for the birds. There is a write up about the Bird Sanctuary Ordinance in the September copy of National Gardener by our national bird chairman, Mrs. Julian T. Buxton. Be sure to read it.

You can buy a steak three to five days ahead of the time you plan to use it, but see that you store it properly. Make sure the steak lies flat on waxed paper, wrap it loosely. Keep the steak in the coldest part of your refrigerator — but not in the freezing compartment — until you are ready to cook it.

Darbar Will Be Conducted Monday

Swami Santha No. 162 - Nomads of Avrudaka, will have a very important Darbar on Monday night, September 20, 1954, Castle Hall, 127½ St. John Street. Rani K[illegible] Smith, of Swami Santha No. 162, wants all Nomads to attend.

Final plans for a Nomad and Dokey celebration to be held here on November 13 will be [illegible]ed.

All Dokeys are urged to attend Monday night and to bring in applications.

By-the-by, when you're buying a hat find out what's in it when you buy if you're allergic. There is no turning back once you've left the store. If it doesn't say, but you think it's rabbit, pass it up. Nothing can give the allergic scalp and skin the heebie-jeebies faster than a toxic hat.

La. Baptists To Have Enormous State Budget

ALEXANDRIA, Sept. 18 (Special)—The Executive Board of the Louisiana Baptist Convention met here last Tuesday and approved a record $1,620,000 budget for 1955.

The proposed budget, which will be presented to the Louisiana Baptist convention for approval when it meets in Baton Rouge in November, was presented by Rev. Jaroy Weber, chairman of the budget control committee of the executive board.

The record budget reflects an increase of $470,000 over the 1954 budget and is almost double the 1951 budget.

The new budget will provide for the first time, for full support of all institutions and agencies of the convention. This feature of the new budget will elimnate the need for special drives and appeals by several agencies of the convention which have been forced to subsidize their receipts in the past.

Dr. J. Norris Palmer is president of the executive board and Dr. Floyd B. Chatfin is executive secretary.

YMCA Plans On Model Airplane Class Lessons

The Twin Cities Y. M. C. A. will conduct classes in model airplane construction for all boys ages 6-18 in Monroe and West Monroe. Classes will be held for both beginners and advanced builders. Boys interested in any phase of model airplane construction may enjoy this program.

The first organizational meeting will be held September 28 at 6:15 p.m. in the Twin Cities Y. M. C. A. at 217 Breard street. All sessions will be over by 7:30 p.m.

Bob Clay, a member of the Twin Cities Y. M. C. A. youth program committee, will instruct all classes. Clay has been interested in model airplane construction for 15 years and has participated in contests at Olathe, Kan.; Galesburg, Ill.; Jackson, Miss.; St. Louis, Mo.; and other cities. Clay has also served as contest official at various meets.

The only eligibility requirement is a Y. M. C. A. youth membership. No registration fee is required and supplies as needed will be purchased by the participants.

Research Council Gains Recognition

BATON ROUGE, Sept. 18 (Special)—Top national recognition has been won by the Public Affairs Research Council (PAR) for its study of and reports on the Louisiana welfare program.

This was announced here today by Edward J. Steimel, assistant executive director of PAR, on his return from the annual convention of the Government Research Association at Shawnee-on-Delaware, Pa.

Steimel reported the PAR welfare study won first place in national competition with other research organizations on the effectiveness of its presentation in reporting on the welfare study.

In addition, the study was cited among the top four in the contest for the "most noteworthy piece of research." The top four were not ranked except for first place.

More than 100 government research agencies in the nation were eligible to compete in the 40th annual contest of the Government Research Association in which the PAR study was entered. These are the only two awards made by GRA.

Steimel said here today that PAR is especially happy to have won this national recognition in little more than four years after its organization.

"We are proud first," he said, "that our study was considered outstanding from a research viewpoint by competent judges. The basis for our program is competent research on Louisiana government problems.

"Then we are very pleased that our methods of reporting results of our study were considered best of all the entries. We have a strong feeling in PAR that every effort possible should be made to produce reports that will attract and hold reader interest."

The welfare study was reported last winter and spring in a series of six illustrated pamphlets designed to attract a wide readership.

PAR is Louisiana's privately supported, non-partisan citizen research organization.

Pharmacy Week In Monroe Proclaimed

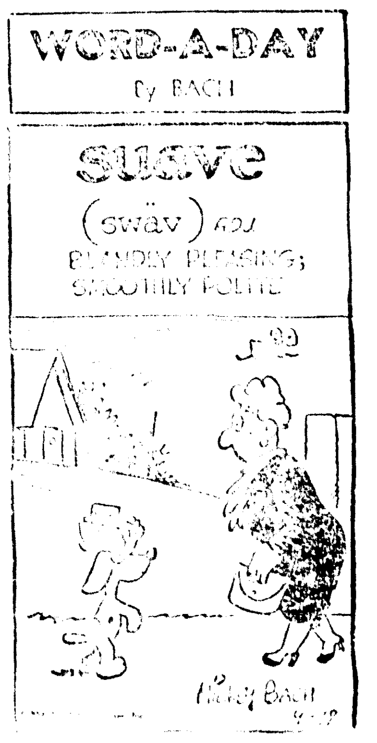
The week of October 3 through October 9 has been proclaimed as Pharmacy Week in Monroe by Mayor John E. Coon, he announced yesterday.

The week will coincide with National Pharmacy Week, which will be held to focus attention on "the importance of pharmacy in our lives."

In making the proclamation Coon said that "the pharmacists of our community play an indispensable part in safeguarding the health of our citizens."

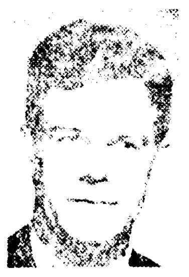
He urged local residents to visit drug stores to "observe the vital role of the pharmacist."

Take the age - old process of laying out clothes the night before one step further. Set the breakfast table, make the orange juice, fill the coffeepot for a lightning start the next day.



SOUTHERN GARDENER—

By William Lanier Hunt



Beautiful Lawns Cost In South

It is very impractical to try to grow grass all over your property. A beautiful lawn is certainly an exciting thing to look at, but lawns cost more to establish and maintain here in the frequent droughts and the high temperatures of the southern states than a great many shrubs and trees and bulbs would cost. There are so many good ground covers that you can buy and plant under the trees and in places you could never mow that it is really a waste of time and energy to try to grow grass in such places.

We all know how beautiful the two kinds of vinca are as a ground cover, but we do not use them very much for some reason. You just cannot beat common periwinkle as a ground cover under trees — especially where the shade is very dense. The taller bigleaf periwinkle is all right, too, but not as neat or low growing. These plants are easy to set out and will grow together in a solid carpet of evergreen leaves in one season if you plant them about one foot apart. Of course, you must not get the idea that they will grow and look beautiful if you do not feed them. The soil should be prepared for vinea just as you would prepare it for grass. Under the trees, you have to remember that the periwinkle must be fed frequently by scattering fertilizer all through it. Twice a year will be often enough to feed both the trees and the ground cover. If you had grass on the same area, you would have to mow it and feed it and take care of it ten times more often.

There are several other good ground covers that stay green all winter. We mentioned that in hot old Rome, everything was brown and dead looking except the area under the trees in the Borghesi gardens where they had a ground cover of the dwarf lilyturf (Ophiopogon japonicum). This fine leaved dark green ground cover looks just like grass. It will spread into a thick carpet of rich evergreen in a single season after you plant it six or eight inches apart. If you get it and set it out now, it will, of course not grow until next summer, but even the sparse covering of it after you set it out in September looks good on the ground during the first winter. The taller kinds of ophiopogon and liriope are those grassy - leaved plants which people often use to edge beds and walks all over the south from Florida up to Washington. The first plants of this kind were called "snake's beard" and were found in Japan by a famous world traveller and doctor named Kaempfer. There is a variegated variety which people grow in pots in the house in winter in the north and which grow in southern gardens. The very strange name, lilyturf, is not supposed to be the other way around: turflily. Right now, all the different kinds of ophiopogon have spikes of purple or whitebloom on them. Even the fine leaved kind has some flower spikes down amongst the foliage.

We have mentioned several times in the column that our common heart-leaf makes a beautiful ground cover for the shade. There are several species which grow in the woods in the south. Some of them are not evergreen, so be sure that you get plants of the evergreen ones. In books about wild flowers, you will find them under the Latin name, Asarum, or under Hexastylis, and the evergreen ones are called Asarum virginicum and A. arifolia. Look in the catalogues of the nurseries that handle plants from the southern mountains for prices on them by the hundred and by the thousand. The plants grow quickly into large clumps if you will feed their soil with bone meal and a complete fertilizer before you set them out. All ground covers under trees need one or two feedings a year to keep going. When the soil is properly fed, you can plant the common little yellow trumpet daffodil that starts off the spring right in your ground cover. These common yellow trumpets are about the only bulbs which will be able to compete with the groundcover and the tree roots and bloom well. Red spider-lilies will bloom in such a place and give you some evergreen foliage in winter, too, but be sure to keep them fed from an annual top dressing of fertilizer. Use bone meal one time and a complete fertilizer the next.

You will probably wonder why we do not talk about ivy first in our list of good evergreen ground covers. Of course, ivy is splendid and very handsome, and there are many kinds of ivy. Remember, however, that ivy will soon climb up your trees and onto the house, over fences and wherever it can go. Ivy looks messy in some places. Where it climbs up every tree in sight, it produces a gloomy effect. It is all right to let it go up some trees, but to let it climb all of them is usually a mistake because, if you do not like it, it is really quite expensive to get it down and off the trunks. It soon rots wooden fences, too. In small areas near the house where you can trim it back and keep it under control, a collection of the different kinds of ivy is a joy to have. You can always go out and cut pieces for decoration when it needs trimming. Do not let it get ahead of you and grow all over the house because the marks it leaves are almost impossible to remove when you take ivy down off a wall. Ivy will root easily if you will cut pieces about a foot long and then bury all but the last three leaves in good moist soil in the shade somewhere. Do not ever let the cuttings get dry once they are in the ground. A little rooting hormone dusted over the stems and ends will hasten the process.

THE HOME SHIFT—

Gardenias Tops In Popularity

Soon the fall camellias will be in bloom. I suppose our Daikagura is the first. Even though we vow everytime we lose a plant that we'll never plant another, when the first lovely booms appear the bug bites us again. However our susanqua is a good substitute. I like to prune this shrub while it's in bloom and use the blossoms for my house or to give my friends.

Gardenias

The gardenia family is one of our most popular and satisfactory groups of shrubs. I find they have taken the heat very well, too. According to the horticulturist (and from my observation) the plants are in their prime during their third, fourth and fifth seasons. When they get older they tend to produce small buds with little foliage. However, careful pruning to shorten the older wood and fertilizing in January or February makes it possible to increase their productive life many years.

Gardenias grow well in north Louisiana. They prefer an acid soil. If you have a gardenia plant that has yellowish foliage, it is probably suffering from iron deficiency. Two tablespoons of copperas dissolved in a gallon of water poured around the plant should help.

Well - rotted cow manure and cotton seed meal are safe and beneficial fertilizers for gardenias in January or February. The plants require sun. The chief pests are white flies and you know that oil emulsion is the treatment for them. I can't remember who told me that Mrs. Fred Fudickar has a gardenia plant growing in her garden that was planted by her family in 1869.

A September Garden Job

I notice the leaves in my compost pile have decayed and are ready to be put in badly needed places. First, if you have a place where your grass grows thin and no amount of fertilizer seems to help, spread some of this leaf mold on the grass until it is almost covered. Then water it down well around the roots.

Some of this leaf mold can be put in every bed in the yard. There are few, if any, plants that don't respond to well rotted compost.

Moths Lose Championship

We're told that the carpet beetles are taking over as more destructive chewers of household goods than the moth. His favorite food is furs, wool, horn, leather, book binders, hair, feathers, and embedded food deposits in the kitchen. If he fails to find the above mentioned, this beetle can thrive on lint and dust that collects behind pictures until he can find his favorite food.

Preventing carpet beetle infestation is a hard job. Get rid of any material that is not used that may serve as food. Keep the house free of lint and dust. Treat all materials for storage just as you do for moth protection.

Apples

Hurricane Carol raised havoc with the apple crop. Millions of apples were blown from the trees, so there will be lots of apples on the market. Now is the time to make your favorite apple sauce. You can freeze this by putting it in the container, leaving head space, seal and freeze. Get out all the favorite apple reciues, including the one I gave you for apple crumb pie last year. While apples are budget priced, we should use more of them.

Announcements

For sure this Tuesday on KNOE-TV I'll give you "Good Grooming Means Good Posture." Last week this was postponed due to the very important cancer program. And-don't forget - lights on tonight from 9:00 until 10:00 p.m.

In answer to a number of calls, the concrete permanent finish stain is now being handled by a hardware and furniture store in Monroe. They can give you full instructions for applying this stain, from experience.

Please call me if you are interested in a class on refinishing furniture. A specialist will give this at the agricultural building early in January. The workshop will last a part of two days. You'll bring your own piece of furniture. The first day you'll remove the finish and the second day you'll refinish, all of course under supervision of the specialist. She'll show us how to use the new colored stains and give many useful refinishing tips. That is - if there are as many as twelve or fifteen of you who want to take this. Please let me know at once so I can tell Mrs. Hill, the specialist, to put two dates in January on her itinerary for us. This is for women in the Twin Cities. The rural women took this project last year and did some beautiful work.

There's one new bulletin I have not told you about. That is "Plan Landscapes for the Family," by Dr. Reich, professor at L. S. U. and Miss Winona Chauffe, assistant garden specialist for extension. It's a lovely bulletin with forty-seven pictures and sketches and two complete plans worked out. If you are interested in doing your own landscaping of your place, call 3-2251 for this bulletin.

See you next Sunday.

SOUTHERN GARDENER—

By William Lanier Hunt

Beautiful Lawns Cost In South

It is very impractical to try to grow grass all over your property. A beautiful lawn is certainly an exciting thing to look at, but lawns cost more to establish and maintain here in the frequent droughts and the high temperatures of the southern states than a great many shrubs and trees and bulbs would cost. There are so many good ground covers that you can buy and plant under the trees and in places you could never mow that it is really a waste of time and energy to try to grow grass in such places.

We all know how beautiful the two kinds of vinca are as a ground cover, but we do not use them very much for some reason. You just cannot beat common periwinkle as a ground cover under trees — especially where the shade is very dense. The taller bigleaf periwinkle is all right, too, but not as neat or low growing. These plants are easy to set out and will grow together in a solid carpet of evergreen leaves in one season if you plant them about one foot apart. Of course, you must not get the idea that they will grow and look beautiful if you do not feed them. The soil should be prepared for vinca just as you would prepare it for grass. Under the trees, you have to remember that the periwinkle must be fed frequently by scattering fertilizer all through it. Twice a year will be often enough to feed both the trees and the ground cover. If you had grass on the same area, you would have to mow it and feed it and take care of it ten times more often.

There are several other good ground covers that stay green all winter. We mentioned that in hot old Rome, everything was brown and dead looking except the area under the trees in the Borghesi gardens where they had a ground cover of the dwarf lilyturf (Ophiopogon japonicum). This fine leaved dark green ground cover looks just like grass. It will spread into a thick carpet of rich evergreen in a single season after you plant it six or eight inches apart. If you get it and set it out now, it will, of course not grow until next summer, but even the sparse covering of it after you set it out in September looks good on the ground during the first winter. The taller kinds of ophiopogon and liriope are those grassy - leaved plants which people often use to edge beds and walks all over the south from Florida up to Washington. The first plants of this kind were called "snake's beard" and were found in Japan by a famous world traveller and doctor named Kaempfer. There is a variegated variety which people grow in pots in the house in winter in the north and which grow in southern gardens. The very strange name, lilyturf, is not supposed to be the other way around: turflily. Right now, all the different kinds of ophiopogon have spikes of purple or whitebloom on them. Even the fine leaved kind has some flower spikes down amongst the foliage.

We have mentioned several times in the column that our common heart-leaf makes a beautiful ground cover for the shade. There are several species which grow in the woods in the south. Some of them are not evergreen, so be sure that you get plants of the evergreen ones. In books about wild flowers, you will find them under the Latin name, Asarum, or under Hexastylis, and the evergreen ones are called Asarum virginicum and A. arifolia. Look in the catalogues of the nurseries that handle plants from the southern mountains for prices on them by the hundred and by the thousand. The plants grow quickly into large clumps if you will feed their soil with bone meal and a complete fertilizer before you set them out. All ground covers under trees need one or two feedings a year to keep going. When the soil is properly fed, you can plant the common little yellow trumpet daffodil that starts off the spring right in your ground cover. These common yellow trumpets are about the only bulbs which will be able to compete with the groundcover and the tree roots and bloom well. Red spider-lilies will bloom in such a place and give you some evergreen foliage in winter, too, but be sure to keep them fed from an annual top dressing of fertilizer. Use bone meal one time and a complete fertilizer the next.

You will probably wonder why we do not talk about ivy first in our list of good evergreen ground covers. Of course, ivy is splendid and very handsome, and there are many kinds of ivy. Remember, however, that ivy will soon climb up your trees and onto the house, over fences and wherever it can go. Ivy looks messy in some places. Where it climbs up every tree in sight, it produces a gloomy effect. It is all right to let it go up some trees, but to let it climb all of them is usually a mistake because, if you do not like it, it is really quite expensive to get it down and off the trunks. It soon rots wooden fences, too. In small areas near the house where you can trim it back and keep it under control, a collection of the different kinds of ivy is a joy to have. You can always go out and cut pieces for decoration when it needs trimming. Do not let it get ahead of you and grow all over the house because the marks it leaves are almost impossible to remove when you take ivy down off a wall. Ivy will root easily if you will cut pieces about a foot long and then bury all but the last three leaves in good moist soil in the shade somewhere. Do not ever let the cuttings get dry once they are in the ground. A little rooting hormone dusted over the stems and ends will hasten the process.

Garden Center Notes

By Mary M. Jardine

Provide Water For Birds In Dry Weather

The Suburban Garden Club of Ruston exhibited at the Garden Center this week. Mrs. C. R. Adams of Winnsboro and Mrs. C. E. McKenzie served as judges. In the arrangement division Mrs. J. D. Murry and Mrs. F. O. LeVasseur tied for first place. Mrs. LeVasseur's arrangement was a triangular design of silver gray grass and spikes of French mulberry in a low gray-green container. Clusters of purple and green grapes were used as a focal point and cascaded over the rim of the container.

Mrs. J. D. Murry chose for her container an olive green teapot, which was placed in a rectangular black base. Her arrangement was a lovely line design of brilliant yelliw zinnias with a focal point of orange - red tithonia. Mrs. R. L. Vining was awarded second place. In a low blask bowl, Mrs. Vining created a striking arrangement of red castor bean in the various stages of growth. Tall red spikes of bloom, followed by the bronze-red leaves and the rosy red seedpods as a focal point.

In the horticultural division a blue ribbon was awarded to Mrs. Murry for tithonia and a blue ribbon to Mrs. LeVasseur for physostegia (false dragon's head) and a red ribbon to Mrs. Vining for zinnias.

Be sure to mark these important dates on your calendar. September 20 and 21. Gregory Cinway lectures at the Bayou DeSiard Country Club in Monroe. Flower Show School No. 1 on October 6, 7 and 8 in Ruston, La., Tech agriculture Building. The Garden Center now subscribes to Plants and Gardens, a publication of the Brooklyn Botanic Garden. The summer quarterly just arrived a few days ago. This issue covers terraces, garden pools, outdoor fireplaces, fences, walks and paths and many other interesting subjects.

During these dot dry days our wild song birds are suffering from the lack of water. So many of our streams and brooks have dried up and the birds fear the river. Please provide some water in your garden for our little songst[illegible] addition to the bird baths and water cups at the feeding s[illegible] we have placed buckets brimfull of water at strategic places in our country garden and the birds seem to enjoy them all. The other day after a five minute shower I noticed the birds flying round and round in the trees and chattering happily. They were brushing the leaves with their wings, th[illegible]ing themselves a shower bath! Besides the esthetic value of [illegible] song birds and the great pleasure derived from the stury of them, they are of great economic value to the farmer and gardenrer.

Our wild friends "declare war" on millions of insects and weed seeds annually and thereby save the farmer from an enormous economic loss. Our statisticians tell us that without the birds, the earth would be destroyed in three days by insects. In view of this fact it clearly becomes our duty to pledge an oath of attraction, protection and encouragement to our friends of the bird kingdom.

The National Council of State Garden Clubs and the National Audubon Society are urging all cities and towns to provide sanctuaries for the birds. There is a write up about the Bird Sanctuary Ordinance in the September copy of National Gardener by our national bird chairman, Mrs. Julian T. Buxton. Be sure to read it.

You can buy a steak three to five days ahead of the time you plan to use it, but see that you store it properly. Make sure the steak lies flat on waxed paper and wrap it loosely. Keep the steak in the coldest part of your refrigerator — but not in the freezing compartment — until you are ready to cook it.

Darbar Will Be Conducted Monday

Swami Santha No. 102 - Nomads of Avrudaka, will have a very important Darbar on Monday night, September 20, 1954, Castle Hall, 127½ St. John Street. Rani Katie Smith, of Swami Santha No. 102, wants all Nomads to attend.

Final plans for a Nomad and Dokey celebration to be held here on November 13 will be effected.

All Dokeys are urged to attend Monday night and to bring in applications.

La. Baptists To Have Enormous State Budget

ALEXANDRIA, Sept. 18 (Special)—The Executive Board of the Louisiana Baptist Convention met here last Tuesday and approved a record $1,620,000 budget for 1955.

The proposed budget, which will be presented to the Louisiana Baptist convention for approval when it meets in Baton Rouge in November, was presented by Rev. Jaroy Weber, chairman of the budget control committee of the executive board.

The record budget reflects an increase of $470,000 over the 1954 budget and is almost double the 1951 budget.

The new budget will provide for the first time, for full support of all institutions and agencies of the convention. This feature of the new budget will eliminate the need for special drives and appeals by several agencies of the convention which have been forced to subsidize their receipts in the past.

Dr. J. Norris Palmer is president of the executive board and Dr. Floyd B. Chaffin is executive secretary.

YMCA Plans On Model Airplane Class Lessons

The Twin Cities Y. M. C. A. will conduct classes in model airplane construction for all boys ages 6-18 in Monroe and West Monroe. Classes will be held for both beginners and advanced builders. Boys interested in any phase of model airplane construction may enjoy this program.

The first organizational meeting will be held September 28 at 6:15 p.m. in the Twin Cities Y. M. C. A. at 217 Breard street. All sessions will be over by 7:30 p.m.

Bob Clay, a member of the Twin Cities Y. M. C. A. youth program committee, will instruct all classes. Clay has been interested in model airplane construction for 15 years and has participated in contests at Oletha, Kan.; Galesburg, Ill.; Jackson, Miss.; St. Louis, Mo.; and other cities. Clay has also served as contest official at various meets.

The only eligibility requirement is a Y. M. C. A. youth membership. No registration fee is required and supplies as needed will be purchased by the participants.

Research Council Gains Recognition

BATON ROUGE, Sept. 18 (Special)—Top national recognition has been won by the Public Affairs Research Council (PAR) for its study of and reports on the Louisiana welfare program.

This was announced here today by Edward J. Steimel, assistant executive director of PAR, on his return from the annual convention of the Government Research Association at Shawnee-on-Delaware, Pa.

Steimel reported the PAR welfare study won first place in national competition with other research organizations on the effectiveness of its presentation in reporting on the welfare study.

In addition, the study was cited among the top four in the contest for the "most noteworthy piece of research." The top four were not ranked except for first place.

More than 100 government research agencies in the nation were eligible to compete in the 40th annual contest of the Government Research Association in which the PAR study was entered. These are the only two awards made by GRA.

Steimel said here today that PAR is especially happy to have won this national recognition in little more than four years after its organization.

"We are proud first," he said, "that our study was considered outstanding from a research viewpoint by competent judges. The basis for our program is competent research on Louisiana government problems.

"Then we are very pleased that our methods of reporting results of our study were considered best of all the entries. We have a strong feeling in PAR that every effort possible should be made to produce reports that will attract and hold reader interest."

The welfare study was reported last winter and spring in a series of six illustrated pamphlets designed to attract a wide readership.

PAR is Louisiana's privately supported, non-partisan citizen research organization.

Pharmacy Week In Monroe Proclaimed

The week of October 3 through October 9 has been proclaimed as Pharmacy Week in Monroe by Mayor John E. Coon, he announced yesterday.

The week will coincide with National Pharmacy Week, which will be held to focus attention on "the importance of pharmacy in our lives."

In making the proclamation Coon said that "the pharmacists of our community play an indispensable part in safeguarding the health of our citizens."

He urged local residents to visit drug stores to "observe the vital role of the pharmacist."

Take the age - old process of laying out clothes the night before one step further. Set the breakfast table, make the orange juice, fill the coffeepot for a lightning start the next day.

PROPOSED AND PRESENT — Pictured above is the proposed church which will be erected by the Lakeshore Baptists in the near future. Ground breaking for the first of several sections will be held at 2:30 p.m. today. To the right is the tent in which the group began their meetings, later forming a church.

Lakeshore Church Sets Ground-Breaking Sunday

Members of the Lakeshore Baptist Church have [illegible] a cordial invitation to all pastors and church members of churches throughout the Twin Cities to observe [illegible] ground breaking ceremonies this afternoon at 2:30 p.m. The observance will be held at Camellia and Ro[illegible] streets in the Lakeshore Addition to the City of Monroe.

The Lakeshore Baptist Church began with a tent revival on July 11 of this year under the leadership of Rev. D. W. N[illegible], pastor of the Calvary Baptist Church. At the conclusion of the revival, on July 25, the present church was organized with 78 members. At this time the members met and decided to continue to meet in a tent and made immediate plans for building of a church.

As of this date the church now has a membership of 49. Sunday school has been completely organized and has an average of 52 to 60 in school each Sunday.

On Sept. 6 the Lakeshore Baptist Church made a cash purchase of its first two lots and entered into a purchase agreement on six more to be paid for over a three-year period. Upon completion, this will give the church a total of 300 by 225 feet, with a 300 foot frontage on Camellia street.

The church has adopted with revisions, to meet the location, a modern church plan furnished by the Baptist Sunday School board, and will be of brick veneer construction.

The groundbreaking today will be for the first of section, an educational building. The public is cordially invited to attend.

Dodson Church To Have Homecoming

DODSON, La., Sept. 18 (Special) Homecoming day will be held Sunday, October 10, at the Methodist Church and all are invited to attend, especially former residents of Dodson.

A program will be arranged and Dr. Malcolm Gaar, of L. S. U., will be the principal speaker for the occasion.

Dinner will be served on the ground.

This is the second year for the Homecoming and it has been made a permanent affair.

Little Theatre Curtain Call

By SUE SHARMAN

(EDITOR'S NOTE:) Today's guest columnist is Thom Feuerstein, M. A. degree of Baylor University, serving his second year as director of the Little Theatre of Monroe.)

I've always wanted to be a guest editor, and now I have my chance. "Curtain Call" has kindly consented to let me write the column for today. Whenever a director writes a column most people get suspicious, but I feel that it takes a special occasion for such action, and I feel that that special occasion is "My Three Angels."

Last Thursday night was the first rehearsal on that show, and most first rehearsals are very dull . . . "My Three Angels" is different. There, after three hours of rough blocking, which is slow, tedious work, the eight people working on the first act were still excited about the play and their own parts . . . And believe me that's something because three hours of blocking usually takes the starch of enthusiasm out of the staunchest actor.

"My Three Angels" is a special kind of play. First it's a comedy, but more than that, it's a philosophy. It's warm, human and tender, and yet it's downright fun. Did you ever read a book or a play that made you feel all aglow and just plain happy to be alive, and to have partaken in the experience? That's "My Three Angels." you'll love them, and you'll feel good for having known them. You'll see that life can be beautiful when you're a good neighbor.

Directing is work, just like any other profession, but every now and then a play comes along that is new, different and exciting. "My Three Angels" is such a play and I for one am definitely excited about it. That's why I want you to know about it. I suppose I could use all of the superlatives in the book, but it still would simply mean that the characters are fine, warm, human, lovable people, who'll restore your faith in human nature. The lines are witty, the story delightful and it has been skillfully concocted by two very famous names in play writing, Samuel and Bella Spewack.

On the readers' behalf and my own I'd like to offer a vote of thanks to the play -reading committee for giving me this fine script so that I in turn have the opportunity to give you a wonderful play — my bet is that "My Three Angels" will find a place in your heart, and it will be your favorite for years to come.

Thanks for bearing with me in my excitement but I just wanted to warn you that the opening production of the 1954-55 season is not only the answer to a director's prayer, it's the chance of a lifetime for the actors behind the footlights as well as a play no one can afford to miss — "My Three Angels" combines every element of good theatre. Thanks for reading; Thom Feuerstein, director of The Little Theatre of Monroe.

CHATTERBOX . . . And now let's see what gives with the gossip section if time will allow . . . Little Theatre board member Barbara Addison recently attended the traditional and colorful shrimp festival in Morgan City, La. . . . Fleta Latham, also of the board, is telling with pride of a sportsman's feat. Last week end she caught 34 rock bass and catfish in Lake Bruin, completely outfishing her husband Billy. They've been making the fishing resorts their summer retreat . . .

Little Theatre's Jim Reynolds left for New York this week end but he will return. The guy wasn't kidding when he said he liked Monroe better than any of the spots he's seen around the globe —

President of Little Theatre, Mrs. L. H. Carter's lovely new home on Forsythe was the scene Friday evening of a special call meeting of the board of directors and following that of the membership committee. Just for the moment and because they were momentous in decision, we'll bypass the main events of the evening for future use, and tell you that the can-can girls of Little Theatre are causing quite a hilarious controversy. There is even talk of charging special admission to see them . . . Considering all we heard Friday evening, we'll be in and about this business of writing a column, Monday, Wednesday, Friday and Sunday for some time to come . . . Watch out smoke, if all hat's brewing brews . . . There will be a work party at the Little Theatre playhouse Monday evening, purpose to line up all the last minute and redecoration, in anticipation of open house to be held at the play-open house to be held at the playhouse Sunday afternoon October 3. That's right we are so proud, we gotta show it off before the first play opens.

Exercise To Trim Waist

The older woman, even if she's slender, is likely to develop that unattractive "spare tire" look around the waistline, unless she exercises faithfully each day to prevent it.

If you've been doing general exercises regularly, but not specific waistline exercises, you may also encounter excess flesh under the shoulder blades which means you need exercises for the trunk as well as the waistline.

For the waistline, try these two exercises first, clasp your hands over your head. Bend the trunk to the left and then to the right Then, with hands still clasped over your head, make a circle with the upper part of your body At the same time, lean, forward and to the right, then as far back as possible, then lean to the left.

This is a good waistline-whittler, too. Lie on your face with a pil- your hands behind your head. Get someone to hold your feet down. Then, raise your head and shoulders slowly, and as far as possible off the bed. Hold it there and shoulders.

then slowly lower your head and

Now for the trunk exercises. Stand erect, and on your toes with one foot in front of the other. Hold a a stick in both hands and raise it high over your head. Stretch the stick as high above your head as you can manage and stretch your body up and walk slowly about the room on your toes.

This next exercise is good for both the trunk and the waistline. Stand with your feet slightly apart, your arms outstretched. Swing your arms and upper part of your body as far to the right as possible, then to the left. Do this ten times, keeping feet flat on the floor. And don't move your hips.

When you are boiling bacon, it's a good idea to use a rack in a shallow pan. Place the fat edge of each slice so it overlaps the lean edge of another slice. Broil several inches from source of heat about three minutes on each side, turning once.

PROPOSED AND PRESENT — Pictured above is the proposed church which will be erected by the Lakeshore Baptists in the near future. Ground breaking for the first of several sections will be held at 2:30 p.m. today. To the right is the tent in which the group began their meetings, later forming a church.

Lakeshore Church Sets Ground-Breaking Sunday

Members of the Lakeshore Baptist Church have issued a cordial invitation to all pastors and church members of churches throughout the Twin Cities to observe special ground breaking ceremonies this afternoon at 2:30 p.m. The observance will be held at Camellia and Rosewood streets in the Lakeshore Addition to the City of Monroe.

The Lakeshore Baptist Church began with a tent revival on July 11 of this year under the leadership of Rev. D. W. Nix, pastor of the Calvary Baptist Church. At the conclusion of the revival, on July 25, the present church was organized with 38 members. At this time the members met and decided to continue to meet in a tent and made immediate plans for building of a church.

As of this date the church now has a membership of 49. Sunday school has been completely organized and has an average of 52 to 60 in school each Sunday.

On Sept. 6 the Lakeshore Baptist Church made a cash purchase of its first two lots and entered into a purchase agreement on six more to be paid for over a three-year period. Upon completion, this will give the church a total of 300 by 225 feet, with a 300 foot frontage on Camellia street.

The church has adopted with revisions, to meet the location, a modern church plan furnished by the Baptist Sunday School board, and will be of brick veneer construction.

The groundbreaking today will be for the first of section, an educational building. The public is cordially invited to attend.

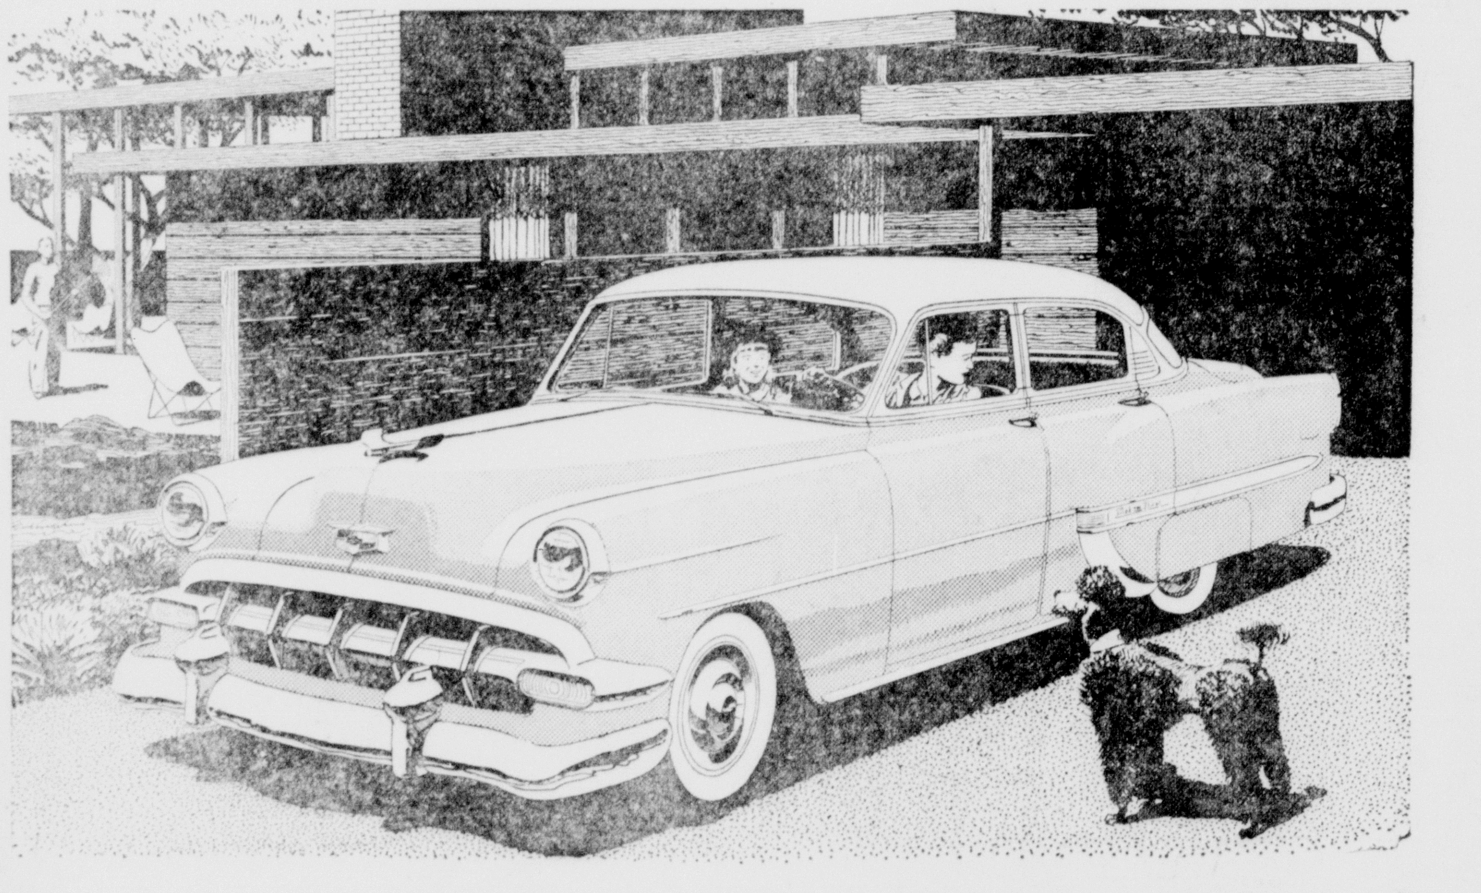
Dodson Church To Have Homecoming

DODSON, La., Sept. 18 (Special) —Homecoming day will be held Sunday, October 10, at the Methodist Church and all are invited to attend, especially former residents of Dodson.

A program will be arranged and Dr. Malcolm Gaar, of L. S. U., will be the principal speaker for the occasion.

Dinner will be served on the ground.

This is the second year for the Homecoming and it has been made a permanent affair.



4 TIMELY REASONS WHY You'll always be glad you bought a Chevrolet now!

1 You'll stay proud of Chevrolet's lasting good looks. Other low-priced cars don't have the quality look you see in Chevrolet. And if you like Chevrolet's looks now, you'll like its looks always.

2 You'll enjoy exclusive features for finer motoring. Body by Fisher—the highest-compression power of any leading low-priced car—the biggest brakes, the only full-length box-girder frame and the only Unitized Knee-Action ride in the low-price field. They're all yours in Chevrolet!

3 You save when you buy and when you trade. Even so, Chevrolet is priced below all other lines of cars. And at trade-in time, you'll be ahead again from Chevrolet's higher resale value!

4 You'll get a special deal right now. Right now, we're in a position to give you the deal of the year on a new Chevrolet. Come in, let us show you how much you'll gain by buying now!

Little Theatre Curtain Call

By SUE SHARMAN

(EDITOR'S NOTE:) Today's guest columnist is Thom Feuerstein, M. A. degree of Baylor University, serving his second year as director of the Little Theatre of Monroe.)

I've always wanted to be a guest editor, and now I have my chance. "Curtain Call" has kindly consented to let me write the column for today. Whenever a director writes a column most people get suspicious, but I feel that it takes a special occasion for such action, and I feel that that special occasion is "My Three Angels."

Last Thursday night was the first rehearsal on that show, and most first rehearsals are very dull . . . "My Three Angels" is different. There, after three hours of rough blocking, which is slow, tedious work, the eight people working on the first act were still excited about the play and their own parts . . . And believe me that's something because three hours of blocking usually takes the starch of enthusiasm out of the staunchest actor.

"My Three Angels" is a special kind of play. First it's a comedy, but more than that, it's a philosophy. It's warm, human and tender, and yet it's downright fun. Did you ever read a book or a play that made you feel all aglow and just plain happy to be alive, and to have partaken in the experience? That's "My Three Angels." you'll love them, and you'll feel good for having known them. You'll see that life can be beautiful when you're a good neighbor.

Directing is work, just like any other profession, but every now and then a play comes along that is new, different and exciting. "My Three Angels" is such a play and I for one am definitely excited about it. That's why I want you to know about it. I suppose I could use all of the superlatives in the book, but it still would simply mean that the characters are fine, warm, human, lovable people, who'll restore your faith in human nature. The lines are witty, the story delightful and it has been skillfully concocted by two very famous names in play writing, Samuel and Bella Spewack.

On the readers' behalf and my own I'd like to offer a vote of thanks to the play -reading committee for giving me this fine script so that I in turn have the opportunity to give you a wonderful play — my bet is that "My Three Angels" will find a place in your heart, and it will be your favorite for years to come.

Thanks for bearing with me in my excitement but I just wanted to warn you that the opening production of the 1954-55 season is not only the answer to a director's prayer, it's the chance of a lifetime for the actors behind the footlights as well as a play no one can afford to miss — "My Three Angels" combines every element of good theatre. Thanks for reading; Thom Feuerstein, director of The Little Theatre of Monroe.

CHATTERBOX . . . And now let's see what gives with the gossip section if time will allow . . . Little Theatre board member Barbara Addison recently attended the traditional and colorful shrimp festival in Morgan City, La. . . . Fleta Latham, also of the board, is telling with pride of a sportsman's feat. Last week end she caught 34 rock bass and catfish in Lake Bruin, completely outfishing her husband Billy. They've been making the fishing resorts their summer retreat . . .

Little Theatre's Jim Reynolds left for New York this week end but he will return. The guy wasn't kidding when he said he liked Monroe better than any of the spots he's seen around the globe —

President of Little Theatre, Mrs. L H. Carter's lovely new home on Forsythe was the scene Friday evening of a special call meeting of the board of directors and following that of the membership committee. Just for the moment and because they were momentous in decision, we'll bypass the main events of the evening for future use, and tell you that the can-can girls of Little Theatre are causing quite a hilarious controversy. There is even talk of charging special admission to see them . . . Considering all we heard Friday evening, we'll be in and about this business of writing a column, Monday, Wednesday, Friday and Sunday for some time to come . . . Watch out smoke, if all hat's brewing brews . . . There will be a work party at the Little Theatre playhouse Monday evening, purpose to line up all the last minute and redecoration, in anticipation of open house to be held at the play-open house to be held at the playhouse Sunday afternoon October 3. That's right we are so proud, we gotta show it off before the first play opens.

12 Receive Last Rank In K. Of P.

Stonewall Lodge No. 8, Knights of Pythias, held its regular meeting Thursday, in Castle Hall. Harry Strong, chancellor commander, stated there was a large attendance of Knights and last and third rank of Knight was conferred on twelve esquires.

Stonewall Lodge No. 8 closed in due form and all Knights retired to second floor where coffee and doughnuts were served.

Exercise To Trim Waist

The older woman, even if she's slender, is likely to develop that unattractive "spare tire" look around the waistline, unless she exercises faithfully each day to prevent it.

If you've been doing general exercises regularly, but not specific waistline exercises, you may also encounter excess flesh under the shoulder blades which means you need exercises for the trunk as well as the waistline.

For the waistline, try these two exercises first, clasp your hands over your head. Bend the trunk to the left and then to the right Then, with hands still clasped over your head, make a circle with the upper part of your body At the same time, lean, forward and to the right, then as far back as possible, then lean to the left.

This is a good waistline-whittler, too. Lie on your face with a pilyour hands behind your head. Get someone to hold your feet down. Then, raise your head and shoulders slowly, and as far as possible off the bed. Hold it there and shoulders.
then slowly lower your head and

Now for the trunk exercises. Stand erect, and on your toes with one foot in front of the other. Hold a a stick in both hands and raise it high over your head. Stretch the stick as high above your head as you can manage and stretch your body up and walk slowly about the room on your toes.

This next exercise is good for both the trunk and the waistline. Stand with your feet slightly apart, your arms outstretched. Swing your arms and upper part of your body as far to the right as possible, then to the left. Do this ten times, keeping feet flat on the floor. And don't move your hips.

When you are boiling bacon, it's a good idea to use a rack in a shallow pan. Place the fat edge of each slice so it overlaps the lean edge of another slice. Broil several inches from source of heat about three minutes on each side, turning once.

THE BLACK SHIELD OF FALWORTH—Janet Leigh and Tony Curtis steal a moment of romance while Torin Thatcher reminds the young outlaw knight of impending battle in Universal-International's Technicolor adventure of medieval England, "The Black Shield of Falworth," produced in CinemaScope. David Farrar, Barbara Rush and Herbert Marshall are co-starred with the romantic team in this saga of chivalry's golden age.

'Knock On Wood' Is Danny Kaye's Finest

In all the annals of Hollywood comedy the talented Danny Kaye is regarded as a star of the highest magnitude. It is for this reason, little wonder, that his latest film for Paramount, "Knock On Wood," which opens today at the Paramount Theatre, is reported to be one of the most hilarious in all celluloid history.

Written, produced and directed by that talented team, Norman Panama and Melvin Frank, "Knock On Wood" is the perfect vehicle for the combustible Mr. Kaye. He sings, he dances and prances in a merry madcap mix-up that sees him in the role of a ventriloquist who is forced to seek psychiatric help when his dummy starts speaking back to him. The mind doctor in this case turns out to be beautiful Swedish actress, Mai Zetterling, with whom Danny immediately falls in love.

While undergoing treatment, Danny unwittingly gets himself mixed up with foreign espionage agents who believe him to be the possessor of certain secret documents which they desperately want. In no time at all these unwholesome gents start killing one another and Danny boy is blamed for the whole heap of homicides. As a matter of fact, the London police think of him as the "red-headed ripper" and receive orders to shoot him on sight. This makes Danny seek disguises and before you can say "I never laughed so much in my life," we find Danny as a celebrating Irish tenor, then as a veddy dignified car salesman, still later as a British plutocrat and finally in a side-splitting climax, taking on the role of a Russian ballet dancer.

Incidentally, this ballet sequence was devised by famed Broadway choreographer, Michael Kidd, and advance audiences report that it is, beyond doubt, one of the most pleasant cinema experiences in years. All in all, "Knock On Wood" seems to have everything—music, mirth, romance and a very liberal portion of Danny Kaye. It all adds up to a barrel-full of fun that should provide mirth-filled memories for months to come.

HOME FIRE HAZARDS

At least 12 per cent of home fires are caused by misuse of electricity, reports the U. S. Department of Agriculture. If you increase your use of electrical equipment, especially high - wattage and automatic appliances, make sure to modernize household wiring systems. Some estimates hold that as many as half the home wiring systems need modernizing to keep pace with air conditioners, television sets, home freezers and other appliances.

The Glamour Of Stardom

By ROBERT WAGNER

(Guest Columnist)

HOLLYWOOD, September 18 — I was asked to do a guest column on the subject: "Does the glamer of Hollywood stardom present any dangers for a young man?"

I think if I accepted all the assumptions in that question, the answer would be "yes." And the comment would have to be, "Here's a boy who has really flipped his lid."

However, trying to think of something else to write about, I discovered that I'm an authority on surprisingly few subjects. So I'll go along on that one, after all.

First, though, I'd like to make it clear that I realize I have a long, long way to go in my profession. I've been starred in three pictures for 20th Century-Fox — "Broken Lance," "Prince Valiant," and "Beneath the 12-Mile Reef." Currently I'm on loanout to Panoramic for "White Feather." This isn't exactly a career. I hope it's the start of one.

Most people seem to think that the main danger lies in having your name in the papers and in lights; the fan mail and autograph books and all that. I admit this makes me feel real cool and stimulates my ego. I have read where more experienced stars have said this cuts their privacy and they feel somehow captives of the public. I'm in no spot to argue, but I love to sign those autograph books and the squeals of the bobby-soxers is like a Peggy Lee recording in my ears.

Still, I doubt if this alone could make a guy blow his stack. For one thing, in my case anyhow, there have been enough stinkweeds in the bouquets to make me just a little nervous. For example, a teenager recently asked me to sign a piece of paper five times. I'll admit I thought to myself: "Man, you've got a living fan here!" But anyhow, I asked her why and she replied: "For five of your autographs, a friend will give me one from Tony Curtis."

In Nogales, Arizona, on the "Broken Lance" location I came out of the hotel dining room and was beseiged by at least 30 bobby-soxers. I prepared myself to be gracious to my public, but it turned out not to be mine. These youngsters wanted to know when Richard Widmark would finish dinner and come out!

I wasn't crushed, but these things happen often enough to keep you thinking. This seeming adulation isn't as unquestioning as mother love nor as permanent as marriage—even in 1954. It shouldn't increase the hat size.

Again, getting your name in the paper is fine, but it's hard to have it there frequently without picking up a few zings along the way. I've had my share both as to my professional competence and my personal conduct. Maybe I had them coming, although I'm not man enough to admit it. Not all of them, anyhow. But whether I did or not, the point is that having your name in the papers isn't all sheer joy and I doubt it often happens that an actor becomes fat-headed from, as they say in Hollywood, "believing his own publicity."

The same goes for all the rest of it. You work with or associate with some pretty important people, but least of all are they inclined to make you feel important. I was real gone when I was told that I would be starred with Spencer Tracy in "Broken Lance." I had admired him for years and the thought of working with him and becoming his friend was a real joy pop. It happened, but not on quite the terms I had imagined. As an actor, he's the greatest and I sort of figured upon becoming his disciple or something. He did show me a lot about acting, but most of the time we talked he was ribbing me.

For instance, after our first scene together, he said: "Bob, I'm going to help you." I naturally went for that. "Yes," he continued, "we'll do as many of your scenes as possible right away." I said I thought it was fine, but made bold to ask why it was helpful to get my scenes in at the very beginning of the picture. "Why, my boy," he explained, "it'll take them three or four days to see what they have on film." I still didn't see why that would help and said so. He looked at me pityingly. "When they see you on film they're certain to want to replace you in the cast," he said, "but it will be too expensive if you are already established in a lot of scenes." Well, so much for getting fat headed through association.

There is a point, though, where a fellow might get into trouble and I mean this seriously. It's not in the so-called glamour of the business, but in the fact that the commodity the actor is selling is himself. Now when a salesman of automobiles thinks his particular product is the greatest it helps him to sell. An actor has to believe in himself, as well, but somewhere along the line he has to use a little restraint. Just where this point is, I don't know and if anyone can tell me he hasn't come forward yet. How do you believe in yourself, but not too painfully much? It's a worrying thing.

And one more last aspect of the same: I am doing something I've wanted to do since I was a child. From every possible point of view, I want to develop this career of mine to its fullest limits. I can't help but feel that I've got something very precious to me in my own two hands. I don't want to drop it. It makes me nervous. And when a guy gets nervous he can make some real crazy mistakes.

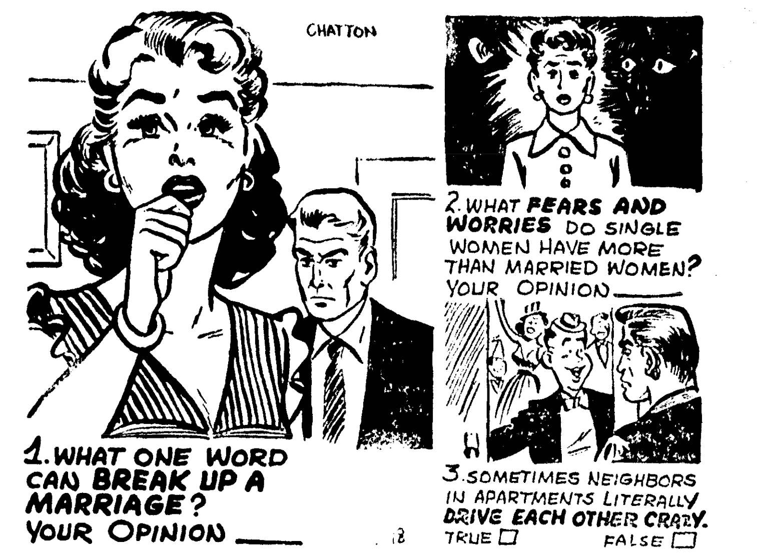
LET'S EXPLORE YOUR MIND

By ALBERT EDWARD WIGGAM, D. Sc.

Reg. U. S. Pat. Off.



CHATTON
1. WHAT ONE WORD CAN BREAK UP A MARRIAGE? YOUR OPINION ____
2. WHAT FEARS AND WORRIES DO SINGLE WOMEN HAVE MORE THAN MARRIED WOMEN? YOUR OPINION ____
3. SOMETIMES NEIGHBORS IN APARTMENTS LITERALLY DRIVE EACH OTHER CRAZY. TRUE ☐ FALSE ☐

Answer to Question No. 1

1. 'But." If a mother-in-law really tries, and if she keeps 'but"-ing long enough, she can wreck any marriage. In the play, "Never Say Goodbye," the divorced couple love each other, but the mother keeps saying to the daughter, "Yes. He's kind, but . . .;" I know he's attractive, but . . ." Finally she wears daughter down and keeps her from going back to husband for over a year.

Answer to Question No. 2

2. A survey showed single women have the following worries far more than married women: Getting fat, daydreaming, what others think of them, feeling inferior, biting fingernails, blushing too much, halitosis, and unpopularity.

Answer to Question No. 3

3. Apparently true. The New York State Health Commission found in Syracuse that most mental hospital patients were elderly persons who had lived in multiple dwellings in impoverished areas. Far fewer came from equally impoverished areas with single homes. Strongly indicates neighbors in poor apartments constituted a large factor.

MALE ADMISSION

LONDON — Equality of the sexes is a myth because "by nature women are superior," says Arthur Turner, worthy master of the Incorporated Guild of Hairdressers, Wigmakers, and Perfumers. "Even the plainest woman can reduce a man to a child if she dresses well and has her hair styled."

If the stiff underskirt you have bought has an elasticized waist, replace it with tape and a zipper for the smooth line necessary to the feminine waistline. For economy, the elastic one with the zipper installed by you will be cheaper than the ready-made zippered model.

THE BLACK SHIELD OF FALWORTH—Janet Leigh and Tony Curtis steal a moment of romance while Torin Thatcher reminds the young outlaw knight of impending battle in Universal-International's Technicolor adventure of medieval England, "The Black Shield of Falworth," produced in CinemaScope. David Farrar, Barbara Rush and Herbert Marshall are co-starred with the romantic team in this saga of chivalry's golden age.

'Knock On Wood' Is Danny Kaye's Finest

In all the annals of Hollywood comedy the talented Danny Kaye is regarded as a star of the highest magnitude. It is for this reason, little wonder, that his latest film for Paramount, "Knock On Wood," which opens today at the Paramount Theatre, is reported to be one of the most hilarious in all celluloid history.

Written, produced and directed by that talented team, Norman Panama and Melvin Frank, "Knock On Wood" is the perfect vehicle for the combustible Mr. Kaye. He sings, he dances and prances in a merry madcap mix-up that sees him in the role of a ventriloquist who is forced to seek psychiatric help when his dummy starts speaking back to him. The mind doctor in this case turns out to be beautiful Swedish actress, Mai Zetterling, with whom Danny immediately falls in love.

While undergoing treatment, Danny unwittingly gets himself mixed up with foreign espionage agents who believe him to be the possessor of certain secret documents which they desperately want. In no time at all these unwholesome gents start killing one another and Danny boy is blamed for the whole heap of homicides. As a matter of fact, the London police think of him as the "red-headed ripper" and receive orders to shoot him on sight. This makes Danny seek disguises and before you can say "I never laughed so much in my life," we find Danny as a celebrating Irish tenor, then as a veddy dignified car salesman, still later as a British plutocrat and finally in a side-splitting climax, taking on the role of a Russian ballet dancer.

Incidentally, this ballet sequence was devised by famed Broadway choreographer, Michael Kidd, and advance audiences report that it is, beyond doubt, one of the most pleasant cinema experiences in years. All in all, "Knock On Wood" seems to have everything—music, mirth, romance and a very liberal portion of Danny Kaye. It all adds up to a barrelfull of fun that should provide mirth-filled memories for months to come.

The Glamour Of Stardom

By ROBERT WAGNER
(Guest Columnist)

HOLLYWOOD, September 18 — I was asked to do a guest column on the subject: "Does the glamer of Hollywood stardom present any dangers for a young man?"

I think if I accepted all the assumptions in that question, the answer would be "yes." And the comment would have to be, "Here's a boy who has really flipped his lid."

However, trying to think of something else to write about, I discovered that I'm an authority on surprisingly few subjects. So I'll go along on that one, after all.

First, though, I'd like to make it clear that I realize I have a long, long way to go in my profession. I've been starred in three pictures for 20th Century-Fox — "Broken Lance," "Prince Valiant," and "Beneath the 12-Mile Reef." Currently I'm on loanout to Panoramic for "White Feather." This isn't exactly a career. I hope it's the start of one.

Most people seem to think that the main danger lies in having your name in the papers and in lights; the fan mail and autograph books and all that. I admit this makes me feel real cool and stimulates my ego. I have read where more experienced stars have said this cuts their privacy and they feel somehow captives of the public. I'm in no spot to argue, but I love to sign those autograph books and the squeals of the bobby-soxers is like a Peggy Lee recording in my ears.

Still, I doubt if this alone could make a guy blow his stack. For one thing, in my case anyhow, there have been enough stinkweeds in the bouquets to make me just a little nervous. For example, a teen-ager recently asked me to sign a piece of paper five times. I'll admit I thought to myself: "Man, you've got a living fan here!" But anyhow, I asked her why and she replied: "For five of your autographs, a friend will give me one from Tony Curtis."

In Nogales, Arizona, on the "Broken Lance" location I came out of the hotel dining room and was beseiged by at least 30 bobby-soxers. I prepared myself to be gracious to my public, but it turned out not to be mine. These youngsters wanted to know when Richard Widmark would finish dinner and come out!

I wasn't crushed, but these things happen often enough to keep you thinking. This seeming adulation isn't as unquestioning as mother love nor as permanent as marriage—even in 1954. It shouldn't increase the hat size.

Again, getting your name in the paper is fine, but it's hard to have it there frequently without picking up a few zings along the way. I've had my share both as to my professional competence and my personal conduct. Maybe I had them coming, although I'm not man enough to admit it. Not all of them, anyhow. But whether I did or not, the point is that having your name in the papers isn't all sheer joy and I doubt it often happens that an actor becomes fat-headed from, as they say in Hollywood, "believing his own publicity."

The same goes for all the rest of it. You work with or associate with some pretty important people, but least of all are they inclined to make you feel important. I was real gone when I was told that I would be starred with Spencer Tracy in "Broken Lance." I had admired him for years and the thought of working with him and becoming his friend was a real joy pop. It happened, but not on quite the terms I had imagined. As an actor, he's the greatest and I sort of figured upon becoming his disciple or something. He did show me a lot about acting, but most of the time we talked he was ribbing me.

For instance, after our first scene together, he said: "Bob, I'm going to help you." I naturally went for that. "Yes," he continued, "we'll do as many of your scenes as possible right away." I said I thought it was fine, but made bold to ask why it was helpful to get my scenes in at the very beginning of the picture. "Why, my boy," he explained, "it'll take them three or four days to see what they have on film." I still didn't see why that would help and said so. He looked at me pityingly. "When they see you on film they're certain to want to replace you in the cast," he said, "but it will be too expensive if you are already established in a lot of scenes." Well, so much for getting fat headed through association.

There is a point, though, where a fellow might get into trouble and I mean this seriously. It's not in the so-called glamour of the business, but in the fact that the commodity the actor is selling is himself. Now when a salesman of automobiles thinks his particular product is the greatest it helps him to sell. An actor has to believe in himself, as well, but somewhere along the line he has to use a little restraint. Just where this point is, I don't know and if anyone can tell me he hasn't come forward yet. How do you believe in yourself, but not too painfully much? It's a worrying thing.

And one more last aspect of the same: I am doing something I've wanted to do since I was a child. From every possible point of view, I want to develop this career of mine to its fullest limits. I can't help but feel that I've got something very precious to me in my own two hands. I don't want to drop it. It makes me nervous. And when a guy gets nervous he can make some real crazy mistakes.

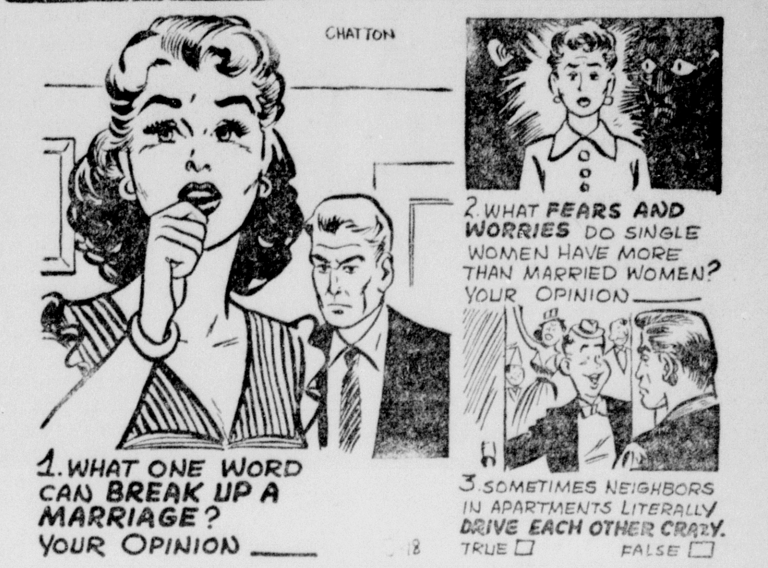
LET'S EXPLORE YOUR MIND

By ALBERT EDWARD WIGGAM, D. Sc.
Reg. U. S. Pat. Off.



CHATTON
1. WHAT ONE WORD CAN BREAK UP A MARRIAGE? YOUR OPINION ____
2. WHAT FEARS AND WORRIES DO SINGLE WOMEN HAVE MORE THAN MARRIED WOMEN? YOUR OPINION ____
3. SOMETIMES NEIGHBORS IN APARTMENTS LITERALLY DRIVE EACH OTHER CRAZY. TRUE ☐ FALSE ☐

Answer to Question No. 1

1. 'But." If a mother-in-law really tries, and if she keeps 'but''-ing long enough, she can wreck any marriage. In the play, "Never Say Goodbye," the divorced couple love each other, but the mother keeps saying to the daughter, "Yes. He's kind, but . . .;" I know he's attractive, but . . ." Finally she wears daughter down and keeps her from going back to husband for over a year.

Answer to Question No. 2

2. A survey showed single women have the following worries far more than married women: Getting fat, daydreaming, what others think of them, feeling inferior, biting fingernails, blushing too much, halitosis, and unpopularity.

Answer to Question No. 3

3. Apparently true. The New York State Health Commission found in Syracuse that most mental hospital patients were elderly persons who had lived in multiple dwellings in impoverished areas. Far fewer came from equally impoverished areas with single homes. Strongly indicates neighbors in poor apartments constituted a large factor.

MALE ADMISSION

LONDON — Equality of the sexes is a myth because "by nature women are superior," says Arthur Turner, worthy master of the Incorporated Guild of Hairdressers, Wigmakers, and Perfumers. "Even the plainest woman can reduce a man to a child if she dresses well and has her hair styled."

If the stiff underskirt you have bought has an elasticized waist, replace it with tape and a zipper for the smooth line necessary to the feminine waistline. For economy, the elastic one with the zipper installed by you will be cheaper than the ready-made zippered model.

My Answer

By BILLY GRAHAM

QUESTION: "One of my sons has been caught up by the false teaching of one of those heretical sects, and I am shocked beyond measure. What can I do to fight this terrible thing? E. G.

ANSWER: I do not know that you will do much good by adopting a fighting attitude in a case like this. If you are not careful, you will only drive a wedge between yourself and your son and harden him in his wrong ideas.

Instead of fighting, why not try praying? And get your Christian friends to pray too. "The effectual fervent prayer of a righteous man availeth much." (James 5.16). Ask that the Lord may open the eyes of your boy to the error into which he has fallen, and that the Spirit of truth may guide him into all truth (John 16. 18).

Another thing. If you are really going to be of help to your son at this time, your heart must be full of grace and understanding, not of bitterness and resentment. I suggest that you need to show less of the fighting spirit and more the loving spirit. And see to it that your own Christian life is of a radiant and attractive quality, commending the truth of the Gospel which you believe.

You will then be in a position to discuss this whole matter with your son in such a way as to help him. Do not argue with him, but take him to the word of God and urge him to study it prayerfully. This should also be a challenge to you to make sure that your own Bible knowledge is clear and correct. Our Lord's words, "Search the scriptures; for they are which testify of Me." (John 5. 39) should apply very much both to you and your son at this time.

Centennial Revival To Start Today

The centennial revival scheduled at First Baptist Church will begin Sunday with the morning service, the pastor, Dr. James T. Horton, bringing a message on the subject, Hither to-Henceforth."

The evening message will be brought by Dr. F. H. Farrington, Chicago, Ill., who pastored the church for several years prior to 1920, and is the oldest living past pastor of the local church. His theme will be "The Main Business of the Church—Evangelism."

Dr. Horton came to the city as pastor of the church early in 1950, and during his pastorate, the church has experienced a marvelous spiritual and material growth, and with the fine spirit of harmony and cooperation among the membership, greater spiritual harvests and blessings are anticipated for the future.

Dr. Farrington was born in Bibb County, Alabama, and obtained his B. A. degree at Howard College, Birmingham, Ala., and the Th. M. degree at Southern Baptist Theological Seminary, Louisville, Ky. He was pastor of the Minroe church when the present auditorium was completed in 1913. However, since that time, the building has been expanded.

Dr. Earl Guin, president of Louisiana College, will arrive on the field Monday and will bring the messages during the week.

5 Candidates For Daughters Of Cross Given

Five candidates for the Sisterhood of The Daughters of the Cross were received into the novitiate at the Motherhouse in Shreveport on Wednesday, September 8.

The new postulants are: Miss Shirley Brossette of Shreveport; Miss Marjorie Carter of Shreveport; Miss Bobbie Cavanass of Austin, Tex.; Miss Barbara Ross of Shreveport; Miss Margaret Spohrer of Baton Rouge, formerly of Monroe, and a student at St. Matthew's.

Canon law requires that the postulant aspiring toward religious life spend at least six months within the novitiate of the order of her choice. This period of orientation is followed by two full years of noviceship during which time the young sister continues — without vows — to study the rules and constitutions of the sisterhood. At the end of the two years as a "white veiled novice," if she perseveres in her desire to embrace religious life, she is received as a black veiled young professed and she pronounces publicly the vows of poverty, chastity and obedience.

These vows are for the priod of three years, and at the end of the period of temporary profession and time of added study and deliberation, she may pronounce her vows for life if she so chooses.

Bishop Martin To Preach Sunday Night, W. Monroe

Bishop Paul E. Martin will have a busy day Sunday. He will dedicate the Grayson Methodist Church at 11 a. m. today and at 7:30 p. m. will preach at the First Methodist Church in West Monroe.

A large attendance is anticipated at both of these services.

St. Matthew's Altar Boys In Election

The first meeting of the St. Matthew's Altar Boys was held on Wednesday, September 15, 1954 with the Reverend Joseph Susi, of St. Matthew's Church, in charge. Father Susi opened the meeting with a prayer, and then the elections of officers for the coming year took place. Votes were cast by secret ballot with the following results: president, Philip Goldman; vice-president, Joseph Bruscato; secretary, Joseph Romano; treasurer, Gene Dunham.

Following the elections the boys decided on the amount and the time of payment of their dues. The meeting was then adjourned with Father Susi leading in the prayers.

DO YOUR PART! PREVENT CRIME!
DURING PARTIES OR GATHERINGS, KEEP WINDOWS LOCKED IN THE ROOM WHERE GUESTS LEAVE COATS. THIEVES ARE ON THE LOOKOUT FOR ABOVE CONDITIONS.
Dick Tracy
THE TWO LITTLE GIRLS ARE THE ONLY ONES NOT ACCOUNTED FOR IN THE FLOOD.
IT'S BEEN 2 WEEKS. THERE'S NO HOPE THAT WE'LL FIND THEM NOW.
"HOW ARE B.O. PLENTY AND GRAVEL GERTIE TAKING IT?" ASKS THE CHIEF. "COMPLETELY HEARTBROKEN," REPLIES TRACY.
BOO HOO
BOO HOO
HONK
I FOR ONE WON'T GIVE UP HOPE TILL WE FIND THEIR BODIES.
I KNOW HOW YOU FEEL, TRACY.
BUT THE WORLD MOVES ON, AND I'VE GOT OTHER BUSINESS TO TAKE UP WITH YOU GUYS! THE HEAT IS ON— AND I MEAN IN A BIG WAY—ABOUT THIS GROWING EPIDEMIC OF FUR THEFTS.
WE'VE BEEN WORKING ON IT, CHIEF, BUT WITH VERY MEAGER LEADS.
THE INSURANCE COMPANIES ARE ON THE MAYOR'S NECK, AND HE, IN TURN, HAS CRACKED DOWN ON THE COMMISSIONER.
I WANT YOU TO PLANT MEN WITH RIOT GUNS IN HALF A DOZEN FUR COMPANY TRUCKS, AND—
TRACY, CAN I SEE YOU A MOMENT?
HUH? A KID'S SWIM SUIT??
WE STOPPED A TRUCK TO CHECK ITS WEIGHT—THIS WAS CAUGHT ON THE BACK. THE DRIVER SAID IT WAS HIS KID'S SUIT. LATER, WHEN HE THOUGHT WE WERE OUT OF SIGHT—HE TOSSED THIS IN THE WEEDS.
HE WOULDN'T TOSS HIS OWN KID'S SWIM SUIT AWAY, WOULD HE?
LOOK AT THE NAME ON THE LEG.
"WINGY"!
Wingy
HIS WEIGHT CHECKED OKAY, BUT I WROTE HIS NAME, ADDRESS AND HIS FIRM IN THIS NOTEBOOK.
CALL SAM, THIS IS HOT!
9-19-54
AND BACK AT RUGHEAD'S FARM HIDEAWAY.
OKAY, LET'S GET 'EM OUT OF HERE.
AND NOW, KIDDIES, WE'RE GOING TO DRIVE YOU HOME.

HEY- WHAT'S THE PITCH, MIZZOU?
WELL, MOVE IN, YOU DOPES! I THOUGHT YOU'D NEVER COME! HOW LONG DID YOU THINK I COULD HOLD THIS UNDERCOVER AIR FORCE CHARACTER?
AIR FORCE? —YOU SURE?
DO YOU THINK THEY ALWAYS RUN AROUND IN BLUE SUITS, WEARING PARACHUTES?..
KEEP A BIG EYE ON HIM! —HE'S FULL OF MORE TRICKS THAN A DECK OF CARDS!
HEY, JIGGER, COME HERE A SECOND...
WHAT GOES WITH THIS BABE? I THOUGHT SHE WAS JUST A COME-ON TO KEEP THE WORKING STIFFS FROM THE RADAR JOB FROM CONCENTRATING ON THEIR WORK! THE BOSS NEVER SPOKE OF HER BEING IN ON THE DEAL...
I DUNNO, BUT IF SHE IS WORKIN' FOR THE BOSS—AN' THE GUY IS AN AIR FORCE PLANT, THEN SHE HAS DONE A GOOD JOB SMOKIN' HIM OUT...
BUT IF IT'S NOT ALL LIKE SHE SAYS, THE BOSS WILL NAIL OUR EARS TO THE CABIN DOOR!
IF THERE'S ONE THING THE BIG BOSS HATES, IT'S AN UNDERCOVER SNEAK! HE'LL BURN THOSE RED, WHITE AND BLUE STRIPES OFF YOUR BACK...
I THOUGHT IF I HAD TO PUT UP WITH THOSE PASSES YOU WERE MAKING AT ME FOR ONE MORE MINUTE I'D HAVE GONE NUTS! THE BOYS ARRIVED IN THE WELL-KNOWN NICK OF TIME...
WELL, WHAT GOES? DO YOU TIE THIS CLUNK TO A ROCK AND DUMP HIM IN THE LAKE, OR WHAT?
AAH-UH..THE BOSS WILL WANT TO SEE AN AIR FORCE PLANT...
START WALKIN', FLYBOY!

MY GOODNESS!! IT SAYS HERE THAT MR. AND MRS. HORACE ANSADDLE HAVE BOUGHT THAT BIG ESTATE DOWN THE ROAD!-- THEY'RE VERY PROMINENT SOCIALLY!!
--AND MR. ANSADDLE BELONGS TO THE SAME CLUB AS JIGGS!
-BUT- JIGGS- HE BELONGS TO YOUR CLUB!!-- YOU MUST BE A GOOD NEIGHBOR AND PAY HIM A VISIT TO WELCOME HIM-- EVEN IF ONLY TO SAY HELLO!
THAT'S MORE THAN HE EVER SAYS TO ME WHEN WE MEET!
MY WIFE INSISTED I COME OVER TO SAY HELLO!-- SO "HELLO"-- AND GOOD-BYE!
I'LL JUST SAY GOOD-BYE!!- BY THE WAY, ARE YOU GOING TO THE CLUB TODAY? IF YOU ARE- I'LL STAY HOME!!
JAMES- WILL YOU DRIVE OVER TO THE HORACE ANSADDLE ESTATE AND PICK UP MR. JIGGS? HE SAID HE'D WALK HOME- BUT MAYBE HE'S CHANGED HIS MIND-
MAYBE HE ISN'T ABLE TO WALK!
OH- DEAR- I'M WORRIED ABOUT MR. JIGGS! I SENT THE CHAUFFEUR TO HORACE ANSADDLE'S TO PICK HIM UP- BUT THEY HAVEN'T COME BACK YET!
I WAS WONDERING WHY IT WAS SO QUIET AROUND HERE!-- I'LL GO GET THEM!
BUT IT'S MY AFTERNOON OFF- MA'M-- I'M GOING TO READ A PAPER AT THE TREE SURGEONS' CONVENTION!
YOU CAN READ MY PAPER!! I WANT YOU TO GO OVER TO THE HORACE ANSADDLE ESTATE AND PICK UP MR. JIGGS! YOU'LL HAVE TO USE YOUR OWN CAR-
WHAT IN THE WORLD COULD HAVE HAPPENED TO THEM?! I'LL HAVE TO GO AFTER THEM- MYSELF!-- THEY'VE TAKEN ALL OUR CARS-- SO THERE'S NOTHING TO DO BUT WALK-
WHAT?- HE ISN'T HERE?
NO- HE DIDN'T STAY LONG-- THANK HEAVENS!! BUT YOUR SERVANTS ARE ALL HERE! I'VE HIRED THEM FOR MY STAFF-- I'M VERY INDEBTED TO YOU- MRS. JIGGS-- IT WILL SAVE ME A LOT OF BOTHER!!

HEY- WHAT'S THE PITCH, MIZZOU?
WELL, MOVE IN, YOU DOPES! I THOUGHT YOU'D NEVER COME! HOW LONG DID YOU THINK I COULD HOLD THIS UNDERCOVER AIR FORCE CHARACTER?
AIR FORCE? —YOU SURE?
DO YOU THINK THEY ALWAYS RUN AROUND IN BLUE SUITS, WEARING PARACHUTES?..
KEEP A BIG EYE ON HIM! —HE'S FULL OF MORE TRICKS THAN A DECK OF CARDS!
HEY, JIGGER, COME HERE A SECOND...
WHAT GOES WITH THIS BABE? I THOUGHT SHE WAS JUST A COME-ON TO KEEP THE WORKING STIFFS FROM THE RADAR JOB FROM CONCENTRATING ON THEIR WORK! THE BOSS NEVER SPOKE OF HER BEING IN ON THE DEAL...
I DUNNO, BUT IF SHE IS WORKIN' FOR THE BOSS—AN' THE GUY IS AN AIR FORCE PLANT, THEN SHE HAS DONE A GOOD JOB SMOKIN' HIM OUT...
BUT IF IT'S NOT ALL LIKE SHE SAYS, THE BOSS WILL NAIL OUR EARS TO THE CABIN DOOR!
IF THERE'S ONE THING THE BIG BOSS HATES, IT'S AN UNDERCOVER SNEAK! HE'LL BURN THOSE RED, WHITE AND BLUE STRIPES OFF YOUR BACK...
I THOUGHT IF I HAD TO PUT UP WITH THOSE PASSES YOU WERE MAKING AT ME FOR ONE MORE MINUTE I'D HAVE GONE NUTS! THE BOYS ARRIVED IN THE WELL-KNOWN NICK OF TIME...
WELL, WHAT GOES? DO YOU TIE THIS CLUNK TO A ROCK AND DUMP HIM IN THE LAKE, OR WHAT?
AAH-UH..THE BOSS WILL WANT TO SEE AN AIR FORCE PLANT...
START WALKIN', FLYBOY!
TRUST ME

MY GOODNESS!! IT SAYS HERE THAT MR. AND MRS. HORACE ANSADDLE HAVE BOUGHT THAT BIG ESTATE DOWN THE ROAD!-- THEY'RE VERY PROMINENT SOCIALLY!!
--AND MR. ANSADDLE BELONGS TO THE SAME CLUB AS JIGGS!
-BUT- JIGGS- HE BELONGS TO YOUR CLUB!!-- YOU MUST BE A GOOD NEIGHBOR AND PAY HIM A VISIT TO WELCOME HIM-- EVEN IF ONLY TO SAY HELLO!
THAT'S MORE THAN HE EVER SAYS TO ME WHEN WE MEET!
MY WIFE INSISTED I COME OVER TO SAY HELLO!-- SO "HELLO"-- AND GOOD-BYE!
I'LL JUST SAY GOOD-BYE!!- BY THE WAY ARE YOU GOING TO THE CLUB TODAY? IF YOU ARE- I'LL STAY HOME!!

MY STUMMICK FEELS LIKE A COUPLA WILDCATS IS FIGHTIN' IN IT.
BUT UNDER TH' CIRCUMSTANCES. I DON'T KNOW IF I OUGHT TO TAKE THIS STUFF OR NOT.
GIMME IT AND I'LL FIND OUT IF IT'S OKAY TO TAKE, MOON.
ULP! WHAT WAS THAT YOU POURED DOWN MY THROAT, KAYO?
SOMETHIN' EMMY'S UNCLE OSCAR LEFT HERE AND TOLD MOON TO TAKE TH' NEXT TIME HE HAD INDIGESTION.
BLAH!
ON ACCOUNT OF EMMY'S UNCLE OSCAR NOT LIKIN' MOON HE THOUGHT IT MIGHT BE INSECT POISON. BUT EMMY SAYS IT'S BICARBONATE OF SODY. WHADDA YOU SAY IT IS?
POISON? I WONDER.
MY WORD! I DO LOOK A LITTLE GREEN.
OH, PIFFLE! IT'S JUST MY IMAGINATION.
WHAT WAS YOU YELLIN' ABOUT, PLUSHIE?
I HAD A VERY SHARP PAIN WHEN I LAY DOWN JUST NOW.
GOOD GOSH! YOU'RE POISONED! LAY DOWN AND STAY PERFECTLY STILL.
OW! OW! THERE IT GOES AGAIN.
KAYO! GO GET A DOCTOR WHILE I HOLD HIM STILL. IT WON'T DO TO LET HIM WIGGLE AROUND.
OOOH!
GOSH! NOW I HAVE DID IT!
I WAS FEELING FINE, DOCTOR, UNTIL I TASTED SOME WHITE POWDER. THEN I LAY DOWN AND THESE TERRIBLE PAINS IN MY BACK STARTED.
TURN OVER, PLEASE.
DOC, WILL HE LIVE?
WELL, I HAVE NEVER HEARD OF ANY FATALITIES FROM LYIN' ON A PINCUSHION FULL OF NEEDLES YET.
WHY'S HE SQUAWKIN' BECAUSE TH' DOC CHARGED HIM $5? PERSONALLY, I DON'T THINK IT PAYS TO TAKE CHANCES.
CERTAIN'Y! IT'S WORTH $5 TO KNOW THAT THIS REALLY IS SODA I'M TAKIN'.
